Aspencade was beautiful

Aspencade was beautiful . . . if the aspens didn't cooperate in carrying out the parade theme "Autumn Gold Rush".

Some unforeseen difficulties plagued the Ruidoso Valley Chamber of Commerce's parade plans . . . but there was a parade . . . colorful, too.

The Chamber . . . with the Chuck Wagon Gang of Odessa, Tex. led out the victuals . . . fed 1198 people. The Chamber'd guaranteed 1200 . . . so everybody, including the eaters, must have been happy.

Fr. Eugene Dolan Council No. 6597 Knights of Columbus, of Ruidoso, gave . . . because she was the winner . . . a live calf to Dorothy Triedwasser, a cyclist from Sioux Falls, S. D. Faced with the problem of what to do with a live calf . . . and no way to haul it 1,000 or more miles . . . Ms. Triedwasser, in an impromptu auction . . . or something . . . exchanged the calf for \$450 folding money . . . and Cathy Dean of Ruidoso has a goodly supply of beef.

BPO Elks Lodge 2086 of Ruidoso presented Cathy Guthrie of Ruidoso Downs with a bolo tie and Allen Luallin of Ruidoso with a turquoise bracelet. Funds from this event will be used by the Elks for their Christmas party for underprivileged children. The Ruidoso Does, in a benefit to install a large stained glass window in the Ruidoso Chapel Valley General Hospital's chapel, gave Tom Holbert of Ruidoso a pair of warrior Kachina dolls and a tepee containing a \$50 bill. The prizes were donated by Bennett's Indian Shop of Ruidoso. The window fund now stands at \$360 with

\$695 required. The Does will sponsor some rummage sales and other activities . . . and they are receptive to donations towards this project.

Til Thompson told The Ruidoso News that about 1100 motorcycle riders registered for the Aspencade rally . . . and that the compliments far exceeded the gripes . . . and Til had his problems.

Among unregistered cyclists were those wheeling choppers . . . and camping under the pines and autumn skies. And it must be noted that there wasn't one . . . that's right, not one . . . complaint against the chopper riders on the Ruidoso PD leg. In addition, Ruidoso residents, living close by their camping ground, told The News Monday that they'd cleaned the area so thoroughly that there was no evidence anyone had spent a few days and nights there.

On the dark side . . . there were no cycle races . . . Keith McCartney's daredevil act met misfortune, but his burns were 1st and 2nd degree and he told The News Tuesday that he doesn't believe he'll bear permanent scars. There were some "discussions" but no on was injured and no police action was taken.

And now flip through the pages of this issue and see what caught the fancy of The News' photographers . . . and . . . if the picture you expected to see isn't in print . . . it's because it wasn't taken . . . or Al Lane or Gale Dickey goofed . . . or there wasn't anyplace to cram another picture into . . . but on this you'll have to agree . . . there's a picture or three of Aspencade weekend for you to ogle.

FOUR "QUEENS" ROPE REGALLY in the Aspencade parade, including Faya Kaydah-zinne, Miss Mesclero-Apache III; Renee Cooper; Miss Indian New Mexico; both of Mesclero.

Patricia Shafer fined Tuesday on driving counts

Patricia H. Shafer, 48, of Carlsbad, driver of a car that struck and killed 13-year-old Bradley Phillips of Lubbock, Tex., near Mt. Vue Theatre Aug. 7 of this year, appeared Tuesday before Magistrate Bill Payne in Carrizozo and was found guilty and fined \$100 and costs on each of two charges of DWI and reckless driving in connection with the incident.

A third charge, homicide by vehicle, was taken under advisement by Magistrate Payne who announced in court that he would pass judgment on this charge Friday, Oct. 4.

ASPENCAD QUEEN Lisa Boyer; also a Sun Duchess in the El Paso Sun Carnival later this fall . . .

Woman, 18, dies in auto accident

An 18 year old Hobbs woman was killed, a second Hobbs woman was treated and released from the Ruidoso-Hondo Valley Hospital, and the driver, Mike McKown, 24, of Lovington, was critically injured in a Sunday one-car rollover occurring about 7:45 p.m., at the junction of Hwy. 37 and 380, the Nogal cut-off, eight miles east of Carrizozo.

Tina M. Foltz, 18, was dead at the scene, according to investigating officers Sgt. Jack Johnson, New Mexico State Police of Capitan and Dale Housley, NMSP of Carrizozo.

Mary Whitney was the third passenger, who was treated and

released.

McKown, listed in serious condition at the Ruidoso hospital Tuesday morning, suffering from a partially collapsed left lung and possible concussion, was transferred to William Beaumont Hospital of El Paso, Tuesday afternoon.

According to investigating officers, the car, traveling at a high rate of speed, failed to observe the stop sign at the junction, skidded about 500 feet, crossed Hwy. 380 and overturned two and one half times.

All, according to reports, were students at UNM, Albuquerque, and were enroute to Albuquerque, from Aspencade, at the time of the accident.

Silman, Leach given probation

District Court Judge George Zimmerman Wednesday afternoon in Carrizozo, the Lincoln County Sheriff's office told The Ruidoso News, sentenced:

Michael Leach, on a guilty plea to a burglary charge, to one to five years in the NM State Penitentiary. Sentence was suspended and Leach has returned to California under one year's probation.

Peter Silman of Ruidoso, on a guilty plea to possession of over eight ounces of marijuana, to one to five years in the NM State Penitentiary. Sentence was suspended and Silman was placed on one year's probation.

The two men were arrested by Ruidoso PD personnel, Leach the night of Sept. 20 following the burglary of the Ruidoso Texaco station; Silman in a police raid on his residence Sept. 20.

NEW MEXICO LIONS BANK AIDS THE BLIND

Eye donor forms at News

"Some blind person sees because someone remembered . . ." begins an appeal by the New Mexico Lions Eye Bank of Albuquerque, to have people donate their eyes to this program.

Judge Austin Pritchett, president of the Ruidoso Noon Lions, has provided The Ruidoso News office with a supply of registration cards and literature describing in detail, how a person may become an eye donor.

Eyes are used for corneal transplants and for partial corneal grafts, and the jelly-like liquid comprising the bulk of the eye can be used in detachment of the retina cases.

There is no disfigurement, following removal of the eyes. Even diseased eyes are of value, as they are used in the

study of eye diseases. The donor, or his family, receives no money and the eyes are furnished free to patients needing them.

needing them. "Give a living gift, so that others might see . . ." the advisory pamphlet concludes.

Airport to open this Saturday

The Ruidoso Municipal Airport will reopen to traffic Saturday morning, if the runways have cured past the sticky stage, manager Frank Potter said Wednesday, "and I think it's safe to say we'll be open then."

Final striping and numbering, in white, is scheduled Oct. 28, with the airport being closed that day only, Potter said. All runways, ramps and parking areas have been blacktopped, Potter said.

Ruidoso map finished

The Ruidoso Village Council, Sept. 26, officially adopted the Planning and Zoning Commission's map of the village, the fruits of five years' labor, establishing a street naming and residential/business numbering system. The map will be on display in the council chambers in Village hall until sometime after the Oct. 8 special General Obligation water bond election and residents are encouraged to check the map and obtain their street address. The designations on the map are by block and lot number, i.e., house number 113, Clover Drive, situated on lot 14, block 4. No action was taken on implementing the installation of street name markers or the numbering system delineated on the map. Other matters brought before the council included: Ted Bennett's inquiry as to the possible use of Dempsey dumpsters for solid waste receptacles. Village manager Jim Hine will contact Lincoln County on this matter. Bill Stringer requested per-

Old Timers Club reunion — Sept. 27

Thirty-two members of the Old Timers' Club gathered at the American Legion Hall, Friday night, Sept. 27. There was lots of good food and a good time was had by all. The only regret was that there weren't more there. Prizes were given for the Oldest Couple from Pauline, Mr. and Mrs. R. K. Knox, The Oldest Couple from Elsie Gaylor, Mr. and Mrs. Homer Allison, Oldest Child with the Oldest Children — Mrs. and Mr. Allison, from the Elsie Gaylor, from Elsie Gaylor, Texas. Earl Allison was re-elected President and Sally Christian was elected Treasurer. Allison called on Jim Hipe to discuss the water situation in Ruidoso. They guest speaker, Tom Mann, of Roswell, gave a very interesting and informative talk on the water situation and the serious need for storage. The meeting closed with the hope that there will be a larger number of people at the meeting next year.

Woman's Club meeting October 9 There will be the usual covered dish luncheon and card games at the Woman's Club, Friday, Oct. 9, at 12:30 p.m. All interested women are invited to attend. Visitors, September 23, were: Mrs. Ann Workman, Elva Smith and Helen Irving. The regular monthly meeting will be held Wednesday, Oct. 9. There will be a talk on bi-centennial activities of federated clubs, by Gladys Knox. Also, Ernest Galton, well-known lecturer, will speak on Indian artifacts.

Retired federal employees meet Oct. 9 The Lincoln County Chapter of The National Association of Retired Federal Employees, (NARFE), will meet Wednesday, October 9, at 2:00 p.m. in the Cherokee Mobile Village Club House. All retired federal employees and their spouses are invited to attend and are eligible for membership. For information call A. C. Abbott, 257-2556, or Merrell Peet, 257-7602. **Bertha Oldham now in Brownfield, Texas** Friends of Mrs. Bertha Oldham, a long-time Ruidoso resident, may be interested in knowing that she is now in McDonnell Nursing Center, 1101 E. Lake St., Brownfield, Texas, 79316. She would be happy to hear from them. **Christian Church continues Flea Market Saturday, October 5** The Flea Market-Bazaar-Rummage Sale at the First Christian Church last Saturday, was very successful. However, since they still have some good and interesting things, and the building fund can use the money, they have decided to have another sale, Saturday, Oct. 5, from 9:00 to 5:00. Among the things being offered are a stereo, TV and carpet, as well as good school clothes for children. Don't forget to use the back door. The front one is slightly cluttered. **Republican Women to meet in Capitan** The Lincoln County Republican Women will have their regular monthly meeting, with a dutch treat luncheon, Tuesday, Oct. 8, at El Paisano Cafe in Capitan. All candidates are invited to talk; and a question and answer session will be held. The women would remind everyone to be sure to register to vote. Time is short (Monday, the 7th, is the last day). Every voter is needed as a two party system is necessary to make our nation truly a democracy. The next Republican precinct meeting will be in Carrizozo at the Fire Department, Tuesday, the 15th at 7:00 p.m. All Republican women are urged to attend both meetings.

Odd Fellows and Rebekahs numbering 238 to two hundred from Roswell, Hobbs, Calhoun, Clovis, Alamogordo, Deming and Carrizozo were in Ruidoso Saturday night, Sept. 24, guests for the institution of those groups here. Grand Master, Marion Alexander of Clovis was here to institute the Odd Fellows and Mrs. Frances Wright of Clovis, acting as assembly president program, to institute the Rebekahs. One of the outstanding events of the organization in Ruidoso was the discovery of three generations of one family in the Rebekah group. Mrs. Mollie Brady, mother and grand-daughter, Mrs. Dorothy Partell, daughter and mother, and Mrs. Dea Perry, daughter and grand-daughter, all of Green Tree, were initiated. After the closing of the Rebekah meeting a joint meeting was held with the Odd Fellows for the purpose of installing new officers. Refreshments of coffee and doughnuts were served and complimentary speeches of appreciation and encouragement were made.

Mrs. and Mr. George Bonal of Taos Court entertained the Ruidoso Square Dance Club with a Mexican dinner at Fowler's Lodge Ranch Saturday evening. After dinner, guests spent the evening square dancing.

Episcopal Church prayer group at Cooper home Mrs. John Cooper hosted the Episcopal Church Prayer Group in her home in Palo Verde, Thursday, Sept. 26. A delicious dinner was served buffet style. The following members and guests were present: Mrs. Bernice Lytle, El Paso; Mrs. Ruth Longabaugh, Mrs. George Luck, Mr. Ronald Garner, Mr. and Mrs. Bill McKinney, Barbara J. Spalding, Mrs. Bill Shoemaker, Era Jackson, Mrs. Jim (Toole) Littlefield, Auel R. Prescott, Mrs. Truman Sweeney, Jr., Mrs. Gerald Tully, and Mrs. Kathryn Meriwether.

EDGERTON, MINN., ENTERPRISE: "Politicians have often been accused of being long-winded. This thought came frequently to my mind as I glanced over a 63-page report on the problems of welfare programs, compiled by a man who was leaving his department. For all of its wordiness, the simple fact still remains: It's a poor system that gives people more money for doing nothing than they could earn for doing something!"

Airport study to be aired here

A preliminary study, in connection with the Sierra Blanca Air Port Development Committee project to build an airport to serve the Ruidoso area, will be aired at the Chaparral Motor Hotel at 9:30 a.m., Oct. 11.

George Murray of Tularosa, chairman of the Southeast NM Economic Development Committee, announced the meeting at the monthly SCMRA business session at the Chaparral Wednesday.

Attending the meeting will be Bob White of the State Aviation Commission and officials of other departments concerned with the proposed airport site. This study is Stage One of the overall plan to develop the airport and will cover preliminary planning only.

Prize winning recipe
oatmeal cookies

Following is the recipe with which Julie Sykes, of Albuquerque, won top honors in the Junior Baking Competitions at the 1974 New Mexico State Fair. These cookies won first place in their category. Best Cookies in the Show, and Best of the Entire Baking Show.

Oatmeal Cookies
1 c. Crisco.
1 c. brown sugar.
1 c. white sugar.
Cream well. Add 2 eggs and 1 tsp. vanilla — stir until well blended.
Sift together: 1 1/2 c. flour, 1 tsp. soda, 1 tsp. cinnamon, 1/2 tsp. salt.
Add to the creamed mixture, mix well. Add 2 1/2 c. Old Fashioned Oats. Grind together 1/2 c. raisins and 1/3 c. pecans. Add to cookie dough and stir until well mixed.
To have cookies uniform in size weigh dough on dietetic scale using 1 1/2 oz. per cookie.
Bake on ungreased cookie sheet at 375 degrees for 10 to 12 minutes.

Old Fellows and Rebekahs numbering close to two hundred from Roswell, Hobbs, Carlisbad, Clovis, Alamogordo, Deming and Carrizozo were in Ruidoso Saturday night, Sept. 24, as guests for the institution of these groups here.

Grand Master, Marion Alexander of Clovis was here to institute the Old Fellows and Mrs. Frances Wright of Clovis, acting as assembly president, to institute the Rebekahs.

One of the outstanding events of the organization in Ruidoso was the discovery of three generations of one family in the Rebekah group. Mrs. Mollie Ledy, mother and grand-daughter, Mrs. Dorothy Parrish, daughter and mother, and Mrs. Don Perry, daughter and grand-daughter, all of Green Tree, were initiated.

After the closing of the Rebekah meeting a joint meeting was held with the Old Fellows for the purpose of installing new officers.

Refreshments of coffee and doughnuts were served and complimentary speeches of appreciation and encouragement were made.

Mrs. and Mrs. George Bonal of El Paso County entertained the El Paso Square Dance Club with a Mexican dinner at Fowler's Lodge Ranch Saturday evening. After dinner, guests spent the evening square dancing.

Old Timers Club
reunion — Sept. 27

Thirty-two members enjoyed the Old Timers' annual reunion at the American Legion Hall, Friday night, Sept. 27. There was lots of good food and a good time was had by all. The only regret was that there weren't more there.

Prizes were given for The Grossest Couple from Roswell, Mr. and Mrs. R. K. Mann. The Oldest Couple from Alamogordo — Mr. and Mrs. Homer Allison. Oldest Couple with the Most Children — Mr. and Mrs. Earl Allison. From the El Paso District — Mrs. Elsie Caylor was from Uvalde, Texas.

Earl Allison was re-elected President, and Sallis Christian was elected Treasurer.

Allison called on Jim Hines to discuss the water situation in Ruidoso. Then, guest speaker, Tom Mann, of Roswell, gave a very interesting and informative talk on the water situation and the serious need for storage.

The meeting closed with the hope that there will be a larger number of people at the meeting next year.

Woman's Club
meeting October 9

There will be the usual coffee and card luncheon and card game at the Woman's Club, Monday, Oct. 9, at 12:00 p.m. All interested women are invited to attend.

Visitors, September 29, were: Mrs. Ann Workman, Elva Smith and Helen Irving.

The regular monthly meeting will be held Wednesday, Oct. 9. There will be a talk on bi-centennial activities of federated clubs, by Gladys Knox. Also, Ernest Gaston, well known lecturer, will speak on Indian artifacts.

Christian Church
continues Flea Market
Saturday, October 5

The Flea Market-Bazaar-Rummage Sale at the First Christian Church last Saturday, was very successful. However, since they still have some good and interesting things, and the building fund can use the money, they have decided to have another sale, Saturday, Oct. 5, from 9:00 to 5:00.

Among the things being offered are a stereo, TV and carpet, as well as good school clothes for children.

Don't forget to use the back door, the front one is slightly cluttered.

Republican Women
to meet in Capitan

The Lincoln County Republican Women will have their regular monthly meeting, with a dutch treat luncheon, Tuesday, Oct. 8, at El Paisano Cafe in Capitan.

All candidates are invited to talk, and a question and answer session will be held.

The women would remind everyone to be sure to register to vote. Time is short (Monday, the 7th, is the last day). Every voter is needed as a two party system is necessary to make our nation a democracy.

The next Republican precinct meeting will be in Carrizozo at the Fire Department, Tuesday, the 15th, at 7:00 p.m.

All Republican women are urged to attend both meetings.

Edgerton, Minn., Enterprise: "Politicians have often been accused of being long-winded. This thought came frequently to my mind as I glanced over a 63-page report on the problems of welfare programs, compiled by a man who was leaving his department. For all of its wordiness, the simple fact still remains: It's a poor system that gives people more money for doing nothing than they could earn for doing something!"

Airport study to be aired here

A preliminary study, in connection with the Sierra Blanca Air Port Development Committee project to build an airport to serve the Ruidoso area, will be aired at the Chaparral Motor Hotel at 8:30 a.m., Oct. 11.

George Murray of Tularosa, chairman of the Southeast NM Economic Development Committee, announced the meeting at the monthly SCMR business session at the Chaparral Wednesday.

Attending the meeting will be Bob White of the State Aviation Commission and officials of other departments concerned with the proposed airport site. This study is Stage One of the overall plan to develop the airport and will cover preliminary planning only.

Seniors will order their graduation announcements Oct. 16, at 8:30 a.m. in the library. There will be a \$5.00 deposit at the time of ordering.

Autry Brothers, Inc., will be handling the announcements. At the end of last year the seniors chose this style of announcements.

Class rings will be ordered from the Juniors Wednesday, Oct. 9, at 10:00 a.m. A \$15 deposit will be required at the time of ordering and the rest will be paid when the rings arrive.

This year the Juniors will order individuals and can order the style they prefer.

Class rings will be sold every Friday during lunch by members of the P.H.A. Balloons will be sold on Friday, October 11, for \$1.00 each.

The P.H.A. meeting will be held on Saturday, October 12, at the Ruidoso High School. The meeting will host various activities for this year's district.

The machine will soon be in the entrance of the high school. The student council has been notified last week. The machine will be taken care of by the school money.

At the fourth, eighth or ninth grade level who needs help with their school work is invited to come into the Learning Center (Room 2) anytime from 8:00 a.m. to 5:00 p.m. in the main building school.

At the 10:00 a.m. Mrs. Susan H. and Mrs. Peggy Holly will be in the school to help the students.

It should be understood that the school is not the place to do your homework done that you can't understand, but a place to get help as a chance where you can learn.

The school library in September. The new library Studio were visited by seniors last week. Seniors are to send their books in this week and should have finished copies by the end of November.

The school will be made later in the year.

The Ruidoso Club held an Entertainment Friday night to support the team. After the game the band and cheerleaders were entertained.

The cheerleading team traveled to the 1974-75 State where they met the Demos. Dexter won the game 22-14. The two cheerleaders were Grover LeWelle and 8 points and Charlene with 0.

The seventh and eighth graders have a game here Saturday. The game is against the Capitan team.

National Honor Society sold their books at the Aspenade.

Talent Show tryouts set for October 7

Tryouts for the 1974-75 Jr. Talent Show will be October 7, at 7:00 p.m. in the high school gym and everyone interested is invited to participate.

The Talent Show will be October 17, at 8:00 p.m. Advance tickets will be \$1.50 for adults and \$1.00 for students. At the door the price will be \$2.00 for adults and \$1.50 for students and children 6 and under will be admitted free.

The Junior Talent Show is presented to raise money for the Jr. Sr. prom.

OEA members attend regional conference

The Ruidoso High School Warrior Band placed second in their class at the Eastern New Mexico State Fair Parade in Roswell and first in the local Aspenade Parade.

The band will perform a program and half time show at the game against Lubbock Christian here on the Warrior field.

The Junior High Band placed first in their class at the local Aspenade.

The OEA Club attended the Regional Conference at Mayfield High in Las Cruces Tuesday. Those attending were Peggy Arnett, Donna Dutton, Zoe Ann Shaw, Anita Klein, Suzi Fannin and Miss Jean Spurlock.

The Hagerman OEA officers are going to install the Ruidoso OEA officers and new members Thursday, October 10 in the school library.

The CTBS and SFTAA help show the student's achievement level. The school can evaluate his achievement on an individual basis and evaluate the Junior High program.

When the results come in, parents of students taking the tests will be notified.

Senior objectives are selected

An Objective Rating Committee met last week to determine what Seniors need to know to graduate.

A committee was composed of administrators, teachers, and students. A representative of the State Department of Education was here to assist with the objectives and answer questions.

There were five to eight necessities chosen from five groups. These groups include math, science, social studies, communicative skills and career education.

The Seniors will be tested on these things later on during the school year.

Statewide testing for eighth graders

Early this week eighth grade students at Ruidoso High School took the California Test of Basic Skills. They also took the Short Form Test of Academic Aptitude.

The CTBS and SFTAA help show the student's achievement level. The school can evaluate his achievement on an individual basis and evaluate the Junior High program.

Halloween Court to be chosen Friday

Halloween candidates are to be chosen this week during class meetings. During the month of October all fund raising projects will be held. The profits from these fund raising projects go to the Junior Class to help them with the expenses of the Junior-Senior Prom.

All candidates will be chosen before Friday, October 4, at 3:00 p.m.

All projects must be held between Oct. 8 and Oct. 29. Each penny raised counts as one vote for the class. Mr. Hansen must approve a class project for the purpose of helping a class elect its candidate.

Each class will retain 10% of the money except the winning class who will keep 15% of its earnings. The junior class will receive the remainder of all money to help with the Junior-Senior Banquet and Prom.

mission for the Ruidoso school to reserve the Schoolhouse Park tennis courts from 4-5 p. m., Monday-Friday. Action was tabled pending an investigation of the courts at the school and on the resurfacing there in which village funds were used.

Wm. Young requested a \$500 monthly increase in village funds to a total of \$1,000, to offset operational expenses of the Ruidoso Ambulance Service. The service is also currently receiving \$1,000 a month from Lincoln County and action was tabled until the Oct. 10 meeting of the council with Hine to contact the county relative to the Joint Powers Agreement.

C. Richard Cothrun notified the council that a bill from Sanders Advertising Agency of El Paso, in the amount of \$6,100, was due and payable and was ordered paid from funds collected through the Lodger's Tax.

County Commissioner W. A. Hart advised the council that the county is straightening and widening to 50-ft. Gavilan road in anticipating heavier traffic on Meander Drive. The council will ask the NM Highway Department to make a study of the ingress and egress route on Hwy. 70 off Gavilan road as offered in February of 1973.

Hart, in noting that the county will open a gravel pit near the Gavilan area, said that the county will cooperate with the village on road improvements.

A bill of \$15,311 for 480 water meters from Clowe and Co. was ordered paid after water department head Arvel Nash said the meters, ordered this summer, met the specifications in the notice for bids.

In the application of The Tax as Club, at Innsbrook Village for a liquor license, the council announced that a hearing would be held within 90 days from July 29, 1974.

WATTIE WATKINS is shown above being congratulated for his barbecue dinner for the Aspendace Motorcycle Rally by Roy Jorgensen, New Jersey Health Inspector, Asbury Park, N. J. last Friday night. Jorgensen won the trophy for coming the farthest, 2,200 miles, at the rally. Watkins noted that this was the finest group of people that he had served in his thirty years of serving the public. (Pd. Farm Bureau slates October 9 meeting

New Mexico gubernatorial hopefuls Jerry Apodaca, Democrat, and Joe Skeen, Republican, will be among twelve candidates slated to appear before approximately 200 farmers, ranchers and media representatives at the New Mexico Farm and Livestock Bureau's state "Measure the Candidate" meeting in Albuquerque, at the Airport Marina, noon, October 9.

Candidates for the office of U. S. Representative, District I, Robert Mondragon, Democrat, and incumbent Manuel Lujan, Jr., Republican; and District II, incumbent Harold Runnels, Democrat, and Don Trubey, Republican, will also be on hand to field questions from the state's farmers and ranchers.

Also expected are Lt. Governor, Democrat, and Virgil Rhodes, Republican; State Corpora-

Letter to Editor

Our State Highway Department responded to the request for a crosswalk in the vicinity of the Ruidoso State Bank. They put giant band-aids from in front of the bank to the Plaza Shopping Center parking lot — which might keep bandages from being needed by pedestrians in the future. Actually, those strips are fluorescent tape, which not only will show up at night, but will last longer and are cheaper to install than paint.

Our thanks to Mr. Smith, Traffic Engineer for our district, for getting this done.

Sincerely,

With mounting economic and environmental pressures confronting the state's farmers, ranchers and consumers, attendees are expected to become well informed about candidates' philosophies concerning issues of concern regardless of party affiliation.

ALTO LAKE, SOLE SOURCE of raw water storage for the village of Ruidoso at present, varies from bone dry during the drought of 1971, to brim full, following recent rains, after the 1974 drought that reduced the volume of untreated water in the reservoir to about one week's supply. It is to forestall the near disaster of 1971, that the village council brought the matter of providing a 1,100 million gallon raw water storage reservoir before the people, to be voted on October 8. What price amnesty?

We were surprised and disappointed to hear the president's announcement of the amnesty grant to not only draft evaders but for those who had deserted the armed forces and had been living in foreign countries to circumvent the laws of our nation. There are many who disagree with laws passed by our representatives in Washington but abide by them. Why should not this group either abide by the law of the land or pay the price for breaking the law?

What will happen in this country gets into an all out war and a large portion of the draftees decide to violate the law? Perhaps, after we were conquered, they might find that they had made a mistake. If the people of this country feel that the law is not right, they should make an effort to get it changed — but, for heaven's sake, let's see that the laws we have are obeyed.

It cannot be right for one man to disobey the law and suffer no personal danger and for another, who disliked the draft just as much, to go and be wounded or killed. Both men had an obligation and only one fulfilled his obligation and was penalized for doing his duty.

The men who avoided the draft or deserted fully realized the penalty for what they were doing and there is no reason for them to be given special privileges now. If they cannot be depended upon — we don't need them!

NAKED UNDER LEATHER

BEDECKED, POLISHED AND ELEGANTLY FURNISHED motorcycles, behind a police escort, kicked off the Aspencade parade Saturday. This advance group was followed by hundreds of cycles, taking about 30 minutes to pass any given point. Note sidecar raised from the backtop, as the driver added a bit of spectator interest to the otherwise orderly procession. (Ruidoso News Photo)

STUPH & JUNK... by Cale Dickey

Good on you, Keith... Keith McCartney, daredevil and professional motorcycle stunt rider, is the latest recipient of S&J's Dirty Sox Award (for good guys only)... 'cause he was just donatin' his time Saturday afternoon... instead of collectin' his usual \$1,000 plus expenses... when he barely escaped serious injury in attempting... for the 11th time... to demolish a burning building with his motorcycle sidecar. Keith figures it this way... small town cycle rallies have attracted, as he put it, "a rowdy element" which has caused God-fearing law-abiding citizens to look somewhat askance down their skyward pointed noses at cyclists in general. Keith's attitude could well have cost him his life... and he attempted this trick for the 11th time, "to help Til Thompson put on a bigger and better Aspencade cycle rally next year." And he donated his services because, "It was worth it."

What happened Sat., was, he couldn't get up sufficient speed in the parking lot gravel... by a measly five m. p. h. ... to gain the momentum to crash through the burning house. He got through the first wall... his speed had slowed dangerously... he hit the throttle... zleeh! The engine had died. Keith crouched as his cycle hit the far wall... with agonizing slowness, as the flames inside the gas fed fire set his clothing afire, the far wall gave way. He stuck with his cycle until there was a big enough opening for him to bail off... and he hit the dirt rolling.

As of today, Keith's still in the Ruidoso hospital... with second degree burns on his legs, arms and back... first degree burns on his face... and looking forward to getting back into the saddle... to continue stunt riding and promoting side car events... but no more burning buildings... no jumping his cycle-side car off ramps into burning buildings... but he'll come up with a new bag of tricks to thrill the thrill-seekers at cycle rallies... and that's about as dedicated as you can get.

And, Keith, thanks for letting us know the stuff a real man is made of.

Votin' time...
 Tuesday... Tuesday next... Tuesday, Oct. 8, that is... is votin' time for all qualified, properly registered, and all that jazz, members of the electorate to tie themselves to the polls at village hall... and express their opinion to the village council, that they may have guidance from the mandate to result, as to their thinking on the proposal the village dads have tossed into the voters' laps to provide Ruidoso with a stable water supply.

If'n you have to read the paragraph above twice... don't let it bother you... just go to the polls Oct. 8... there'll be two levers... one pointing to NO... the other to YES... select one... pull the handle... and by jinkies, you'll be actively participating in this water bond issue... in the only way possible.

And remember... it don't matter none to those voting machines how many of you go into the booth and flip a lever and pull the handle.

On inflation...
 Some of those guys representin' us in Washington, D. C., sure think funny. Some of 'em are thinkin' they can curb spendin' by hikin' the tax on bang-juice for your jalop 10 or 20 cents a gallon. And, by jinkies, they'd be right... 'cause there's just whole herds

Job openings

The NM State Employment Service, adjacent to the Hollywood Post Office, announces the following openings:

Employers may list job openings, temporary or full time, by phoning 378-4699.

of workers, who gotta drive to their jobs, that couldn't afford to buy gas... which means they'd have to give up their jobs... and that'd taken 'em off the payroll... and without funds, it'd for sure cut down, if not entirely eliminate, their spendin'.

And there's this factor... prices on everything... even toothpicks... but not ONE brand of aluminum foil... have sorta been takin' care of reckless spendin' pretty much. It just doesn't look like, from where I sit with biased opinion, that takin' the poor and middle range taxpayers onto the relief rolls is the sensible approach to solving the problems plaguing us from inflation.

BRIEF BIT: Come the November election maybe all the incumbents will be ousted... and, if so, could a new crop of electees worsen the situation? — CD

Eagles Skin Tigers

The Vaughn Eagles were flying high and mighty Friday night. They swooped down on the Tigers and flew off with a 22-0 victory. It was a long and rough night for the Tigers of Capitan in more ways than one. While watching the game, it looked as if the Tigers were being pushed all over the field. But once again the defense gave up two touchdowns. The third touchdown was scored by the Vaughn defense against the Tiger offense. The Tigers committed five turnovers in the game, three of which led directly to Vaughn touchdowns.

It has been said that a good team makes their own breaks and then takes advantage of them. Maybe that's the way it was Friday night. Perhaps Vaughn is better than anyone wants to give them credit for. With the exception of two players, they are the same team that won the state co-championship last year.

The first quarter was scoreless. The game was started by Vaughn kicking to Capitan. Capitan couldn't make a first down so Frankie Montoya punted the ball.

Vaughn soon found themselves in a punting situation also. It looked like it was going to be defense and punting as the ball changed hands four more times in the first quarter — all on punts.

But a mistake started the Tiger downfall. The ball was fumbled by Capitan in their own end of the field. Vaughn recovered the fumble at the Capitan 35 yard line.

It took the Eagles eight plays to get into the end zone for their first six points of the night. The conversion attempt was good for another 2-points and Vaughn led, 8-0.

For the remainder of the second quarter neither team seemed to want to keep possession of the ball. On Capitan's first possession after the Vaughn TD, Tiger quarterback, Kenny Cummins threw an interception that was run back to the Tiger 29 yard line. An offside penalty, providing a running play and it was second down and 14 yards.

Vaughn attempted two passes, John Lucero with 9. Two Tigers down, John Taylor and John Lucero managed to sack the Vaughn passer for a loss. The defense won that battle and the Capitan offense took over. However, they kept possession for only one play, as this time Mon-

toya threw a pass that was intercepted by Vaughn.

Then it was two plays later that Mike Renfro intercepted a Vaughn pass for Capitan at the 9yd. line — with just 4 seconds left in the half. The half came to a close with the score still 8-0.

The second half opened with Capitan kicking to Vaughn. The Eagles went right down the field. The wind was blowing so hard at this time, it seemed to give the Eagles their wings. But finally the defense plus some infractions of the rules against Vaughn forced them to punt.

Capitan took over at the 18 yard line. Three plays later, on a fumble in the Tiger backfield, the ball was bouncing around behind the line of scrimmage. A Vaughn Eagle scooped up the ball and went untouched into the end zone. The 2-point conversion was once again good and Vaughn led, 16-0.

The Tigers were mounting their own drive downfield but once again the offense coughed up the ball on another fumble.

Vaughn wasted no time in scoring their third touchdown. The point after attempt was stopped but for the second week in a row a last minute substitution was made. Capitan was caught with 12 men on the field and Vaughn had another chance. This time a motion penalty against Vaughn saved another 2 points by Vaughn.

The Tigers were successful in moving downfield after the kickoff. But disaster struck again. An incomplete pass, a fumbled snap, and it was fourth down just inside the 20 yard line. Fourth down brought another incomplete pass and that was the end of any Capitan threat.

This drive that ended on about the 19 yard line was the closest that Capitan came to crossing the goal line.

Capitan did not get a first down in the first quarter. They managed three in the second quarter. For the second half they were able to add 7, for a total of 10. Three of the ten came as a result of a penalty against Vaughn.

Once again it was Mike Renfro, the senior halfback, providing most of the offense. He rushed for 112 yards. The leading tackler in this game was John Lucero with 9. Two Tigers had 8. They were Wayne Ware and Ricky Phillips.

All of the Tiger players saw some action on defense during the game. Those not starting, but playing some, were Joe Zimora, Matt Larson, David High-

tower, Bert Greenogost, Robbie Richardson and Loyd Harpen.

At the beginning of the season, Coach Ricky Lykins stated he was wanting the team to reach their peak for the district games. That time is approaching. There are two games before the first district game.

The game this week finds Capitan going against Tatam. Tatam will be a good ball club. They will probably have quite a few seniors on their team so they have experience going for them. Tatam lost to a team from Texas; beat Melrose 24-0 and lost to a good Class AA Dexter team, 6-34.

Everyone go to see the Tigers play in Tatam. This is a difficult time for the team. Let's pull together and not play tug-of-war. We're all on the same team. Go get 'em, Tigers!

Homecoming, 1974

Homecoming for Capitan will be Oct. 11. Special activities begin during that week at school when the Homecoming nominees and the Queen will be chosen. Then, on Thursday night, Oct. 10, there will be the bonfire, pep rally and the burning of the "C." Friday will be the big football game against the Melrose Buffaloes. Pre-game activities will get underway at 7:00 p.m. with the crowning of the Queen for 1974. Game time is 7:30 p.m. The Homecoming Dance will get underway at approximately 10 p.m. There will be a band on hand to furnish live music for the dancing.

Homecoming activities are under the supervision of the Student Council. Ricky Phillips serves as the Student Body President with Principal Franklin McKay as Faculty Sponsor.

All Capitan Exes make your plans to renew old friendships and attend the Homecoming Activities.

Girls' Volleyball

The Tigerettes of Capitan traveled to Hondo on Monday, Sept. 30 to engage the girls' volleyball team from Hondo in a scrimmage. The Tigerettes were once again victorious in a scrimmage.

The Tigerettes will be competing in the Round Robin Volleyball Tournament this Saturday morning at 10 a.m. in Capitan. Teams from Capitan, Carrizozo, Cloudcroft and Ruidoso will be participating.

Correction: Last week it was reported that the second round robin tournament would be Oct. 12 in Ruidoso. That date has been changed to Oct. 19.

Come out and see the girls in action.

Playground Safety

The playgrounds at grade schools are an unending source of excitement and challenge for youngsters. An imaginative child can "touch the sky" in a swing, "fly like Tarzan" from bar-to-bar on the playground climbing equipment and build the "biggest snowball in the whole world."

But, he can also fall out of a swing, drop from the climbing equipment and get hit with the biggest snowball in the whole world.

Playground accidents occur frequently, and while few are life threatening, many result in a broken bone, an injured eye, or a concussion.

Of all the types of accidents, running is involved in most of them. Two youngsters may run into each other, one youngster may be running and suddenly fall, or a child may run into a pole, or a door that was unexpectedly opened.

The second most numerous cause of accidents involves bars.

Bars, such as "Jungle Gyms," or "Monkey Bars," are found in all varieties of climbing equipment on playgrounds. Youngsters should be discouraged from slipping, crowding, pushing, and pulling while using bars.

Pushing, tripping, and slipping because of crowded playgrounds also rank high in the causes of accidents. Scuffing, a term used to include rough housing, horse play, wrestling and fighting, is a major accident factor in some schools while it is almost unknown in others.

More playground accidents involve sixth graders than any other age group, and fewest involve kindergartners. Many of these accidents result in fractures.

New Mexico's playgrounds usually have some adult supervision, but playground safety begins in the home. The following rules should be taught to grade school children by their parents:

— Teach children the golden rule. If a child does not want to be hit with a rock, he should be taught not to hit others. If he wants others to share the swing with him, he must share with them. The playground is a good place for children to learn dignity and respect for others. As part of the golden rule, tattling should be discouraged. Tattling may temporarily get the teacher's attention, but it also makes enemies.

— Children should listen to the playground supervisor. If he says not to jump out of swings, climb trees, or throw things, it is for the child's safety.

— Remind children to slow down. Remember, running is involved in most accidents.

— Tell your youngsters to walk their bikes in parking lots and playgrounds. It is too easy for them to get hit by a car backing out, or for them to hit smaller children who may run into their path.

— Teach children not to leave the playground unless it is to go home or unless you have given them permission to go elsewhere. Especially warn them not to leave the playground to talk to strangers in cars or to get into the car of a stranger.

— If at all possible, do not let children remain on the play-

ground more than 20 minutes before or after school.

— Show them where to cross the street. Many schools now have adult and student "crossing guards." Teach your youngsters to respect these guards and cross where the guards tell them. Younger children will usually cooperate happily with the guards, but older children may be more daring and need to be reminded.

No matter what you or the schools do, there are going to be playground accidents. But, if a child has a working knowledge of the ground rules, many accidents can be eliminated. Encourage your children to enjoy their playground periods but also encourage safety habits.

NORTH TOWN, RUIDOSO ACROSS FROM THE WILD SNAIL

NEW MEXICO HIGHWAY employees were putting down pedestrian crossing strips last week, at the Ruidoso State Bank and at the High School-Nob Hill School crossing between the warning lights on Sudderth. Scotch Line and Flex-O-Line adhesive materials were

used. The material is laid on top of a sticky base, then rolled, as at the right. Warning signs for drivers are to be installed on either side of the crossings.

Holloman schedules open house Oct. 5

Open House '74 at Holloman will spotlight the Air Force's "flying machines" and offer area residents a chance to get acquainted with the home and operations of the military's only dual-based fighter wing. Scheduled for Oct. 5, the Open House is being held in conjunction with local Oktoberfest activities. The base gates will open to the public from 10 a.m. until 4 p.m., for the Open House. Activities and displays will be centered around the flightline and

Langar area used by Holloman's dual-based 49th Tactical Fighter Wing (TFW).

Aircraft on display for the event will span the spectrum of air operations and will highlight planes used by the Tactical Air Command as well as other Air Force commands and the U. S. Army. Some of the "high-powered" aircraft that can be seen are the F-4 Phantom flown by the 49th TFW here and during their yearly deployment in support of NATO Forces; a T-38 Talon flown by Holloman's 465th Tactical Fighter Training Squadron; an F-111

from Cannon AFB; the RF-4 reconnaissance version of the Phantom; an F-105 jet from George AFB, Calif., one of the elite "Wild Weasel" electronic warfare fighters; and an F-5E Tiger II.

Other aircraft for visitors to see include a C-130 cargo plane; a KC-135 aerial tanker used for inflight refueling; a T-29 transport from Holloman; a UH-1H Huey helicopter flown by Detachment 6, 48th Aerospace Rescue and Recovery Squadron at Holloman; and a helicopter from Company B, U. S. Army.

An 11 by 15-foot scale model of the F-15 Eagle air superiority fighter will give visitors a look at the Air Force's most advanced fighter which is scheduled for employment at Holloman during 1976-77.

A small computer will be displayed for visitors by the 6585th Test Group Guidance Test Division. The computer has special programs used for training persons unfamiliar with its operation. The programs, some similar to "games", provide viewers an entertaining introduction to basic computer procedures.

The 4449th Mobility Support Squadron, unique within the Air Force, will give a demonstration of its "bare base" capability. The squadron is going to set up some of its mobile equipment including a van, dormitory and mess hall.

Additional attractions will be provided by the base Fire Department showing its firefighting equipment and the base hospital giving a medical demonstration. Films on Air Force subjects will be shown in the Open House Hangar.

Open House-goers will also have the opportunity to visit the wing's F-4 flight simulator, an intricate electronic "flying machine" used to provide aircrews with valuable instrument training without leaving the ground.

When they're ready for a break from the activities, Open House visitors will be able to get refreshments, sit down and relax while listening to the Ft. Bliss and Alamogordo High School bands.

Directions to the parking and display areas will be provided at the Holloman main gate.

BILL ELLIOTT, Warrior Booster Club president, is shown as he prepares to serve enchiladas to the Warriors following the football game last Friday. The enchilada supper is held annually to raise funds for the athletic department of the school and the boys are traditionally served following the game. (Ruidoso News Photo)

ENMU enrollment shows increase of 45

Fall enrollment on the main campus of Eastern New Mexico University shows an increase of 45 students over last year's total of 4,173. The Portales campus has an enrollment of 4,218.

The one per cent increase helped bring enrollment at Eastern and its branch campuses to 6,179. Last year the combined total was 6,200.

Eastern's Roswell campus showed the greatest increase in the area of academics with the addition of 161 students. The 20 per cent increase totaled 970 students, while a 17 per cent increase in the vocational area totaled 228 students. The Roswell campus enrollment for the fall is 1,198.

The Clovis campus of ENMU had 45 additional students in academics for a total of 573. A 21 per cent decline in the vocational area left 190 students for a combined total of 763. The Clovis campus is still registering students for vocational classes.

LAWYER THE FAMILY

Icy Step
Neither snow nor rain nor heat nor gloom of night ever kept George from delivering the mail at the Jenkins house. But an icy step finally did him in. He skidded, went sprawling, and dislocated his shoulder.

In due course, George filed a damage suit against Jenkins. "They have a special problem at their house," he pointed out in court. "The roof spills, rain-water across the front steps, and in cold weather, this creates an unusually slick coating of ice. I didn't know about the situation until after I fell."

This "special problem," which Jenkins did not deny, was held enough basis to establish legal liability. The court said a home owner must take precautions against hazards that a visitor is not likely to notice by himself.

Perhaps sprinkling salt or spreading ashes on the ice. Or perhaps providing adequate lighting. Thus, another home owner was held liable for neglecting to turn on his porch light, after having ordered a taxicab to come to the house at 8 p.m.

True, the cab driver realized that the steps might be icy from an afternoon storm. Still, handicapped by the darkness he slipped anyway. And a court later granted his claim for damages. The court said that while the home owner could not be blamed for the ice, he could be blamed for showing so little regard for the cabbie's safety.

But both of these cases involved some degree of fault on the part of the home owner. If he is fault-free, he is generally free from liability as well.

The claimant in another case was a newsboy who slipped

while delivering the evening paper. But the visibility was all right and the step he slipped on, though icy, was no worse than the other steps on the block.

Result: no liability. The court said a home owner owed "only that care which an ordinarily prudent person in like circumstances would exercise" - but no more.

1974 Calendar of Events

OCT 1-31 - Cowboy Oktoberfest - Throughout Lincoln & Otero Counties.

OCT. 3-4-5 - Cowboy Oktoberfest, Ruidoso, Thanksgiving to Easter - Some of the finest skiing in the country at beautiful Sierra Blanca Ski Resort.

(If you know of a special event scheduled for 1974 which should be included in the calendar, please call The News at 257-4001.)

In addition to the SPECIAL EVENTS listed, Lincoln County offers many permanent attractions for tourists. Museums and historic exhibits at Lincoln Town, Ancho, Capitan, Ft. Stanton and Tinnie are open to the public. Picnic and camping grounds are among the most beautiful in the country. Year-round fishing is available at Nogal and Lito Lake with seasonal casting at Bonto Lake and along the Ruidoso River. State parks at Three Rivers (Indian pictographs) and the Valley of Fires State Park (The Malpais) invite visitors all year around. Touring the countryside is a pleasure any time, from the heights of Sierra Blanca at 12,000 feet to the desert of the Tularosa Valley.

Your Social Security

"Two questions are frequently
asked employees at the social
security office," Mrs. Christine
Graves, social security field rep-
resentative, stated today.
(1) Will workers get their mon-
ey's worth out of social securi-
ty? and (2) Couldn't they do
just as well, or even better, by
buying private insurance?

"The answer to the first ques-
tion is 'yes' — workers can ex-
pect to get their money's worth
from social security for the tax
dollars deducted from their
checks. The protection workers
have is worth no less than the
contributions they have paid,
plus interest. This takes into ac-
count the probabilities of how
long workers will live, whether
they will become disabled, whe-
ther they will marry, have chil-
dren, have dependent parents,
etc.

"In answer to the second ques-
tion," Mrs. Graves continued,
"no package of insurance pro-
tection comparable to social se-
curity is available from a pri-
vate company. But if it were, it
would cost considerably more.
Private companies have higher
costs of administration than
does social security, particularly
because they have selling costs.
Also, private companies have to
protect themselves against cer-
tain costs that a compulsory
program does not have.

"The survivor and disability
protection a worker has while
he is working must be taken in-
to consideration. This protection
has substantial value to the
worker in addition to the value
of the retirement benefits," Mrs.
Graves concluded.

Lincoln Forest

featured in Grit

An interesting article in the September 22 issue of Grit newspaper tells of the wonders of the Lincoln Forest and notes that fall is a popular time for artists in our area. The story features two pictures of the

area — one in the mountains and another of the Old Lincoln Courthouse.

Also mentioned are the annual Aspencade and Cowboy Oktoberfest. The variety of colors in the fall is the basic theme of the article. It is pointed out that Ruidoso has accommodations for 15,000 visitors plus many campsites.

MRS. B

By CECILIA BARRON

Why the great controversy about the older Americans? We are discussed, talked at and over, deliberated, argued and palavered about to a great extent; but never really talked to. Why can't we just be treated like ordinary human beings?

I know, some would like to shut their eyes and pretend we are not here; or that we will soon go away. But we are here to stay and you will all be one of us in the future. We are like a cluster of mushrooms on a lawn, that springs up over night, then dies down in a day, while more spring up in another place. What we are, what will be done for us, or what will become of us, will be decided by the coming generations.

Our jobs, transportation, leadership, independence, self-respect and sincerity have all been taken away from us. First I want to say, I do not believe the majority ever wanted any handouts. We helped make the civilization what it is today and we should be sharing the benefits the same as the next generation. Some had no way of building on their social security checks as there was no law to that effect. Some had never

worked in public; but we worked. Oh, how we worked! Some of us worked our fingers to the bone. Now that the fingers are bent and gnarled for the finer things, we have to take what the young will not do; even though we have been trained in many lines of work, and can still do it, if given a chance and paid the salary we deserve. I venture to say we could still put in as many hours and maybe more, as we are accustomed to hard work.

I overheard a conversation with an elderly lady — even using a walking cane. She said she had quit her job as there was too much to do for ninety cents an hour. I wondered, why the ninety cents? Did her employer — whoever he or she was — think it sounded 'bigger' than one dollar, or even two dollars per hour? And I wondered if he would have to close his doors if he paid her ten cents more. Ah, the irony of it all. If we are hired to do a job and put in as many hours — maybe more — we should be paid as much as a younger person; as we have put in many hours of our lives with no pay at all except the satisfaction of living and producing. When it takes millions to keep up an undesirable ex-president, we had better work and pull together, as we may soon be stewing in the same pot.

Do not get me wrong. When I have worked, I was fortunate that my employers were very liberal and tolerant of my shortcomings; but many are not. When I was asked what pay I expected, I said I wanted what I was worth to them. I felt if I put in the time that a younger person would, I expected the same pay.

I have heard some say: 'He or she does not have to work.' That is not entirely so. Work in moderation is good for our body and soul. I feel there would not have to be so many issues mulled over about our compensation, if we were busy and our minds healthy. We really feel better when we know we are wanted and are still some help to the world.

I know teachers and counselors who are retired, but still receive pupils in their homes for tutoring and advice. And many others still carry on their work successfully, as if they were in their young years. But, what of the vast majority that are not professional? I read statistics that: 'fewer than nine million poor people in this country are able to take advantage of medicare, leaving 35 million unable to afford any kind of medical aid.'

It seems Mr. Skeen is only thinking of the money end of it and not the individual livelihood. There is more to living than the money; while that is a very important issue. Pray tell me, what else is there to do but play pool or pitch horseshoes and watch 'soap operas,' if you think we have reached the 'point of no return'? No wonder the word cynic is used, but it may be the other way around; as many of you are trying to deny the sincerity of the aged. Our small checks do not allow a membership to a 'ritzy' country club and golf course; or to hire a chauffeur, and an expensive car; but we do like to feel alive in a conservative, calm way. Many have been called cynics as they are quiet and reserved; asking nothing, as they have been disillusioned many times. It seems the writer of the article was more interested in the argument than getting to the root or cause of the agitation.

You know, I do a lot of thinking when I am working, and I suppose most of us do. When I was shelling peas, I noticed some were full plump pods, that just popped, when I opened them. Some were not so full and the peas were small. Then I thought, they were like people. Some had a full mature life; bursting with knowledge, enthusiasm, love, and kindness. While some were stunted, small and withered, like a person who has been held back or not allowed to progress

SANTA FE — A hot battle is under way in U. S. House District 1 between liberal Lt. Gov. Robert Mondragon and moderate-conservative incumbent Rep. Manuel Lujan Jr. Democrat Mondragon said at a Santa Fe news conference that Lujan voted against increasing public service jobs, rolling back prices, interest rates and rents and rolling back crude oil prices. Mondragon, 34, said Rep. Lujan missed votes on oil company windfall profits and the emergency energy act and was absent on the minimum wage veto override. Mondragon suspended his \$15,000 annual salary as lieutenant governor from Oct. 1 to Nov. 5 to campaign. He noted New Mexico ranks 49th in per capita income. He also said eight Northern New Mexico

counties were declared emergency medical and dental counties because of an acute shortage of services.

Mondragon says he will work toward designation of New Mexico, Arizona, Colorado and Utah as a special impact area for federal concentration to cut high unemployment and for resources "with which New Mexico is abundantly blessed." Mondragon said he would support legislation to provide resources for doctors, dentists and health clinics for areas declared deficient in medical and dental care. Mondragon was born in La Loma, Guadalupe County.

His minimum campaign goal is 3,500 votes in Taos County. He forecasts a minimum of a total of 10,000 votes in these counties: Colfax, Union, Guadalupe, Harding, Quay, Torrance and Mora. His biggest majority, he says, will be in Guadalupe, Colfax, Mora and Torrance in this group.

A Lujan poll of 600, completed two weeks ago, shows Lujan well ahead of Mondragon: Lujan, 55 per cent; Mondragon, 25; undecided, 20. The poll queried voters in Bernalillo, Santa Fe, Las Alamos, Rio Arriba, Taos and San Miguel Counties. They account for 80

Had an interesting visit with R. E. Smith of Roswell, the traffic engineer for District 2 of the highway department, concerning traffic problems in Ruidoso. We understand that new markings will appear soon at the corner of Sudderth and Mechem (at the traffic light) in an attempt to move traffic more efficiently. Also discussed cross walks for Sudderth Drive and he noted that the village was welcome to but them where needed, but that the highway department did not have funds to keep them up. Possibility for additional traffic lights at such locations as Sudderth and Paradise Canyon seem dim. Smith pointed out that, in many cases, they proved to be a detriment instead of a help. He stated

that the department would again study the ski area road and that the one-way traffic set up would be almost impossible if any exceptions were made. There will be more information signs installed on the road.

per cent of the vote. In a Santa Fe interview Rep. Lujan, 46, strummed his conservative federal spending theme. He sent a 3-point anti-inflation program to President Gerald Ford that called for restoration of wage-price controls. Ford opposes a return to wage-price controls. Lujan would encourage programs that promote production. He would shape import-export laws to eliminate shortages, banning exports when domestic shortages develop and encourage exports when an oversupply surfaces.

The New Mexico AFL-CIO Committee on Political Education (COPE) has fought Lujan in all of his four campaigns. Lujan says: "George Meany wants to do away with the emergency brake, the veto, by having a veto-proof congress."

"He wants two-thirds of each House for a veto-proof Congress and I don't think the American public will hold still for that," Mondragon's total campaign budget is \$100,000. Much of it has already been spent. Mondragon says about \$20,000 has been raised. Mondragon will campaign in Albuquerque 60 per cent of the time and devote 40 per cent to the rest of the 14-county northern district.

Meanwhile, Sen. Ray Leger, D-Las Vegas, forecast big Mondragon victories in Guadalupe and Mora. He says Mondragon will carry San Miguel but he won't forecast the margin. Mondragon favors expansion of federal programs. He would widen Four Corners Regional Commission boundaries over all of New Mexico. Mondragon claims he has been closing the gap in polls since April on Lujan. He says he "is getting very close to passing Lujan."

Lujan is Republicans' toughest candidate. President Ford's pardon of former president Richard M. Nixon may have hurt him. The proposal for \$850,000 for Nixon in retirement also riled many voters. Ford's amnesty program stirred veterans' groups.

We asked Lujan if Ford's performance as president has been a plus or minus for his campaign. Lujan responded: "It's about half and half. It has not been a particular advantage or disadvantage."

The latest consensus in the governor's race: Democrat Jerry Apodaca holds a lead over Republican Joe Skeen but the final result will be close. Apodaca cannot maintain the big lead he claims. The Republican campaign is gathering steam behind Skeen. The Democratic campaign behind Apodaca is well-organized and effective. But Skeen will run well on the East Side, carry San Juan County heavily and poll a big vote in the Albuquerque Heights.

Veteran politicians see no

runaway. They predict Apodaca will win in a close battle. Observers say Skeen is handicapped by burdens not of his own making. — Watergate, former President Nixon's major problems, Ford's pardon of Nixon and the faltering economy.

Besides, Democrats own a 2.25-1 voter registration advantage in New Mexico. Republicans are worried about getting their party's vote to the polls. Only 39 per cent of registered Republicans voted in the party primary.

Our soundings in Alamogordo showed the Apodaca-Skeen race is close in Otero County. Sen. John Conaway, R-Alamogordo, has a slight lead in his reelection race against Rolla Buck, Alamogordo Democrat.

Conway is trying for another 4-year term in a Lincoln-Otero district. Rep. Maurice Hobson, R-Alamogordo, is well ahead of Alamogordo Democrat Page Carter in a Lincoln-Otero House district. Hobson seeks a third House term.

In Santa Fe County Sen. Apodaca, Las Cruces businessman, will score a big victory over former Sen. Skeen, a Lincoln County rancher. Democrats outnumber Republicans nearly 3-1 in Santa Fe County.

Apodaca enjoys a smooth-run-

WARRIOR ATTEMPT FAILS—The Warriors were so close but so far away as they attempted to score from the one yard line last Friday in the game with Canutillo. Some of the players ended up in the end zone but the ball carrier didn't make it.

Eagles win by 32-6 over Warriors here

By FLANAGAN

It was one of those nights for the Ruidoso Warriors last Friday night at Warrior Field when nothing went right and everything went wrong... if you were a Warrior fan.

Ruidoso started off with a bang on the opening play from scrimmage when fullback Sonny Fook found daylight in the Canutillo line and scampered for 47 yards, from Ruidoso's seven yard line to the Eagles' 46 — only to find a flag had been thrown against the Warriors for illegal motion.

In trying to work the ball out from the shadows of their own goal posts, the Tribe fumbled the ball away and a Canutillo man recovered on the Ruidoso 7-yard line. On the first play after the recovery the Eagles posted six points to take the lead and for a half the Ruidoso eleven were never able to generate any kind of an offense against the Eagles.

The first three times Canutillo had the ball they added three quick TD's. A pass interception on the Ruidoso 35 set up

the second touchdown for the Eagles. After taking the kick following the interception the Warriors fought the going tough and had to punt away. Once more Canutillo added to their score when the double stripe was crossed from seven yards out.

After spotting the Eagles a 32 point lead, the Warriors finally got their only TD of the night just before the half on two pass plays. Quarterback Colly Parks fired a completion to Richard Wheelock, a junior playing in his first varsity game. Wheelock made an exceptional catch of the ball, getting away from two defenders, reversing his field, dodging another man and was finally dragged down on the Canutillo 7-yard line. Parks again called a pass pattern and threw a perfect strike to Teddy Durham for the six pointer. The running play for the extra 2 points was short with Canutillo taking a 32-6 halftime lead.

After halftime Ruidoso played a completely different game, with the teams evenly matched. In fact Ruidoso took more of

an initiative and battled the Eagles tough, both on offense and defense.

The Warriors had a golden opportunity to score in the fourth quarter after a pass interception by David Stiles on the Canutillo 45 yard line and ran it back 25 yards to the Eagles' 20 yard stripe. With the help of penalties and grinding out yards on the ground, Ruidoso drove down to the Canutillo 2-yard line. Once more the first half nightmare came into the picture, in the form of penalties and miscues as Ruidoso couldn't push into the end zone. In fact, the Eagles took over possession of the football on their own 20 yard line after Ruidoso had at one time been camped on the 1-yard line.

—C. A. NO. 1—
A JOINT RESOLUTION PROPOSING TO AMEND THE CONSTITUTION OF NEW MEXICO BY REPEALING ARTICLE 4 SECTION 10 AND ADOPTING A NEW ARTICLE 4, SECTION 10, PERTAINING TO COMPENSATION OF LEGISLATORS.

Section 1. It is proposed to amend the constitution of New Mexico by repealing Article 4, Section 10 and adopting a new Article 4, Section 10 to read:

"A. A permanent commission to consist of nine members is created which shall be known as the 'legislative compensation commission'. Three members shall be appointed by the governor, two members appointed by the Chief Justice of the Supreme Court, two members appointed by the president pro tempore of the senate and two members appointed by the speaker of the house of representatives.

B. No one shall be appointed to the commission who is a legislator, officer or employee of the state or any department, agency or political subdivision thereof, or who is an officer or employee of any agency or institution to which any state funds are appropriated. Commission members shall serve at the pleasure of the appointing officials.

C. Members of the legislature shall receive compensation, expenses and allowances as fixed by law which compensation, expenses and allowances shall not exceed that established by a majority vote of the legislative compensation commission.

D. The commission, before June 30 immediately following the ratification of this amendment and every fourth year thereafter, shall review and fix the maximum rates of compensation, expenses and allowances paid members of the legislature. In setting maximum compensation, expenses and allowances for members of the legislature, the commission may establish different rates applicable to sessions, and to interim periods between sessions, and may es-

ablish a maximum rate for members of the legislature who are officers different from that established for other members. Maximum rates established by the commission shall be filed with the secretary of state and become effective on the first day of July following their establishment.

E. The commission shall elect one of its members chairman and a majority of the members of the commission shall constitute a quorum for the transaction of business. Commission members shall be reimbursed for necessary expenses incurred while performing the duties imposed by this section as provided by law."

Section 2. The amendment proposed by this resolution shall be submitted to the people for their approval or rejection at the next general election or at any special election prior to that date which may be called for that purpose.

—C. A. NO. 2—
A JOINT RESOLUTION PROPOSING AN AMENDMENT TO ARTICLE 8 OF THE CONSTITUTION OF NEW MEXICO BARRING THE LEVYING OF ANY TAX OR ASSESSMENT BY ANY POLITICAL SUBDIVISION WHOSE ENABLING LEGISLATION DOES NOT PROVIDE FOR AN ELECTED GOVERNING AUTHORITY.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. It is proposed to amend Article 8 of the constitution of New Mexico by adding a new section to read:

"No tax or assessment of any kind shall be levied by any political subdivision whose enabling legislation does not provide for an elected governing authority. This section does not prohibit the levying or collection of a tax or special assessment by an initial appointed governing authority where the appointed governing authority will be replaced by an elected one within six years of the date the appointed authority takes office. The provisions of this section shall not be effective until July 1, 1976."

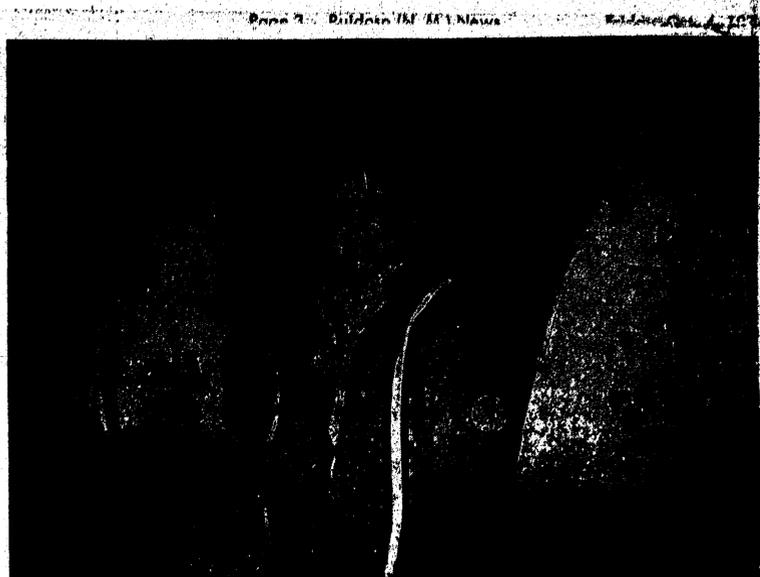

Section 2. The amendment proposed by this resolution shall be presented to the people for their approval or rejection at the next general election or at any special election prior to that date which may be called for that purpose.

—C. A. NO. 3—
A JOINT RESOLUTION PROPOSING AN AMENDMENT TO ARTICLE 9, SECTION 14 OF THE CONSTITUTION OF NEW MEXICO TO ALLOW THE LEGISLATURE TO ESTABLISH A PROGRAM OF LOANS TO STUDENTS OF THE HEALING ARTS FOR RESIDENTS OF THE STATE UNDER CERTAIN CONDITIONS.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. It is proposed to amend Article 9, Section 14 of the constitution of New Mexico to read:

"Neither the state, nor any county, school district, or municipality, except as otherwise provided in this constitution,

25th ANNIVERSARY — Mr. and Mrs. Ed Calman of Sturgis, Kentucky were given surprise hotlers at the Aspencade Motorcycle Rally when they were awarded a trophy for celebrating their 25th anniversary by attending

shall directly or indirectly lend or pledge its credit, or make any donation to or in aid of any person, association or public or private corporation, or in aid of any private enterprise for the construction of any railroad; provided, nothing herein shall be construed to prohibit the state or any county or municipality from making provision for the care and maintenance of sick and indigent persons, nor shall it prohibit the state from establishing a veterans' scholarship program for Vietnam conflict veterans who are post-secondary students at educational institutions under the exclusive control of the state by exempting such veterans from the payment of tuition. For the purposes

of this section a "Vietnam conflict veteran" is any person who has been honorably discharged from the armed forces of the United States, who was a resident of New Mexico at the original time of entry into the armed forces from New Mexico and who has been awarded a Vietnam campaign medal for service in the armed forces of this country in Vietnam during the period from August 5, 1964 to the official termination date of the Vietnam conflict as designated by executive order of the president of the United States. The state may also establish by law a program of loans to students of the healing arts, as defined by law, for residents of the state who, in re-

turn for the payment of educational expenses, contract with the state to practice their profession for a period of years after graduation within areas of the state designated by law."

Section 2. The amendment proposed by this resolution shall be submitted to the people for their approval or rejection at the next general election or at any special election prior to that date which may be called for that purpose.

Friday, Oct. 4, 1974

ALL Classified Ads must be paid in advance with the exception of those ads by regular advertisers. The rate for classified advertising is 7¢ per word with a minimum of \$1.05 for 15 words. Please figure 4 per cent tax to add to advertising cost. This rate holds true for one week's insertion and can be multiplied by the number of weeks the ad is to run. When mailing in classified ads please enclose check or money order or if you live in Ruidoso bring them by the office before Tuesday afternoon each week.

FINANCING—

At a time such as this when mortgage money for the purchase of a home is increasingly hard to find and when if you do find some, very likely the interest rate will be prohibitively high, you might try a different approach. Some lots can be bought and financed with an interest rate you can live with. While you wait for housing money to become available, you might buy and start paying out the location for your house.

MOBILE—

This mobile home is on pavement, not too far into Ponderosa. Has 2-bedrooms and is furnished. A 16 x 20 room has been added with exposed beam ceiling and an excellent fireplace. A 10 x 32 screened porch makes a good game room.

GREAT REALTY INC. WESTERN

EASY HIGHWAY ACCESS and a gentle slope assure maximum utilization of these commercial lots with 150 feet frontage on Highway 37. About 270 feet of depth makes these lots an ideal location for your business in a real growth area.

YEAR-ROUND ACCESS is exceptionally good to this 3-bedroom mountain home. Located in the growth area of Ruidoso among the pines. Has heated garage which may be converted into additional rooms. Priced realistically to sell.

A VIEW OF BALDY from this "A" frame is one of the advantages of this 3-bedroom, 2-bath home. There are 2140 sq. ft. of living comfort with beautiful paneling, shag carpet and large decks. A new washer, dryer, built-in kitchen range, oven and dishwasher complete the picture of this recently completed home. Come see it!

PLENTY OF PRIVACY is afforded in this beautifully landscaped home in the pines. It has 3-bedrooms, 1½-baths and has recently been redecorated. Both a well and city water make this offering unusual.

A PROFITABLE BUSINESS is what you'll get with this restaurant. Pizza is a favorite with the many students and skiers that gather in the area. Here's your chance to own a business in growing Ruidoso.

"BIG HAWG" RIDER AT 84 — H. B. Taylor of Hollis, Okla., rode his 1200 c. c. Harley-Davidson to the Aspenade Motorcycle Rally and picked up the trophy for the oldest cyclist present. He's been riding motorcycles for 60 years. When asked by emcee Til Thompson during the presentation, if he'd actually ridden his cycle all the way, Taylor quipped, "Hell, no, I walked every inch of the way and pushed it." Otero Sports Car Assn. sets rally October 6

On Sunday, October 6, the Otero Sports Car Association and the Pan American Region of the Sports Car Club of America is presenting a Regional Championship Rally in conjunction with the annual Oktoberfest celebration. Registration for this event will open at 10:00 a.m. at the Desert Aire Motel in Alamogordo, and the first car will depart on the course at 12:01 p.m.

Rallymaster Rick DeVoss has designed a relatively simple course that will take contestants on a low pressure tour of the Sacramento Mountains in the Ruidoso area. The rally will take approximately 3 1/2 to 4 hours and will end in Ruidoso. Contestants may enter in one of two classes based on their navigational equipment. "B Class" is designed primarily for novice teams who prefer to rally by the "seat" of their pants and is restricted to pencil, paper and standard time of day watch, etc. "A Class" is for teams who wish to use slide rules, calculators, stop watches, etc. in order to solve the timing problem. Trophies will be awarded in both classes, plus an additional trophy for the novice team finishing best — not otherwise placing, of course. Entry fee is \$2.50 per person with a discount to SCCA members.

For information about this rally and other sports car events in this area, contact Rick DeVoss in Alamogordo at 437-6069, evenings.
