This issue of The Ruidoso News is datelined Friday, Oct. 20, but was accidently (that should be . . . actually . . . no, considering all things it is both . . . actually accidental) never the less it was printed last Friday and Saturday, Oct. 13-14, the reason being that it is that time again for the employees of The Ruidoso News to have their annual week's vacation.

Again, we express our appreciation to all of our news sources and a special word of appreciation to The Ruidoso News Advertisers whose cooperation is really tremendous.

It can be said, in spite of our printing this issue of The Ruidoso News one week earlier than usual, this issue's news content is more than just "confirmed rumors", it is saturated with "live news" and in addition this week's issue's advertising is as current and up to date as a new born baby! . . . Read it from front to back . . . try it, you'll like it and also agree . . .

* * *

Our star fearless Capitan News reporter, Bartley McDonough, has urged me time and time again to say something about Capitan in this column. He makes a trip to Ruidoso practically every Tuesday of each week and on more than just a number of occasions he has remarked . . . "Why don't you say something about Capitan?" Fact of the matter, the Tuesday prior to our printing this issue he jumped on me again requesting I say something about Capitan . . . So with due respect to Bartley and it serious and humble response to his earnest and most desired wish . . . here it is Bartley . . . Capitan, New Mexico zip code 88316.

It may sound "korney" to some, but if there ever was a community who had the perfect right and positive priviledge to be extremely proud of their high school football team, it is without question the several communities who make up the Ruidoso School District and who are associated one way or another with the Ruidoso High School.

The proud Ruidoso High School Warrior football team lost a much wanted victory to an equally good team, the Tularosa High School Wildcats, 26-21, here last Friday night.

Both teams, in the see-saw battle that was a perfect crowd thriller but a coache's nightmare, were victims of unbelievable and wild circumstances. Both teams had their share of the "breaks of the game" and although the score differed, both teams came out of the game—champions.

From all indications it was reportedly the largest crowd to see a Warrior football game in the Warrior stadium and in spite of previous crowd-conflicts between the two rival schools this year there were apparently no problems.

Credit is most certainly due the coaching staff of the Warriors and all of the players for their outstanding team effort in the Warrior-Wildcat contest. Really, it might not have made any difference if all of the Warrior squad had the same jersey number, as they played a total team effort.

If you have the opportunity to talk to any members of the Warrior squad this week, first give them the "Warrior Hand Shake" or hold out both hands with palms up, and then express your total support of the total Warrior team and coaching staff . . . if you are not already aware of it . . . you'll find that we have the finest coaching staff and some of the greatest kids in the nation, both on and off of the playing field, on the Ruidoso High School Warrior All-Team — All-Champion Football squad!

This last word of admitted "Bragging" about Ruidoso and those who populate the Ruidoso area. Bragging about Ruidoso and its people seems to come very easy because together they provide a host of reasons . . .

Learned this past week from one of our out-of-town advertisers and Ruidoso supporters, Mary Geiger of Amarillo, Texas and owner of the Chaparral Beauty Shop in the Chaparral Motor Hotel, that an Amarillo family was telling everyone possible in Amarillo, including a large Square Dance Club, about the help, kindness and consideration they had received from the Ruidoso Police Department recently.

They were enroute to Arizona to attend a funeral and while passing through Ruidoso late at night they ran out of gas and because of the lateness of the hour were not able to find a service station open.

They reportedly called the Ruidoso Police Department for assistance and much to their astonishment and appreciated surprise the RPD radio dispatcher Jessie Fennel offered to siphon gas, and did, out of his pickup truck, hoping to get them as far as Alamogordo.

As most police officers can't afford full tanks in their vehicles, there apparently wasn't enough gas to siphon so another Ruidoso Police Officer on duty at the time, who also has a co-managership in a Ruidoso Downs Service Station, was contacted by radio and courteously and willingly took the stranded family to his station and filled their auto's gasoline tank and saw them on their way . . .

Just shows to go ya . . . there's people in this here community that provide real newsworthy copy for bragging because it just seems to come naturally.

Tulie Slips by Warriors, 26-21

by H. B. Flanagan

In a wild ending football game, Ruidoso's old nemesis, the Wildcats from Tularosa continued their domination (in the winning column) as they handed the Ruidoso eleven their first set back of the season, 26-21 in a hard played game last Friday night, Oct. 13.

Although beaten on the scoreboard, Ruidoso outplayed and out-hit the visiting Wildcats, but made too many offensive errors.

Ruidoso tallied first in the first quarter after taking the opening kick-off, with a brilliant run back by Reeves McGuire, who ran the ball from Ruido o's 10-yard stripe out to the 45-yard line. Quarterback Blane Miller threw to Mel Patton and a pass interference call against a Wildcat put the ball down on the Tularosa 15.

Reeves McGuire was on the receiving end of another Miller pass that carried down to the Tularosa 11-yard line. Dick Underwood smashed through to the Tulie 2 and from there Miller crossed the double stripe, giving Ruidoso the lead, 6-0. Miller's extra point try was good and the home team jumped out to a 7-0 lead.

Tularosa went ahead of the Big Blue of Ruidoso in the third quarter, 12-7 after scoring 6-points in the first quarter and another 6 in the second quarter, going into the dressing room at half-time with a 12-7 lead.

Ruidoso regained the lead in the third quarter when Mel Patton caught a pass in the end zone that had been deflected, giving Ruidoso a 13-12 lead.

Tularosa regained the lead just before halftime when Provencio raced in from Ruidoso's 45-yard line with a pass reception, and the kick for the extra point was good, giving the visitors a 20-13 lead in the third quarter.

In a wild fourth quarter, Ruidoso again took over the lead 21-20, with less than four minutes left on the clock. With Underwood and Skarda carrying the ball on the ground and McGuire and Patton on the receiving end of passes, the Warriors worked the ball down to the Tularosa 1-yd. line. From there Miller rammed into the end zone behind excellent blocks thrown by Skarda and Underwood. The running play for the 2-points was good, giving Ruidoso a 21-20 lead.

Ruidoso's hard-hitting defensive line held the Wildcats after the kick after the touchdown, allowing the Wildcats only two yards on three running plays. Then Harlan Butts made the game's outstanding play when Tularosa tried a reverse but Butts crashed through, dropping the Tularosa ball carrier on the Wildcat 12-yard line.

Ruidoso couldn't cash in on the golden opportunity, although they worked the ball down to the 5-yard line with a second down and goal to go. Miller tried two passes which were off target and was caught back at the 10-yard line when he tried a run or pass play.

On an almost unbelievable play, with a fourth down and 13-yards for the Wildcats, Miller intercepted a pass, bobbled the ball and then the roof fell in. The Wildcat pass receiver for whom the ball had been intended, grabbed the ball in mid-air when Miller was hit and raced 75 yards for the winning TD with just over a minute left in the game. Ruidoso fans just couldn't believe what they saw.

A 75-yard TD run on a fourth down pass play that was intercepted, bobbled, caught by a Tularosa player and ran into the end zone, all with about a minute and a half, with Ruidoso seemingly having the ball game all wrapped up, 21-20, with just a minute and 20 seconds to play and Tularosa back on their own 13-yard line, facing a fourth down.

Ruidoso's defense, outplaying, out-hitting and not allowing Tularosa much running room, really proved themselves in the game. Outstanding trenchmen for Ruidoso on defense was Ken Perryman, Mike Brown, and Harlan Butts, Dick Underwood, playing an outside linebacker, was perhaps the outstanding defensive back, closely followed by the defensive ends, Patton, Peter Mellon and Tim Baur, who refused to be knocked down on end sweeps and kept the blockers busy until the linebackers could come up and nail the ball carriers.

Slates Pancake Supper

The Ruidoso Eighth Grade class will hold a pancake supper in the High School Cafeteria Saturday, Oct. 21, 5:30 to 8:00 p.m.

Advance tickets will be adult — $1, students, 75c; at the door, adults $1.25; students, $1.

NEW GARBAGE TRUCK — The Village of Ruidoso Downs recently accepted delivery on a new garbage truck and the trustees and driver are shown above standing beside the new vehicle. Standing left to right are Mayor Jesse Harris, Trustee Albert Richardson, driver Andy Miller, Trustee George Hancock, and Trustee Pete Smith.

RUIDOSO DOWNS NEW SEWER PLANT—

Regional Facility Proposed

The proposed 1.3 million dollar Regional Sewer Project will be discussed next week in a special meeting with officials of the Village of Ruidoso, the Village of Ruidoso Downs and John Wright, Santa Fe and New Mexico Department Chief of the Solid Waste Division.

The special meeting was agreed upon during last Thursday's Ruidoso Village Council meeting, Oct. 12, at which time Ruidoso Downs mayor Jake Harris discussed the proposed project with the Ruidoso Village trustees.

Mayor Harris told the Ruidoso council members that it had been suggested to the Village of Ruidoso Downs by the New Mexico Environmental Improvement Agency, Santa Fe, that their proposed new sewer facility, approved by Ruidoso Downs voters last March, be constructed large enough to provide regional type services. The Ruidoso Downs voters approved a $300,000 issuance of General Obligation Bonds for the project. Reportedly the state will make a million dollar grant available for the new system.

Farris informed the council that if Ruidoso decides to participate in the project the Village of Ruidoso portion would be $200,000 to be used to construct a 30-inch main line to connect on to the Ruidoso Downs main line. He also mentioned that Ruidoso Downs would provide all operational control and maintenance of the Regional Sewer Facility and that the Village of Ruidoso would possibly be required to pay some sort of service fee, an amount to be determined at a later date.

The Ruidoso Downs Mayor stated that it has been requested that the Village of Ruidoso Downs receive a Letter of Intent from the Village of Ruidoso regarding Ruidoso's participation in the proposed Regional Sewer Facility.

Those expected to attend the special meeting, scheduled to be held in the Ruidoso Municipal Council Chambers, in addition to the elected officials of both villages include James Lewis Hine, Ruidoso Village Manager, Quinten Daniels, Alamogordo, Project Engineer for the Ruidoso Downs project, Jack Kannady, Ruidoso Village Engineer, John Thompson, Ruidoso Village attorney, Michael Richardson, Lincoln County Environmental Improvement Agency officer and Blair Halladay.

Mayor Harris also called attention to a proposed cooperative plan for providing a contracted central garbage pickup station whereby both villages could profit from eliminating man hours and vehicle expenditures created by the village's hauling their garbage to the present county owned Sanitary Land Fill Site north of Ruidoso.

It was noted that a private firm is endeavoring to negotiate a contract with both villages to provide the services.

In other action, during the Ruidoso council session, the village approved, as recommended by the Ruidoso Planning and Zoning Commission, the plat of Forest Heights Subdivision. The new subdivision, located west of Mechem Drive (State Road 37) near the entrance to the Alpine Subdivision. Owned by Allen Land and Cattle, Inc., and Glaze and Marteal Sacra, both of Roswell, the new subdivision contains around 160 acres and will be divided into approximately 360 lots.

The council also instructed Village Engineer Jack Kannady to stake out an area within the fenced areas of the Ruidoso owned Gavilan Water Plant to provide facilities for an earth backwater wash tank. The backwater will be put into the earthern tank and held for over twenty-four hours before being pumped into the Gavilan Raw Water Storage Reservoir. It is estimated that the village will save approximately three and ½ million gallons of water a year in the process. The plan was suggested by Ruidoso Village Engineer Jack Kannady.

The council also, during the long session, expressed publicly their appreciation to all those involved in making the recent 25th Annual Ruidoso Aspencade Celebration such a tremendous success.

Ruidoso Village Manager James L. Hine presented the council members with two official municipal comparative reports regarding General Fund Receipts and a Statistical Yearly Comparison Report, as listed below.

PROCLAMATION

WHEREAS, the Governing Body of the Village of Ruidoso wishes to acknowledge October 23rd as Veteran's Day, 1972; and,

WHEREAS, this year's Veterans Day is in observance of those men and women who have served in our Armed Forces during the four wars of the 20th Century; and

WHEREAS, these gallant Americans have served with honor to uphold the cause of freedom and have witnessed the wanton waste of war; and

WHEREAS, their courage, devotion and their sacrifice have earned our respect, admiration and heartfelt gratitude;

THEREFORE, I, Leon A. Farrar, Mayor of the Village of Ruidoso, Do Hereby Proclaim Monday, October 23rd as Veterans Day, 1972 in Ruidoso and urge all our citizens to join with me in the acknowledgement of same.

PROCLAIMED at Ruidoso, New Mexico this 18th day of October, 1972.

OLDEST COUPLE — Mr. and Mrs. R. K. Knox, shown above, were presented a plaque for being the oldest couple present at the annual Old Timers Association dinner and reunion held during the Aspencade, Oct. 6, in the American Legion Hall in Ruidoso. (Ruidoso News Photo)

BIGGEST FAMILY AWARD — Mr. and Mrs. Homer Allison were awarded a plaque at the annual Old Timers reunion dinner held Oct. 6 during the Aspencade, for having the largest number of children and grandchildren living in Lincoln County among those attending the dinner held at the American Legion Hall in downtown Ruidoso.

(Ruidoso News Photo)

Mrs. Ida Bloodworth Elected President of Old Timers Assn.

Mrs. Ida Bloodworth was elected president of the Ruidoso Old Timers Association at the meeting held following the annual reunion and dinner held Friday, Oct. 6, at 4 p.m. at the American Legion Hall in downtown Ruidoso during the annual Aspencade celebration. Other officers elected for 1973 were, L. F. "Joe" Dryden, vice-president, Mrs. Fritz (Sally) Christian, treasurer, Mrs. Nell Crain Parks, secretary, Mrs. Ike Kennedy, chairman of the nominating committee presented the new slate of officers which was accepted unanimously by the members.

Dryden, president of the association for the [illegible] presided at the meeting. Guests at the meeting included Mr. and Mrs. John Watson of Jal; Buck Bloodworth of Jal, Mr. and Mrs. Wayne Scarborough, Tufly Wilson, Mrs. Janice Findley, Mrs. Katherine Roberts, and Mrs. W. B. Belcher, all of Ruidoso, Mr. and Mrs. J. Howard Morris, now of Canon City, Colo. Morris for many years was superintendent of school here before 1949, attended the reunion dinner which they have been doing during the Aspencade for a number of years. The meeting time for the annual dinner which in past years has been 4 p.m. was changed to 5:30 p.m.

The group decided to have a picnic in the first part of May next year to begin making plans for the 1973 Aspencade reunion dinner. The name of the organization was also discussed because many believe it is a "Golden Age" club, which it is not. The Ruidoso Old Timers Association is an organization of persons who have lived in this area 15 years or longer and those who lived here for many years earlier and have moved away, and also for younger persons who grew up in this area; all are eligible to be members.

Another item discussed was a project which members would like to feature during the 1973 Aspencade meeting and dinner. This project will be to find as many "firsts" in Ruidoso, such as the person who installed the first light plant in Ruidoso; the first beauty shop here, the first grocery store, the first postmaster, and any other "firsts." Anyone who has information on Ruidoso "firsts" is asked to please write to Mrs. Bloodworth or one of the other officers, or they can write to the Ruidoso News. It was reported during the meeting that the man who installed the first light plant here was Bob Willard, and that the late Miss Bob (Wynn) Willard opened the first beauty shop here. Mrs. Edith Boyce Rigsby who attended this year's meeting, reported that the first Women's Chamber of Commerce in Ruidoso was organized by several Ruidoso women, including Madeline Burdett, Stella Campbell, Avis Heavenhill, Jane Clark, Elizabeth Page and Mrs. Rigsby who was the first president of that organization. This same group of women also inaugurated the first garbage collection in Ruidoso. Other "firsts" reported at the meeting was the first bowling alley here which was opened by the late Mr. and Mrs. Jack Hull.

Awards in the form of plaques are presented each year at the annual dinner, and this year the person attending the meeting and who came to this area first, which was Mrs. Edith Boyce Rigsby, received a plaque; the oldest couple present, Mr. and Mrs. R. K. Knox, were presented with a plaque, and receiving a plaque for the couple who had the largest number of children and grandchildren living in Lincoln County were Mr. and Mrs. Homer Allison.

Hospital Auxiliary Gives $1,225 Check To Local Hospital

A check in the amount of $1,225 was presented Monday, Oct. 9, to Felix d'Entremont, Administrator of the Ruidoso-Hondo Valley General Hospital in Ruidoso, by Mrs. Isla McLeod and Mrs. Exa White on behalf of the Ruidoso-Hondo Valley Hospital Auxiliary, and to be used to furnish a room in the local hospital. Members of the Hospital Auxiliary conducted a number of fund raising events which provided the money for the gift.

The Gift and Snack Shop in the newly remodeled and enlarged local hospital is being operated by the Auxiliary. The facility is open weekdays from 8 a.m. until 8 p.m. and on Sundays from 9 a.m. until 8 p.m. The Hospital Auxiliary which was organized 6 years ago, has purchased a number of needed pieces of equipment for the hospital which total about $8,500. Among the equipment provided by the Auxiliary are artetion rooms, outside light for emergency entrance, electric knife for the kitchen, a Coleman Flame Photometer which is used for the measurement of sodium, potassium and calcium in the body fluids; a dioathermy machine, and a number of other items.

Mescalero Nurse Is Guest Speaker For Woman's Club Meet

Mrs. Narcissus Gayton, Mescalero Community Health Program registered nurse, was the guest speaker for the meeting of the Ruidoso Woman's Club held Wednesday, Oct. 11, at 2 p.m. in the club house. Mrs. Gayton's program topic was "Crafts and Customs of the Mescaleros". She displayed a number of items, such as large pieces of ceremonial buckskins used to make the costumes for the maidens during the annual ceremonials in July each year; a cradle, basket of sumac, a water jug covered with pinon pitch, beaded bags, dried deer meat, moccasins for infants and for men, a piece of sinew used to sew with, wood carvings, necklaces of cut beads and bones, hair ties, ear rings, hair clips, shawls and vests. Mrs. Gayton also explained in detail on community activities at the Mescalero Community Center which houses a gym, swimming pool, library, work shops and offices. She stated that club meetings are held there as well as conferences, special programs and the "Head Start" program which now has 67 children entered. The center also has day care facilities for children.

Miss Dorothy Bunyon, second vice-president, presided over the meeting in the absence of the president and first vice-president. New members introduced were Mrs. W. S. Scott, Mrs. Bill Shoemaker and Mrs. William Jarratt. New year books were distributed to members.

Mrs. W. T. Jennings and Mrs. R. K. Knox who attended the 4th District conference in Reserve, on Oct. 9-10, reported on that meeting. Hostesses for the tea served at the close of the meeting and program were Mrs. John T. Nale, Mrs. E. E. Callaway, Mrs. W. T. Jennings, Mrs. L. F. Jennings, Mrs. T. J. Frank and Mrs. J. M. Fields.

Monday Afternoon Lunch and Games At Woman's Club

Hostesses for the regular luncheon and card games on Monday, Oct. 23, at noon, will be Mrs. L. F. Jennings and Mrs. William Jarratt.

Those attending are asked to call one of the hostesses for reservations. Card games of bridge and canasta will be played during the afternoon.

The Woman's Club building is located on Carrizo Canyon Road, one block south of Sudderth Drive.

What is the difference between Fall and Indian Summer?

Have you ever wondered just when Autumn or Fall leaves off and Indian Summer begins?

In parts of our country where there are four seasons, Indian Summer is a very marked and distinct little, miniature season within seasons. And in places where the country is all flat and no difference in altitude, Indian Summer comes in on a certain morning and leaves later on some time in the night. Indian Summer in most places will last from two to sometimes three or four weeks.

When we speak of Fall or Autumn we visualize the apples getting ripe and the leaves turning gradually to gold, bronze, orange and shades of red; the squirrels are gathering in walnuts and pinons — or hazelnuts, pecans or hickory nuts in other places — and the Robins, Blue Birds and Song Sparrows are flying around making up their bands to begin their journeys through the sky.

One way to tell the difference between Fall or Autumn and Indian Summer is that in the Fall, every morning you get up the leaf picture is a little different. More of the oak brush turns gold and red and the box elders, oak and walnut have a richer pattern of colors as the Autumn moves through its days.

In Indian Summer, on the other hand, there is no change in the leaf picture either in trees or brush; because this little season is ushered in by the first hard frost. There may be a day or two of cool snappy weather and then comes a calm, dreamy, still time of year with warm balmy days and cool nights. The autumn winds are stilled, the sky is a deeper blue than at any other time of the year. The distant mountains are more purple.

In the evening you heard only a few crickets singing their late songs in the tall grass; most all of their companions that only a few nights back were singing in a mighty moonlight and starlight chorus all the way from the trees along the river to the tops of the mountains — most of these singers have gone to bed for the winter.

No doubt the Good Lord meant for the beautiful Indian Summer to come each year to cheer us through the Winter.

But there is one thing different about this season here in the land of the White Mountain. From top to bottom in the valleys, Indian Summer comes at different times. This season can begin away up around the timber line of the Mountain while it is still early fall down at the bottom of the valleys.

So that we have very many little Indian Summers up and down the land, with little halfway seasons between fall and Indian Summer.

Then right at the last of the entire Indian Summer season, here in our home land there is what you might call a "Grand Indian Summer", when this glorious season extends up and down from one end of our mountain home land to the other.

Some say that there is no Indian Summer in the desert, but my friend and neighbor, Bob Lamber, who has spent a lot of time in Arizona, says that if you live several years in the desert, you can tell when Indian Summer comes.

There is one thing that has always puzzled me, and if any of you know, please tell me.

Where does the "Indian" part come in? Why do we call it "Indian" summer?

The only explanation that was ever given to me was by a very old man years ago who used to live up in the middle west where there are a lot of Maple trees. He said that in the middle west where there are a lot of Maple trees, that in the warm weather just after the first hard frost, the Indians of that country used to tap the maple trees and run off some sugar — and the pioneers got to calling that season "Indian Summer."

October Birthdays

We had a lot of fun over at the first fall production of the Last Escape of Billy the Kid, at Lincoln. A feature of this performance was the introduction before the show of Barney Aldaz, born and raised at Lincoln, celebrating his eightieth birthday that day, October the first. Barney is one of the few remaining players of the original cast of 1940 when the show started. He plays the part of Ollinger and still does a grand job. (Another 1940 actor is Leo Joiner, who played Goss, in this last production).

On October the third, I was in the Lincoln County Feed store, established by Travis Hicks. Who should walk in but Travis himself.

After a minute Travis said, "Well, I discovered America on this date."

I thought Travis was joking or maybe thought for a while he was Christopher Columbus. Then he said,

"Seventy-five years ago, down in Texas." We wish Travis many happy returns of the day. He says he feels great and is mighty glad to be here.

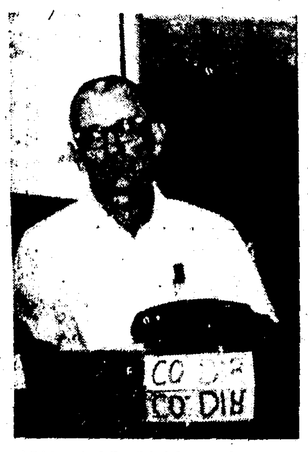
RUIDOSO SALUTES LINCOLN COUNTY'S— Friday, Oct. 20, 1972 A RUIDOSO NEWS FEATURE — Stories and Photos by Hugh Stiles

"DEFENSE CIVIL PREPAREDNESS PROGRAM!"



JOHN HARRELSON, Director
Lincoln County DCP

John Harrelson, Alto, a native of Wichita Falls, Texas and resident of the Ruidoso area for around ten years, has served as Director of the Lincoln County Defense Civil Preparedness Agency, formerly the Lincoln County Civil Defense Program, for over three years.

Highly respected for his leadership and personal dedication in all phases of Lincoln County search and rescue operations and related missions, Harrelson as Director of the LC DCPA has secured around $120,000 in government surplus emergency equipment for the county. The property is valued at an estimated $150 000.

In May, 1971, he was formally presented a Special Awards Certificate from the Office of Civil Defense signed by John P. Jolly, N. M. State Director of Civil Defense, and John E. Davis, U. S. Director of Civil Defense, Office of the Secretary of the Army, Washington, D. C.

An attached letter to the special awards certificate stated, "This certificate represents a significant achievement on the part of your local Director (Harrelson) with attendant benefits to your community."

In his capacity as DCPA director Harrelson has also been responsible for a number of special locally held civil defense and defense civil preparedness training schools.

Training schools under his sponsorship have included Civil Disorder Conferences, Radiological Monitoring Instructor Courses, First Aid, search and rescue and Natural Disaster Operations.

Radiological Defense Contract of $33,000 Approved For NM

A radiological defense contract worth nearly $33,000 has been approved for distribution in New Mexico by the Region Five office of the Defense Civil Preparedness Agency in Denton, Texas.

The money is to be used for a 12-month continuation of an existing program for maintenance and calibration of radiological monitoring instruments in the State.

According to Col. Jack Hamilton, Assistant Director of the New Mexico Office of Civil and Defense Mobilization, continuation of the contract is the result of a bi-annual inspection of all civil defense type radiological instruments including shelter kits, operational sets and training equipment. Operation prescribed under the contract involves on-site inspection of such facilities, repair and recalibration of instruments if required, and outfitting instruments with new batteries.

The maintenance shop, operated by civil defense personnel, is located in the New Mexico State Department of Military Affairs complex in Santa Fe. Personnel manning the facility are responsible for the upkeep and periodic inspection of more than 21,000 radiation measuring devices.

Maintenance Shop officials may also provide local governments with the planning guidance and assistance necessary in the overall development of a radiological monitoring and reporting capability for peacetime use.

Lincoln County Defense Civil Preparedness Agency .. . Active!

The fact that Lincoln County, through the combined efforts and programs of the Lincoln County Defense Civil Preparedness Agency and the several local additional special volunteer service organizations and clubs, is both prepared with qualified manpower and necessary equipment for any emergency or natural disaster, is rapidly becoming recognized throughout New Mexico and neighboring states.

Lincoln County Sheriff Ernest Sanchez and Chief Deputy Sheriff Leandro Vega, Jr., have, on a number of occasions, publicly expressed their appreciation to the many local organizations, including the Lincoln County DCPA, and others who have continuously given complete cooperation and assistance in search and rescue missions Sheriff Sanchez stated, "I have high praise for all of the organizations and individuals who in past experiences has personally volunteered to go beyond the call of duty in emergency and search and rescue operations."

The multiple needs of assistance and aid, covered by the Lincoln County Defense Civil Preparedness Agency in the past three years have included eight airplane crashes, hundreds of search missions for lost individuals, forest fires, flood condition, law enforcement and general preventative projects for most of the municipalities within Lincoln County.

In addition, the LCDCPA has supplied, on a county-wide basis according to the respective community or municipality's needs and priorities, emergency equipment and materials.

Those communities and agencies who have received special government surplus properties through the efforts of the LCDCPA include Lincoln County governmental agencies — Lincoln County Road Department, Sheriff Departments, Public Schools and hospital, The Ruidoso Fire Department the Village of Ruidoso, Ruidoso Municipal Airport, Ruidoso Junior Fire Fighting Squad, The White Mountain Jeep Club Search and Rescue Organization and the Bonito Fire Department.

Other recipients of assistance from the LCDCPA are The Village of Lincoln, the Village of Hondo, the Village of Capitan, and the Village of Carrizozo.

Agencies with whom the Lincoln County Defense Civil Preparedness Agency works in complete cooperation include the Lincoln County Sheriff's Department, the Ruidoso Police Department, The New Mexico State Police, The White Mountain Jeep Club, The New Mexico Game and Fish Department, the Sierra Blanca Boys School, Ft. Stanton, U. S. Forest Service, the New Mexico Mounted Patrol Troop Five and the Holloman Air Force Base, Alamogordo, search, rescue and emergency squadron.

An elected official, speaking on behalf of the combined Lincoln County search and and related emergency operations, stated recently, "All in all we have the finest combined team and equipment effort for search and rescue in the state, it is a team that is really unbeatable and one that all residents of Lincoln County can be extremely proud."

NM Received Over $480,000 In Civil Defense Supplies

Acting through the Federal Surplus and Excess Property Program, New Mexico's Office of Civil and Defense Mobilization received more than $480,000 in emergency civil defense supplies and equipment for distribution throughout the State in Fiscal Year 1972.

According to Major General John P. Jolly, New Mexico civil defense director, the surplus and excess property programs have been among the most popular and useful civil defense programs for New Mexico and its local government for years.

Under the Excess Property Program, New Mexico acquired $160,452 worth of equipment. The Surplus Property Program netted the State $319,959 worth of material. Included in both programs were items such as motor vehicles, communications equipment, electrical equipment, and fire-fighting equipment.

LINCOLN COUNTY ALPINE SEARCH AND RESCUE TEAM — One of the essential search and rescue programs for mountainous areas are the internationally recognized Alpine search and rescue organizations who are trained specially for search and rescue operations in rugged mountainous terrains. Lincoln County, with its many multiple type mountainous conditions is very fortunate to have seven Ruidoso men who make up the Lincoln County Alpine Search and rescue Team. Equipped with the necessary Alpine search and rescue gear secured from the Village of Ruidoso, the Lincoln County Defense Civil Preparedness Agency and "out of their own pockets", the seven men train as often as time permits. Pictured above, left to right, in a recent practice session, are, Larry Simon and Paul Lukens. Both men are also, in the same order, pictured in the lower right hand corner, with a portion of the necessary gear. Members of the highly regarded local Alpine Team are, in addition to Lukens and Simon, Virgil Reynolds, Bobby Bradley, Deputy Sheriff Jerry Foster, Wayne Estes and Sam Nunnally. All are volunteers who work without pay.

WHITE MOUNTAIN JEEP CLUB SEARCH AND RESCUE ORGANIZATIONS— One of the most unique and self sacrificing groups in Lincoln County and perhaps in Southeastern New Mexico is the volunteer White Mountain Jeep Club and their many programs of assistance to county wide agencies. The group has spent literally hours upon hours in search and rescue efforts and in every possible type of emergency crisis, from daylight to dark, from dark to daylight. The volunteers finance their own personal equipment but have been assisted through the Lincoln County Defense Civil Preparedness Agency with many multiple type pieces of equipment. Pictured above are a portion of the membership of the county search and rescue club. Seated, left to right, John Von Rosenberg, Alto, Lloyd Coe, Capitan, and club president; Don Stark, Capitan, Ruidoso Chief of Police Paul Lukens and Larry Simon, Ruidoso PD. As a cooperating agency with the Lincoln County DCP the local hospital maintains continual medical emergency equipment for use when called upon by the county DCP. Facilities for treating large numbers of emergency cases have been made possible through the recently enlarged new emergency room of the local hospital. Pictured left in the newly constructed emergency room are, left to right, Jim Rowin, male nurse, and Mrs. Jean Bagley, L. P. N. Additional technical and emergency trained personnel are available during LCDCPA needs.

RIGHT — Communications heart beat for any emergency crisis is the Ruidoso Police Department Radio Dispatcher section. Equipped with radio facilities for communications with the Lincoln County Sheriff's Department, the New Mexico State Police, the White Mountain Jeep Club Search and rescue organization and local police and fire units, the RPD serves as a vital link when an emergency arises. Pictured above, dispatching with several of the various radio contacts before him is Ruidoso Police officer Jerry Fennell, Ruidoso. Official RPD Radio Dispatchers, working in cooperation with the LCDCPA are John Anderson, Joe Maloy and Jessie Fennell.

LEFT — The Ruidoso Chapel of Roses ambulance, often times called in all hours of the day or night to stand by in some remote or isolated areas during a search and rescue mission or during other emergencies in the event of bodily injuries, has for many years been an intrigal part of the Lincoln County Civil Preparedness, formerly Lincoln County Civil Defense. The local privately owned establishment provides three ambulances and drivers for emergency needs with all units equipped with two-way police radios for necessary communications. Pictured left, with three emergency ambulances for use by the Lincoln County Defense Civil Preparedness Agency, are Albert Jay, left, Chapel of Roses manager, and John Harrelson, Lincoln County DCP Director.

RIGHT — Members of the Ruidoso Fire Department, rated as one of the finest and best equipped fire fighting units in New Mexico, are pictured reviewing the ever enlarging municipal area protected by the local fire department. In addition the highly skilled fire fighting crew responds to requests from DCP and the Lincoln National Forest and the Mescalero Apache Reservation to fight forest fires in the immediate area. Fire fighting is not their limitation as in every case of an emergency, regardless of its nature, in or out of the Ruidoso municipal corporate limits, this dedicated group responds. Only three of the twenty man force are paid, the balance are completely volunteers. Chief of the distinguished group is Sam Nunnally, seated second from left.

Civil Defense Promotes Program Of Helping In Natural Disasters

Officials of New Mexico's Office of Civil and Defense Mobilization, and Defense Civil Preparedness Agency's Region Five headquarters in Denton, Texas are spearheading a drive to familiarize local governments in New Mexico with the methods of implementing an expanded new civil preparedness capability through means of a program called On-Site Assistance.

The program is devoted to the job of helping people prepare for the constant threat of natural disasters such as hurricanes, tornadoes, and flash floods, in addition to the threat of nuclear holocaust.

With the advent of On-Site Assistance, the role of civil defense has taken on an increased responsibility of dealing directly with people. Goal of the program is to achieve a total capability for disaster readiness throughout every city, county and community in the United States.

DCPA Region Five Director Don Guier looks optimistically toward success of the On-Site Assistance plan.

"This is a tremendous opportunity to get New Mexico on a level of total disaster preparedness as never before," he stated. "It is a selling job, not just for civil defense personnel on a Federal level, but for civil defense officials in each county and community throughout New Mexico. For the present, however, it is up to the staff here at Region Five to get out in the field and familiarize New Mexico's governmental officials with this dynamic program."

"I guess you could compare the job of selling the anticipated results of the On-Site Assistance program to that of the job selling insurance," Guier said. "Because that's exactly what the end result should accomplish — insurance that provides a total readiness capability in the event of disaster for every man, woman and child."

Like any good, workable insurance plan, the On-Site Assistance program offers a list of rewarding benefits.

Not the least of these, according to Region Five Field Operations Director Gains West, is a proven savings in dollars to local governments.

"One community we provided an On-Site Assistance survey for told us we had saved them at least $100,000 by providing them with the necessary know-how to implement a disaster preparedness plan," West noted.

On a more personal scale, the program reaps the benefit of motivating participants to perform preparedness tasks they might otherwise not have accomplished had they not been indoctrinated under the On-Site Assistance plan.

Additionally, the program will improve the image of local civil defense directors and will offer the very tangible benefit of getting community citizens involved in a community project.

"What could be better than getting local citizens involved in a program that someday might serve to save their lives as well as the lives of their own families?" West said.

To implement the program, a detailed strategy must first be mapped out so as to present the most workable plan of preparedness for each local government or community.

Included in such a strategy are considerations for selecting localities to conduct an on-site survey, advance preparations for the survey, preliminary visits, surveying local needs and reviewing a locality's civil defense posture. Also to be considered is the degree of local readiness, recommendations for improvements where needed, and implementing a plan of continuing action.

"Again, just as in selling insurance, our pleminary goal of getting local communities to accept the benefits of the on-site plan can be achieved only through gaining the confidence of the local governmental officials who will be coordinating the ultimate disaster readiness operations throughout New Mexico," Guier emphasized. "The burden rests on our shoulders to create the proper attitude among local officials in whose hands lies the final determination for accepting our recommendations for a plan."

"Civil Defense is a whole new ball game these days," Guier added. "With the means of acquainting the American public with its importance through the On-Site Assistance program, it can be a winning game for all New Mexicans."

BITS OF BLUE AND GOLD

Thi week the Warriors travel to Lordsburg for one of the most important games of the season. This game will probably decide the district championship.

Lordsburg has surprised many people this year by defeating Silver City and tying Cobre, two AAA teams. One of the reasons for their success is their defense. They are relatively quick and pursue very well.

Tim Baur is back in action after minor surgery and there are no other serious injuries.

Next week the Warriors face New Mexico Military Institute in Roswell. The Institute has a very poor record but it has played larger schools for the most part. This is a non-district contest and will have no bearing on post-season play for the Warriors.

Thus far this season the Warriors have scored 157 points to the opponents' 53.

Coaching the Warriors through their successful season so far is Doyle (Tiny) Howell, head coach; Darrell Stierwalt, line coach, and Gary Giannoni, secondary.

National Ski Patrol Advance Review Course, Oct 21-22

The Annual On-the-Hill Advance Review Course for the National Ski Patrol is scheduled this weekend, Saturday and Sunday, Oct. 21-22, at the Sierra Blanca Ski Resort Area, according to officials of the NSP. Registration will begin at 8:00 a.m., Saturday.

It was also announced that NSPS registration for the 1972-73 Sierra Blanca Ski Resort Area season will be held this weekend.

Ski officials and local Red Cross officials also announced that area residents with Advance Red Cross Certificates will have an opportunity to renew their certification, as required, during the annual On-the-Hill course.

Additional information regarding the National Ski Patrol course and the Red Cross certification school this weekend can be secured from Mrs. Jack Spall, phone Ruidoso, 257-4075.

News Items From Ruidoso News Issue of Oct. 10, 1947.

The Ruidoso Lions Club announced this week that $1,400 of the money needed to build new indoor restrooms for the Ruidoso Grade School has been raised and work will begin soon. The money raised has come from various money raising projects by the Lions Club as well as by other organizations in Ruidoso. The new Ruidoso High School as well as the Grade School and Stetson School need many things which can only be provided by the Parent-Teachers Association and local organizations. Lunch rooms for the Stetson School and the new Ruidoso High School is one item the three P-TA's are working on

Gerald Tully who set a new world's record average for 12 steers last week in his match with Cotton Lee, won again Saturday, Oct. 4 when he roped against Jeff Good of Yeso at the Cormit Speedway in Albuquerque. He now has two wins toward the three he needs to permanently keep the Bob Crosby trophy. Tully had a total time of 387.9 seconds for 12 steers, as compared to Jeff Good with a total time of 525.5 seconds for 12 steers.

The Harris and Beavers saw mills in Palo Verde have been given the contract from the Mescalero Apache Indian Reservation for six million feet of timber after submitting sealed bids along with other lumber men for the pine logs.

THE FAMILY LAWYER

"Greatest Show on Earth"

Day after day, after day in a Los Angeles courtroom, an elderly gentleman sat attentively in a back row seat. He had no stake in any of the cases. He knew none of the participants. But when asked why he was there, he had a ready reply:

"Because this is the greatest show on earth."

Courtroom scenes do provide the central drama in countless movies, plays, and television programs. Yet, surprisingly few people go to see the real thing. Unless highly publicized, trials of cn take place with no spectators at all.

Why don't more people visit courtrooms? Perhaps they feel reluctant to "listen in" on the private lifes of others.

But in the eyes of the law, the anonymous spectator, far from intruding, actually plays a useful role in our scheme of justice. It is his very anonymity that makes him effective. Judges, lawyers, witnesses, and jurors, not knowing who the stranger might be, have an extra incentive to be conscientious.

People may also be court-shy because they just do not realize how remarkable open our courts are. The United States Supreme Court once observed:

"We have been unable to find a single instance of a criminal trial conducted (in secret) in any federal, state, or municipal court during the history of this country."

True, access may occasionally be limited for some special reason: to prevent overcrowding, to keep order, to protect children.

But as a rule, you may walk into a court as freely as into a church, with no one at the door to check your name or ask your business. When the judge in a murder trial ordered that "respectable citizens only" would be admitted to the courtroom, his order was thrown out by an appellate court as "preposterous."

Of course, around Law Day each May many people do go to court to watch justice in action. But the courts are just as open (and just as interesting) all year long. In a sense, that is what Law Day is all about.

Letter to Editor

Dearest Mr. Lane, Rotarians and Fellow Ruidosoans:

Just these few lines to say "hi" and let you know what is happening here in Japan. First of all, I am feeling rather poorly so I cannot attend school. This will be the first Wednesday that I have missed a Rotary Club meeting. The first week of September they honored me with a reception. Two Rotarians made a speech to me in English and then I made a "thank you" speech in Japanese. It was a nice surprise. The Okazaki Rotary Club has gone all out to make me welcome and at home. They certainly have done a good job because I feel as if I am at Ruidoso's own club. This past Saturday, the club hosted a bowling tournament for Rotarians and guests. Of the 33 participants I finished 7th place. Not bad considering how well the Japanese bowl. My prize was a pair of hand painted towels and a box of hand-made Japanese candy. (Which I could have done without!) I had much fun.

I feel like a celebrity with all the pictures that are taken of me. I couldn't figure out why so many pictures, but later found out it is for the Rotary magazine. I have gotten used to all the stares and heads turning around just to get a glimpse of me. I guess I am an unusual sight with my red hair.

School is about the same. I find that I enjoy all of my classes, even if I can only understand a little. With my trusty dictionaries and sign language, communicating isn't so much of a problem. In fact, communicating is a lot of fun. Okazaki Girl's High School is 4 stories high. My locker is (of all places) on the 4th floor. My schedule is similar to a college schedule. I like it much better than going to the same six classes everyday. I am taking English, P. E., Japanese history, cooking, sewing, etiquette, handicrafts and I have a free class every day except Thursday. On Wednesday, I attend morning classes only. In English, I am the assistant. I also belong to an English Club where I teach English to about 15 girls. They also teach me Japanese only they are learning more English than I am Japanese. I enjoy this. I never liked history but Japanese history is interesting but difficult. Cooking and sewing are two separate classes, each two hours long. In cooking I am learning Japanese recipes and having to eat everything we cook. Some things are tasty. Sewing is different. Patterns cannot be bought like in the U. S., therefore I designed my own pattern. I am confused because everything is in cm and meters but with the teacher's help, I understand. The Japanese are very good seamstresses and I can see why. I like sewing although I have no instructions to follow. I can't even sew with instructions! Etiquette is more or less like a Japanese modeling school.

I am learning new things each day and enjoying every minute of it. There are no janitors at school. The last period of the day, some students have cleaning. It is a common sight to see students on hands and knees scrubbing floors, mopping, cleaning windows, etc. I think the American students would protest if they had to do this. This brings up another impression. The Japanese are more devoted to their studies and study harder during school. They also have respect for teachers. I have found that the teachers are more willing to help students and it seems to me, the teachers have as much fun and are more free. At school during class, no student is allowed to wander up and down the halls. I am very impressed with Japanese schools although it probably seems like a jail. It really is a lot of fun. I only dislike going to school on Saturdays and having to wear a long skirt. See what I mean about Japanese study harder?

Last Wednesday, the principal's mother and I went to the Rotary exchange officer's house. His wife showed me the tea ceremony. It is called "usucha" and is less formal. It is really a beautiful ceremony. Each movement is precise and you have to know what you're doing. It is a unique and different way of making tea. It is typical of the Japanese culture. Kimonoes are usually worn at these ceremonies. The price of Kimonoes (silk) is very expensive. Would you believe $180? The Japanese tea ceremony is really an English tea party.

I have concluded that teenagers are about the same everywhere. The Japanese have their own Japanese rock musicians although many American rock groups are popular. I was very much surprised. Although a record album (take the Carpenters for example) which sells for $4 or $5 in America, sells for $8 here. American movies are seen over here. I was talking with my Japanese friend (she lived in the U. S. for 2 years) and the movies are in English with Japanese written on the screen. I might take in a few movies now that I know I can at least understand. American television shows are in Japanese and I cannot read lips. I at least watch an American program. It is fully Japanese. Some typical shows I have seen are Adam-12, O'Hara, Gunsmoke, Bewitched; cartoons my little brother likes are, The Jetsons, Batman, Popeye, Pinocchio. To give you an idea about the movies, currently showing now are: Skyjacked, Airport, Love Story, To Russia With Love, Butch Cassidy and the Sundance Kid, Easy Rider, and the Godfather. I have been asked many times if I saw the Godfather. It and Love Story are the most popular.

I had best close this and take a rest, I hate to miss school because it is all too interesting. I hope that this letter will find everyone well and happy. As for me, I am having a great time. I only wish I could share it with everybody. Japan is a wonderful place but I long to see all my friends. I do get awfully lonely. Therefore, I will be looking for letters from home, so write to me when you can. Take care.

Sincerely yours,
/s/ Laurie

Shown right holding the first place trophy of the Bean Valley Conference is Manager Jerry Aldaz of the Ft. Stanton Pirates. He is flanked on his right by coach Tommy Aldaz and on his left by coach Bud Smith. The Pirates won the newly formed league this past summer with a 16-3 record. The Willard Blue Angels were second, the Willard Red Sox, third; Mountainair was fourth, and Vaughn was fifth.

The Ft. Stanton Pirates included the following players: Ronnie Chambers, Gilbert Archuleta, Johnny Chambers, Tony Padilla, Robert Griego, Vic Damirez, Clarence Minitre, Benny Dalton and Pete Sisneros. The clutch players, the backbone of the team, included Richard House, Bud Smith, Ronnie Smith, Jay Myers, Ervin Aldaz, and Tommy Aldaz. Manager Myers stated that this was a well-balanced team with several players able to play more than one position. He asked that bat boys Robert Gutierrez and Adam Aldaz also be recognized.

This new conference hopes to pick up teams in Roswell, Ruidoso and Carrizozo, or somewhere else in this area, to go with Ft. Stanton and form the Eastern Conference of the Bean Valley Conference next season. The Western Division would appear to be set with two teams in Willard, and teams in Mountainair and Vaughn.

Manager Jerry Myers informed me that Ft. S an on Field will be fenced in for next season and additional seating added.

Helping to make the Pirate season a success by working in the refreshment booth were Gloria Aldaz, Aura Myers, Anita Campbell, Stephanie Minitre and Jerri Smith.

The International Mathematics Competitive Group of Capitan High School held its first organizational meeting Thursday, Oct. 12. Advisor F. D. Hornbaker stated that the club will exchange math problems this year with schools in Harrah, Okla., and Bogota, Columbia.

Two of the main decisions coming out of the student council meeting this week were to paint the "C" on "C" Mountain, and to have a sock hop after the Clouderoft football game. —Priorities on the physical plant was one of the items discussed Wednesday night at the regularly stated meeting of the Capitan Board of Education.

Capitan FHA News: On Tuesday, Oct. 10, the Capitan FHA Chapter held its monthly meeting. Debbie Cartwright announced that she will be trying out for District Song Leader at the district FHA meeting. The girls that will be attending the meeting helped her rehearse. The district meeting is to be held on Saturday, Oct. 14, in Carrizozo. The chapter group that will be going is to leave from Capitan High School at 8:00 Saturday morning.

Also discussed at the meeting were letters received concerning ideas for a new National Program of Work. All the girls contributed ideas as to the new [illegible], that will be sent to the Vice President, Patsie Reed. Debbie McCormick. "FOR PETE'S SAKE""

Film To Be Shown In First Baptist Church

"For Pete's Sake!" a film credited as "unique in its capacity to reach out to meet the problems of people, will be shown on Oct. 25, at the First Baptist Church, Mechem Drive.

The full-length comedy-drama, filmed in brilliant Eastmancolor by World Wide Pictures, will be shown once beginning at 7:00 p.m., and is open to the public at no admission charge.

Filmed entirely on location in Denver and the Colorado Rockies, "For Pete's Sake"" is the story of Pete Harper, a family man and service station owner, who is knocked flat by unexpected problems, but finds the strength to stand up again, to face life anew.

"For Pete's Sake!" has been seen nationwide by over three million persons in theatre premieres, and has been cited by one film critic as "the perfect mixture — it's drama at its boldest, comedy at its lightest, and action at its liviest. "For Pete's Sake!" is a family film, not only because it is good family entertainment, but because through its storyline, families can see and feel exactly what is needed to develop deeper understanding and build stronger ties."

"For Pete's Sake!" stars Robert Sampson, who also starred in World Wide's "The Restless Ones". Pippa Scott, as Pete's wife, Marge, is well-known for her broadway appearances and numerous television roles. John Milford and Sam Groom are both familiar to television audiences.

Other featured players include Johnny Jensen as Pete's son, Irene Tedrow as Grandma Harper, and Nicolas Surovy as Skip, the leader of a motorcycle gang.

A cordial invitation is extended to all families of the community by First Baptist Church, who has made arrangements for this special showing of "For Pete's Sake!".

OBERLIN, KANS., HERALD: "Whenever a judge suspends sentence on a lawbreaker if he promises to get out of town, it is easy to wonder how often this person could repeat the offense in a different town each time and never have to serve a stretch in jail. Serving time does not necessarily convince the lawbreaker he should go straight. But the 'get out of town by sundown' warning is a neat way for a judge to wash his hands of the duty of meting out justice to the guilty . . . If we want law and order we are going to have to see to it that our courts are doing their job. Sending trouble on to the next town isn't doing the job."

Apache Village Motel Sold To El Paso Family

Mr. and Mrs. Leo Pagel announced this week that they have sold their Apache Village Motel, located on Mechem Drive, to Mr. and Mrs. J. M. Dutton of El Paso. The Pagels have been operating Apache Village Motel for about 20 years, and purchased the motel in partnership with Mrs. Pagel's parents, Mr. and Mrs. E. M. Standefer. Later the Pagels purchased the Standefer's interest in the motel. Before acquiring Apache Village Motel, the Pagels owned and operated the Midway Courts (now called Four Seasons Motel), purchasing it from the H. G. Heavenhills.

The Pagels left Ruidoso this midweek for Baytown, Texas to visit with their son and his family, the Allen Pagels, and to do some fishing on the Texas coast.

Mr. and Mrs. Dutton, the new owners, have three school age children. They are originally from Comanche, Texas and also lived for a time in Hobbs.

Sunland Officials Approved For 1972-73

Officials for the 1972-73 season at Sunland Park were okayed during the regular meeting of the New Mexico State Racing Commission in Albuquerque this week.

Al Rosa heads the slate as president and general manager. Richard Thompson got the okay as Assistant-to-The-President.

A. C. Kemp and Richard Lidberg will serve as Sunland stewards, while the post of State steward will be taken by Hiram Valentini for the fall season and Henry Zarbes for the spring.

Dick Alwan will again serve as director of publicity and advertising, while Bill Thomas will hold down the post of Director of Public Relations.

Tom Dawson was okayed as Racing Secretary and will be assisted by Gordon Graham. Harry Henson will be back on the job as announcer. Dean Turpitt will again serve as starter and paddock judge.

Jerry Knott, long-time mutuel manager at Sunland Park, will again hold that position. Connie Madrid was advanced to Track Superintendent.

Bob Dudich returns as Racing Form trackman and announcer.

Other positions approved by the Commission: Dr. D. R. Munro, track physician; Clyde Jones, track photographer; Dickye Turner, horsemen's bookkeeper; Felix Turner, jockey room custodian and clerk of scales; Dr. William Pitt, track veterinarian, Art Smith, stall superintendent; Leonard Martinez, patrol judge and identified; Jim Bayes, assistant clerk of scales; Red Hedeman, entry clerk.

The video system, including the instant replay for fans, plus the photo-finish equipment, will again be handled by Criterion Films.

The new season, covering 95 race days, kicks off on Saturday, Oct. 7. The fall session extends through Dec. 10. After a two-week dark period, the spring campaign will get underway on Dec. 29 and extend through May 13.

Post times will be the usual 1:30 p.m. for Saturdays and Sundays, 7:30 p.m. for night programs on Fridays (and Wednesdays from March 14 through April 18). A handful of twilight programs will be staged on Fridays, starting at 3 p.m.

MUST HAVE BEEN SANTA CLAUS — The Ruidoso News camera, Saturday during the 25th Annual Ruidoso Aspencade Parade, caught the above young parade viewers waving and apparently astonished as a float with Santa Claus aboard passed by. Inside The Capital

By FRED BUCKLES

SANTA FE — Voter apathy was widespread as the general election campaign chugged along toward the showdown Nov. 7.

Ed Hartman, New Mexico chairman of the Committee for the Re-Election of the President, reported apathy among Democrats and Republicans. Hartman said: "Apathy on the Democratic side is disenchantment with the nominee. On the Republican side it's a feeling Nixon is a shoo-in."

Young McGovernites began pushing one-on-one voter canvassing statewide after the registration deadline Sept. 26. The McGovern campaign accented house-to-house appeals with explanations of South Dakota Sen. George McGovern's positions.

A national poll showed McGovern closing the big gap on Nixon. But McGovern started more than 30 points behind the President and some tightening of the race was expected. Nixon was still clearly ahead in New Mexico.

Chris Brown, campaign director for Santa Fe lawyer Gene Gallegos, the Democratic U. S. House nominee in District 1, said a professional poll showed Gallegos gained 20 points after Aug. 18.

Gallegos' walking tours of the Pecos Wilderness, the Albuquerque Valley and part of Rio Arriba County attracted much attention. But he moved into October still trailing U. S. Rep. Manuel Lujan, Jr., Albuquerque Republican, by several lengths.

Little known Ed Presson, Silver City Republican, complained he could use help from Pete Domenici's U. S. Senate campaign. Presson, 30, is pitted against U. S. Rep. Harold Runnels, Lovington Democrat.

Heavily favored Runnels campaigned in big District 2 during the weekend after a flying trip from Washington. Dr. E. E. Hubble, Truth or Consequences physician, said he will become Presson's Sierra County coordinator. Dr. Hubble said Presson needed exposure to voters.

The race between Republican Domenici and Hobbs Democrat Jack Daniels for U. S. Sen. Clinton P. Anderson's seat continued to heat up. Some Domenici-Daniels exchanges were marred by personal attacks.

The Domenici-Daniels battle was still regarded as close. Domenici was accorded a slight edge because of Nixon coattailing. When Nixon carried New Mexico by 39,611 votes in 1968 GOP candidates for president, governor and the U. S. House won in 13 of the state's 32 counties.

The State Board of Finance authorized $550,000 in bonds for the State Game and Fish Department to fund improvements in Cimarron Canyon. Three overnight camping areas and 12 picnic sites are planned between Ute Park and Eagle Nest.

State Game Director Ladd Gordon met early this week with Highway Department officials over a long-planned highway on US-64 through Cimarron Canyon. Gordon said the Game Department opposes highway construction through the bottom of the picturesque canyon.

Gordon said the Game Department wants assurance the recreational facilities are not in the path of future highway construction. The Game Department owns 33,000 acres along 10 miles of the Cimarron River, a popular area. The Game Department's bond fund will finance improvements.

The State Racing Commission tentatively approved 64 days of racing for the 1973 Ruidoso Downs meet, up one day from the card this year. The commission also approved in principle, a new triple futurity at LaMesa Park, Raton.

The Triple Crown Quarter Horse Futurity at LaMesa Park is tentatively set for dates in July and August and Sept. 2. The Racing Commission approved a stakes race schedule that included the $1 million-plus All-American Futurity for quarter horses at Ruidoso Downs, the world's richest horse race. The famed Ruidoso Downs race will be run Labor Day, Sept. 3.

State agencies reported gas production is up and oil output is down in New Mexico. The average price of gas per 1,000 cubic feet increased in the state from 16 cents in February to 19 cents in June. Much of the increase was pegged to boosts subject to Federal Power Commission approval.

The number of operating rigs was up 25 per cent over 1971, mostly because of higher gas production. A FPC examiner's report on the Permian Basin case was still awaited. New Mexico seeks a sharp price hike on Permian Basin gas in this state.

The oil and gas industry paid $36.3 million in six taxes to the Oil and Gas Accounting Commission last fiscal year, virtually unchanged from fiscal 1971. State oil and gas royalty revenue dropped $84,612 last fiscal year. Royalty revenue was down for the January-September span this year.

The State Park and Recreation Commission proposes $1.3 million in capital improvements at state parks in the fiscal year starting next July 1.

The request will be screened by the State Finance Department and Gov. Bruce King's office before it is sent to the legislature in January. Half of costs would be paid by the U. S. Bureau of Outdoor Recreation.

The commission's proposal includes: Ute Lake, Quay County, $72,620; Valley of Fires, Lincoln County, $40,000; Elephant Butte, Sierra County, $65,500; Kit Carson, Taos, $42,000; Pancho Villa, Luna County, $8,000; Percha Dam, Sierra County, $6,500; Rio Grande Gorge, mostly Taos County, $29,500; Rock Hound, Luna County, $27,000; Alamogordo Lake, DeBaca County, $51,680; Caballo Lake, Sierra County, $61,950; City of Rocks, Grant County, $9,300; Clayton Lake, Union County, $4,500; Conchas Lake, San Miguel County, $416,932, and Navajo Lake, San Juan-Rio Arriba Counties, $57,600.

The Highway Commission will open bids Oct. 20 on stockpiling of material near Clayton on US-87-64-56 in Union County.

USDA STAISTICS

For Week Ending Oct. 8

Temperature, High, 80; Low, 32.

Precipi'ation: Oct. 2 to Oct. 8, .10; normal for October, 1.24; January 1 to October 8, 19.97; normal January 1 to October 31, 19.05.

Weather Summary—

Showers mostly on Wednesday through Friday with one to two inches in western localities and mostly traces in the eastern plains. Temperatures averaged three to seven degrees above normal with seasonally warm nights warmest at beginning of the week, then cooling until warming on weekends.

TOP CLASS-A MARCHING BAND—The Roswell High School marching band, Saturday, Oct. 7, was named the First Class A Division High School Marching Band during the 25th Annual Ruidoso Aspencade Parade. The band is pictured above as they passed near the Ruidoso News Office on Sudderth Drive and about halfway through the four mile long parade route. (Ruidoso News Photo)

ASPENCADE BEARD GROWING CONTEST — The above four "bearded or mustached ones" were presented with special awards, Saturday, Oct. 7, by the Ruidoso Valley Chamber of Commerce, following the annual public Aspencade Bar-B-Q held this year in the Ruidoso Municipal Park. The winners, pictured above, left to right, were Andy Hale, Ruidoso, Best Mustache; Aubrey Dobbs, Ruidoso, Worst Kept; Rick Hollis, Ruidoso, Best Beard; and name not known by C. of C., of Lubbock, Texas, Best Goatee. Chamber Chatter

By DICK MOUND

The big Aspencade is over, nothing left but a few memories. We had a good crowd in town and I believe almost everybody benefitted in some way from the celebration. I thought the events came off with good timing. The parade was one of our largest and Tom Loudon and company got them off in good time. The barbecue was started when the motorcycle-cade portion of the parade completed its run. We served 1,003 paying customers.

Now for the bouquets. I believe my group on the Aspencade Committee and their respective committee members are the hardest working Ruidosoans. The following people and their committees are responsible for the large success of the three-day event: Tom Loudon, parade chairman; Jeanice Findley, prize acquisition; Cowboy Scrimshire, Buddy Riddle and Fermin Herrera, trail rides; Mike Hernandez, rodeo; Carolyn King, arts and crafts; Til Thompson, motorcycle rally and races; Dude Browning, bus rides through the mountains; Ray Heid, bicycle races; Wyman Scarborough, Emma Redmann and Deann Woolridge, months of work with correspondence and worrying about every event; the whole Jaycee group for manpower for most of the activities. The newspapers and radio did an outstanding job of both promotion and then telling us of the whole thing. The Lions club is getting so good at the squaw bread that they are going to have to open up a busines and sell it to the markets. Johnny's barbeque was really good they tell me. Most of the directors turned out in some capacity and really rolled up their sleeves. Tuffy Wilson worked in a multitude of things, as did Jerry Wood, George Luck and Charlie Parker.

I guess the last on the list and probably the most important because without them none of this could have happened, the participants in all the events. Pat Healy, Willa Scarborough, Jeanice Findley and Stevie Williams really did a fine job on setting the festive mood for the weekend.

I want you people who did just as much as any, that I forgot to mention, to let me know so I can include your name in next week's Chamber apology to the hard workers.

I guess we can learn from Aspencade. If we want to have a good all around economy, we are going to have to provide some activity. People just don't like to go anyplace any more and relax. They need some action. Personally, at this time I coulld use some of that relaxation.

Now we need to start advertising our ski season and general tourist area. We also don't want to forget the Oktoberfest final ball this weekend. It is a joint affair with the State Commemorative Committee. It's also a good chance for us all to get together for a little relaxation and enjoyment. I'm looking forward to the dance myself. I hope we have about 199 more couples doing the same thing. If we don't, do any of you have any recipes for sheet music? The Oktoberfest committee may have to eat some sheet music if we don't have a good turnout.

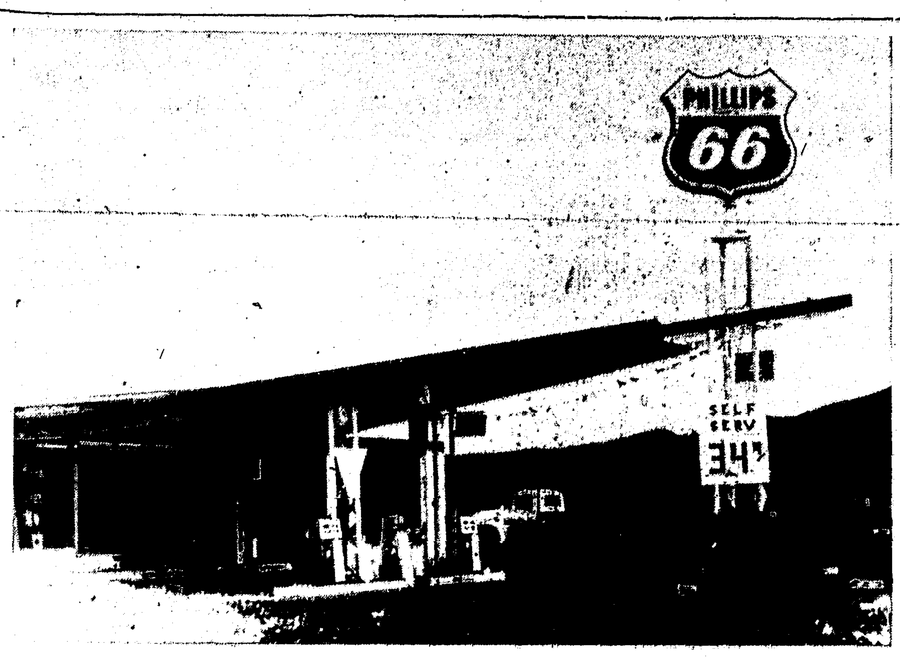
In Passing . .

By AL LANE

The Ruidoso Rotary Club had the pleasure of hosting exchange students from Norway, Japan, Australia, Brazil, Bolivia, and the Philippines at the annual Aspencade parade and we here note that we hope U. S. exchange students are as well behaved and courteous as these students. The students were shown points of interest and also participated in the parade. At a get-together Saturday evening, the students played cards, listened to records, played the organ and in general had a visit together. The group had not been together since their arrival in this country and enjoyed the renewal of their acquaintances. Also visiting with the students during their stay in Ruidoso was Dr. Masataka Takeuchi, member of a Japanese Rotary Club on tour of the U. S. Dr. Takeuchi had talked with Laurie Norman, the Ruidoso exchange student to Japan, before coming to this country and has been staying with Laurie's parents, Mr. and Mrs. Larry Norman, while in Ruidoso. Wheeh! Another Aspencade is over and it was apparently a huge success. Many hours of work in preparation and a myriad of details were handled by the Aspencade committee (one of the most active committees that I have ever seen) and their efforts were well worth while . . . A new coffee shop is now open —called the Christian Coffee Shop—that will be serving free coffee to anyone who wishes from 6 a.m. until 11 p.m. except Thursdays. The shop is being run by Don Warren, a carpenter working for Wayne Wood. The new shop is located next door to the Affirmative.

. . . Gibson's new Ruidoso store swiftly nearing completion, looks as though they may reach their goal of a November opening. The architecture blends in beautifully with the scenic Ruidoso resort area . . . We understand that Mike Waldron (manager of Dan Dee Cabins) won the overnight stay for two nights at Dan Dee Cabins in the Aspencade drawing . . . Emma Redmann just about shot from the Aspencade weekend looking forward to a vacation . . . DECA kids painting the "R" above the high school on the mountain. Took a lot of work getting up and down to do the job . . .



NEW STATION MANAGEMENT — Jim Wooldridge and Ken Mays, both of Ruidoso, are the new co-owners of the Chaparral 66 Service Station on U. S. Highway 70 in Ruidoso Downs. The station offers a complete line of automobile and pickup service, tires, batteries, accessories and parts. In addition the new management offers a 24-hour wrecker and towing service and a mechanic on call 24 hours. (Ruidoso News Photo)

Legal Notice

STATE OF NEW MEXICO
OFFICE OF
THE SECRETARY OF STATE
CERTIFICATE

I, Betty Fiorina, Secretary of State of the State of New Mexico, do hereby certify that the attached are true and exact copies of the proposed Constitutional Amendments and the State Educational Institution Library Bond Act to be submitted to the electorate of the State of New Mexico at the General Election to be held on November 7, 1972.

Given under my hand and the Great Seal of the State of New Mexico, in the City of Santa Fe, the capital on this 27th day of September A. D., 1972.

/s/ Betty Fiorina,
Secretary of State
(SEAL)

Questions to be voted on at the General Election November 7, 1972, in the State of New Mexico.

CA 1
A JOINT RESOLUTION
PROPOSING AN AMENDMENT TO ARTICLE 2, SECTION 18 OF THE CONSTITUTION OF NEW MEXICO TO INSURE EQUALITY OR RIGHTS UNDER THE LAW WITHOUT REGARD TO A PERSON'S SEX.

BE IT RESOLVED BY THE LEGISLATURE OF NEW MEXICO:

Section 1. It is proposed to amend Article 2, Section 18 of the Constitution of New Mexico to read:

"No person shall be deprived of life, liberty or property without due process of law; nor shall any person be denied equal protection of the laws. Equality of rights under law shall not be denied on account of the sex of any person. The effective date of this amendment shall be July 1, 1973."

Section 2. The amendment proposed by this resolution shall be submitted to the people for their approval or rejection at the next general election or at any special election prior to that date which may be called for that purpose.

Witness my hand and the Great Seal of the State of New Mexico on this 27th day of September, 1972 at Santa Fe, New Mexico.

/s/ Betty Fiorina,
Secretary of State
(SEAL) 16-4tc.

CA 2
A JOINT RESOLUTION
PROPOSING AN AMENDMENT TO ARTICLE 8, SECTION 3 OF THE CONSTITUTION OF NEW MEXICO TO PROVIDE FOR TAXATION OF COMMERCIAL CHURCH PROPERTY; AND TO ALLOW THE LEGISLATURE TO PROVIDE EXEMPTIONS OF PERSONAL PROPERY FROM TAXATION.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. It is proposed to amend Article 8, Section 3 of the constitution of New Mexico to read:

"The property of the United States, the state and all counties, towns, cities and school districts, and other municipal corporations, public libraries, community ditches and all laterals thereof, all church property not used for commercial purposes, all property used for educational or charitable purposes, all cemeteries not used or held for private or corporate profit, and all bonds of the state of New Mexico, and of the counties, municipalities and districts thereof shall be exempt from taxation.

Provided, however, that any property acquired by public libraries, community ditches and laterals thereof, property acquired by churches, property acquired and used for educational or charitable purposes, and property acquired by cemeteries not used or held for private or corporate profit, and property acquired by the Indian service, and property acquired by the United States government or by the state of New Mexico by outright purchase or trade, where such property was, prior to such transfer, subject to the lien of any tax or assessment for the principal or interest of any bonded indebtedness shall not be exempt from such lien, nor from the payment of such taxes or assessments.

Exemptions of personal property from ad valorem taxation may be provided by law if approved by a three-fourths majority vote of all the members elected to each house of the legislature."

Section 2. The amendment proposed by this resolution shall be submitted to the people for their approval or rejection at the next general election or at any special election prior to that date which may be called for that purpose.

Witness my hand and the Great Seal of the State of New Mexico on this 27th day of September, 1972 at Santa Fe, New Mexico.

/s/ Betty Fiorina,
Secretary of State
(SEAL) 16-4tc.

CA 3
A JOINT RESOLUTION
PROPOSING AN AMENDMENT TO ARTICLE 2, SECTION 12 OF THE NEW MEXICO CONSTITUTION TO REDUCE THE NUMBER OF REQUIRED JURORS TO SIX FOR ALL CASES.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. It is proposed to amend Article 2, Section 12 of the New Mexico constitution to read:

"The right of trial by jury as it has heretofore existed shall be secured to all and remain inviolate. In all cases the jury shall consist of six. The legislature may provide that verdicts in civil cases may be rendered by less than a unanimous vote of the jury."

Section 2. The amendment proposed by this resolution shall be submitted to the people for their approval or rejection at the next general election or any special election prior to that date that may be called for that purpose.

Witness my hand and the Great Seal of the State of New Mexico on this 27th day of September, 1972 at Santa Fe, New Mexico.

/s/ Betty Fiorina,
Secretary of State
(SEAL) 17-4tc.

ON THE JOB . . .

From the youngest members of Congress to the most influential, in just 2 years Harold Runnels has developed a working relationship that will be invaluable to New Mexico for years to come.

Harold Runnels was elected to represent the people in District II . . . and represent us he has — Harold Runnels has an outstanding 95% voting record in the current session of Congress. Yet, he has found time to assist with the problems of hundreds of individuals. He's always as near as your telephone.

ON THE RECORD . . .

TAXES AND INFLATION —
I think it's time we stopped talking about tax "reforms" and started talking about "relief" from taxes. And the only way we're going to do that is to continue to cut federal waste.
In just his first term in Congress Harold Runnels has already won the coveted "Watchdog of the Treasury" Award and was cited by the National Associated Businessmen for his record of voting for economy and fiscal responsibility.

JOBS AND INDUSTRY —
The Brantley Dam Project on the Pecos River — additional peanut acreage for Roosevelt County — the Las Cruces Federal Building Project — Holloman School near Alamogordo — Military Construction of over $3.8 million in the Clovis, Holloman, Kirtland and White Sands areas . . . these are just a few of the projects on which Harold Runnels is working hard and proving, on the record, his value as your Congressman.

CRIME AND DRUGS —
Harold Runnels has worked consistently against gun control and for stronger punishment to those who commit firearms crimes. His bill on drug control won wide support in the Congress.

Harold Runnels thoroughly understands the problems of our Second Congressional District. He's working hard to solve them. But, he needs your help. If you like the way Harold Runnels is handling the job . . . will you

GREAT BUYS FROM GREAT WESTERN

WHERE THE ACTION IS

We have one large lot left in Carrizo Canyon overlooking Rainbow Lake. The lot has large beautiful pines and good view. Priced at only $3,000. Would be a nice place to build or just for investment.

IDEAL FOR YEAR 'ROUND

For good access all year, we are offering a nice two bedroom home with large den, fireplace, and exposed beam ceiling. Located on large lot and near airport. Would be an ideal place for permanent enjoyment. Would appreciate your call to look.

RELAX AND ENJOY

The mountains and tall pines in this very roomy cabin located on three large lots. Three bedrooms, two baths, with large den and screened-in porch. Has two fireplaces, double carport, and furnished. That's hard to beat for only $27,500 and with owner financing offered. May we show you?

HERE IS THE VIEW

From this cute 3-bedroom, 1½ bath cabin. Located on large pine covered lot with paved street, has a beautiful view of Ruidoso and "Baldy" in the background. Nicely furnished and ready to move into. We would be pleased to show.

ALPINE—

Sitting on a well wooded level corner lot in Alpine Village is this two bedroom home, redwood construction, fireplace, deck on the east and south, a very unusual floor plan and tastefully furnished.

NEW—

Up Brady Canyon a short distance is a new two bedroom, bath and a half, rather distinctive cabin containing more than 1,100 square feet. It is completely carpeted, has electric baseboard heat and metal fireplace. It is a two-level house with a deck on the top level. And while you are there, take a look at the three bedroom house not yet completed right next to it.

Advisory Council Holds Capitan Meeting

CAPITAN, (Spl) — The Parents Advisory Council of the Title I Reading Program met on September 27. The members of the council are: Mrs. Arthur Coleman, Mrs. Sam Townley, Doris Pounds, Mrs. Hollis Cummins, Mrs. James K. McDaniel, Mr. and Mrs. Roy Baca, Mr. and Mrs. Candelario P. Trujillo, Ira Caster, Superintendent; and Mr. Goldsmith, Title I Reading Teacher.

Mr. Goldsmith demonstrated the materials and machines that are in the reading room, to the council.

The meeting was called to order. Mrs. Arthur Coleman was elected chairman. She is the only member of the council who was on it last year.

Mr. Ira Caster presented an explanation of other federal and state funded programs that we would like to obtain for our school district.

A plan for spending $337.57 was discussed by the council and it was decided to spend the money on reading text books, associated work sheets and master dittoes, and other small items for the benefit of the individual students.

The meeting was adjourned.

Letters To The Editor

Ruidoso News
Ruidoso, N. M.

Oct. 10, 1972

Dear Editor,

Ending summer 1972 I have enjoyed the Ruidoso News. What with all of Ruidoso Boosters, I want to say thank you to the many who stopped by Bonito Lou's Cafe on the way to Bonito Lake to fish or picnic — for supplies or information. I hope to have bigger and longer worms for next fishing season, along with garlic cheese, sardines, corn and marshmallows and deluxe combine salmon egg. The Game Department did a great job stocking Bonito Lake this past summer; never did put but one load of fish shorter than 13 inches and I feel sure it was an April Fool Joke. It was good fishing even for those who didn't know how to bait a hook. This reminds me of Al'o Lake. Folks appreciated it being open — this is progress for Lincoln County.

Adios and have a good Indian Summer and "think snow" for winter.

Bonito Lou
alias, Louise Coe Runnels

ASPENCADE MOTORCYCLE RACES — Over 3,000 people reportedly attended the 2nd Annual Ruidoso Aspencade Professional Motorcycle Races, Sunday afternoon, at the famed Ruidoso Downs Race Track. Pictured above are professional motorcycle racers after making the first turn in the half mile track. Til Thompson, Ruidoso and sponsor of the annual event, held in conjunction with the Ruidoso Aspencade Celebration, reported that he hopes that by next year a new Youth Division of the American Motorcycle Association will be formed and participate in the annual races here.
