

hMMM

By HUGH STILES
The Ruidoso area has, as often published and advertised, four great seasons of the year. All of them equally important and very possibly much more distinct than as is the case in most other areas of the U. S.

The four seasons of the year add a multitude of blessings to the overall environment, regarding both natural and human. And within the four seasons we have added a number of other seasons, perhaps worth the title, sub-seasons, make a profound mark on the entire area.

Sub-seasons are, at least in part, the tourist season and not-so-tourist season; the season let-down and the season financial dreams; sporting season and the season of the convention and the not so conventional season; the season of the poor of kings and the season of the poorest of kings, and last but not least is the political season.

The current political season has been no exception other than the fact that there are candidates and hence promises, more platforms, coffee, more soliciting more in-law and not so in-law relationships.

The results of this year's primary race 300, 275, 100 and 80 Mayor, 420, 337, 221, 190, 160, 150 and 63 for trustee. Municipal judge's race will be won by 522 the winner, 230 the loser.

Monday, Ruidoso, it was announced this week by the Ruidoso Evening Lions Club has selected to seek the election and honored Lions District Governor's position in the forthcoming N. M. Lions State Convention, June 2-4, in Farmington.

With a man like Day and a name like "DAY". It would appear that the Ruidoso Evening Lions Club has a winner both personal ability and eloquence. The campaigning of the covered Lions District Governor's position is just as serious as a local municipal election.

I am sure that a few campaign slogans have already been decided for this often hectic Ruidoso Lion. Can't help suggest a few. For example "Every Lion Should Have a Day" or "Elect Day and Day the Lions' Way."

Considering the fact that the International Lions Club Convention will be held in Mexico City, Mexico, June 28-July 1, "Oley Day" or "Buena Day" "Hot Tamale but no chilies" "con Day." Or the Lions' song for the election might be, "Never Let A Day go by" (with no reference to evening Lion Club member Dick DiPaolo.)

FRIDAY, MARCH 3, 1972

Annual School Census Underway for Ruidoso

The Ruidoso Municipal School system is now in the process of compiling an annual school census of all children in the district between the ages of six and eighteen. The census is made each year for the purpose of state allocation of school funds.

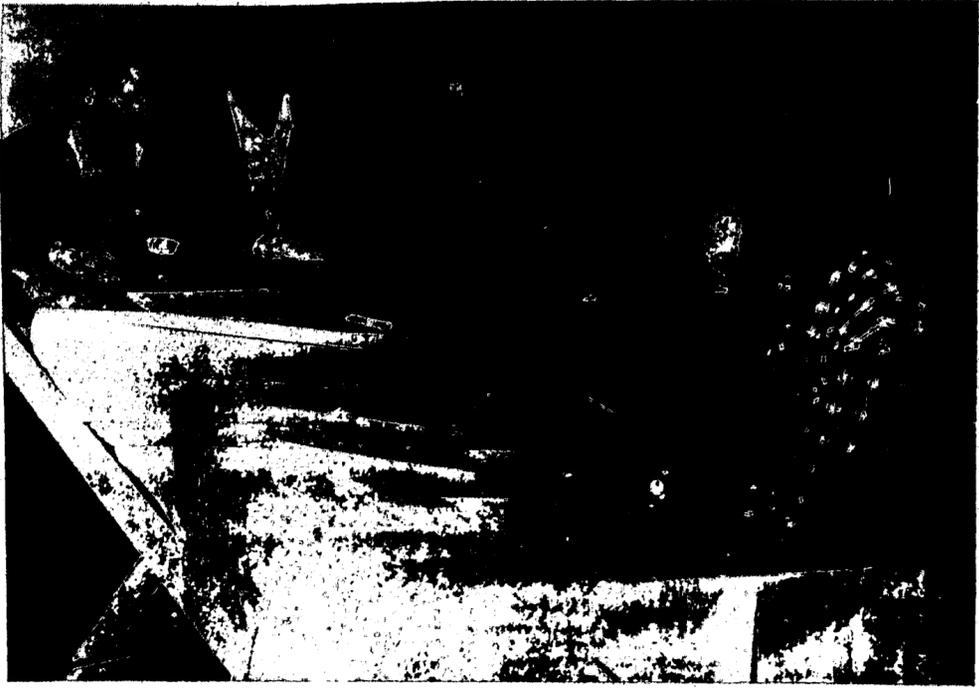

Anyone having children who will reach the age of six before January 1, 1973 is urged to contact the Superintendent's office and report the child before the May 1 deadline.

Although census forms are sent home with all school students, many new residents will not be reacquainted with the forms, therefore, if you know of children that haven't been reported please contact the office.

School Board Changes Regular Meet Date

The regular monthly meeting of the Ruidoso Municipal School Board has been changed from March 14 to March 13. The meeting is open to the public and those wishing to attend are urged to do so.

A special meet will be held March 6 for the purpose of approving warrants and vouchers for the contractor now working on new construction at the high school. The board will also discuss a new school manual now under study.

ADDRESS, PLEASE—After over a year of continuous work and serious efforts by members and ex-members of the Ruidoso Planning and Zoning Commission, Ruidoso residents and commercial establishments will soon have a designated street name and number. The Ruidoso P&Z, to date, has around ninety-five percent of the streets in the municipally named and numbered, over 280, and expects to finish the project in the very near future. It was also reported that there is a possibility that future telephone directories will include a map of the Ruidoso corporate limits to assist in locating addresses. A & Z members, past and present, pictured working on the extremely detailed project are, left to right, Frank Potter, George Shoemaker, Stormy Edwards, Chairman of the Ruidoso P & Z, Bucky Morrison, and Bob Hollis, former member of the dedicated group. Sewer Bond Questions & Answers Occupies Ruidoso Downs Council

Twenty-two visitors were present for a special meeting of the Ruidoso Downs Village Council last Monday evening to hear facts and figures on the proposed Sewer Bond Issue to be voted on in the March 7 municipal election.

Officials attending the meet to answer the questions were: Quentin Daniels, engineer; Darrell Fowler, fiscal agent, and Mike Richardson, local environmentalist.

Quentin Daniels explained the proposed sewer project and displayed a map of main lines and laterals. He noted that no site had been chosen for the plant and stated that the estimated cost of the entire project would be about \$1.3 million. Eighty percent of the cost would come from federal and state aid.

It was stated that the cooperation of Ruidoso in the project would be necessary for federal and state participation.

In answer to the question of a need for more money for completion of the project, Trustee Nell Smith stated that the \$300,000 village bond issue would cover the entire project with no need for additional funds.

Ruidoso authorities are not obligated to participate in the project, as yet, and stated earlier that no action could be taken to cooperate until the bond issue had passed. The two governing bodies would then negotiate a contract for Ruidoso's use of the facility.

The majority of those present agreed that the village was being hurt economically by the lack of the sewer system.

Daniels stated that the plant would be a one-man operation and that completion of the project, if passed, would take about one year. No bonds would be sold until state and federal aid for the project was assured and a contract had been negotiated with the Village of Ruidoso, and then only the necessary amount of bonds would be issued.

Darrell Fowler noted that taxpayers would pay about \$27 per \$1,000 of assessed valuation and that service costs for service would run approximately \$3 per month.

Following the discussion of the sewer project, the council held its regular session.

Emergency bids will be called at a special meet for repairs on a bridge across the Ruidoso River near Thompson Trailer Park. With only one bid on the repair, the council decided to contact other contractors before making a decision.

Discussion was held on the fee for re-installing water meters and the council voted to set the cost at \$10 whereas only \$2.50 had previously been charged.

The board agreed to purchase one volume of the New Mexico Statutes to bring the statutes up to date.

Mike Richardson reported that the village chlorination equipment was not working properly and the council agreed to correct the problem with Richardson's help.

Hospital Financial Management Seminar Held Here This Week

Around fifty New Mexico hospital administrators, officials and staff members are expected to register for the annual New Mexico Blue Cross-Blue Shield Financial Management Seminar, held Thursday and Friday, March 2-3 at the Chaparral-Motor Hotel, Ruidoso Downs.

Coordinator for the annual meeting is Donald Penn, Albuquerque.

The Ruidoso Valley Ambassadors met with the group at 8:00 a.m., Thursday, to officially welcome them to Ruidoso.

Ski Club Schedules Monthly Meeting

The Sierra Blanca Ski Club will hold the regular monthly meeting Monday, March 6, 7:30 p.m. at the conference room of the Ruidoso State Bank.

Plans will be finalized for the "Timberon Slalom" races slated to be held March 11 and 12 at the Sierra Blanca Ski Resort.

Bill Ward, president of the club, noted that help was needed by the club for the race and that help would be appreciated in their duties prior to the races.

The club has scheduled a garage sale at the home of Murrell Holbert March 18 and 19 and sale items will be accepted the week preceding the sale.

Everyone is invited to the ski club meet.

— VOTE! — VOTE!

It is not the policy of The Ruidoso News to endorse a candidate for an elective office . . . but it is the serious policy of The Ruidoso News to solicit you to vote for the candidate of your choice. Make a sincerely dedicated effort to vote Tuesday, March 7th. The voting polls open at 8:00 a.m. and close at 7:00 p.m. in both Ruidoso and Ruidoso Downs. . . VOICE YOUR VIEWS BY VOTING!

PAVING DISTRICT 3—Kannady Reports On Municipal Paving District

Engineering plans, tax rolls and other required village legal documents for the proposed new Ruidoso Paving District No. 3 were scheduled to be forwarded this week to the bonding company attorneys for their approval, according to a report presented to the Ruidoso Village Council, Thursday, Feb. 24, by village engineer Jack Kannady.

Kannady told the governing body, meeting in a regular session, that everything required by the village was ready and that following the bonding company's approval the bonding company would complete the preparation of legal documents required to advertise for public hearings on the new paving district.

Kannady also told the council that a new application would be submitted to the U. S. Forest Service, Alamogordo, for a land use permit site for the village's planned off-river raw water storage reservoir. The reservoir is a part of the voter approved one million dollar G. O. Bond for the major expansion of the Ruidoso municipal water storage and distribution system.

Trustee Elmer Pirelli reported to the council that Lincoln County, in association with three other southeastern counties, is now certified as an Area Planning Organization. Pirelli told the council that the area, including Ruidoso now meets federal requirements to apply for federal grants and loan programs.

The notice of the new certification of the APO was announced at a recent meeting in Roswell sponsored by the Department of Housing and Urban Development. (Attending from Ruidoso were Pirelli, Trustee Earl Allison, clerk-manager James L. Hine and village engineer Jack Kannady.)

The council's only action, during its twenty-one minute session, was to unanimously approve the appointment of Walter Harrelson as Ruidoso Police Department Radio Dispatcher. Harrelson replaces William Porter who resigned the fifteenth of February.

Visitors at the meeting included five candidates in the March 7th Ruidoso Municipal election. They were Earline Phillips, Andy Rie, Ted Bennett and Rev. John Miner, all candidates for village trustee, and Sam Nunnally, candidate for Ruidoso Municipal Judge. George Luck, Ruidoso, was also present.

Village officials attending the meeting included Mayor George P. White, Trustees Don Riley, Earl Allison, Warren Tucker and Elmer Pirelli, Village Clerk-Manager James L. Hine and Kannady.

Pre-School Clinics Set For March

Thursday, March 2 — Hondo Clinic will be held at the Hondo School from 10:30 a.m. to 2:00 p.m.

Monday, March 6 — Carrizozo Clinic will be held at the Health Office in the Courthouse from 9:30 a.m. to 4:00 p.m.

Monday, March 13 — Ruidoso Clinic will be held at Ruidoso High School (in the Board Room) from 10:00 a.m. to 12:00 noon.

Thursday, March 16 — Corona Clinic will be held at Corona School from 10:30 a.m. to 12:00 noon.

Tuesday, March 21 — Capitan Clinic held at Capitan School from 10:00 a.m. to 2:00 p.m.

Progress Reported On U. S. 70 Construction

NOTE: Joseph W. Nail, Project Supervisor, New Mexico State Highway Department, for the three miles of road construction on U. S. 70 east of Glenoco, this week released the following statement to the Ruidoso News.

We would like to bring you up to date on our progress of the Eastern 3 miles of construction on U. S. 70 near Glenoco.

The contractor is progressing well ahead of schedule and has completed approximately 75% to 80% of the work. The contractor is in the process of placing the 2-2" layers of asphalt treated base which will be covered with an asphalt seal coat. The completed driving surface will have 6 to 12 inches of gravel, 4" of asphalt treated base material, and 1/2" of asphalt seal. To date, we have completed the placing of approximately 98% of the gravel and 30% of the asphalt treated base. All of the remaining work on the roadway surface will have to be done with the traffic.

In the near future we expect to move the traffic on to the new roadway throughout most of the project. When this is done, the contractor will be able to finish the remaining drainage structures and do the necessary cleanup work for project completion. We shall notify you in advance as to the date we expect to open the new roadway to traffic.

We would like to sincerely thank each of you for your efforts in notifying the public of our detours and congested spots in the construction zone. (To date your time has not gone unrewarded.) We can put up signs, flagmen, etc., to guide the traffic but it's the warning the public gets from the news media before they get to the construction zones, we feel is the deciding factor that sees them thru. With your help I think this project can be completed without an accident.

Underwood Elected Rotary President

Jack Underwood, local attorney, gave the program for the regular weekly meeting of the Ruidoso Rotary Club Tuesday noon at Joe's Cafe. Underwood spoke on the subject of "hot checks" and noted action to be taken by merchants that had received such checks.

Election of officers for the coming year were held following the program with Jack Underwood being elected president and Al Lane vice-president.

Rotarians visiting the club were Jack Kirk, Alamogordo, and Dick Clark, Odessa, Texas. John Kirk, Jr. was a guest of his father and Mike Larkin was the guest of Wyman Scarborough.

Ski Club Schedules Timberon Slalom For March 11 and 12

The Sierra Blanca Ski Club has scheduled a sanctioned ski race, to be called The Timberon Slalom, for March 11 and 12 at the Sierra Blanca Ski Resort. Race time will be 10:00 a.m. both days.

Feature races will be held for all classes of skiers, with trophies to be awarded to winners in each event.

The slope to be used for the event has not been chosen as yet.

Visitors are urged to attend the races.

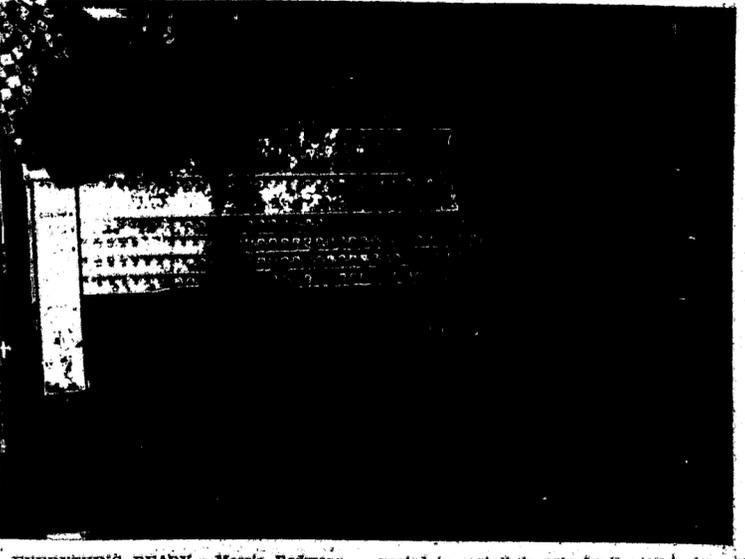

NOTICE

The Lincoln County Historical Society will meet in the R.E.A. building, Wednesday, March 8, at 7:30 p. m. at Carrizozo.

KIDNAP FOILED—A planned plot, all in fun, by members of the Ruidoso Valley Ambassadors Club to kidnap Fran Farrell, Des Moines, Iowa and Supreme President of the BPO Does, was foiled here last Friday as Ruidoso Chief of Police O. S. Montes, left, in a wild chase to the reservation line in Ruidoso's upper canyon, overtook the would-be kidnapers' car. Mrs. Farrell, seated in the car and in

Ruidoso attending the 10th Annual South District Convention of the Does, was not sure it was all in fun when she was taken from the Villa Inn Motel by three gun-toten' Ruidoso desperado-appearing men. The trio included, second from left to right, Jackie DiPaolo, Wynnee Scarborough and Mikie Waldrop. (Ruidoso News Photo)

EVERYTHING READY—Morris Redmann, above, puts the mechanical voting wheels in motion this week for next Tuesday's municipal election. The voting poll in the municipal buildings of both Ruidoso and Ruidoso Downs will open at 8:00 a.m. and close at 7:00 p.m. Between 750 and 800 Ruidoso voters are expected to cast their vote for a mayor, two trustees and municipal judge. Ruidoso has eighteen candidates vying for the four positions while Ruidoso Downs has seven residents for the four positions. (Ruidoso News Photo)

By CECILIA BARRON

Antiseptics and antibiotics? What because of the old fashion soap and water? Seems to me that more soap and elbow grease is used there would be less germs to be killed with disinfectants. The pioneers had their babies on layers of newspapers; put them in a wash-tub of warm water and washed them with pure soap. Most of them survived and grew to be six footers or more. We used a broom and lye soap to scrub our pine floors and I don't think a germ would dare enter. We used to never, never talk about these things, but everything else is being discussed today; so why not mention how we arrived in this vast universe.

There are so many cures and remedies for diseases now, you almost forget what you first had and what you intended to cure; as the remedy sometimes brings on more diseases. There are three good (bad) remedies why so many people are ill today. They are:
First — We do not eat the proper food.
Second — We do not exercise in fresh air enough.
Third — We do not dress adequately.

Ordinarily the human race is of a natural strong constitution. We eat-live-must animals, regardless of how we treat our bodies. Sometimes our bodies cannot take all the harm treatment we give; therefore we become ill.

Much of the food and drink today are just so much poison to us. The physician prescribes some food at school—although I wonder if they really do study the nutritional value of the food as they should. Many times Junior refuses to eat it and goes to a 'joint'; gets a Coke and a half-pocked hamburger on a white bun—put to mention other things he may get hold of—all of which is poison to his body. Then mother gives him the conventional one-a-day, which may turn out to contain some undesirable ingredient.

In the old days we had no white flour—which reminds me—I have a daughter-in-law who bakes delicious whole wheat buns. They almost melt in your mouth.

My neighbor is very kind to me; but little does she realize that she is killing me with kindness, by bringing me candy and good things to eat. Now a bit of humor:

I have heard where the dish 'ragout' got its name. An old lady was making soup in an iron kettle, hanging in a fireplace. As she went about her work and each time passing by the pot, she would drop in a vegetable or spice until the soup was thick like stew. Soon she missed the rag she had been using on the hot pot, but found it later and said, "At least I left the rag out."

Why exercise? To keep our muscles supple and the blood flowing through our bodies as it should. The service men hike ten or fifteen miles a day just to keep in shape and when they are in combat their mileage is measured by days. We buy our expensive exercisers and maybe—just maybe—we use them a few minutes; then get in our cars and ride a block or two; while breathing the foul air of our rooms and cars. Many of the old ways are best, even though it takes more time and work. It's still the best, as we will have had our daily exercise and no need to go an expensive 'spa'.

Now just a word or two about dress: Our houses are kept warmer than necessary and we dash out in zero weather, dressed in practically the same garments we would wear on a hot summer day; then wonder why we have so many colds and cases of 'flu'. I fooled you, didn't I? I will leave the rest to your imagination.

We do all of this because we are human and have a mind of our own; to do as we please—even if it kills us. —Mrs. B.

OLD MILL

25 Years Ago
By ELSIE WILLIAMS

News items from Ruidoso News issue of Feb. 24, 1947. As a result of another trip to Santa Fe to consult with state officials interested in seeing that Ruidoso Valley has a high school by next fall, Jack Hull, Albert Vaughn, Emmet Reese, Herbert Smith and Dewey Gann, Sr. with Judge H. A. Hudspeth of Carrizozo, report that construction on the new high school will begin in April with completion expected in time for school to start in September.

Mr. E. Miller and Carl Wright of Hillswood, slaughter co., have announced the opening of the Hollywood Locker Plant by the first of April. The plant will be located one mile below Ruidoso Junction on Highway 70.

Announcement was made this week of the construction of a modern lodge on the north side of the canyon in upper Ruidoso. E. D. Abbott and son of Lubbock are the builders and owners of the new structure. The name of the lodge will be the Mountain Lodge.

The Capitan Women's Club met Feb. 21 with thirty members and six guests present. Officers were elected and include Mrs. Ray Morgan, president; Mrs. F. H. Hall, Jr., vice-president; Mrs. J. W. Barling, secretary; Mrs. D. J. Gickel, treasurer; Mrs. C. H. Kerple, historian; and Mrs. R. E. Aldrich, entertainment.

15 YEARS AGO
News items from Ruidoso News issue of March 1, 1957.

The Ruidoso Warriors upset the Eunice Cardinals in overtime play last Saturday night to win the District B-Basketball Tournament Championship in Roswell. At least 200 hometown fans were on hand to cheer the Ruidoso team.

Five bedside lights have been contributed for patients' rooms in the local hospital by local residents who provided trading stamps for the acquisition.

Mayor Don Snyder announced that the Ruidoso Valley Rotary Club this week had the Forest Service School Ground Camp on Main road in Palmer Outway, closed last fall by the Forest Service when it began expansion of a larger picnic area on Cedar Creek, has been acquired by the Village of Ruidoso and work will begin right away through the Village Park Department with Jack Little as commissioner, to improve the area.

Wedding Planned Sunday, March 26 In Ruidoso Church

Mr. and Mrs. Clovis O. Perry of Ruidoso Downs are announcing the engagement and forthcoming marriage of their daughter, Lynn O. Diana, to Alvin Richard Napier of Holloman Air Force Base, son of Mr. and Mrs. William E. Napier of North Augusta, South Carolina. The wedding has been scheduled for Sunday, March 26, at 2 p.m. in the Gateway Assembly of God Church in Ruidoso with Rev. G. T. Perry officiating. The bride-elect is a graduate of the Ruidoso High School and is presently attending the Alamogordo Beauty College in Alamogordo.

ELKS' BASKETBALL THROW CONTEST—Winners have been announced this week by Jim Strong for the Elks' Annual Basketball Throw Contest. In the 13-14 year class were: left to right, 1st, Kim Nelson; 2nd, Danny Brown, and 3rd, Steve Williams. Bobby Ham-

lin (right) was winner of 1st place in the 11-12 year class. Standing behind the boys are, left to right, Jim Strong, contest chairman, and George Jaynes, Elks Exalted Ruler. (Ruidoso News Photo)

BASKETBALL CONTEST WINNERS—11-12 year class: Borde Williams (right), 2nd place; Hector Aguilar (left), 3rd place. 13 year class: Jovian Smith (center), 2nd place, and (inset) Rompe Brown, 1st place. Not pictured is Tad Roberts, 3rd place. Forty boys entered the contest this year and the two top boys in each division will compete in Roswell March 18 for the District Championship. The state contest will be held at Gallup March 26. Trophies were given for the two top places in each event. (Ruidoso News Photo)

NMSU Graduates 3 Ruidoso Area Students

New Mexico State University (NMSU) has awarded 435 degrees to students who completed degree requirements during the fall semester at the university.

The fall graduates will be recognized during commencement exercises at NMSU on May 13, 1972.

Forty-six of the fall semester graduates earned their degrees with honors, five with high honors, and two with highest honors. To receive a degree with honors a student must have maintained a 3.2 grade average out of a possible 4.0, at least a 3.75 for high honors, and a 3.9 for highest honors. The designation of meritorious graduate was given for a two year degree to five students who maintained a 3.2 in the last 45 credit hours at NMSU.

New Mexico State University is a land grant college founded in 1889 and with a present enrollment of more than 8,000 students on its main campus in Las Cruces. An additional 2,000 students are enrolled in the university's four branches in the state. In addition to the Graduate School, NMSU has Colleges of Agriculture and Home Economics, Arts and Sciences, Business Administration and Economics, Education, and Engineering.

Listed below are area students who earned degrees during the fall semester at NMSU:

- Bachelor of Science in Home Economics — Patsy Peimington, Ruidoso.
- Bachelor of Arts—Steven Miller, Ruidoso Downs.
- Bachelor of Science in Agriculture — Robert Gomez, Glencoe.

Mrs. Opal Bowers, Member of Pioneer Area Family, Dies

Mrs. Opal Wingfield Bowers, 87, died in a Roswell hospital Saturday, Feb. 26, following a long illness. Services were held in the Aldersgate Methodist Church in Roswell at 10 a.m. Tuesday, Feb. 29 with Rev. John Price officiating. Graveside service was held at Angus Cemetery Tuesday afternoon, at 2:30 with Rev. Charles Crutcher of the Community Methodist Church in Ruidoso, officiating.

Opal Wingfield Bowers was born at Páson, about ten miles north of Ruidoso, on Nov. 28, 1914, when that area was a thriving mining community. She was the daughter of Luis and Ike Wingfield, pioneer Ruidosians, now deceased, who came to Ruidoso in 1882. Attending grade school in Ruidoso, and for a while at Alto, she attended high school at Tularosa and graduated from high school at Hondo. She lived for several years at Santa Fe and also for about six years at Victorville, Calif., moving to Roswell in 1952. Her husband preceded her in death in November 1969.

Surviving are two sons, John W. Bowers and Tom W. Bowers, Roswell, and one sister, Mrs. Della Wingfield Hale of Chama. Pallbearers included Dan Nelson, Mike Ellins, Steve Tuttle, Richard Harris, Steven Pas-

quitor and James Bates. Honorary pallbearers were Bill Porter, Jack Tice, Dr. F. E. English, Joe Simms, Allen Simms, Kane Kingrey, John Bergner, Bill Hartman, Tommy Howes, Leo Shappington, Joe McLenowick, Joe Hancock, Paul Haues, Jim Gallagher, Wayne Stapley, Kenny Doyle, Rick Scifers, Steven Tubbs and R. E. Thompson.

WEATHER

Temperature: Max., 69; Min., 19. Precipitation: Feb. 21-29, 0; Feb. 1-20, 0; Normal for Feb., 1.11. Accumulative: Jan. 1-Feb. 27, .56; Normal Jan. 1-Feb. 29, 5.32.

Weather Summary—Continued fair. A few local showers in northern mountains averaged 5 to 10 degrees above normal with seasonably very warm days and mild nights. Maximum temperatures early in week. Minimum temperatures predominately on weekends.

Billy Graham Film Set For FBC Saturday, March 4

The latest Billy Graham film, "Lost Generation", features special appearances by Art Linkletter and "Dragnet" star Jack Webb.

Linkletter, whose daughter Diane died as the result of the use of drugs, discusses drug usage in America, and points to what is being done voluntarily by many teenagers to combat the problem. Webb states his views on the role of the police officer and his relationship to the laws of our society.

"Lost Generation", filmed in Eastmancolor by World Wide Pictures, is a probing documentary which takes a close look at the attitudes and morals of the Nation. Location filming was done in Alaska, the Southern states, on the farms and in the small towns of mid-America, and in the dying Haight-Ashbury hippie district of San Francisco.

"Lost Generation" will be shown on Saturday, March 4, at the First Baptist Church, Ruidoso. There will be no admission charge for the 7:30 p.m. showing. The Rev. George Beltman, pastor of the church, extends a cordial invitation to the public.

Full line of interior and exterior paints. Latex and oil base at Gambles in Ruidoso.

DECA Wins Honors At Area Competition

By LINDA WEBB
The Ruidoso D. E. C. A. Chapter brought several trophies and certificates home from area competition in Truth or Consequences last Thursday.

Nineteen students participated with twelve bringing home the honors, a very nice prize for a first year program. Students who placed as runners-up were Deana Stevenson and Danny Esch, competing in Sales Demonstration; Alisa Day in Ad Layout; Mike Rowland and Carolyn Stout in Public Speech; Cheryl Tilly in Public Speaking; Linda Webb took first in her area of distributive manual. Linda Webb took first in her studies in marketing manual but this field does not go out to state.

Ruidoso winners in area who are listed are Linda Curry, competing in Display; Carol Ross, in Public Speech; Jon Wrye and Becky Waries with their Studies in Marketing Manual. Teresa Rigdon will be competing as D. E. C. A. Sweetheart.

Students who did not compete in area but who automatically go on to state are Wes Benson as Boy Student of the Year and Deana Stevenson as Girl Student of the Year. Linda Webb will represent the chapter with the chapter of the year manual.

State D. E. C. A. competition will be held March 24 and 25 in Roswell. The Distributive Education classes have opened a "School Store." The store, which is set up in the D. E. C. A. laboratory, sells school supplies such as notebooks, typing paper, pencils, pens and notecards. They also sell candy to students before school, during lunch and after school.

Terry Bender stated the need and purpose for opening a school store. The need for education of

students in the field of distribution and marketing has already been realized and is being met by the Distributive Education Program. However, I feel that the students could be much better trained and educated by giving them the opportunities to deal with and become involved in all of the areas associated with retailing. Also, in a recent faculty meeting it was decided by the Superintendent, Ed. Valiant, and some of the teachers that present candy machines were in a poor location. Bender, teacher-coordinator, made the suggestion that the candy machines may be removed and that the new D. E. C. A. store take over the sale of candy.

The purpose of the school store will be to educate Distributive Education students further in the areas of distribution and marketing.

The basic objectives of establishing a high school store are as follows:

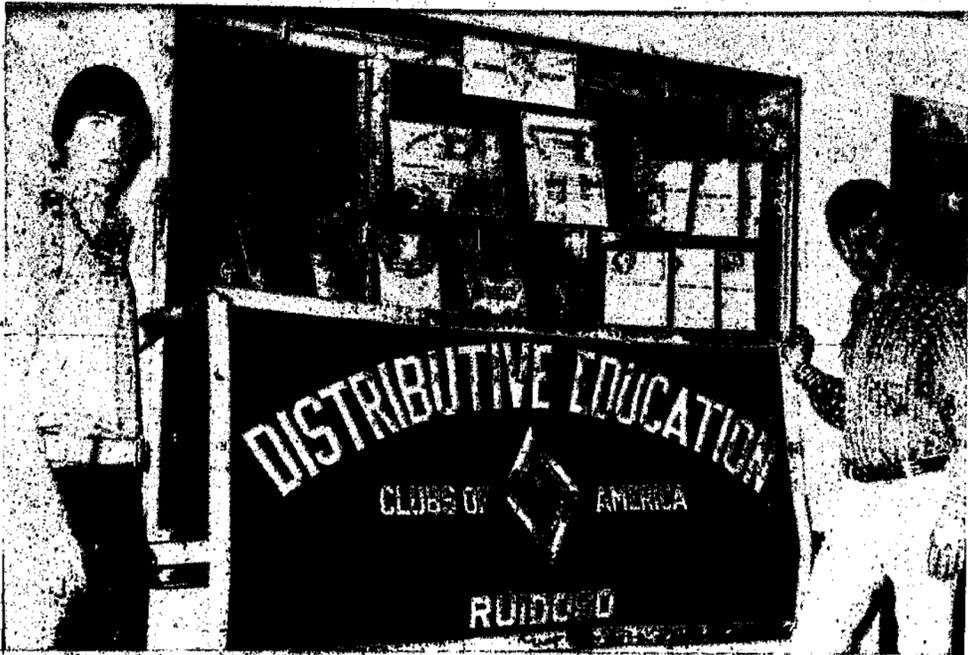

(1) Students will be able to prepare and practice while actually selling under job conditions with various types of merchandise.

(2) Theory received in classroom situations can be applied in actual selling situations so that students can become more effective in on-the-job training.

(3) Distributive Education is based on the principle of "learn by doing." Through the school store, Distributive Education students can learn and develop such skills as stocking, inventory control, merchandising, display, checking and marking, receiving, advertising, and distributing techniques.

The Ruidoso chapter of D. E. C. A. voted on starting the store with a small and limited inventory since the main source of capital would come from the D. E. C. A. treasury, and other activities must be budgeted from the same source.

Approximately \$100 a week profit is being made by the running of the D. E. C. A.

DECA TROPHIES AND CERTIFICATES—The Ruidoso High School chapter of DECA placed second in competitive projects at the recent meet in Truth or Consequences, being beaten out of first place only by Las Cruces. The club has had an exceptional first year of operation in Ruidoso. The club is especially proud to have their candidate chosen for state finals as DECA Sweetheart. Ruidoso DECA sweetheart is Teresa Rigdon. Holding the DECA banner are (left) Gary Rogers and (right) Mike Rowland. (Ruidoso News Photo)

Girl Scout News

Cadet Troop Flys
During the month of February the Cadette Troop planned to go to Santa Fe, but it was cancelled because of snow. At the next meeting we discussed and changed our plans and decided to go to Roswell to see a Planetarium. We did go to Roswell and ate in Parr's Cafeteria. We went to the park and later to the Museum and to the Planetarium. Inside the Planetarium, we saw stars and heard stories on how the stars got their shapes and sizes.
At the last meeting, Mrs. Cabot came over and demonstrated how to paint rocks. The girls were to bring several rocks and paint them to resemble people, animals, designs, etc. The Cadette Troop is now planning to go on a camp-out. The Girl Cookies should be here soon.
—Wanda and Sandra Sanchez

Brownie Troop 1

By KARLA BEARS
On Feb. 17 we rode the bus to Roswell with the rest of the Scouts. We ate our sack lunch at the park. We played on the slide and the rest of the things. Afterwards we visited the museum and the planetarium.
At our meeting on Feb. 23 we wrote a thank you letter to Mr. Waldrip for our planetarium visit. We practiced our dance again and learned the last part. We had refreshments of punch and brownies.
help also. Ask your student questions and get the facts. Discipline them if they talk back, because the school cannot handle it alone. Also, check their studying and their report cards.
Be at the meeting!

FARMERS INSURANCE MEET - Around thirty representatives of the Farmers Insurance Group met last Thursday at the Villa Inn Motor Hotel for a one-day company seminar on Alpha Junior Life Program, an insurance program for youth up to fifteen years of age. Pictured welcoming one of the firm's newest agents, Dalton Eggs, Ruidoso, second from left, is Bill McNall, left, Agency Manager, Albuquerque, Vera McDonald, right, Regional Life representative, Colorado Springs, Colo., and Bill Blizer, second from right, the agency's District Manager, Roswell. (Ruidoso News Photo)

One of my neighbors got his little dog the other day due to illness and I certainly knew how he felt. The dog's father was such a cutie, friendly little lady and was part of the family. I mean that, she talks that don't care for it, but me and my little girl had big dogs, small dogs, long hair and just plain Mule as they were called and have grown up the lot of each of them. Trucks were even had with stunks, beans and dumplings over kind of you could imagine but each had a place in our hearts.

Nearly every morning when all the kids in the neighborhood gather for the school bus you will see a dog or two hanging around the youngsters helping to get them off to school. I have seen the kids and their pets jump up and down the street and across the hills and fun they are having being kids. When you see a bunch of little fellows and their pets scooting around with their minds on play and nothing more do be careful in driving and remember to slow down as a little feller or maybe his pet may run in front of you and really I don't believe any of us need to be in such a hurry that we need to hazard the child or his pet.

MASONIC FAMILY NIGHT - Jack Underwood, Assistant District Attorney, was guest speaker for the Fifth Tuesday Masonic Family Night held this week. Underwood spoke on the Crisis in Law Enforcement. The family night is a regular event held by the Ruidoso Masonic Lodge. (Ruidoso News Photo)

Peter Egerton Is Ski Instructor Of The Week

Sierra Blanca Ski School's new Instructor of the Week is Peter Egerton. As always, the choice was based on an instructor's enthusiasm, class return rate and cooperation. Egerton is teaching at Sierra Blanca for the first time this year, coming from Queenstown, New Zealand. He is certified by the New Zealand National Ski School, and works during the winter months at Coronet Peak Ski Area, New Zealand, as head of the Pro Patrol. Egerton has been in the United States since October, and has known several of the instructors here, as they go to New Zealand for the summer. He lives here with Rick and Lynn Vincent. During the summer months, he operates a crayfish boat in New Zealand, being a qualified marine skipper and having his own boat. Egerton is returning to New Zealand in a few weeks. Everyone at the ski area has enjoyed having him here and hope he

Funeral Services Held In Macon, Ga. For Mrs. McDougal

Funeral services were held Saturday, Feb. 26, in Macon, Ga. for Mrs. Elizabeth McDougal of Ruidoso who died Thursday, Feb. 24 in Providence Memorial Hospital in El Paso. Mrs. McDougal had been co-owner in the Sierra Blanca Cabins in Ruidoso for a number of years. She was a member of the Methodist Church, and had been active in church work. She was a past president of the Women's Hospital Auxiliary in Pecos, Texas and was also active in child welfare work. She at one time took foster children in her home. Surviving are the husband, Marchand McDougal; two daughters, Rebecca, Carolina McDougal, Ruidoso, and Mrs. Nancy Larsen, Atlanta, Ga.; one son, Ralph F. Brown, Atlanta, Ga. Burial will be in the Forest Hill cemetery in Macon, Ga. next year. Congratulations are extended to Egerton for being chosen Instructor of the Week.

Turkey Permit Areas Told By Game Dept.

The State Game Commission authorized the Department of Game and Fish to issue a total of 6,200 spring turkey hunting permits in five areas around the state. Season dates were set as April 15-23. Action was taken in the recent meeting of the Commission in Albuquerque. Areas with open seasons and the number of permits allotted for them are Mount Taylor, 500; Northeast, 600; Southwest, 1,800; Ruidoso-Capitan area, 1,500; and the Sacramento Mountains, 2,800. Season and regulations are very similar to those of last year. Major changes are that there will be no open season this year in the Zuni, San Mateo and James Mountains where seasons were open last year and the extreme eastern portion of the Pecos Wilderness from Elk Mountain Divide east, that was closed last year, will be open for the 1972 spring season. Permits will be allotted by public drawing and applications must be made on forms C-3 that will be available shortly in all Department offices and from all license vendors. Deadline is 5 p.m. March 31 in the Santa Fe, Albuquerque, Las Cruces, Roswell or Raton offices of the Department.

Congratulations To...

Mr. and Mrs. James Lucero, Jr., Carrizozo, parents of a son, born Feb. 27, wt. 8 lbs. 9 oz. **1972 SCORE TO DATE**
GIRLS BORN-7
BOYS BORN-5

Letter to the Editor

From the Desk of
JON M. RODEN, D. D. S.
184 West 7th
Frisco, Texas 75045
Dear Sir:
On Saturday, Feb. 19, I called the police station in Ruidoso. I was trying to locate my sister and her husband who were there for the weekend. Her father had been hospitalized and she needed to know.
I talked to a person named Anderson. He was very COURTEOUS and seemed happy to take charge of calling the city offices to locate the address. I really appreciate your department helping me in this manner.
Sincerely,
/s/ Jon M. Roden, D. D. S.

Your Social Security

The Social Security Administration has recently begun using computers to stop and start monthly social security payments. Computers are not new to social security, but this usage of them is new according to Mrs. Christine Grayson, social security field representative. Before, if a person stopped working after establishing his entitlement to social security checks, it was necessary to send a written notice to the payment center where the records are kept. Now the local social security office can enter the information into the computer system. This process will get the checks out faster. A written notice was also necessary if a person wanted to stop his checks. Now this information can be entered into the computer system too. "If you stop or start work, call your nearest social security office."

Promises are sometimes short-lived - but I've lived - and I should live - should I not?
I am sincere in my endeavor to make a good ARRANGEMENT for you.
Thanks,
Ab Gunter

IF YOU FACE THE FACTS YOU WILL "PUSH for PIRELLI"
2A ON YOUR BALLOT FOR MAYOR - VILLAGE OF RUIDOSO
Due To Recent Information Being Circulated, I Feel Compelled To Inform The Voting Public of The Following Facts All Substantiated by Official Public Records!

ANNEXATION - The largest annexation of undeveloped land into the Village of Ruidoso occurred during the Administration of Lloyd L. Davis, Jr., former Mayor of the Village. I was a member of the Village Council when the above annexation was brought before the council for vote, the results were: PIRELLI - No, Estes - No, Dr. James Beall - Yes, Herb Brunell, Yes. **MAYOR DAVIS** broke the tie voting in favor of the annexation. This annexation of the largest tract of undeveloped land into the village, the owners of which would rightfully expect the same privileges as those within the village corporate limits, brought no revenue into our village because there were no residents on the annexed land.

WATER IMPROVEMENT - The original request for funds from the Federal Government came during the previously mentioned administration. After 18 months the current council, of which I am a member, received notice that Lincoln County was not a member of an Area Planning Organization as required and thus Ruidoso was not in an Area Planning Organization. After several trips to Santa Fe by myself and other members of the council, we accomplished the then requested requirements. After repeated correspondence

and continued urging by the current Village Council for assistance from federal agencies the village, at no fault of the village, failed to receive a commitment from the federal agency, HUD. After our unfortunate water shortage, the council decided to submit to the voters of Ruidoso a Water Bond Issue. Despite remarks to the contrary, we informed the public regarding the water bond proposal and plans through the news media, public meetings, civic club meetings and by word of mouth. The **VOTERS** decided and the Water Bond Issue, in the largest voter response in the history of the village, passed by a **NINE TO ONE MARGIN FAVORING THE COUNCIL'S PLAN!** Also in a rebuttal to other remarks circulated, **WATER BOND MONEY**, by law can be used **ONLY** for village water improvements and expansions. The **"WATCHWORD" BY THE EXISTING COUNCIL** has been and will continue to be **"USE THE MONEY WISELY... AND IF ELECTED MAYOR I VOW THAT IT WILL BE! SUBDIVISIONS"** - Prior to the council's adoption of the existing Subdivision Regulations, our land was butchered, and I am sorry to say, even after the regulations were adopted.

Ruidoso residents should be extremely proud of those residents who are willing to serve on the Ruidoso Planning and Zoning Commission. It is a thankless volunteer job and I for one am very proud of their accomplishments and am proud to have been a member of the Planning and Zoning Commission. The P and Z needs assistance regarding inspection and enforcement of village regulations. Look around our village, look around our subdivisions, and then ask who is responsible for the conditions that now exist, who was the subdivision?

As a final note, I resent the slur directed at the present council, past council, village employees and the village appointed boards. I personally feel that I have done a good job. Our council has acted Democratically and our employees are dedicated and doing a tremendously acceptable job considering the salaries they receive. **I ALSO WANT TO INFORM ALL RUIDOSO RESIDENTS AND VOTERS THAT MY ACTIONS ON THE COUNCIL IN THE PAST, AND IF ELECTED AS MAYOR, HAVE NEVER BEEN AND WILL NEVER BE INFLUENCED BY ANYONE!**

- SIGNED ... ELMER PIRELLI

PIRELLI'S PROGRAM

1. CONTINUED HONEST AND DEDICATED SERVICE.
2. MAINTAINING A HARMONIOUS VILLAGE COUNCIL.
3. ADVOCATING A CLOSER SUPERVISION OF SUBDIVISION REGULATIONS, BUILDING REGULATIONS, ETC.
4. CONTINUED URGENCY REGARDING PROGRESS ON THE RUIDOSO WATER IMPROVEMENT AND EXPANSION PROGRAM.
5. CONTINUED AND RESPECTED CONSIDERATION OF ALL PROBLEMS BROUGHT TO THE ATTENTION OF THE GOVERNING BODY AND QUICK ACTION TOWARDS SOLVING THE PROBLEMS.
6. GIVE DEPARTMENT HEADS THE RESPONSIBILITY FOR THEIR RESPECTIVE DEPARTMENT'S OPERATION AND SUPERVISION, AND REPLACE OR DEMOTE THOSE DEPARTMENT HEADS IF THEY ARE UNABLE TO DO THEIR JOB.
7. ADVOCATING SEVERAL CITIZEN'S COMMITTEES, APPOINTED BY THE GOVERNING BODY, TO STUDY EVERY DEPARTMENT OF THE VILLAGE AND REPORT THEIR RECOMMENDATIONS TO THE VILLAGE COUNCIL.

WARRIORS LOSE IN DISTRICT 5AA PLAY

A Cinderella finale worked in reverse for the championship hungry and championship deserving Ruidoso High School Warrior Basketball Team last weekend while competing in the Annual District 5AA Basketball Tournament held in Artesia. The anticipated story book finish was a complete reversal for the local Tribe, one of the finest basketball teams in the school's history, with a 9 won 0 loss district record in pre-tourney play, finishing fourth in the tourney.

The Warriors, highly favored to win the tourney and ranked 3rd among N. W. Mexico Class AA High School teams going into the annual tournament, won their first tourney game, 72-40, over the Reno Eagles who were winners in regular district play. Then the unexpected happened, the Tribe fell victim to a one-point difference at the conclusion of their Jal and Eunice competition, both in overtime games. Jal outlasted the Warriors 93-92 on Friday night and then in the consolation game, Eunice won over the Warriors, 88-87.

Miller, Ken Perryman and Reeves McGuire, were named to the coveted New Mexico District 5AA All-District Team. It was the second consecutive year for Miller, who led the Tribe's scoring throughout the year, to be named to the All-District membership.

Other players named to the honored All-District roster included Mike Jones, Eunice; Buddy Sutton and Keith McManis; Jay Gary Harrel, Hagerman; David Lea and Matt Elliott; Carrizosa; John Jackson, Lake Arthur; Mike Chance, Clouderait, and Gary Derrick, Dexter.

Quinn Miller, in his first year at Jal, was named District 5AA All-District Coach of the Year. The tourney's Sportsman Trophy was awarded to the Clouderait Bears.

Final standings in the four-day tournament were First Place, Jal; Second Place, Carrizosa, and Third Place, Eunice. Jal and Carrizosa will represent District 5AA in the Annual Regional Tournament, this weekend in Silver City. Jal goes into the regional tournament with a five and four loss regular season district competition while Carrizosa had a won 7 loss 2 record prior to the district tourney.

Most Ruidoso area sports fans and Warrior supporters were totally astounded that the Ruidoso team had to compete in the annual District Tournament in light of the fact that they had defeated every team in their district in pre-tourney play.

RUIDOSO JUNIOR RACER—Kathy Campbell (second from right) has a right to be pleased after taking first in her class and overall championship for girls at the giant slalom held last weekend at Pajarito. Kevin Crawford (right) took a second place in Class 4.

and Greg Mobley (left) captured a third in Class 4. Little Mark Mobley (second from left) won a first in Class 5 at Sapapuc and Kevin Crawford won a first in Class 4 and was overall winner. (Ruidoso News Photo)

RUIDOSIAN HONORED—Clifton Keith, Ruidoso, right, recently was presented a special Service Award For Continuous Service by the Metropolitan Life Insurance Co. The formal presentation was made by Arthur Meyers, left, Sales Manager of the firm's Alamogordo

office. A resident of Lincoln County for twenty-two years and a resident of Ruidoso since 1963, Keith, the local Metropolitan Life Sales Representative, was honored for his eleven years of continuous service with Metropolitan Life. (Ruidoso News Photo)

Local Bowling Team Places In Tournament

One of the Ruidoso teams of women bowlers placed 14th among 84 teams entered in the annual Alamogordo City Association Women's Bowling Tournament held during weekends in February on the Red Rooster and Canyon Lanes in Alamogordo. The team was the McCarty Construction team which had a total of 2659 pins. Members of the team receiving \$16 each were Wanda Shaw, Mary Wimberly, Alta Waltrip, Phyllis McCarty and Sue Blackwelder.

Ruidoso bowlers placing in the All-Events which had 164 entries, were Mildred Armstrong with 1759 pins; Sue Blackwelder, 1701; Mary Wimberly, 1684, and Walt Hughes, 1672.

Local bowlers who had 200 or over games and who received special pins included Wall Hughes, 233 and 202; Mary Wimberly, 224; Georgia George, 223; Sue Blackwelder, 209, and Mildred Armstrong, 201.

The above bowlers all received cash prizes, and a number of other Ruidoso bowlers placed in the tournament but did not receive cash prizes.

Junior Ski Racers Finish Good Week

Ruidoso Junior Racers again had a very good week in races throughout the state. Kathy Campbell brought home a first place trophy from the giant slalom at Pajarito and also captured first place in overall girls. Kevin Crawford took a second in Class 4 followed by Greg Mobley with a third.

At the Class 4-5-6 giant slalom held at Sapapuc, Mark won a first place in Class 5 competition and Kevin Crawford took a first for Class 4 and was overall winner.

Results of the Elite Leveland Slalom, an FIS race, showed Kathy Campbell winning a second and Sawyer Ward coming in 12th in the girls' class. In the boys' class Dale Pearson finished 11th and Bryan Skinner took 14th.

Dale, Sawyer, Kathy and Bryan will be traveling to Vale, Colo., March 3-4-5 for the Vale Downhill and Kevin Crawford will be going to the Rocky Mountain Division Giant Slalom Championship at Crested Butte.

GRASSROOTS OPINION

ELLIE, KANS., REVIEW:
"Newspapers have three major responsibilities to their readers. They should exist to inform, to interest and to involve, as honestly as possible... the letters to the editor prove one thing, at least and that is that people are reading this newspaper. It also proves that the paper is involving people and that is one of the criteria by which newspapers are judged. Each reader has a right to his own opinion. Each person who takes the time to write a letter or verbalize an opinion either in contradiction or in agreement is adding to the success of the newspaper, which after all is tied up in whether or not it is read."

BLANE MILLER

KEN PERRYMAN

REEVES MCGUIRE

Following the District Tournament three Ruidoso Warrior starters, all REIS juniors, Blane Miller, Ken Perryman, and Reeves McGuire, were named to the District 5AA All-District Team.

Horsemanship Club Of Captain 4-H Holds February Meet

The Horsemanship Club of the Captain 4-H Club held a meeting Feb. 20. The meeting started off with a film on how a horse should look in a halter, class, and what you should look for if you were the judge. Between the film there was a talk on saving wild mustangs which are being made into dog food.

Lloyd Engeking read a poem about wild mustangs. The second film was a 4-in-1 series about quarter horses at halter, roping, cutting and reining. After the meeting was over refreshments were served.

Members present were Ricky Richardson, Robbie Richardson, Lloyd Engeking, Mick Dowdle, Roni Montes, Lili Montes, Nancy Hunter, Yvonne Montes, Leola Montes and Ann Womack.

Ricky Richardson, Secretary

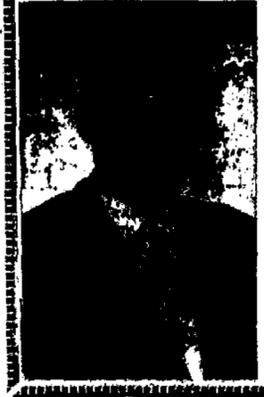

A Voice from the Grass-Roots!

DEAR VOTER:

My wife and I came to Ruidoso 25 years ago, liked what we saw, and wanted to become part of it. We became permanent residents in 1962, and Ruidoso is the place where our family foundation is laid. I want to contribute what I can to the development and growth of our community.

I have lived here long enough to know and understand many of our community problems, and as a public bookkeeper have an ear for the opinions of the small businessman and working Ruidosians who in their everyday life MAKE the community.

Most campaign promises offering "Quick Solutions" or "Drastic Action" are impossible to keep or financially irresponsible. I can only promise to do my best to help plan a stable and sound step forward, and voice YOUR ideas in city government.

HIGH SCHOOL VOCATIONAL BUILDING

Work is progressing rapidly on the new Vocational Building at Ruidoso High School. The new shop building is located between the library and administration building west of the high school. According to the project architect work is being completed according to estimated plans and should be done by the opening of school this fall. (Ruidoso News Photo)

Requirements Told For Turkey Hunt

Hunters will be required to have in their possession, both the special turkey permit and a valid 1972-73 big game, general hunting or general hunting and fishing license.

Bag limits will be one gobbler with a beard that extends at least two inches beyond the feathers of the breast. Shooting hours will be one-half hour before sunrise to sunset. Only shotguns, not larger than 10 gauge nor smaller than 28 gauge and bows and arrows will be legal for taking turkeys.

The only other major item on the agenda of the Commission meeting was the setting of the furbearer seasons and regulations for 1972-73. That season and regulations are also very similar to those for '71-72. The only changes were the closing of the Cimarron River from Ute Park upstream, closing of Fossil Creek from U. S. 64 upstream and the opening of the Pecos River downstream from Dalton Canyon within the Santa Fe National Forest.

Animals included under the furbearer regulations are beaver, muskrat, raccoon, badger, weasel, mink, fox and ringtail. Printed information on seasons and regulations will be available shortly.

News 'N Notes

By MARY ELLEN PAYNE

The U. S. D. A. March plentiful foods list includes:

Canned fruit cocktail, prunes, prune juice, canned peaches, canned cranberry sauce, cranberry juice cocktail, frozen concentrated grape juice, canned grape juice, potatoes, potato products, split peas, eggs, peanuts and peanut butter.

Look for specials on these items and include them in your menu planning.

If you're thinking spring, now is the hour to plan. Bulbous plants that flower in the summer are easy to grow in all parts of the United States, according to plant specialists in the U. S. Department of Agriculture's Agricultural Research Service. Most of the bulbs are grown for their flowers, but some are used because they have attractive foliage. Garden catalogs now are featuring bulbs because the time to order is now.

First, buy your bulbs at reputable places. Make sure the bulbs are not moldy, discolored, or soft and rotting. Bulbs should be firm and have an unblemished skin. Buy enough of each color to make an attractive display. You can start many bulbs in flats or pots indoors and transplant them outdoors when the danger of frost has passed in the spring—and that time is not too far away. Remember, when the planting time comes, you should select a place for full sunshine. Bulbs planted in a southern exposure near a building or wall will bloom earlier than bulbs planted in a northern exposure.

Maybe you'd like to consider some of the more unusual bulbs this year, such as achimenes, ismene, lycoris, montbretia and tigridia. When planting time comes be sure to plant bulbs at recommended distances apart (usually 3 to 4 inches) because many of them need room to develop new offshoots.

Another thing to remember is bulbs must be watered often enough (usually a rule of thumb is to keep the soil mixture damp) and they should usually be fertilized every other week — and not directly on the bulbs. Before giving the bulbs any "care" be sure to check your USDA booklet on bulbs and make sure you give your bulbs the right treatment.

Reuben Pankey, President of the Association, recognizing the problems facing the livestock industry in New Mexico, formed this committee to gain support of the cattle industry, which is the number one contributor to the economy of New Mexico.

Koontz, a practical rancher, said, "I know as an individual, I can't fight the pressures that are facing the industry without the help of my neighbors. These problems involve legislation, taxation, predator control, land use, ecology, and many others."

Massey says, "You ranchers, who are not now members, can join the club and help the Cattle Growers fight these battles that you can't lick by yourselves."

Tax News

DON'T FORGET ALL TAX DEDUCTIONS ON CAR USED FOR BUSINESS

One of the many deductions a taxpayer is entitled to, but often forgets, is the cost of using his car for traveling on the job, according to H & R Block, America's Largest Tax Service.

On-the-job travel expenses are allowed as adjustments to income says H & R Block, and may be taken even if the taxpayer chooses not to itemize his deductions and elects to take the standard deduction.

Such travel expenses may be deducted only if they are not reimbursed by your employer. Also, the cost of operating your automobile from your home to your job (commuting) is not deductible.

For example: a company's sales manager has to use his car to drive around to several of the company's retail outlets. He is allowed to write off the cost of his driving expenses. He can use the standard formula of claiming 15¢ a mile, which for tax purposes, covers all costs of operating an automobile, or he can itemize all his automobile expenses such as gas, oil, insurance, depreciation and repairs. The standard 15¢ a mile deduction is good for the first 15,000 business miles, and every mile after the first 15,000 is deducted at 9¢ per mile.

H & R Block cautions that the most overlooked deduction is that of traveling from one job to a second or part-time job. Thus, moonlighters are entitled to deduct automobile driving costs getting from one job to another (but not back home again as that would constitute commuting). By the same token, military reservists should remember that travel costs to their weekly or monthly meetings are also deductible if held outside the general area of their tax home.

LETTER TO EDITOR

Dover, Okla., Feb. 24, 1972.

Dear Editor:

I wish somehow to convey to the people of Ruidoso and Ruidoso Downs my appreciation for their response and love shown to all of us during the illness and at the time of death of my daddy, Zeke Scott. I know he was loved and respected along with my step-mother, Waicie, and my brothers and sisters, but I have never seen more love for a family than was done for us and I just wished there was some way I could let the world know there are still doctors, nurses, lawyers, business people, as well as ministers, laborers, housewives, like myself, that still feel another's loss and grieve with them.

It made my heart swell with pride that there were people of all colors and classes that paid their respects to my daddy and I know he loved them all.

My mother, Una, died when I was 15-months-old, and I never spent much time, as time goes, with my daddy; but he conveyed values to me that were good and I have nine half-brothers and sisters of whom I am very proud. I feel daddy and my step-mother did a wonderful job teaching and raising that also family and not a one they need not be proud of.

Thank you for letting me tell some one in Ruidoso how wonderful you people there are.

—Mrs. Glenn Styles

Events Planned At White Sands During March

A Proclamation by the President of the United States has designated the year 1972 as NATIONAL PARKS CENTENNIAL YEAR.

As directed by the Congress in a joint resolution of July 10, 1970 (8 Stat. 27), the Secretary of the Interior has requested the President to issue a proclamation designating the year 1972 as National Parks Centennial Year in recognition of the establishment in 1872 of Yellowstone National Park as the world's first national park.

PROCLAMATION

"Now THEREFORE, I, RICHARD NIXON, President of the United States of America, hereby designate the year 1972 as National Parks Centennial Year.

"I urge appropriate Federal, State and local government officials to cooperate in the observance of that year with activities that will not honor the past but will provide a focus for understanding the increasing importance of the National Park System in the lives of all Americans, establish an atmosphere of cooperation among private citizens and local, State, and Federal governments regarding the national parks concept, and encourage our citizens and our friends beyond our borders to participate in Centennial activities.

"IN WITNESS WHEREOF, I have hereto set my hand this fifth day of January, in the year of our Lord nineteen hundred and seventy-two, and of the independence of the United States of America the one hundred ninety-sixth."

/s/ RICHARD NIXON

Among the National Parks celebrating this Centennial Year is the White Sands National Monument near Alamogordo. This National park, established on Jan. 18, 1933, comprises nearly 250 square miles of wave-like dunes or gypsum sand—a vast undulating landscape of brilliant white. Created millions of years ago by downfalling of a huge block of the earth's crust, the Tularosa Basin where the White Sands are located, is surrounded by mountains and highlands in which are massive layers of gypsum rock. For centuries, waters collecting from seasonal rains and melting snows in these high ranges have eroded the gypsum deposits, such as White Sands, the desert

Events Planned At White Sands During March

into Lake Lucero, the lowest wilderness, natural, backyard, and city scenes." Other information and entry blanks may be secured at the Monument. Judging will be by popular vote.

The Desert Arts League is a unique organization in itself. Its aim is to provide interesting and informative programs monthly to everyone, with no dues or membership requirements. Programs are varied in content, with speakers and demonstrators representing all the different forms of art and craft techniques. Art "auctions," sidewalk exhibits, and the possibility of hanging their work in motels and other public buildings offer artists an opportunity to have their work displayed. The Legion will host a public reception at the Monument on Sunday, March 26, from 3:00 to 5:00, at which time the awards for painting and photographs will be presented.

PROCLAMATION

"Now THEREFORE, I, RICHARD NIXON, President of the United States of America, hereby designate the year 1972 as National Parks Centennial Year.

"I urge appropriate Federal, State and local government officials to cooperate in the observance of that year with activities that will not honor the past but will provide a focus for understanding the increasing importance of the National Park System in the lives of all Americans, establish an atmosphere of cooperation among private citizens and local, State, and Federal governments regarding the national parks concept, and encourage our citizens and our friends beyond our borders to participate in Centennial activities.

"IN WITNESS WHEREOF, I have hereto set my hand this fifth day of January, in the year of our Lord nineteen hundred and seventy-two, and of the independence of the United States of America the one hundred ninety-sixth."

LYNDY SAMELSON—Shown by a display of art in her classroom is fourth grade teacher, Lyndy Samelson of Noh Hill School. Mrs. Samelson noted that the students created the pictures by gluing drapery material to a cardboard back and used knitting thread to make pictures. Colors were vivid and many of the paintings were quite good. (Ruidoso News Photo)

Letter to the Editor

Editor, Ruidoso News
Ruidoso, N. M. 88345
Dear Mr. Lane:

The Sierra Blanca Junior Racers, through the Ruidoso News, wish to thank the American Legion and its Auxiliary for sponsoring the Games Nite for our benefit, Saturday evening, Feb. 19.

We appreciate the time and effort that was spent in order that this benefit would be a success for us.

We racers are trying to do our best to make the people of Ruidoso proud of us, and to put the name Ruidoso on the map. We have had a fairly successful year, and hope to be able to finish out the next six weeks the same way, when competing against some of the best Junior Racers in the nation.

Thanks again to all who have helped us.

FACULTY REVIEW

Lyndy Samelson, veteran of 17 years with the Ruidoso School system, has been chosen for this week's Faculty Review. Mrs. Samelson has taught in every school in the Ruidoso District and she notes that she has taught fathers and mothers of students that she now teaches. She began her teaching career at Ruidoso at the school that is now the village hall.

She and her husband, at one time owned both the Ruidoso Variety and the Horseshoe Courts and they raised their son who now teaches at the University of Kansas in Ruidoso.

At one time Mrs. Samelson served as County Superintendent of Lincoln County.

"Every class is different," says Mrs. Samelson. "Last year's class was an art class and the year before that was music; this year's class likes social studies."

Mrs. Samelson noted that her class is good at organizing and working on their own projects. Many short films are used in the social studies class and the class discusses documentaries and current events seen on TV. She said that questions must be answered very carefully because her students are well informed on many subjects and frequently refer to books available for answers.

Mrs. Samelson is a graduate of the University of Kansas.

TIRED OF PRIVATE INTEREST GROUPS?—VOTE FOR ABILITY, IMAGINATION, GOOD SENSE AND TEAM WORK FOR THE FUTURE OF RUIDOSO

Issues And Answers

WATER

At peak water periods, the village has more water than can be used, during June and July, many times water is in short supply.

OUR PROGRAM

- (1) Review the present proposals for spending 1.2 million dollars. Insure that the money is being spent for maximum storage, and a properly engineered water system.
 - (2) Explore all avenues for obtaining federal grants to provide more raw water storage facilities. Study all available future water storage sites including the proposed Boggs Springs area.
 - (3) Explore possibilities of joint planning with the Mesquitas and Valley farmers in an effort to provide the best possible multiple use of the water available in our area.
- Last summer, snowed once and for all that accumulated water rights mean nothing without storage.

VILLAGE RESTORATION

Ruidoso's sole commodity is tourism. A resort town's most important asset is its atmosphere. By atmosphere, we mean the difference between what is available here and what is available in the cities and plains of Texas.

The attractiveness of this environment led to the development of the race track and the ski area. Other village developments however have been haphazard and short-sighted. The

results are beginning to show—sprawled, scattered hillside; vacant, deteriorating buildings; stately places wretchedly bulldozed for parking lots; village services increasingly inadequate for the vast areas of land taken into the corporate boundaries.

OUR PROGRAM

- (1) Replace trees and restrict the cutting of trees.
- (2) The city council must exercise the option of approving all new business and housing building permits in order to maintain our natural village charm.
- (3) Require the restoration or removal of ugly buildings that are dead traps or fire hazards.
- (4) Restrict permanent local business from fly-by-night operations that remain only one season and give the village a bad reputation.
- (5) Before taking in any new subdivisions, insure that mutual benefit results; that the developer has provided water rights, water, and sewer; and that the village can adequately provide services.
- (6) Provide general standards for new subdivisions such as underground line utilities; a proper balance between open spaces, pavement and natural stands of trees; and restrict the un-camouflaged cutting of hill-sides.
- (7) Protect non-resident property values by enforcing existing property restrictions, thus providing areas for different types and values of dwellings as provided by a developer's in-

terial restrictions.

- (8) Set aside more areas for parks and recreation.
- (9) Clean up the trash on the streets and vacant lots and provide for picking it up.

Ruidoso has mountains and trees—cool greenery in summer; bright white snow in winter. The appearance of our village should complement the natural attractiveness of the area.

TAXES

Only the state legislature can raise or lower basic taxes:

OUR PROGRAM

Study the village tax base to insure that taxes are fairly assessed and properly collected.

VILLAGE ORDINANCES

Many are obsolete, impractical or unenforceable.

OUR PROGRAM

Review all city ordinances in an effort to codify, clarify and enforce them.

LAW AND ORDER

Even though Ruidoso has a fluctuating population from season to season, we can not afford to have a transient police force.

OUR PROGRAM

- (1) Provide our policemen with a decent salary, good equipment and personal liability insurance protection.
- (2) Provide our residents and non-resident property owners with more patrolmen and an investigative division.
- (3) Provide for the development of a professional police force through proper initial and continuous training.
- (4) Provide for direct con-

trol of private protection agencies, by requiring private patrolmen to meet the standards of the public force and requiring them to answer directly to the public police chief.

(5) Properly equip patrol cars with first aid and life saving equipment to meet the needs of the community whenever there may be immediate ambulance service.

(6) Study various methods to properly finance a professional police force. Proper consideration will be given to the proposal to operate the police department as a utility or public service, wherein each property owner pays a use fee for police service in the same manner as he pays for his water and sewer month by month.

REMEMBER:

Law enforcement in a community like Ruidoso means not only protecting local citizens, but also protecting a widely fluctuating population during peak tourist seasons and protecting the vacant cabins and houses situated in the case of the village during off-seasons.

OUR PLEDGE

If elected to the trust of village government, we pledge to serve all the citizens of Ruidoso. We are sponsored by no private interest group. We decided to seek the village responsibilities on our own judgment.

We pledge to you teamwork and sound, sensible village government.

By FRED BUCKLES

SANTA FE—New State Board of Education reapportionment, signed into law by Lt. Gov. Robert Mondragon, will wipe out at least half of the present 10 board members.

District 9 under the plan spans Guadalupe, Quay, San Miguel, Harding, Union, Mora, Colfax, Taos and Rio Arriba Counties with 193,625 combined population. Four incumbents live in the new district—Republicans Ed Harings of Clayton and Dr. H. M. Mortimer of Las Vegas and Democrats K. I. Langley of Tucuman and Albert Amador of Fairview, Rio Arriba County. New District 5 covers Valencia, Catron, Socorro, Grant, Serrita, Hidalgo and Luna Counties with 93,189 population. Mrs. Thelma Innon, Deming Democrat, and Mrs. Dorothy Holdings, Socorro Republican, live in the new district.

New District 8 stretches over Lea, Roosevelt and Curry Counties. Incumbent C. C. Murphy of Clovis and Virgil Henry of Hobbs live in the district with 105,000 population. Both are Democrats.

Bernalillo County was assigned three seats on the 10-member board under the legislation, apportioned with the emergency clause. A new board will be elected this year.

District 7 spans Lincoln, DeBaca, Chavez and Eddy Counties. Otero and Dona Ana Counties are in District 6. San Juan and McKinley Counties are in District 4. Torrance, Santa Fe, Los Alamos and Sandoval Counties are in District 10.

Rep. Richard A. Carbajal, D-Belen, was co-sponsor of the bill introduced and passed in the last three days of the 1972 Legislature. A Santa Fe District Court suit to force reapportionment of the elected State Board of Education is pending. Board members are chosen for 6-year terms.

Senate reapportionment placed Sen. Emmett Hart, D-Tucuman, in Dist. 26 composed of all of Quay County and 14 Curry County precincts with total population of 25,978. This is 3.67 per cent over the norm of 24,100 or legal population for a district.

Sen. Hart, a lawyer, now represents Quay, DeBaca and Guadalupe Counties. The new district spans these Curry County precincts: Precincts 1 (Rose-Gale), 436 population; 2 (Broadview), 368; 3 (Grady), 499; 4 (Triki), 247; 12 (1569), 13 (470) and 15 (1628), southeastern and eastern Clovis; 16 (Texico), 11685; 17 (Pleasant Hill), 320; 18 (Claud), 261; 35 (2407), 51 (1230), 53 (2048), and 54 (1637), northeastern and eastern Clovis.

Sen. Odie Echols, D-Clovis, issued in an all-Curry County district that includes 17 Clovis precincts. Also in Echols' new district are Melrose Precincts 5 (1060) and 6 (634), Ranchvalley Precinct 7 (363), Black Tower Precinct 8 (693), Center Precinct 11 (600) and the 17 Clovis precincts.

Echols' district totals 25,342 population, 4.78 per cent over the norm. This is close to the 5 per cent deviation limit permitted in the reapportionment plan.

Sen. Hart said in the 1972 Legislature ended: "I've been disappointed the legislature has not extended financial assistance to the cities or counties. The legislature has been sort of penny-wise and pound foolish."

Sen. Hart's bill appropriating up to \$7 million in a state severance tax bond issue to complete Ute Dam in Quay County died in the Senate Finance Committee, Hart said the dam

CONWAY from the CAPITAL

JOHN E. CONWAY
STATE SENATOR

The last day in the Senate was pretty hectic. The Control Substance Act, which had previously passed the Senate, was under consideration in the House. Representative George Feltinger of Alamogordo was successful in amending the act to bring the penalties for possession of marijuana to approximately the same level they are at this time. His amendment was virtually the same one that I had introduced in the Senate, which had failed by a 22-16 vote.

If the House puts an amendment in a bill that has passed the Senate, then it must come back to the Senate for concurrence on the amendment. We then vote either to concur or not to concur with the amendment.

"I lack sufficient capacity to store water to which New Mexico is entitled under the Canadian River Compact."

Hart voted against the Senate reapportionment bill "because I feel the plan adopted probably submerges Quay County in Curry County. Curry County voters will have a fairly large majority in that district."

Sen. Hart said: "We made some progress in equalizing the truck-tax fees which had not been adjusted in many years." He noted New Mexico truck tax-fee is still lower than neighboring states.

Rep. Clinton Moreland, D-Tucuman, strongly opposed the \$4 million truck tax-fee increase that was adopted. Hart says he has not decided whether he will seek re-election this year.

Sen. Hart sponsored a bill to provide tuition grants at state universities for Vietnam veterans, complying with a state constitutional amendment. The bill died on adoption of an advisory committee report 19-18.

Democratic U. S. Senate candidate Jack Daniels called at Fort Sumner for equal consideration for housewives in wage-price controls. Daniels said housewives are concerned because food prices have continued to climb while their husbands' salaries are frozen. Daniels, an ex-state representative, said small farmers have also been hurt by the wage-price freeze.

The Highway Commission will open bids March 17 on crushing and stockpiling base course and cover material for maintenance alongside US-64 near Carrizozo and Three Rivers. Bids will also be opened on 6.6 miles of safety and overlay in Valencia County from 4.5 miles east of Laguna Reservation line east on Interstate 40. Estimated cost is \$950,000.

The State Racing Commission met Thursday (March 2) in Santa Fe. Chairman Drew Cloud said a problem on "out" ticket control stemming from new legislation will be considered. Asst. Atty. Gen. Tom Dunigan will advise the commission. "Out" tickets are unclaimed pay tickets at race tracks.

A legislature-approved bill by Rep. Ralph Petty, D-Lincoln-Sierra, will also be discussed. The bill bans licensing of certain persons convicted of felonies relating to moral turpitude. Cloud said a fingerprinting clause was inserted that will enable the Racing Commission to obtain FBI checks on applicants for licenses at race tracks.

Lawmakers preserved a Tres Pedras magistrate in Taos County and created a magistrate at Penasco in Taos County.

and if we don't concur, a conference committee is appointed. This is where the haggling developed that you have all read about.

Senator Aubrey Dunn of Alamogordo made the motion that the Senate concur in the House amendment. Motion was made for a call of the House which require all the Senators to be present to vote, and Senator Dunn did not relinquish the floor. In a few well-chosen words he explained exactly why he thought we should not reduce the penalty for possession of marijuana, and what the effects of this bill would be.

At this point in the debate, the chairman of the Drug Abuse Study Committee took offense at what was being said in the debate and announced he was resigning as chairman of the committee and from the committee. As the debate continued, a senator from Gallup delivered what later turned out to be his resignation to the Chief Clerk and walked out of the Senate chamber. The debate was on the philosophical question of whether or not we were going to reduce the penalty on possession of marijuana. It did not strike me as one that those two gentlemen needed to lose their tempers about as no remarks of a personal nature were made; the discussion was simply on the philosophy of reducing the penalty for possession of marijuana. The upshot was that the Senate did not concur in the House amendment, and a conference committee was appointed.

Our area had three representatives out of six on the conference committee, Senator Dunn, Representative Feltinger and myself. The three of us realized that the bill was going to pass as it had already gone through both Houses at the reduced penalty, and I felt that our job was to try and maintain the penalty for possession of marijuana as close to what we have now as possible. The bill passed with the penalty for possession of under one ounce for the first offense, a fine of \$50 to \$100 and imprisonment for not more than 15 days. The second offense would be a fine of \$100 to \$1,000 and up to one year in jail. The bill originally called for a fine of \$25 to \$50 regardless of which offense. For possession of one to eight ounces of marijuana, a fine of \$100 to \$1,000 and imprisonment up to a year. Whereas in the original bill this was a \$50 to \$100 fine and a seven-day jail sentence. Possession of more than eight ounces is a fourth degree felony punishable

by one to five years in jail; in the original bill it was a fine of \$100 to \$1,000 and 30 days to one year in jail. So as you can see, we were able to work out a compromise which increased the penalties substantially, yet they are still below the present penalties.

The bill had a great number of good points which were overshadowed by the discussion on the marijuana penalties. A pusher comes under what is called the "trafficking" section, and the penalties here are good. Any adult who distributes marijuana to a minor is guilty of a third degree felony which is two to ten years, and for a second offense is guilty of a second-degree felony. Trafficking in hard drugs on the first offense is a second-degree felony, which is ten to fifty years, and on a second or subsequent offense, is guilty of a first-degree felony, which is up to life imprisonment. I don't think any of us had any quarrel with this part of the bill.

The Interim Committee on Drug Abuse Study was continued for another year, and I believe that it is doing very worthwhile work. None of us have all the answers for what I think is becoming our number one national problem, drugs, and I am sure that this committee can continue to help the Legislature in this area.

Next week will be my last column, and I will summarize the results of the survey that I had sent out before the Legislature started, and how I voted on these issues.

Major Francis Ortiz Assigned For Duty At Forbes AFB, Kans

U. S. Air Force Major Francis C. Ortiz, son of Mr. and Mrs. S. M. Ortiz, Carrizozo, has arrived for duty at Forbes AFB, Kans.

Major Ortiz, a pilot, is assigned to a unit of the Tactical Air Command which provides combat units for air support of U. S. ground forces. He previously served at Ching Chuan Kang AB, Taiwan.

HONOR ROLL

The following students received all A's and B's on their report cards for the first semester, 1971-72 school year.

7th GRADE—
"A" Honor Roll — Liza Cabot.
"B" Honor Roll—Tammy DiPaolo, Donna Burke, Kevin Lane, Amy McCarthy, Susanna Miller, Tammy Miller, Gina Newton, Veronica Padilla, Wanda Sanchez, David Scribner and Jennifer White.

8th GRADE—
"A" Honor Roll — Gretchen Annala and Pam DiPaolo.
"B" Honor Roll — Ruth Bonnell, Debra Clarke, Scooter Driver, Paula Ethridge, Debbie Jones, Mariveta Mayo, Zoe Ann Shaw, David Shira, Gary Whitson and Kathy Wilson.

9th GRADE—
"B" Honor Roll — Jane Baldwin, Matt Gooch, Don Jones, Dale Pearson, Kelly Perryman and Bobby Whitten.

10th GRADE—
"B" Honor Roll — Tracie Anderson, Britt Beal, Mark Egbert, Darlene Joyce, Joni Raliff, Dick Underwood, Jon Wrye and Mark Garrity.

11th GRADE—
"A" Honor Roll—Blaine Miller.
"B" Honor Roll—Tim Baur, Kathryn Campbell, Renee Carpenter, Linda Cochran, Kim Glenn, Greta Goodman, Gordon Kowell, Cindy McNeil, Sally Mize, Eileen Posey, Veronica Sanchez and Kent Skarda.

12th GRADE—
"A" Honor Roll—Kim Gooch, Ann Nell Jones and Roxie Rodgers.
"B" Honor Roll—Kerri Barron, Lisa Boyer, Glen Dungan, Debbie Garrett, Dianne Hernandez, Carolyn Lucas, LaDon Phillips and Steve Wimberly.

NOTICE IS HEREBY GIVEN that: The co-partnership heretofore existing between CARL KELLEY, JR., FREDERICK SWENEY, and FREDERICK VOLQUARDSEN, under the fictitious name and style of "SKYLAND ELECTRONICS" at the Gimble's Building, Ruidoso, New Mexico, is now dissolved by mutual consent.

The business heretofore conducted by such co-partnership will hereafter be conducted by SKYLAND ELECTRONICS, INC., a New Mexico corporation, and it is entitled to all of the assets of said business and has assumed and will pay all outstanding business obligations of "SKYLAND ELECTRONICS" heretofore and hereafter incurred.

Said co-partnership is dissolved as of February 7, 1972. /s/ Carl Kelley, Jr. /s/ Frederick Sweney /s/ Frederick Volquardsen 2-11-18-25; 2-3

PUBLICATION OF NAMES OF CANDIDATES FOR VILLAGE OF RUIDOSO MUNICIPAL OFFICES AND THE ORDER THEREIN WILL APPEAR ON THE BALLOT AND OTHER ELECTION DATA.

Notice is hereby given by the undersigned, Hazel Lawing, Municipal Clerk of the Village of Ruidoso Downs, Lincoln County, New Mexico, in accordance with Section 14-3-12, N. M. S. A., 1963 Compilation; that the following named persons have filed their Declaration of Candidacy for Municipal Office, and have been qualified by said Clerk to be eligible candidates for such offices; that the candidates for the positions to be filled and the order in which their names will appear on the ballot (as determined by lot as provided in Section 14-3-12, N. M. S. A.) are as follows:

FOR MAYOR - Two (2) year term (One to be elected): George H. Hite, Leon A. Furrer, Lloyd L. Davis, Jr. (Ruidoso First).

FOR TRUSTEES - Four (4) year term: (Two To Be Elected) Albert W. Gunter, Earline Campbell Phillips, Walter S. Wood, Theodore M. Bennett (Ruidoso First).

FOR MUNICIPAL JUDGE - Two (2) year term: (One to be elected): H. G. (Doc) Savage, Sam J. Nunnally, George P. White.

Notice is FURTHER GIVEN that the regular biennial municipal election of the Village of Ruidoso, Lincoln County, New Mexico, will be held Tuesday, March 7, 1972. The polling place shall be in the Council Meeting Room of the Municipal Building of the Village of Ruidoso. Said polling place to be open between the hours of 8:00 o'clock a.m. and 7:00 o'clock p.m. Only those qualified voters residing within the corporate limits, Village of Ruidoso, shall be permitted to vote.

Sam Nunnally
IS THE Best Choice

— AS YOUR RUIDOSO MUNICIPAL JUDGE —
— MARCH 7th —

"Helping People Just Comes Naturally With NUNNALLY!"

Sam Nunnally
—Pald Pol. Adv.

By **BARTLEY McDONOUGH**

The citizens of Capitan will go to the polls next Tuesday, March 7, and elect two councilmen, each to a four-year term, a mayor to a two-year term, and a municipal judge. Running for the village council are Kenneth Reamy, Herman C. Otero, Gerald Dean, Sr., and Kenneth Schear. Opposing each other for mayor are Valton Hall and Jay Johnston. Mrs. K. A. Huey is running unopposed for the position of municipal judge. The voting will take place at the Village Hall between the hours of 7:00 a.m. and 7:00 p.m.

The honor roll for the fourth Cth week period was recently released and include: 12th Grade — Patsy Walker, Janice Silva and Robert Sherrill. 11th Grade — Kenneth Means. 10th Grade — Patty Otero. 9th Grade — Rhonda Barber. 8th Grade — Kirk Phillips. 7th Grade — Wesley Daniel, Bert Shrecengost, and Ronnie Smith. 6th Grade — Jenne Bates and Lisa Goodrich. 5th Grade — Mike Dowdle. 4th Grade — Becky Jones, Laurie Stone, Debbie Castillo, Ronnie Montes and Sally Abercrombie.

The Fighting Tigers just couldn't get things going last week in the district tournament in Artesia and lost their first game to the Hondo Eagles, 61-50. Good old luck was not to be theirs this evening. The scoring Cartwright 12, Dan Abercrombie and Ted Sineros 10 each, Smith 8, Ware 4, David Pumphrey 3, Townley 2, and Robert Abercrombie 1. R. Montoya was credited with 17 points for Hondo, Gutierrez with 16. Hondo — 15 8 16 12 — 51. Capitan — 5 19 8 18 — 50. This ended the basketball season for the Tigers. Coach House reports that he has 14 boys out for track and 32 boys out for football. The football boys will be working with the weights to help build up their muscles. The track boys

go to the Melrose Relays on March 25.

With the end of basketball, Coach House has announced the lettermen. They are Dan Abercrombie, Lloyd Cartwright, Ted Sineros, Jimmy Lacy, Robert Abercrombie, Ronnie Smith, J. W. Ware, Buddy Godinez, Sam Townley, David Pumphrey and Henry Griego.

Mrs. Edward (Frankie) Tomm moved from Lubbock, Texas to Capitan last weekend to live with Mr. and Mrs. Fletcher Hall, Jr. Emma Gene Hall is her daughter.

Mr. Tomm passed away when Emma Gene was a sophomore at Texas Tech. Mrs. Tomm, a native of Greenwood, Tex., taught school many years ago and coached girls' basketball.

Remember — Senior Play. March 16. There will be no school on Friday, March 17. The play, "I Was A Teen-age Dracula", is a 3-act mystery with plenty of comedy. Steve (Lloyd Cartwright) walks in his sleep and a patient from a nearby sanitarium comes weaving around in floating gray veils crying: "Master, I come at your command!" The patient is — oops — you'll never guess — the part is played by a senior girl — but who? The lively mingling of superstitious thrills, real danger, and scenes of pure farcical fun makes this a play that really catches on with those of all age groups. Plan to be there and share in the fun. Would you believe Bobby Jenkins as Termitte?

The next scheduled National School Assemblies Program is set for Thursday, March 9, in the school gym. Time — 8:30 a.m.

Melvin Bateman is an accomplished ventriloquist, having a ventriloquist specialty act consisting of three dummies — Mike, a Negro dummy — Ike, his side-kick who is a caucasian and Chico, who is Mexican-American. He has displayed his talents on various radio and television stations throughout the country. His most recent TV appearance was on the Bob Barker Show, "Truth or Consequences". Mel is a graphologist who in addition to analyzing handwriting, lectures on the techniques and methods by which character and personalities are read through the script. Plan to attend now.

Short Notes: The roof work on the new multi-purpose building will begin March 6 according to construction superintendent Bill Mundy. —Mr. and Mrs. Lewis Cummins celebrated their 50th wedding anniversary, Feb. 24. —Capitan bowlers didn't do well in Alamogordo last weekend. Mayfield bowled like I do. —Deadline for purchasing a school yearbook is April 1. —The 2nd grade recently presented a play to the first and third grades. Tony Padilla was a smash hit as the lead actor. —Myrna Pflingsten was home from Hardin-Simmons last weekend to help the family celebrate her father's birthday. —The 2nd graders are learning about the care of books and about the different parts of a personal letter. —We thank the Grady Eldridges once again for their renewal of their Ruidoso News subscription. —Leslie (Class of '61) and Glenda (Class

of '62) Peters Armstrongs are living in Roy, N. M., where Leslie is a Range Conservationist with the RCS. The Armstrongs have two children, a daughter 4½ years old, and a son who is 7-months old. —Wayne Armstrong is with the Navy (Seabees) stationed in Spain. Wayne plans to be discharged from the service in April and then continue his college education.

Wednesday night, Feb. 23, Miles Williams was taken to the hospital in Ruidoso, suffering

To answer a question several have asked us — The Easter holidays this school-year are March 31 through April 3. This includes Good Friday and the Monday following Easter. Several representatives from our school will be attending the State FFA convention in Albuquerque next weekend.

This is our first reminder that the annual FFA Talent Show is scheduled for April 7 this year. Start getting your act together.

A doctor who operates on himself has a fool for a patient.

It's an old saying, but it's never made more sense. There are some jobs in life that you just don't tackle by yourself. The preparation of your income tax should be one of them.

And that's where H & R Block, The Income Tax People, come in. H & R Block is America's largest tax service with more than 6,000 conveniently located offices to serve you. Your H & R Block representative is specially trained and can provide information on legitimate income tax benefits and opportunities that the average man on the street doesn't even know exists.

For instance, do you know all about deductions for child care or casualty losses? Or, that if your income increased over the last few years, you may save tax dollars by "income averaging"? And even if you did, would you know how to go about "income averaging" to begin with? Probably not. And there's no reason why you should. After all, you're an amateur when it comes to doing income tax.

H & R Block's charges start at \$5 and last year averaged under \$12.50 for over 7 million returns we prepared. And, if we make any error in the preparation of your tax return that costs you any interest or penalty on additional taxes due, while we do not assume the liability for the additional taxes, we will pay that interest and penalty.

Our one time fee entitles you to year round tax service and assistance.

Come to the company that more than 7 million Americans placed their confidence in last year. Come to the people who will fill out your next income tax return efficiently, quickly, confidentially. Come to H & R Block.

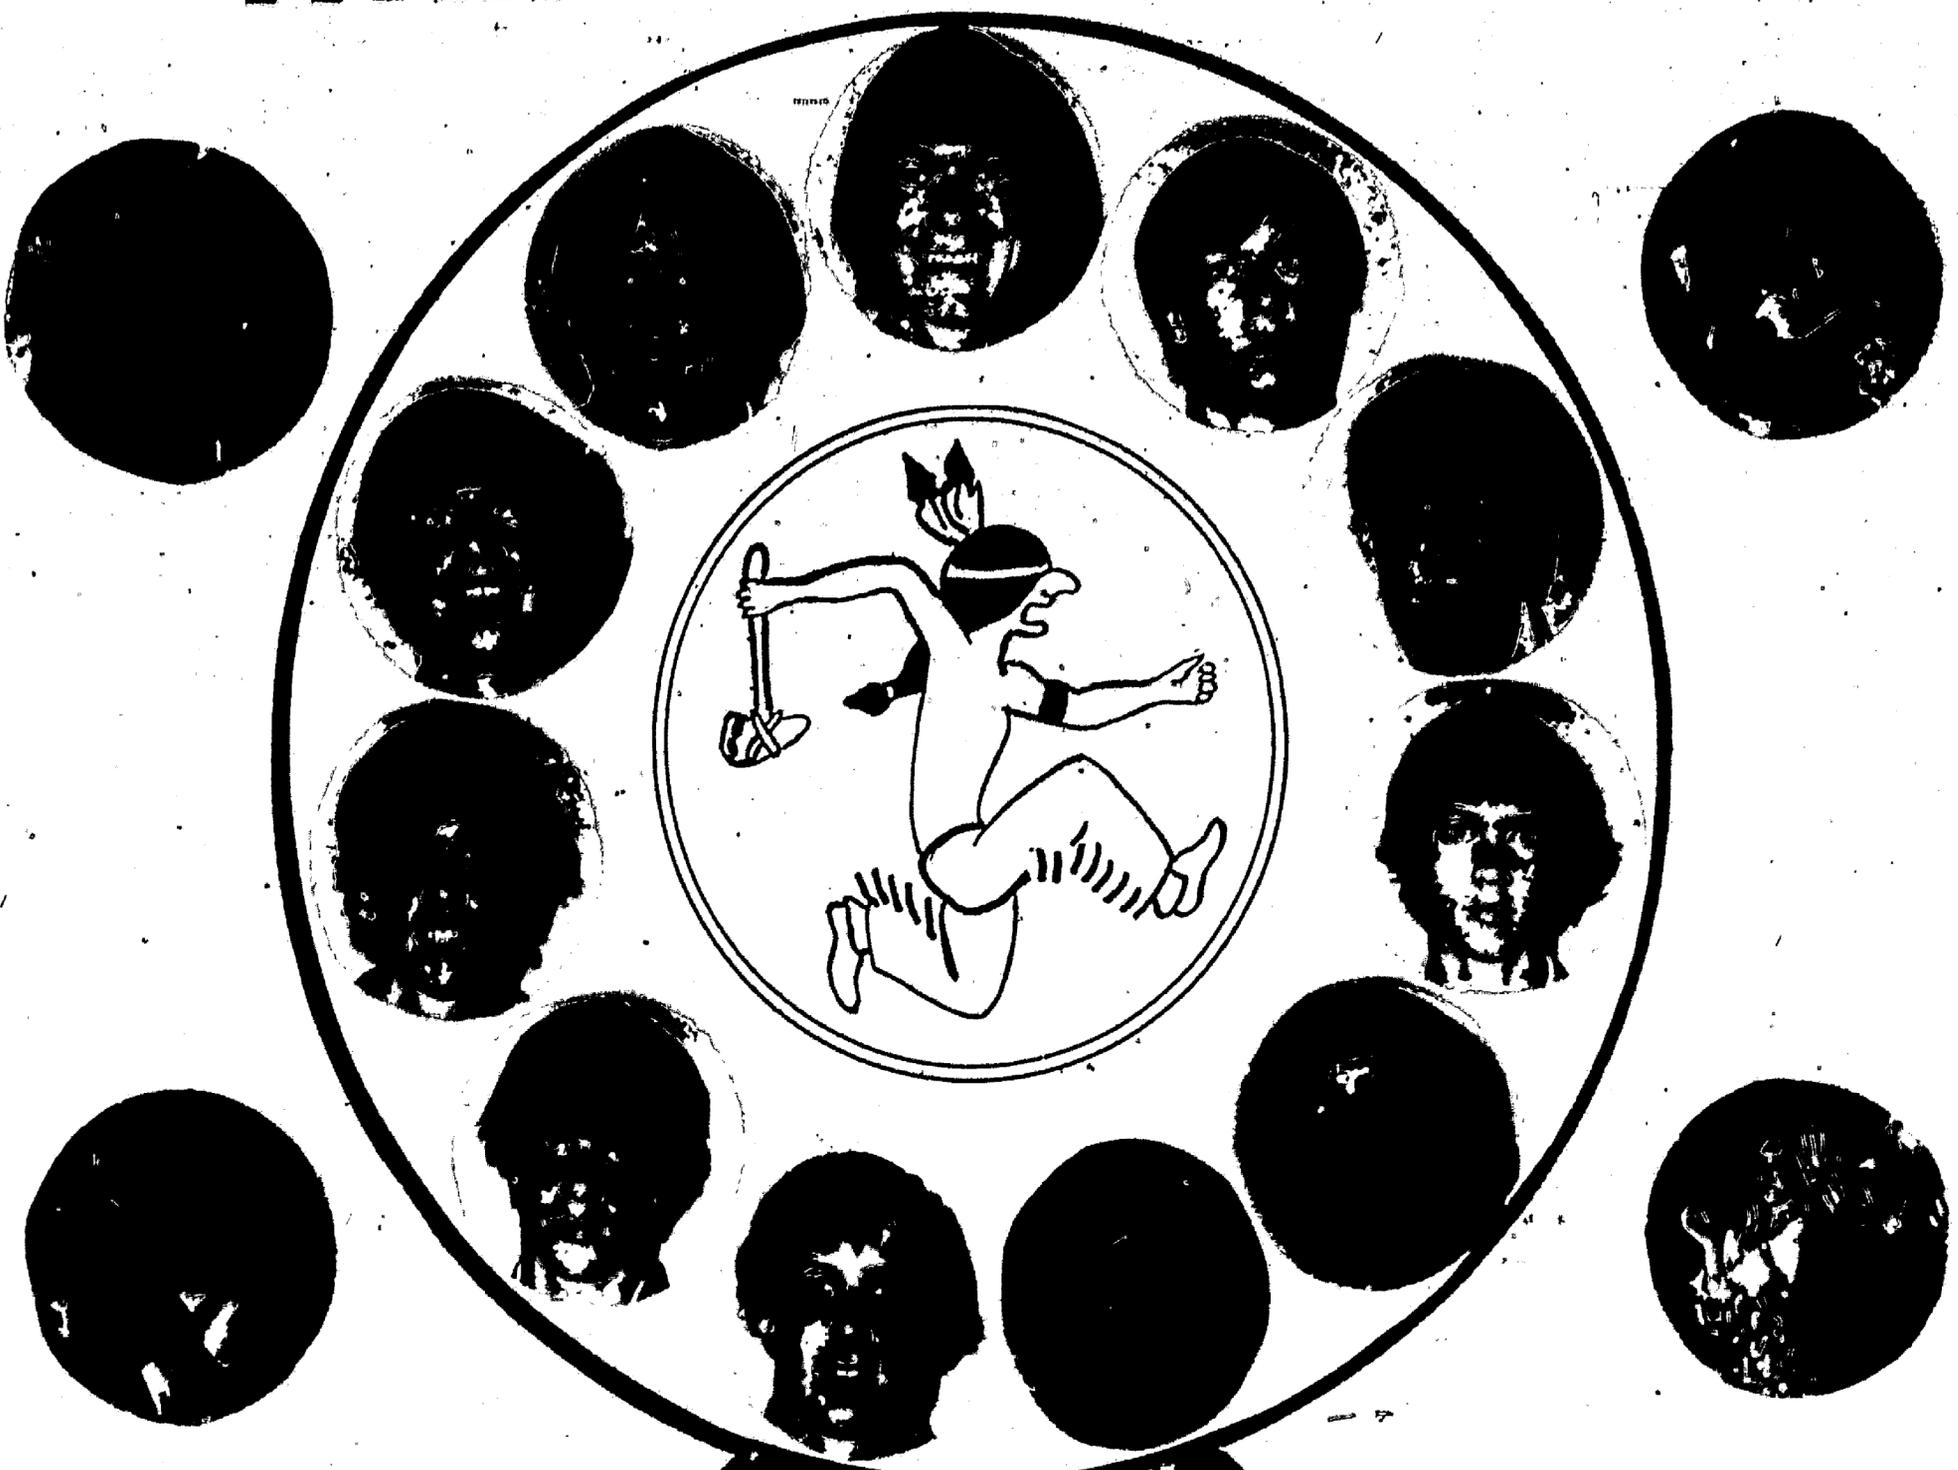

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.
H&R Block.
The income tax people.
