PRELIMINARY INVESTIGATION UNDERWAY

Village council plans water issue bond vote

The village council, July 25, set the wheels in motion for a vote of property owners within the corporate limits of the village on a $5 million General Obligation Bond issue for, Mayor Lloyd Davis, Jr., said, "comprehensive water development."

"Acting on a point of necessity and urgency," trustee Don Driver moved that "immediately and as soon as possible" the bond election be held. Trustee Ab Gunter seconded the motion.

On roll call, trustees Driver, Gunter and Sherman Atwood voted "aye". Mayor Davis ordered that his "aye" vote be made a matter of record. Trustee Don Riley was absent.

W. C. (Bill) Wolf and Tom Mann of Mann Engineering Co., of Roswell, with Tom Jones, president of Eagle Creek Inter-Community Water Association, appeared before the council to discuss proposals to provide storage for sizeable quantities of raw (untreated) water.

"Plan H", submitted by Mann Engineering, calls for the construction of an earthfill dam using, Wolf said, "preliminary figures" of 160-feet high and 950-feet in length that would impound "1,108 million gallons" of raw water at a point between the mouths of Kraus and Flume Canyons.

Wolf said the proposed impoundment would provide 3,400 acre-feet of water and that it would be "about" a mile long. Storage cost would be "$971 per acre foot, or $2,978 per million gallons."

Mann noted that the $3.3 million cost of the dam, submitted for the council's consideration, would "hold about a year."

Wolf noted "a dam giving this storage size" would necessitate "relocating the ski run road" and other ingress and egress roads to it; and that the dam would "utilize all of the flow the village is entitled to use." He also said "the silt life of the proposed dam" woud be "250 years."

Mann also noted:

—The proposed dam could absorb a "nine-inch rain in six hours without encroaching on the dam free board" and that "the dam would be so constructed."

—That the dam would "have to meet all specifications and 23½-inch rain in six hours" to meet all specifications and that "that amount has been re-

Horse sale nets $254,250

Go Lika Jet, a Jet Deck mare, drew the top price of $25,000 in the second annual Summer Sale staged at Ruidoso Downs over the weekend.

The seven-year-old mare was acquired by W. O. Ferguson of Hurst, Texas. The consignor was the partnership of Dean and Schoellkopf of Austin, Texas.

The second top price of $15,500 was paid by Ferguson for Abba Dabba Do, a palomino mare by Go Man Go out of Little Feet.

Other highpoints of the sale: Hilo Jet (Jet Deck-Hilo Folly), acquired by Ferguson for $14,200; Gigantus (Tonto Bars Hank-Fan Jet), acquired by Dr. D. Stoops of Truth or Consequences, N. M., for $12,000; and Miss Mazie Bar (Three Bars-Mazie McKee), acquired by Roger Gray of Ardmore, Okla., for $11,500.

Eighty head went through the sales arena, bringing in total sales of $254,250. The average price was $3,178.

"We were extremely pleased with the Sale and will be looking forward to even stronger growth next year," said Al Rosa, Ruidoso Downs general manager.

Immediate attention will now start to focus on the 13th annual All-American Yearling Sale, the world's biggest and most prestigious vendue of quarter horse yearlings. A record total of 458 head have been catalogued. The bloodlines, according to Rosa, represent the very best and will establish new standards of sale quality.

The four-session All-American Sale will be staged in the All-American Sales Arena on the track grounds starting on Aug. 29, and concluding on Sept. 1. The Sale dates correspond with "All-American Week" at Ruidoso Downs.

RICK AND AL ROSA enjoyed a bit of repartee with prospective horse buyers before the bidding started.

Arts and Crafts Fair set

The third annual Arts and Crafts Fair, sponsored by the Ruidoso Valley Chamber of Commerce, will be held here Aug. 9-11, with 150 artists and craftsmen from a five state area exhibiting in 120 booths.

Booths at the Ruidoso "school house park" west of the swimming pool, are being erected by Geo. Buffett of Albuquerque. The basketball courts will be closed during the exhibit.

"This is the second largest outdoor arts and crafts fair in New Mexico," chamber manager Richard Cothrun said, "and has grown in such proportions that 30 exhibitors had to be turned away."

Up to 10,000 visitors are expected to view the paintings, leather crafts, ceramics, woodcarving, pottery, weaving, jewelry, patchwork quilts, sculpture and macrame, Cothrun said.

The displays will be open to the public, at an admission charge of fifty cents per person, regardless of age, from 1 to 10 p.m., Aug. 9; from 10 a.m. to 10 p.m., Aug. 10 and from 10 a.m. to 7 p.m., Aug. 11.

Concession stands will be in operation on the grounds.

Information and reservations are available through the Ruidoso Valley Chamber of Commerce, telephones: 257-7935 and by out-of-state WATS 800-545-7822.

The listing of exhibitors appears on page 2 of section C.

FLOOD INSURANCE OK'D FOR VILLAGE

The Village of Ruidoso has been accepted by HUD as eligible for flood insurance, under the National Flood Insurance Act of 1968 as amended. C. F. Brown, village inspector, has been advised by George K. Bernstein, Federal Insurance Administrator, effective July 26, 1974.

Under this act, flood insurance at subsidized premium rates will be available on structures in amounts up to $35,000 for single-family dwellings and up to $100,000 on multi-family and non-residential properties, and up to $10,000 per unit on residential contents and $100,000 on non-residential contents. After a rate study, Brown was notified, coverage up to double the above amounts will be available at actual rates for those who need it.

A major change is that all buildings located within the special flood hazard areas of a community participating in the program must be covered by flood insurance after March 1, 1974, in order to be eligible for any form of mortgage loan from a Federally-insured or supervised bank or savings and loan association, or from any Federal agency. After June 30, 1975, no such loans may be approved in communities that are not participating in the flood insurance program.

Details on flood insurance for Ruidoso residents may be obtained from the National Flood Insurers Association for this area: GNA Insurance, 1660 Lincoln St., Suite 18, Denver, Colo. 80203.

Rosa gives Ruidoso, track, big plug in Texas media

Al Rosa, Ruidoso Downs general manager, has just returned from the Dallas-Ft. Worth area where he spent three days meeting with members of the news media.

"We had 11 interviews scheduled during the three-day period, and the reception we received was just tremendous," Rosa said. "All of the newsmen we talked to had been to Ruidoso Downs, and had been impressed with the racing program and the mountain surroundings."

Included among the main points brought up by the interviewers were the forthcoming $1 million All-American Futurity and the $500,000 All-American Derby — the world's two richest races. Ruidoso's cool summer climate, as contrasted to the 100-degree-plus temperatures besieging Dallas - Ft. Worth, was another point which often came into the discussions.

Rosa was also frequently asked about Tiny's Gay, the current super-star who is threatening to become the first Triple Crown winner in quarter horse racing.

Rosa pointed out that both Dallas and Ft. Worth figure prominently in the track's 10 markets, and he referred to statistics compiled each race day via a license-plate survey of the parking lots.

The message of Ruidoso Downs racing and the tourist appeal of the area was carried to an im-

Rainbow Futurity Sunday highlight at Downs track

The Rainbow show will include a special feature entitled "How to watch a quarter horse race", with Don Essary, director of racing for the American Quarter Horse Association, taking part in the segment.

The telecast team will include Thad Sandstrom, All-American Network president, Jerry Holley and Ruidoso Downs announcer Bob Dudich will call the race and provide post-race analysis. The show will be aired from 4 to 5 p.m., local time.

Ed Smith named new fireman

Ed Smith was named Monday night as the fourth salaried member of the Ruidoso Volunteer Fire Department.

NINE MONTH FEASIBILITY STUDY UNDERWAY

Airport site selection to be made by January

The site for a new airport, to to be located within 15 miles of the existing facility at Ruidoso, will be announced about Jan. 1, 1975 by Herkenhoff-Parsons, engineers and planners for the Sierra Blanca Airport Development Committee.

Earl H. Cook, project manager, with Gordon Herkenhoff and Associates of Albuquerque, told The Ruidoso News July 29 that the "project was started July 22," that the site for the new airport, "must be selected by about January 1," and that the entire study, "must be completed in nine months," or in April of 1975.

The project is a joint venture contract between the Albuquerque firm and Ralph M. Parsons Co., Los Angeles, Calif., Cook said.

Steps to be taken to complete the study include:

—Forecasting future air traffic, including types of aircraft and volume, with emphasis on the potential traffic for 1980, '85 and '90.

—On the basis of these forecasts, determine the requirements for the airport.

—Site selection, function and cost feasibility study and an environmental impact statement.

—Determination of a financial plan to operate the facility.

—Develop an institutional arrangement through a study of the best administrative organization that the government subdivisions and agencies can use to acquire and operate the airport.

—Conducting an investigation of all available sites, develop a modular facility and, after weighing each site, make the

Capitan to pave streets

Approximately three and one-half miles of Capitan's streets will be blacktopped, at an estimated project cost of $35,000, with completion expected before Christmas, mayor Jay Johnston has announced.

"The Village of Capitan has entered into a cooperative agreement with the New Mexico Highway Department," Johnston told The Ruidoso News Tuesday, "whereby we're going to get our streets paved in the near future."

The cost will be shared, he said, "with the village preparing the streets and the state blacktopping them." The project will include provisions for drainage.

Warrior Booster Club slates picnic and work night

The Ruidoso Warrior Booster Club plans a picnic and work evening at the Ruidoso High School football field at 6:30 p.m., on Tuesday, Aug. 6. Members and interested parties are invited to bring a picnic supper, their working tools and attend the event to make preparations for the coming football season.

Much work remains to be done on the stands and concession stands for the season.

Those attending are asked to bring hammers, hoes, rakes, saws and paint brushes in an effort to get the job done.

Elam - Loomis wedding solemnized

Cindy Lee Elam and Sanford Jay Loomis were married in the First Baptist Church in Purdy, Mo., at 7:30 p.m. on June 8.

Miss Elam is the daughter of Monte E. Elam, of Purdy, and Mrs. Joe Turner, of Bakersfield, Calif. She is the granddaughter of Mr. and Mrs. Charlie Elam of Purdy. Mr. Loomis is the son of Mr. and Mrs. Virgil Loomis of Capitan.

Vows were exchanged before an altar decorated with a candelabra with pink bows. The lighting of the center candle by the bride and groom was part of the ceremony. The Rev. Jarvis Barrett officiated. Gene Limbar played the piano and accompanied Kerry McLeod who sang "Whither Thou Go", "Wedding Prayer" and "I Believe".

The bride, given in marriage by her father, wore a white lace gown with fitted bodice. The square neck was edged with lace ruffles. Unlined, tapered sleeves ended in lace ruffles at the wrist. The bouffaid skirt was of scalloped lace tiers swooping down in back to form a train. Her chapel length veil of illusion, cascading from a Juliet cap of lace and flowers accented with tiny pearls, was edged in lace. She wore a penny in her shoe and a single pearl on a silver chain borrowed from her sister who had worn it at her own wedding. She carried a cascade of white mums, baby's breath, and pink sweetheart roses with pink and white streamers of satin ribbon tied in lover's knots with sprigs of lily of the valley.

Matron of Honor was the bride's sister, Teresa Hobbs. Another sister, Anita Elam, and Rhea Schroeder were bridesmaids. They wore pink gowns with floor length princess skirts, high waisted bodices overlaid with pink lace, elevated neck lines and short sleeves edged in white lace and velvet ribbon. They carried single mums with bows and streamers.

Jimmy Elam, brother of the bride, and Alonzo Thomas were candlelighters.

Herbert Traylor of Roswell, was best man; while Gary Hobbs, the bride's brother-in-law, of Springfield, Mo., and Gary Cole of Purdy served as groom men. Stanley Thomas, and Herman Carter were ushers. Pamela Thomas and Cindy Singleton presided at the guest book.

The bride's grandmother wore a pink and white A-line floor length dress with pink jacket and corsage of pink and white mums. The groom's mother wore a white floor length A-line gown with long sleeved jacket and corsage of pink and white mums.

A reception was held in the fellowship hall of the church.

This couple visited points of interest in Oklahoma and Texas on their way to their new home in Clovis. Mrs. Loomis wore a three-piece pink and white pant suit and a corsage of pink sweetheart roses.

Mr. Loomis is stationed at Cannon AFB in Clovis where he is an Airman First Class with the Security Police. He is a 1972 graduate of Capitan High School. Mrs. Loomis is a 1974 graduate of Purdy High School.

Out-of-town guests included Mr. and Mrs. Virgil Loomis of Capitan, Mr. and Mrs. Herbert Traylor of Roswell, Mrs. Mary Jane Walker, Shannon and J. C. of Ruidoso, Kay Scrivner, Cindy and Scott of Ruidoso, Mr. and Mrs. Cary Hobbs of Springfield, Mo., Mr. and Mrs. Bob Able and Mr. and Mrs. Wes Fields of Monett and Kerry McLeod of Kansas City.

25 Years Ago

July 15, 1949

Monday night at the called meeting of the Ruidoso Chamber of Commerce, over thirty members were present to discuss further plans for the Ruidoso Frontier Days Celebration, August 5, 6, 7, and to vote on other important business of the organization.

In discussing rodeo plans it was decided to choose a queen to reign the three days of the celebration; and rules and regulations were set up by the Board of Directors of the Chamber of Commerce.

The annual New Mexico Liquor Dealers Convention will be held in Ruidoso, July 18, 19, 20 and Mr. Orland Bonaguide, owner of the "Buckaroo Cocktail Lounge" in Ruidoso, as general chairman, announces that plans have been completed for the largest convention to ever be held in the "Year 'round Playground of the Southwest", and it is hoped this will be the best convention yet.

Approximately 1,000 people are expected to attend, representing all retailers and wholesalers in the State of New Mexico and manufacturers from all over the United States.

Elaborate plans are being made for booths and displays by the various companies in connection with the convention.

15 YEARS AGO

Appearing before the State Highway Commission meeting this week in Santa Fe to request study of state help in building a road into White Mountain Park, were Mayor Jack Hull, Village Trustee Tom Hood, Rancher Charlie Fuller, of this area and Ray Izard, Roswell, representing Sierra Blanca Corp., of which Robert O. Anderson of Roswell is the head.

A crew of 25 Mescalero Red Hats were dispatched to the Lark Canyon brush fire in California last Saturday. Lineol White, Forest Service fire control aide from Ruidoso, accompanied the Apache fire fighters as liaison officer.

TV personalities Rex Allen, star of "Frontier Doctor," and Dale Robertson, "Wells Fargo" star were recent spectators of the horse races in Ruidoso Downs; also attending was Gov. Earl Long of Louisiana who was reported to have bet $9,980 on eight races and won $8,447.75.

Gregory Sago, Sr.

Gregory Sago, Sr. died in El Paso, Texas, July 29. He was 53.

Funeral services were held in the Assembly of God Church, in Mescalero, Wednesday, July 31, with the Rev. Lenny Pike officiating. There was a military service at the cemetery.

Mr. Sago was born October 8, 1920, in Mescalero. He was a heavy equipment operator in Mescalero. He served in the United States Army from August 1942 to October 1945, and was a member of the Assembly of God.

His wife preceded him in death. He is survived by four sons: Gregory, Jr., Vincent, Clyde and Eli; eight daughters, Martha Lee, Jacqualin and Hilda Sago, Mrs. Lucinda Treas, Mrs. Agatha Chee, Mrs. Mayetta Comanche, Mrs. Debra Sago and Myrna Kandeack; one brother, Edmond Sago; three sisters, Delphine Kinzhuma, Martha Shanda and Rhoda Blake, all of Mescalero.

Apologies to Houston

Mr. E. C. Gainey, of Houston, Texas, has called our attention to the fact that THE RUIDOSO NEWS and the Ruidoso Chamber of Commerce are showing on their maps the distance from Ruidoso to Houston, Texas as "920 miles". This is wrong. Houston is only 750 miles from Ruidoso — and we certainly don't want to be any farther away than we are.

This distance figure will be corrected as soon as a new supply of maps is printed — sooner, if we can find a way.

Ruidoso PD radio repeater stolen

Ruidoso PD detectives are investigating the theft of the $3,000 radio repeater from Alto Crest about midnight July 30, that was tied into the local law enforcement network.

The loss of the equipment, a PD spokesman said, "will not seriously affect communications as all of our channels are still operational."

HOOTEN/STAHL BROKER — Mike Larkey has been named Broker-Manager of the Ruidoso office of Hooten/Stahl, Inc., Realtors, who are the exclusive agents for Dale Robertson's Innsbrook Village. corded."

—The proposed site would "serve large areas with gravity flow."

Jones talked of the Association's connection with the site and water distribution and noted that the present "Eagle Creek flow is as low now as in 1971."

The council directed village engineer Jack Kannady to conduct a preliminary investigation of extending present facilities and to present preliminary cost estimates at the council's Aug. 8 meeting.

It is the intent of the council to bring the $5 million bond issue to a vote as soon as possible, with the target date tentatively set for early in October.

In other action the council:

—Rejected a request from Larry Minyard to lease or purchase the obsolete .5 million gallon water tank in Ponderosa Heights and instructed village attorney John Thompson to report on the "ramifications" of disposing of the tank, after investigating the possibilities.

—Moved the adoption of Ordinance No. 74-12 to annex 6.08 acres designated as "Third Addition to Airport Road" by White Mountain Development Co., after Wm. G. McCarty told the council that the company had "complied with all requirements of the Planning and Zoning Commission" for annexation. The property, "with all improvements except paved streets in", includes "S. 10 and a tract of S. 15, T 11 S, R 13 E, Lincoln County, contiguous to the Village of Ruidoso."

—Adopted a Joint Powers Agreement between the village and Lincoln County to maintain the Ruidoso Ambulance Service. Under the agreement the county will provide $12,000 annually for the service.

—Adopted a Joint Powers Agreement between the village and Lincoln County to accept $17,000 in county funds toward the cost of the Library-Senior Citizen's Center in Ruidoso.

—Denied a request from Ruidoso Ambulance Service to purchase "regular gas" from municipal pumps "when normal sources are not open." The refusal was based on the ambulance service being an "independent contractor".

—Instructed village manager Jim Hine to contact Clowe and Cowen, suppliers of new water meters, concerning the non-compliance of meters received to bid specifications. Further action was deferred until the August 8 meeting.

—Accepted a report from attorney Thompson that "hopefully, a draft of the Codification of Ordinances" will be completed by Aug. 8.

—Was advised the Library would be completed by Sept. 1, and that advertising for bids for furnishings and equipment will be made; and that the Library Board is considering applications for the position of librarian.

—Hine reported that $2,535.23 in Lodger's Tax was collected in June with 13 operators not having made payment as of July 25.

—Village engineer Kannady reported the village has 100 feet of right-of-way access at the Paradise Canyon-Sudderth Drive intersection and was instructed to look into the possibility to improve access.

— Police Chief Paul Lukens, Jr., said the survey of intersections in Ruidoso and contracting the New Mexico Highway Department concerning establishing no parking zones would be carried out after the end of the racing season.

— Named Mayor Davis as the voting delegate to the Municipal League Conference in Las Cruces in September, with trustee Atwood as alternate. Atty. Thompson will serve on the resolutions committee at the conference.

—Authorized payment of $86,415 to Eidson Metal Products of Albuquerque, tank contractors, for work accomplished on water storage installations to date. $2,000 was withheld, at the request of engineer Kannady, pending completion of "minor finishing, minor cleanup, adjustments on a pump and sterilization of two tanks."

SHE'S A COLONEL! —Charlotte Jarrat, director of the Lincoln County Senior Citizen Center, was honored by Governor Bruce King last week when she was officially made a "Colonel, Aide-de-Camp" on the staff of Gov. King. The presentation of the certificate was made by Ross McPherson, a member of the advisory committee for the center.

Inside the Capital

ALBUQUERQUE — Republican Joe Skeen called Democrat Jerry Apodaca "the man nobody can afford" in his keynote speech at the GOP state platform convention.

Lincoln County rancher Skeen and Sen. Apodaca of Las Cruces are opponents for governor in the general election Nov. 5.

Conservative Skeen pictured Sen. Apodaca as a free-spending liberal before the friendly audience. He said: "New Mexicans are not going to believe one man in a sweat suit has suddenly seen the light."

Skeen, an ex-senator, told New Mexico Republicans: "It's our party that still believes you can't solve every problem by shoveling money at it." He added: "Who wants to make New Mexico a legalized gambling state? It isn't our party and it isn't me."

He said: "We tell the people what we will do not to buy their vote." Sen. Apodaca has said he strongly opposes legalized gambling in New Mexico but would present race track parimutuel betting.

The Apodaca-Skeen race is rated close statewide at this stage. Apodaca has whacked Skeen's Senate record on education legislation repeatedly. He said Skeen opposed meeting educational needs adequately.

Our poll of GOP leaders at the Republican Convention showed strong support for Vice President Gerald Ford and California Gov. Ronald Reagan for the 1976 presidential nomination.

State Rep. John Bigbee, R-Guadalupe - DeBaca - Lincoln - Torrance, favors Reagan. Bigbee, 40, a rancher, faces ex-State Rep. Isidro Romero, Pastura, Guadalupe County, the Democratic nominee, in his bid for a fourth term. Romero was in the House in 1961-66.

Rep. Bigbee discounted the effect of Watergate on New Mexico GOP candidates' election prospects. He said: "The big issue is inflation. Inflation is just government overspending."

Union County GOP Chairman Loren Leighton, Clayton, predicted Skeen will carry Union County heavily in the general election. With Leighton at the GOP convention were Mrs. Ledene Sayre and Mrs. Celia Beauchamp of Clayton. Skeen will attend a GOP barbecue at Clayton Aug. 10.

The GOP state central committee nominated Capulin rancher John B. King in House District 68 (Colfax-Union). King replaced Springer Republican Mary Talle who withdrew from the general election ballot.

King opposes Raton Democratic incumbent Alvino Castillo. 35, an accountant. Castillo seeks a third House term. Republicans say they regard Rep. Castillo as vulnerable and rate King's prospects as good.

Clovis Herrera, Los Lunas Democrat, joined Skeen's GOP governor campaign staff. Herrera says he is Skeen coordinator for 10 Northern New Mexico counties.

Herrera was defeated June 5 in a 5-man field in the Valencia County Democratic primary for sheriff. He was a House member in 1961-66 and Valencia County assessor in 1969-72.

The State Republican Central Committee elected Mrs. Thomas L. Shipman, Pojoaque, Santa Fe County, as GOP national committeewoman. Active in the GOP 28 years, Mrs. Shipman defeated Miss Irene Senutovitch, Santa Fe, and Mrs. Aileen Thompson, Albuquerque.

Reportedly, Mrs. Shipman edged Miss Senutovitch by one vote. Mrs. Shipman won the key party post with a pledge to seek more party authority and recognition for county organizations.

Taos County GOP Chairman Rudy Pacheco supported Mrs. Shipman. Pacheco said: "She wants the county party organizations to be the focus of political activity."

Penasco businessman Pete Sahd, a Republican 40 years, said he might support ex-New York Gov. Nelson Rockefeller for the GOP presidential nomination again in 1976. Sahd backed Rockefeller in 1968.

Sahd says Watergate will not hurt Republican candidates' general election chances in New Mexico. He says: "Republicans think Democrats are railroading impeachment of President Nixon."

Republican House candidate Von Rue Crawford, Deming, presented the legislative retirement plank adopted in the GOP platform at the state convention. Crawford seeks to unseat Democratic Rep. William J. Upton, Deming, in District 32 (Hidalgo-Luna).

The plank calls for repeal of the retirement law which provides fat benefits for legislators with relatively small lawmaker contributions.

The GOP platform was confined to state issues. The convention adopted a resolution saying President Nixon is entitled to due process equal to that accorded any other citizen. The action asked the U. S. House Judiciary Committee and other members of Congress to "base their votes on facts rather than upon political consideration."

Henry Turner, 72, of Hillsboro, Sierra County, says Vice President Gerald Ford will be the 1976 GOP presidential candidate. A 100 per cent Nixon supporter, Turner says: "People don't like the way Watergate proceedings have been conducted."

He is a GOP state central committee member and a 12-year precinct chairman. Mrs. Talle was state GOP platform convention secretary.

State Rep. Hoyt Pattison, R-Curry - Lea - Roosevelt, was state convention chairman. Curry County GOP Chairman Howard Williamson headed a 10-member Curry delegation to the convention. All were Clovis residents.

State GOP Chairman Murray Ryan says California Gov. Ronald Reagan would be the Republican presidential nominee if a choice were made now. But Ryan adds: "If Vice President Gerald Ford becomes president, it will make a great difference."

Ryan is a House member representing Sierra County and part of Grant County. Ryan charged U. S. House Judiciary Committee impeachment hearings "show it's 100 per cent partisan."

The SILVER LINING

by DANIEL A. STORM

"So He commanded the clouds above,
And opened the doors of Heaven,
He rained down manna also upon them for to eat,
So man did eat angels' food,
For He sent them meat enough,
He caused the east-wind to blow under Heaven . . . "

—From the 78th Psalm of David.

All the green world is rejoicing in this life-giving nourishment rained down from the white clouds in the blue Heaven. The oak brush on high is leafing out; and on the holly-leaved Algerita bushes — which back in June were so full of sweet yellow blooms — are now full of berries, almost full size, turning red from the magic of rains.

How restful to the sight are the green mountain fields and the hillside meadows. There is a calm contentment in the gentle breeze.

The gardens, vineyards and orchards of Mother Nature are showing great promise. For the first time in years, I look out on the hillside, and see the bright little cones on the pinon trees. Then down by the riverside the wild grape and wild cherries are growing into their size. All through the fields, wild greens and herbs are springing up everywhere.

We All Feel Better

With the coming of the rains we all feel better. This is for many reasons. Deep within us is a sense of our dependence upon the rain for our food, our life. Even the person who lives in the deepest part of the great cities — one who has never been on a farm — he feels this kindred feeling of the farmer: rejoicing in the rain.

Here in our home community we all live close to the out of doors and this way all of us partake of the happiness over the rain. And there is a good unselfish feeling here. Although a person may not own an orchard, a pasture, a farm, a wood lot himself, still he rejoices in the good fortune of his neighbor. These kind thoughts make us feel great inside.

Beside all this the rain brings something into the air, the ground and the countryside that makes us feel wonderful, physically, mentally and spiritually.

Last week I came into the Hollywood Food Mart and told Mrs. Judy Jarvis that it was different-looking country down the way now after the rains. And Judy said,

"The people coming in, the store look different, too. They are happier, smiling and laughing, all on account of the rain."

A Vest Pocket Poem of July

Walking in July is such a treat!
The growing grass is springs beneath your feet.

"The Kid" Becomes A Ridge Runner

The littlest calf, now having worn out several names, and now called "The Kid", has become quite a ridge runner.

The other day on the ridge back of Storm Mountain, here came several of the calves single file coming toward the creek. The Kid was bringing up the rear. It was late in the evening and he began calling his mother. Then he had a decision to make: Would he find his mother or follow the bigger guys down the hill. His stomach made the decision, because he was getting hungry. So he sent his loudest bugle call out across the next canyon. I could hear no answer, but evidently he did; because he turned and went back up the ridge.

I figured he was confused, for I was sure his mother was on down the trail the way the rest kept going. So I went and caught up with him and tried to turn him around. Nothing doing: I followed him just to be sure, and soon he called again; there was a faint answer of his mother's voice. After a while we came to his mother, and after a few drinks of milk The Kid looked back at me much as to say,

"We learn something every day, don't we, Pard?"

Veteran riding ace Jerry Nicodemus moved in with seven wins over the weekend and gained the Jockey-of-the-Week title at Ruidoso Downs.

Nicodemus now holds a commanding lead in the seasonal standings with excellent marks of 52-43-27 from 236 mounts. His win percentage is 22.3.

Nicodemus' finest effort of the weekend came on Saturday as he guided Holy Stone to a brilliant come-from-behind victory. The gelding missed the track record for six furlongs by only a fifth of a second.

Gary Sumpter also turned in a fine weekend with six wins, four seconds and a third from 22 starts. His biggest score surfaced in Sunday's prestigious $53,856 World's Championship Classic aboard Miss Conclusion. The weekend work moved Sumpter from sixth to fifth in the standings.

In the trainer division, Charles Cascio checked in with four winners from 10 starts. He now holds a five-notch cushion over H. C. Werner. Carl Wooten, who holds down fourth place, saddled three winners, two seconds and a third with 14 starters.

Racing in the cool pines resumes on Thursday and extends through Sunday. Saturday's highpoint is the $5,000-added Jockey Club Stakes at seven furlongs. The program will also include the $46,263 Consolation of the rich Rainbow Futurity.

On Sunday, it's the grand finale of the $310,310 Rainbow Futurity — the second leg of the Triple Crown of quarter horse racing.

Action on Thursday, Friday and Saturday gets going at the usual 1:30 p.m. But on Sunday, the starting time will be 1 p.m. in deference to the regional telecast of the Rainbow Futurity. (The one-hour telecast will be carried in El Paso by Channel Four, starting at 4 p.m.)

HOT APRON STRING . .

The sauce is hot . . . the fire's hot . . . and the aprons are even hotter at Ruidoso's Texas Bar B-Q . . . and if you don't believe it, ask Frosty Lathan . . . or Steve Etter, who got a blistered hand being a good samaritan.

Happened Tuesday, evening. Frosty turned up the flame under a pot of beans. He turned his back on the stove. The air conditioner kicked in, blowing flames straight out onto Frosty's apron strings. The same immediately burst into flames. Frosty didn't notice. He's used to plenty of heat.

But Steve Etter . . . who was sampling the coffee . . . decided he didn't want Frosty Bar B Qued . . . so he grabbed the burning apron strings . . . which stuck to his left hand . . . and kept burning. Being as Steve couldn't let go anyhow . . . he jerked the apron off Frosty's back . . . saving Frosty's "back" and the building.

Steve? Well, he's at work . . . cooking Bar-B-Q . . . with a hand nearly as red as a West Virginia hickory smoked ham . . . almost as big . . . and wrapped much better. It'll be three weeks before his hand improves . . . and it could be much longer before he latches onto another burning apron.

Frosty? He isn't too shook. It's not his hand that's hurting.

Rosa . . .

(Continued from Page 1)

mense audience. Rosa was interviewed in prime-time sports-shows on WBAP-TV in Ft. Worth and WFAA-TV in Dallas, and on a noon talk show aired over KTVT-TV in Ft. Worth. According to media experts, the potential audience for the three shows is between 1 and 1.5 million viewers.

Tremendous exposure was also provided by full-length columns in the sports pages of the Dallas Times-Herald and the Ft. Worth Press, plus a feature story in the Sunday edition of the Ft. Worth Star-Telegram. The potential readership was estimated at 1 million. In addition, Rosa was also interviewed by the Dallas Times-Herald for feature material which will appear later in the season.

The main radio interview was provided by the Texas State Network, which feeds news and feature material to about 130 stations in Texas. The estimated network audience is 300,000.

Interviews were also carried by KRLD radio and WRR radio in Dallas and WBAP radio in Ft. Worth. The latter, with a 50,000-watt signal, is one of the country's most powerful stations.

Included among the newsmen Rosa met with during the tour were Randy Gallaway of the Dallas Morning News and Tony Slaughter of the Ft. Worth Star-Telegram. Coincidentally, both were getting ready to leave for annual trips to Ruidoso Downs.

Rosa was accompanied by Dick Alwan, the track's publicity director.

Getting under the bright lights of national publicity is pretty heady if you play the hero's role and happen to be in the business of gathering votes, as all politicians are.

More and more people are catching onto the fact that uncontrolled federal spending is the big fire under inflation. Heads may roll at the polls if Congress continues to lie down on the job of reforming its own spending habits and way of doing business.

Elizabeth Herrmann

Funeral services were held in the Mescalero Reformed Church July 25, 1974, for Elizabeth Hermann of Mescalero. The Rev. Rodger Briggink officiated.

Mrs. Hermann was born April 12, 1916, in Mescalero. Diagram of a drug abuser

These are a few of the signs that may indicate that a young person could be abusing drugs or using narcotics. While these symptoms are not proof of drug abuse (most could occur for several other reasons) they should serve to alert parents and friends that a problem may exist.

If you're not sure, talk with your family physician. If you suspect, ask your child point blank, "Are you taking drugs?"

It's a sad thing to have to ask someone you love, but saying "Goodbye" is even sadder still.

History is told of annual "Last Escape of Billy the Kid"

Guns Loaded and Horses Shod For "Last Escape of Billy The Kid"

After several good practices to sharpen up action, the cast of something like two hundred Lincoln County folks of all ages are ready for the twenty-fifth consecutive presentation of the historical Lincoln County Pageant, "The Last Escape of Billy The Kid" with Billy Shrecengost of Lincoln, coming out shooting, in his fourth year of playing the part of the world-famous young figure of early day Lincoln County.

The pageant was first presented as a part of "A Day in Old Lincoln" which was Lincoln County's contribution to New Mexico's Quadricentennial (four-hundredth birthday) in 1940.

Billy Shrecengost is the Last No Six, the others being Peter Hurd, Johnny Davis, Johanie Thomas, Tommy Taylor and Earl Taylor.

The 1940 pageant was held in the streets of Lincoln and as the show grew in popularity an out-door pageant grounds and stage was built and so arranged that horses and riders can come riding in and out.

The Lincoln pageant is realistic in that costumes and weapons are the period of the real Lincoln action; and many of the actors are descendants of the men who were prominent in the early day history of Lincoln County. It is the only Western historical pageant which is presided on the order set upon which the main action of actual history took place.

Director Mickey Thomas (Mrs. Johnny Thomas) has experienced considerable help in the history of Lincoln.

Co-director Johnny Thomas, Boys Tunstall, Jr., only five years old, plays the part of Tunstall, Jr.; Leo O'Folliard in 1949, the year the show was revived after World War II, and has played the part of Billy the Kid seventeen times.

Leo Joiner is one of the survivors of the 1940 pageant. Leo has played the part of Old Man Goss for several years, as well as many other parts in the show. Barney Aldaz, of Lincoln, is also a veteran of many years in the pageant.

Voices Add Realism To The Pageant

The story of the show — which goes through the main turning points in the Lincoln County War, the central figure of which was Billy the Kid — is carried by the narrator, Dave Parks, for several years a faithful worker in the show.

Bill Shrecengost, also a veteran and stand-by in the show, takes the voice of Billy the Kid, played by his oldest son.

Paul Grady adds realism to the performance as the voice of Buck Shot Roberts, Ollinger and others.

Betty Shrecengost portrays the voices of Mrs. McSween, Juanita Mills and other women actors in the performance.

Edward Penfield, native of the town of Lincoln, is convincing as he portrays the voice of Governor Wallace, Tunstall and others.

Through the years, these folks who play the voices of the actors have added many new authentic colorful touches to the show.

"All roads lead to Lincoln" this weekend. So come on over and join in the fun and help honor the pioneers of the West as we turn the clock back nearly a hundred years.

Airport . . .

final determination and recommendation to the committee.

—Once the site is selected, to develop a functional cost feasibility study.

—Comply with all FAA regulations and study designs; hold required hearings, make submittals at the proper times and follow all other FAA procedures.

—Acquire the land and begin the first stage of development.

Cook noted that Herkenhoff-Parsons will develop the new airport in "several stages", adding, "we just can't go in and start building an airport, just like that . . . we have procedures we must follow."

The study, or project, is being sponsored by Ruidoso, Ruidoso Downs, Capitan, Lincoln County and the Mescalero Apache Tribe.

The web of complication and disruption tangles swiftly when government starts to manipulate the marketplace.

EVER SEE A LION SMILE? — That's what Noon Lions Club president Austin Pritchett was doing Saturday night at the race track's safes arena, as he manned the cash register at the club's barbecue . . . which was a "warmer-upper" for the big barbecue effort by the club during the All-American Horse Sale at the arena Aug. 29 through Sept. 1.

Mescalero Happenings

By JO KAZHE

Mr. and Mrs. Art Blazer and Mrs. Jeanene Hamilton and children recently went on a mini-vacation to northern New Mexico and Colorado. While in Colorado they also visited with Mrs. Blazer's nieces.

Mrs. Helen Klinekole, Mrs. Carol Carrillo and Mr. Willy Magdosh III were in Wind Rock, Arizona, for a training session.

Mrs. Dorcie Kazhe was a recent visitor to Phoenix, Tucson and Scottsdale, Arizona. She visited with her sisters, Mrs. Rose Garcia and Mrs. Vern McCall.

Mr. and Mrs. Darrell Kazhe and family recently camped out in Deleke, New Mexico and enjoyed the sights.

I passed by the Baptist Mission recently and could hardly believe the completion, at least on the outside. I'll try to get a picture for news printing soon, as I'm sure a lot of people will be interested in seeing such a change from a chicken coop to this beautiful new church. Congratulations on a job well done, Rev. Huse and helpers!

Mr. and Mrs. Paul Brusuelas have returned from their vacation in Spain. They went with 400 persons on a tour sponsored by the University of New Mexico. They left Albuquerque and flew to Malaga, on the Mediterranean, then traveled by auto to the northern coast of Spain. A few of the towns toured were Granada, Madrid and Toledo.

An exciting visit with Mrs. Brusuelas' uncle, two aunts and a number of cousins of the Province of Asturias proved to be an adventure. The uncle's enterprises are four milk cows and his own vegetable garden. There are two 5 course meals per day, plus the in-between coffee breaks, etc. He raises cabbages, and Carmen tells me that he picks only the leaves from the cabbage for a particular meal and leaves the main part of the cabbage growing for more leaves — never has to replant. Another most interesting item is that the grass is left to grow tall, then is harvested and baled, as hay is done here, for the animals.

The Brusuelas spent two nights in an old castle that had been renovated into a first class hotel. I'm told there are quite a number of castles that have been turned into Aparadors (which means a stopping place). Carmen relates that the food is superb and the service is terrific in these Aparadors.

Present plans for the Joe Skeen day are for Tuesday, Aug. 20, starting with a breakfast at Nob Hill at 6:30 and ending with a dinner at the Silver Dollar in Tinnie.

Smokey Bear bill en route to House

In a Tuesday morning phone call to The Ruidoso News, Cong. Harold Runnels' office reported that the U. S. House of Representatives Agriculture Committee had just approved his resolution "expressing the sense of Congress that Smokey Bear may be returned to Capitan, upon his death, for the establishment of a permanent memorial." The bill will now be sent to the floor of the House.

Forest Service officials have announced that regional authorities will meet with Capitan officials soon, to discuss preliminary plans for the memorial.

Following hearings before the Forest Subcommittee earlier this month several technical changes were made in the bill, which was reported out with a do-pass recommendation.

Final House action on the bill is expected in about two weeks, after which it will have to be approved by the U. S. Senate. Runnels said Sen. Joseph Montoya has "agreed to push the bill in the Senate proceedings."

The bill was originally introduced by Runnels in March of this year.

Evans named chairman of RD planning, zoning

The Ruidoso Downs Village Planning and Zoning Commission held its organizational meeting July 29 at the village hall and elected officers for the commission. Those elected were: chairman, Rick Evans; vice chairman, Gary Virden; and secretary Rick Gardner.

Rick Evans and Jay Posey will serve for a one year term on the commission and Gary Virden, Rick Gardner and Sonny Candelaria will serve for two years.

The commission discussed HUD sponsored flood insurance but tabled a recommendation pending further study.

RPD officers grab burglars 'in the act'

Ruidoso PD officers Saturday night arrested two men, claiming to be from Lubbock, Tex., in the Wendell Johnson residence at Highway 70 and Squaw Trail.

Patrolman Wayne Simonton was on stake-out inside the Johnson home and when Thad John Buster and Wally Luke Anderson entered the home, Simonton radioed Patrolman Ira "Jack" Jones and Sgt. James Nesmith and the arrest was made.

The two suspects were arraigned before Judge Austin Pritchett in Magistrate's Court in Ruidoso and were released on $5,000 bond, each, pending a preliminary hearing on the charges August 5.

In other Magistrate's Court action, Judge Pritchett:

— Set trial for Orba W. Clayborn on a disorderly conduct charge for August 5. Clayborn was fined $100 on a disorderly conduct and false representation charge June 29, with a ten day jail sentence being suspended until Oct. 1, 1974, pending good behavior and participation in the Alcoholic Anonymous program.

Clayborn was sentenced to 10 days, in Lincoln County Jail at Carrizozo Tuesday morning by Judge Pritchett, for violation of the terms of his previous sentence.

— Fined Ramone Pena Sierra of Ruidoso Downs on a shoplifting charge, occurring at Gibson's Saturday. Ruidoso PD patrolmen Wm. Young and Toney Mustachia, with Sgt. Michael L. Simon recovered the pair of boots at Ruidoso Downs race track and arrested Sierra.

SURPRISING THE WORLD — Miss Conclusion (the gray, far left) steamed over a sloshy track and grabbed an upset nose victory in the $53,076 World's Championship Quarter Horse Classic at Ruidoso Downs. Gary Sumpter was up for Clyde Bailey of Oxford, Fla. The favorite, Chicory Moon (at left center, with blazed face) finished second by a whisker after taking the lead at the mid-way point of the 440-yd. run. Mr. Hay Bug, center, (jockey in striped silks), a major luminary in the quarter horse world, was severely kicked early in the race and pulled up lame in a tie for fourth place.

FACES AT THE FEED the Noon Lions sponsored at the Ruidoso Downs sales arena Saturday night before the Summer Sale of horses started show that the young at heart can concentrate on their eating . . . grin at a photographer and wonder why his picture is being taken . . or pay close attention to remarks they find amusing.

SOCIAL SECURITY

"In U. S. District Court in San Antonio Tuesday, two persons convicted of violation of the Social Security Act were fined and sentenced to jail," Mrs. Christine Graves, social security field representative, stated. "Juanita Morales Tamez of San Antonio, who earlier pled guilty to one count of false representation, received the maximum sentence of one year confinement and $1,000 fine. Winifred O. Kerr, also of San Antonio, who pled guilty to four counts of false representation, received the maximum sentence of two concurrent terms and a $4,000 fine.

"Ms. Tamez, who was formerly associated with a funeral home, was indicted for taking money from a prospective Social Security claimant on the false promise that she could assure him of receiving benefits. Kerr, a former accountant, was indicted for failure to report the death of his wife, and for cashing $4,727 in benefits in her name after her death.

"In handing down the maximum sentences, District Judge D. W. Suttle noted that Ms. Tamez had victimized poor and uneducated people who could least afford their losses, while Kerr was a well educated and successful man who knew he had no right to the checks he cashed," Mrs. Graves concluded.

The American profit system offers many opportunities.
Failure, for one.

You've heard it. "In America, you can go as far as your ability and ambition will take you." However, they don't say in what direction.

Opportunity has its ups and downs.

That is the way it should be. It is the possibility of failure that makes success smell so sweet.

It is the consumer who really benefits from this fragrance. Because in most cases, it is he who represents the opportunity. It is only by catering to his whims, satisfying his needs, meeting his price and winning him over that a business in the free enterprise system can be successful.

And, this offers a great opportunity for the consumer.

IT'S YOUR MONEY . . .

the federal government has granted $138,000,000 for treatment of alcoholics ($38 million over what was asked for) and $9 500 is included in the same budget for what is known in the cloakrooms as the "Booze Fund".

Real Estate

BE CAUTIOUS WITH DEEDS

Probably the deed to your property is filed away, all but forgotten. Probably you've never checked it since the day it served to pass title from the previous owner to you. Perhaps you didn't even check it then. There may have been no urgent reason to. Nevertheless, an apparently secure deed can turn out to be a worthless piece of paper.

For instance, suppose the deed states the name of the seller, but doesn't contain his signature? Suppose the seller was under 21? Suppose the seller died before you received the deed? Suppose there's an error in the way the deed describes the property?

Any of these defects — as well as many others — could make your deed invalid. But defective deeds are the exception, not the rule, so don't be frightened. Just be cautious. And the best way to be cautious is to deal with a reputable real estate professional and a knowledgeable real estate lawyer.

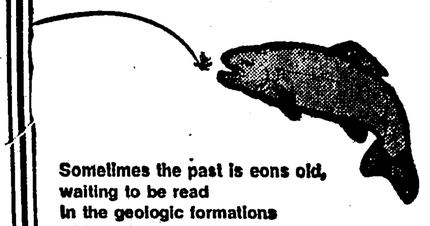
The People of Chino Care About Tourism

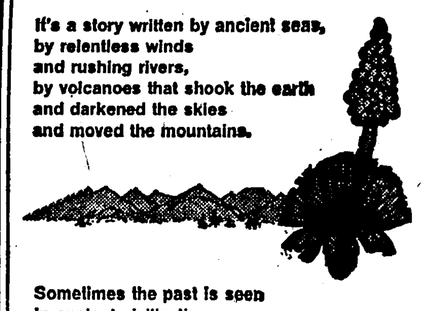
To visit New Mexico is to visit
another world,
another time,
another way of life.

Just behind Albuquerque's white skyscrapers,
just down the next mountain road,
just beyond the horizon,
the past still lives in New Mexico.



Sometimes the past is eons old,
waiting to be read
in the geologic formations
of towering mountains,
in stark, time-carved mesas,
in deep,
fantastic caverns.

It's a story written by ancient seas,
by relentless winds
and rushing rivers,
by volcanoes that shook the earth
and darkened the skies
and moved the mountains.

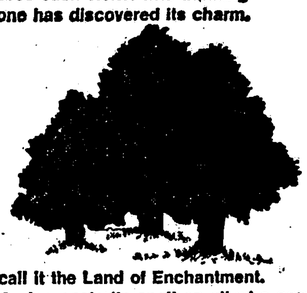


Sometimes the past is seen
in ancient civilizations,
where men of long ago
built cities,
tamed rivers and planted fields
—and then mysteriously disappeared.

And sometimes
the past is more recent
—seen in pueblo ceremonial dances,
on bullet-scarred walls,
and in the traces left by wagons moving west.

Or it is heard in the liquid Spanish spoken
by the descendants of the conquistadors,
in the thunder of the hooves of a sea of cattle
and in the unimaginable sound
of an atomic explosion at Trinity Site.

Always, the past is unresolved
—history still living,
still being written in this mysterious land
that lures each visitor into thinking
he alone has discovered its charm.



They call it the Land of Enchantment.
New Mexico casts its spell on all who come.
They come expecting a desert
—and they find mountains.
They come expecting tinsel—they find reality.
They come expecting the usual
—they find the unusual.

The foregoing is reprinted with permission of the Tourist Division of the New Mexico Department of Development.

The people of Chino feel that tourism, like a basic industry such as copper, contributes to the overall economic well-being of all residents of the State of New Mexico.

In Passing..

By AL LANE

Growing pains are striking Ruidoso again with requests already made for more traffic control, water problems, sewer problems, parking problems and all those other little things that crop up when a rapid influx of new residents takes place. Count your blessings that we are faced with these problems because they are an accurate indicator of our growth and popularity. Many sections of the country are now having a drastic drop in construction and are facing much more serious problems with lack of growth. I feel confident that we can meet our problems and gain much ...

Bones Wright at C & L Lumber has had his work area at the yard blacktopped and it sure looks nice. He is one of the many who has enlarged and improved their business places this year ... Most Ruidoso residents are actually using the parking lot at the rear of the Ruidoso Post Office. It really relieves the congestion around the office just before noon and the new, larger facility should meet our needs for a fairly long time ...

Sad to hear that some parts of West Texas and the Panhandle have not had enough rain to plant crops this year. After a red letter year last year, too bad that they will not make much in the way of crops and livestock this year. Rains have been very spotty with lots of hail and strong, hot winds. Those farmers and ranchers in Texas are resilient though and will make it just great ... One Texan told me that he thought they were having a thaw down there now. I guess so, with the temperature in the 100's ...

We sure hate to lose Mildred and Bernie Baur. They will be moving to El Paso soon and our loss will be their gain. The Ruidoso Warrior Booster Club will sure be a different place with them gone ...

Emphasis on trouble and crisis seems to be a built-in feature of the news-gathering business. How can it be any other way when most people pay much more attention to scandal or disaster than a story about how something worked out right for a change? No getting around it — bad news sells and good news doesn't, which is a shameful reflection on the people of the U. S.

Fr. Santillanes assists with ordination

Fr. Flavio Santillanes, pastor of St. Eleanor Parish in Ruidoso and St. Jude Parish in San Patricio is one of five priests who are natives of San Miguel Parish in Socorro, New Mexico and served as one of the official chaplains to Archbishop Robert F. Sanchez, presiding him for consecration at the recently held Ordination of Archbishop Sanchez as Archbishop of Santa Fe.

Also assisting with the ordination was Father Patrick Lopez, who, as a young assistant, served the Carrizozo Parish.

Those from Ruidoso attending the Ordination last week end were Lyndi Samuelson, and Mr. and Mrs. Wayne Wantiez.

Tom Jones named to Lincoln Draft Board

Tom W. Jones, Jr., Ruidoso, was presented a Certificate of Appointment from the President of the United States, at the July meeting of Lincoln County Local Board No. 14, naming him a member of the local board.

At the same time, Coy Duff May, Carrizozo, received a 15-year pin in recognition of the years he has served on the Lincoln County Selective Service board and was also presented a Certificate of Appreciation signed by the President, Gov. Bruce King, John P. Jolly, State Director, and Byron V. Pepitone, National Director of the Selective Service System. The presentations were made by Fructoso J. Osorio, Local Board chairman.

Other local board members are John A. Hightower, Ancho, and Albert Salcido, Hondo.

Mr. Osorio reminds all 18 year old men they are still required to register although there are no longer any draft calls. Registrars are located in all high schools in Lincoln County and in the Courthouse, Carrizozo. Young men may also register by mail at the Post Office in Hondo, Ruidoso Downs and Hollywood.

Frozen prices and controlled markets never produced anything but scarcity of goods and services and a lot of excuses from politicians. In retrospect, the two-year experience with on-again, off-again federal price controls and freezes turned out to be the greatest of all possible lessons in the beauties of more reliance on the free competitive marketplace.

Those who have not experienced success or comfort do not question the merit of achieving them. That's why most of the world's people are working so hard to get what the people of the United States already have and take for granted.

MRS. B—

By CECELIA BARRON

Well, I am late again with my article. I have been incommunicado, so to speak and I had to hurry to finish every thing I had started, before leaving California for my dear, beautiful mountains. It is good to see everything greening up from the recent rains. I grieved about my garden burning up during the hot dry days; but it is as fresh as ever and I have had lettuce, radishes and turnip greens since I came back. Even though I had abundant vegetables in California, it is a real treat to gather them from my own little garden.

As I said, I had to finish some sewing I was doing for my granddaughters. I made several lovely dresses and slacks; also some overalls for the youngest. These are nice with blouses, shirts or sweaters; even without, as a sunback play suit. They were made of bright printed sail cloth.

My grandson, Coy, age ten, came back with me. It was his first time on a plane; but he flew like a real pro. He took notice of every little thing; although he could hardly believe we were approximately as high as 33,000 feet and traveling 600 miles per hour.

You know, this is a small world we live in. We never go any where that we do not meet someone who has lived where we have or known some one we know. I suppose this is why the saying originated: 'A dog never goes so far that his tail does not follow'.

I met Mrs. Rose Bybee, 84 years young, who lives in Auburn, Calif.; but is originally from Dallas, Texas. She grew up there and knew where I lived and worked when just a youngster. We had a nice chat about old times. Both of us watched many parades, when the boys came home from overseas, from WW I; but did not know each other existed.

Then I visited with Mrs. Melba Fisher, of Sacramento, Calif., whose husband—now deceased—was with the radio station of Carlsbad, in the old days. She said they had visited our village many times. Perhaps some old timers here remember them.

Also, a gentleman from San Francisco, Calif. sat next to me on the plane, who was on his way to Lubbock, Texas. So you see, California is made up of folks like us, just as our town is the 'melting pot' of this part of the country. And when you hear one say they do not like the people of a certain place, they may be speaking of our next door neighbors. Therefore, it is well to be friendly and kind to all peoples of the world; but of all whom I come in contact with it is best when I get home to hear the voices, and see my old friends.

It is good to see 'Ain't It the Truth' back again. We have missed it. Mr. Gunter's 'home spun' humor has 'more truth than poetry'.

We have been wondering ourselves, if they might send Kissinger down in these parts to settle the Indian affairs. He is having quite a time managing the world. Just as soon as he gets one thing settled — he thinks — trouble springs up in another place. And how come the president was not sent up for nine months, for not paying his income tax, as the elderly lady was, in Sacramento, Calif.? Our descendants will read in the history books where the bad-bad king sent widows to prison for not paying their taxes; and if we do not change direction we will end up where we are going'. But I guess I had better not get started on this as my blood pressure is high enough. So I will say adieu for now. Profanity is the use of strong words by weak people.

—Mrs. B.

Who makes house calls anymore?

"Why bother?", some people ask. In an age when the house call has almost disappeared from American life, why do we bother to make them? The answer is simple. More people depend on the telephone today for more things than ever before. We simply can't afford to let it break down. That's why if your telephone ever does break down, no matter what the reason, we'll come fix it free. We know what a serious inconvenience an out-of-service telephone can be, and that's why we bother. Because it matters, to us and to you.

Ruidoso students make NMSU dean's list

More than 1,700 students have been named to the spring semester deans' lists for the 1973-74 academic year at New Mexico State University.

To be named to the dean's list of one of NMSU's five undergraduate colleges, a student must have earned at least a 3.2 ("B plus") gradepoint average of a possible 4.0 while carrying a minimum of 12 hours for a grade.

A breakdown by colleges within the university shows 279 students named in the College of Agriculture and Home Economics, 641 in the College of Arts and Sciences, 239 in the College of Business Administration and Economics, 338 in the College of Education, and 222 in the College of Engineering.

During the spring semester more than 9,000 students were enrolled on the university's main campus. An additional 2,000 students registered at NMSU's four branch campuses.

Following are area students named to the deans' lists for the spring semester. Students who earned perfect "A" averages are indicated by four point.

PUBLIC RELATIONS DIRECTOR of Ruidoso Downs race track, Bill Thomas, poured through the listings of horses going on the auction block Saturday evening at the sales arena just before the bidding was opened. Speaks well for Bill's powers of concentration, as, from the expressions and actions going on around him . . . something interesting must have been happening in front, beside and behind him. STUPH & JUNK . . . by

Cale Dickey

Un-facts . . .

Fourth Estate practitioners are bound by codes of ethics:

1. A reporter's duty is to report facts in news stories.
2. Editorial writers aren't necessarily bound by facts.
3. Columnists can say what they think.

Now . . . in my case . . . and I haven't written any editorials of late . . . I try to subscribe to the tenet of reporting fundamental truths in (1) . . . and writing anything I can get past the blue pencil publisher Al Lane uses on my copy in instance (3).

Which brings me to a couple of for-instances under (1) . . . one of which appeared on page 1 last week . . . one of which did not. And I think it behooves me to clarify these instances.

Seems Miss Lisa Boyer will be a "Sun Duchess" at El Paso's Sun Carnival Dec. 23 - Jan. 1, upcoming. So happens I said she was to be a Sun Princess . . . and that just ain't so . . . 'even if that's the way it was told to me. So . . . I goofed — and I hope it didn't cause Lisa no inconveniences . . . and stuph. And that's what happens when a reporter don't know what's going on. Which takes care of the first for instance . . . I think.

Now's for instance two . . . I didn't know that the Ruidoso Sun Duchess automatically is Aspencade Queen . . . and I didn't think to ask anyone . . . 'cause if'n I don't know something, I don't think much on it. And if'n I ain't filled in, ain't much I can do . . . 'ceptin' to hope that what I didn't know didn't cause Lisa no problems nohow.

Reminds me of the first time I started reporting for a daily newspaper up north . . . and my first day on the job I handled an obituary on a local lady . . . using the facts provided by the funeral home . . . which I dutifully reported. About 10 that night the bereaved husband called me . . . and spent the next 30 minutes delivering a dissertation on his opinion of from whence my ancestors had sprung . . . all because I hadn't included certain facts about his late, soul mate that "any reporter worth his salt would have included". I immediately vowed that henceforth I would immediately check into all possible facts when writing news stories.

And, after last week, well . . . so much for those vows.

You see . . . when I'm not told the facts . . . well . . . it's kinda hard for me to know them . . . and being as how boss Al'd frown on fabrications . . . well . . . I just kinda go with what's tossed my way . . . and stuph.

Anyhow . . . Lisa will Sun Duchess up a storm in El Paso . . . which is merely what I think . . . and come Aspencade time, she'll cavort . . . reign . . . preside over . . . or whatever it is the Aspencade Queen does . . . if'n she's "queen" . . . anyhow . . . I know for a fact that she'll have a place of honor during Aspencade.

And that should about clear up last week's malfeasances on my part. I think.

Which doesn't mean it won't happen again. And THAT'S a fact.

Lion's feed . . .

A pride of lions, I hear tell, eat pretty well . . . if'n there's food they can sink a tooth into . . . which has nothing to do with the pride the Ruidoso Noon Lions should feel over the manner in which they whomped up them victuals they dished up and out at the horse sale Saturday evening. I hear tell Wattie Watkins was chief whomper-upper . . . now whoever told me didn't tell me Wattie did all the actual whompin' — uppin' . . . but this old boy did allow as how Wattie'd had his fork in the beef . . . his spoon in the beans . . . and his hand on the seasonin'. And them vittels was more'n a mere mite tasty . . . and all them Lions as had a hand in the fixin' and servin' . . . well, now, they done themselves right proud . . . and stuph. And I hear this deal was only a prelude to the big four-day horse sale leadin' into Labor Day . . . and that all them Lions'll be bent over pots and pans all four days . . . which should sure increase local backlinement sales considerable like.

BRIEF BIT: Nixon's biggest problem could be he has no recourse to a change of venue . . . —CD.

It may be a blessing in disguise that none of us has the power to see ourselves as others see us. Downs purses hiked again

Another purse increase — the fourth of the season so far — was put into effect last Thursday at Ruidoso Downs.

According to General Manager Al Rosa, a main feature of the new hike is the lifting of the minimum purse to $1,800.

The latest purse boost will cover the eight-day period extending through Aug. 11. The total amount to be disbursed during this period, not counting stakes, is $194,200. This is an increase of $11,400 over the previous eight-day period.

The new condition book will offer allowance purses as high as $3,200, and several in the $2,700-$3,000 range. The average daily purse distribution in the new condition book is now $24,275, which is a whopping increase of $6,642 over the daily offering at the start of the season.

The average purse, at the start of the season, was $1,556. The current figure is $2,134, an increase of $578. Also included in the latest condition book is a total of $31,000 in added money.

The purse hikes are following on the heels of the biggest mutuel surge in Ruidoso's 27-year history. The daily betting average is now straddling the $280,000 range, as compared to about $245,000 at the same time last year. Average betting per race is up to $23,000, a hike of better than 18 percent over the comparable figure last year.
