

Fund drive opened for cancer victim

A community fund drive is underway to assist cancer victim Richard Devara, 25, a longtime Ruidoso resident.

A member of the maintenance staff at Ruidoso High School, Richard went to Dr. Michael O. Stone in late January with a suspected hernia.

Dr. Stone referred him to surgeons in Roswell who found teratocarcinoma, an embryological cancer involving five types of tissue.

For the last two months, Richard has been receiving treatment at the American Cancer Association treatment center in Albuquerque of various drugs including a new drug, cis-platinum, which was developed in the USSR.

New to the United States, the treatments have been successful on some cancers of a similar type.

"I think I'm one of the lucky ones," Richard said. "Maybe I can lick it in a year with the treatments."

Richard receives cyclical cis-platinum treatments twice weekly for three weeks, concentrated treatments for an entire week and then a short break in the cycle before they begin again.

According to Guin Stone, the treatments are running about \$200 per week which "can get expensive" and Richard is "extremely ill and unable to work."

"We are appealing to the community for assistance, whatever it may be, for Richard and his family," she said.

An account has been established at Security Bank for him and contributions may be sent directly to it.

Richard, who is receiving minimal welfare assistance, has received contributions from the Ruidoso School

RICHARD DEVARA

System, school board members and the superintendent of schools in addition to small proceeds from a project sponsored by Saint Eleanor's Church.

Richard and his wife, Tina, have one son Rickie, 3.

Stierwalt succeeds Howell as Warrior football coach

Darrel Stierwalt has been named head coach of the Warrior football team, succeeding Doyle Howell, grid mentor the past eight years, high school principal Tom Hanson announced Tuesday.

Stierwalt, Driving Education instructor, has been assistant football coach and head track coach since 1970 and was named defensive coach by Howell in 1971, after one year as offensive and defensive line coach.

Howell, high school typing instructor, will continue as athletic director for all Warrior sports, scheduling all games and events for the high school as well as junior high. His duties will include completing all contracts for athletic contests, travel arrangements, hiring officials and serving as purchasing agent for athletic equipment.

In 24 years of coaching high school football, Howell developed three state championship teams, Jal in 1967 and 1970 and the Warriors in 1972. He was named Class AA coach of the year, each of the years his teams won state championships.

Howell was named, by the state's grid coaches, as coach of the South All-Star game in the North/South tilt at the 1970 coaching school in Albuquerque.

"My biggest reward as football coach," Howell said, "has been in watching these students, after graduation from high school, develop into good citizens."

Stierwalt, a 1965 Ruidoso High School graduate, received many honors during his career as a Warrior athlete, including:

- All District and All State Linebacker and end, 1965;
- New Mexico All Star football team, 1965;
- Most valuable lineman, 1965;
- Most valuable forward, basketball, 1964 and 1965; and
- Greatest Warrior, 1965.

Stierwalt earned his bachelor's degree in education from New Mexico State University, Las Cruces, in 1969. He attended the university under a football scholarship, playing linebacker and tight end.

In 1975, in his fifth year as assistant football coach with the Warriors, he was named defensive coach of the South's All Star squad in the New Mexico championship playoff.

Stierwalt, presently building the 1976 Warrior offensive and defensive squads in spring training, is looking ahead to 1979 when Ruidoso will be playing Class AAA football.

"AAA play will be interesting and challenging," Stierwalt said, "and facing Silver City, Cobre, Deming, Truth or Consequences and Tularosa should provide the caliber of football games that will be crowd pleasers."

During spring training Stierwalt is striving to "set up a good basic running game, as our returning backs will be the nucleus of our team."

"We'll have a young and inexperienced line, but I hope to instill, in them, the pride and dedication of the game as we're

The Ruidoso News

VOLUME NO. 97 IN OUR 32ND YEAR

RUIDOSO, LINCOLN COUNTY, NEW MEXICO 88345

THURSDAY, APRIL 20, 1978

Cleanup drive starts here Friday

The spring trash cleanup drive, in Ruidoso and Ruidoso Downs, sponsored by the Service Club Council, gets underway here Friday.

The Ruidoso trustees are providing free dumping at the village's sanitary landfill all day April 21, 22, 23, 28 and 29. This service is available to all Ruidoso/Ruidoso Downs residents desiring to haul their own trash during the cleanup.

The Council's suggestion, to aid residents in the removal of trash, is that the dumpsters located throughout the village be utilized to facilitate hauling by village trucks.

Residents are encouraged to telephone Emma Redmann, 257-4395, Chamber of Commerce, to report the location of large amounts of trash. These areas will be cleared by the volunteer drivers of donated trucks.

To aid pickup in the residential areas, home owners are requested to place their trash bags next to the street and advise Redmann of the street address.

The Salvation Army, Roswell, will come to Ruidoso during the cleanup drive to pick up large and small appliances that are in

working order. Anyone with appliances to donate should leave their name, address and type of appliances with Redmann.

Persons with trucks available for use during the cleanup, as well as volunteer drivers, are asked to contact Mark Mulholland.

Downs seeks removal of unserviceable cars

The Village of Ruidoso Downs is requesting all owners of inoperable, dismantled or partially dismantled vehicles located within the village to remove them in compliance with a village ordinance, and to help with the cleanup drive April 21-23 and April 28-29.

A lot has been set aside, behind city hall, for the collection of wrecked, abandoned inoperable cars and other large pieces of scrap metal, according to Police Chief Lynn Martin.

He said anyone desiring to get rid of such items may deposit them at the lot.

"If they don't have a way to get the cars up here themselves, the village can arrange to have them picked up for a small fee," Martin said.

Village Ordinance 7-2-10 states: "The presence of a dismantled, partially dismantled, or inoperable vehicle or parts thereof on any occupied or unoccupied land within the Village limits in violation of the terms of this section is a public nuisance."

DECA's national convention fund now approaching half-way point

The Ruidoso High School Distributive Education Clubs of America (DECA) chapter has realized \$4,523.86 in a fund raising drive to send 16 qualifiers and their seven sponsors to the national convention in Washington D. C., May 5-12.

The fund drive goal of \$10,972 will provide plane fare, accommodations, registration fees, ground transportation and special tour fees for the delegation. Sponsor of the DECA chapter Eddie Parker said over \$2,700 was raised through the KRRR radiothon held recently.

"The students and I would like to express our appreciation to Ed Hyman (owner of the station) and the staff," he said. "I personally appreciate the effort and support of the community and feel we're fortunate to be in such a generous community."

State winners, who will be traveling to the national contest, and their categories are:

Tammy Isaacs, food marketing, written. Sara Wimberly, apparel and accessories, written.

Rick Pritchett and Kim Leskoviansky, advertising services, master-employee level.

Patricia Reaves, apparel and accessories, owner-manager level.

John Brown, general merchandise, owner-manager level; executive vice president of New Mexico DECA, and project officer for Pepsi Learn and Earn.

Steve Cox and Terry Payne, food service, owner-manager level.

Kristi Perryman, food service, master-

employee level. Jerry Garcia, food marketing, owner-manager level.

Greg Perteet and Lea Burrows, petroleum, owner-manager level.

Patti Hall, second runnerup New Mexico DECA sweetheart and Pepsi Learn and Earn project officer.

Donna Clarke, southwest district secretary-treasurer.

Alfred Romero, southwest district president and state vice president.

Mike Slasson, Pepsi Learn and Earn project officer.

Last year, the high school DECA chapter took 11 students to the national competition held in Anaheim, California, at a cost of about \$3,000.

This year with more national qualifiers and a greater distance to go for the convention, the cost is "more than in any other year," Parker said.

Cost per student this year is \$475 and per sponsor \$510.

Parker said, the funds raised will be distributed equally among the students and if the total per student falls short of the \$475 figure, each will have to pay a portion of the cost.

At this point, plans are for sponsors to pay their own way, but if the amount raised exceeded the total cost to send the students, then the excess will be divided among the sponsors.

Contributions to the DECA chapter's trip to Washington may be sent to Ruidoso High School, Box 430, Ruidoso, 88345, or call the school at 257-7324 and students will pick up contributions.

DOYLE HOWELL

working hard on the basics of tackling and blocking.

"I think the kids are very enthusiastic about this, our first year of spring training, and they're taking the workouts very well."

Assisting Stierwalt in coaching the

DARREL STIERWALT

gridders are Barry Nelson, offensive coordinator; Bob Elder, ends and receivers and Bruce Hancock, line coach.

Practice for the 1978 season begins August 16. The first three scrimmages, road trips, will be August 26 with New Mexico Military Institute, Roswell; and September 2 against Roswell and Goddard junior varsity squads.

The Warriors will host the Carrizozo Grizzlies September 8 to open the regular season's play.

Chamber withholds action on art show proposals

The Ruidoso Valley Chamber of Commerce board of directors yesterday took no action on the recommendations made by the Professional Crafts Show coordinator, after it was learned she had not reported her plans to the Chamber's Special Events Subcommittee.

Mary Myers presented a detailed report outlining estimated costs of the project and projected profits from the show. She said the Chamber could expect a gross from gate receipts, artists entry and rental fees of about \$11,600.

Holiday Inn's in!

Speculation, which has been rampant the past several years, over when construction of a Holiday Inn in Ruidoso will start, ended last night when the Architectural Plans Review Committee approved preliminary plans for the proposed motel, an affiliate of a national chain.

James P. O'Leary, representing El Paso's Vista Development Corporation, presented a colored blue print of the proposed facility complete with paint chips designating the proposed colors to be used in the exterior of the motel.

Committee member Mike Waldron questioned the use of the traditional Holiday Inn sign. O'Leary said he was working with the national chain to see if he

could secure an alternate type of sign. He said he wanted to erect a sign apart from the motel on a hill overlooking the site.

Lacking additional discussion, the committee routinely approved the preliminary architectural features of the proposed motel.

The motel will be erected on a tract of land adjacent to U.S. 70 across from Sierra Blanca-Motors, with construction slated to commence early next week pending the issuance of a building permit, according to Bob Davis with the Nevada-based construction firm of Jordan and Nobel.

A check Wednesday morning revealed the engineering firm had moved a mobile office onto the tract.

of the booths. A member of the Chamber's Special Events committee pointed out that the

[SEE PAGE TWO]

Freeloaders back, hungry

Should you suddenly come a cropper of the feeling you're getting a tongue lashing — emanating from the spot you locate your hummingbird feeder — you're right.

The freeloaders are back, and hungry.

So — mix up a batch of simple syrup — color it red — and enjoy the display of aerial expertise that only our colorful hummers produce.

The early bird — so to speak — will attract a goodly following of the voracious little blighters. And where else, for so little, can you revel in the glorious feeling of being a sugar daddy?

HOPING TO ATTEND the national DECA competition May 5-12 in Washington D. C. are, left to right, seated, Sara Wimberly and Kim Leskoviansky, back row, Alfred Romero, John

Brown and Jerry Garcia. A community fund drive is underway to send these and 11 other qualifiers from Ruidoso High School to the national contest.

Fire fighting exercise held here

THE SITUATION ROOM was manned, from the left, clockwise, by Ruidoso fire chief Bill Seelbach and Forest Service personnel Robert

Wagenfehr, Ray Page, Larry Bandy, Robert Hensley and Paul Jones who relayed fire situations by radio and telephone.

THE FIRE CONTROL ROOM personnel, clockwise from the center, Joe Tullis, Red Meador, Bill Elliott, Hugh Stiles, Larry Simon

and Paul Lukens directed all phases of fire fighting and rescue operations, just as if the actual emergency existed.

Racing issue set May 11

The Ruidoso News will publish the special edition marking the opening of the 1978 racing season at Ruidoso Downs May 11.

The advertising deadline for this issue is Tuesday, April 25. Advertisers are asked to phone Carmen Edwards, advertising manager, 257-4001, to reserve space.

Subscribers desiring to send copies of this special photograph and feature issue to friends are asked to reserve the number wanted early. Orders and payment, 50 cents for each copy to be mailed, must be received before Thursday, May 11.

Crashed Skymaster formerly based here

A dual engine Cessna Skymaster light airplane that crashed late last Thursday 16 miles south of the Grant County Airport (Silver City) had earlier been based in Ruidoso.

Federal Aviation Administration records in Oklahoma City still show the airplane as being registered to Ruidoso Aviation Corporation, Ruidoso Aviation was sold late last year, and Col. Richard Hall, spokesman for the buyers, told The News that the purchase of the business did not include the Cessna airplane. Hall said that when his group purchased Ruidoso Aviation from Gerald Cady of Artesia, Cady "took the airplane to Artesia."

Juna County deputy sheriff Armando Villegas reported in Deming that the FAA in Oklahoma told him that FAA records

showed that Tri-Air, Inc., of Artesia was the parent company of Ruidoso Aviation. Villegas said that an employee of Tri-Air told him the plane was out "as a demo."

State Police identified the pilot as Steven Joseph Mara, Albuquerque.

Mara told police he walked to U.S. Highway 180 after the plane went down and from there hitchhiked to Columbus. It was in Columbus that he reported the plane had gone down.

A second man, identified by State Police as Enrique Cervantes of Los Mochis, Sinaloa, Mexico, was also believed to have been a passenger in the plane.

Cervantes was reportedly found near the downed plane by a rancher. Investigators also reported finding more than \$13,000 in cash on Cervantes.

Warrior golfers hosting nine team tournament

The Ruidoso High School golfers will host nine area teams in a tournament scheduled April 28 and 29.

The first 18 holes will be played at Cree Meadows Country Club and the Inn of the Mountain Gods; with the final round at the Alto Golf and Country Club course.

"Anyone can watch," a spokesman for the team said. "We hope people will come on out and watch."

Invited to the tournament are teams from New Mexico Military Institute (NMMI), Artesia, Portales, Socorro, Roswell High, Jal, Silver City and Clayton, Warrior Coach Jesse Lara has announced.

In play at the recent NMMI tournament, Brad Maddox shot a five over par 76 to qualify for state and the team shot a 328 to

place third, passing the first leg of qualification for state.

Other team scores include Chris Carson, 82, Van Patton, 84, Rex McIntosh, 86, and alternate Kyle Kannady, 99.

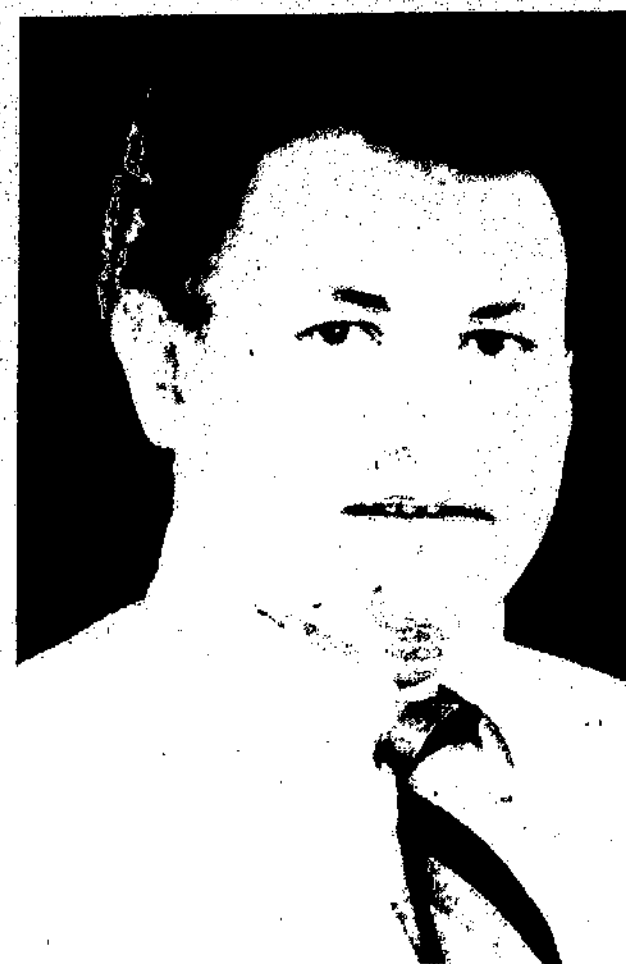

As a team, they will have to shoot 340, or under, in one of the next two tournaments.

Each individual can qualify for state by shooting a 77 at either tournament.

RHS honor roll

"A" Honor Roll
Seniors: Kim Leskoviansky, Donna Clarke.
Sophomores: Steve Romero.
Freshmen: Mike Hansen, Cathy Jones.

"B" Honor Roll
Seniors: Julie Gooch, Cathy Quintis, Patti Hall.
Juniors: Andrea Haddix, Rick Pritchett, Jerry Romero, Truman Bob.
Sophomores: Ruth Guthrie, Bobby Serna, DeAnna Hansen, James Wimberly, David Calderon, Anne Fuchs, Scott Barnett.
Freshmen: Greg Lane, Leslie Greggerson, Susan Hirschfeld.

BOBBY DAN CRENSHAW

'CHUCK' NEEL

Crenshaw seeks state senate seat

Bobby Dan Crenshaw, Carrizozo, is a candidate for the Democratic nomination for State Senator, District 38, in the June 6 primary.

Crenshaw, 34, is a Carrizozo High School graduate, former mayor of Carrizozo and is the assistant administrator at Ft. Stanton Training School. He holds a master of science degree in psychology from Highlands University.

He played professional football with the Philadelphia Eagles and was athletic director and science teacher in Arkansas high schools.

Crenshaw is also engaged in ranching and farming in Lincoln County and serves on the Governor's Manpower Board.

He is married to the former Mary Guck, Captain, and the couple has two children, Lisa, 14 and Kenneth, 10.

'Chuck' Neel candidate for county assessor

Charles A. "Chuck" Neel, Ruidoso resident the past 12 years, has announced he is a candidate for Lincoln County assessor on the Republican ticket in the June 6 primary election.

Neel, sole proprietor of Alto Realty, has 20 years of experience in the real estate field in Ruidoso and Albuquerque.

He is a graduate of the University of Iowa, Iowa City, with a bachelor of science degree in chemistry.

Mid School honor roll

Honor roll students for the third quarter at White Mountain Middle School include: "A", Dale Travis, eighth grade. "B", Ken Bradley, Denise Ratcliffe, Ruta Bob, eighth grade; Curtis Latham, seventh grade and Rachel McCoy, sixth grade.

Area fire chiefs seek jurisdiction agreements

Area fire chiefs met here Wednesday to discuss jurisdictions and the possibility of entering into cooperative agreements among departments.

Representatives from fire departments in Hondo, Bonito, Carrizozo and Fort Stanton, the United States Forest Service and the state Division of Forestry, meeting in the absence of representatives of the Ruidoso and Ruidoso Downs fire departments, agreed informally to respond to fires in the grey area where boundaries overlap and where one agency, although out of its jurisdiction, can respond to a fire before the agency in charge could arrive.

A representative of the Fort Stanton fire department said, "It's foolish for the

closest agency not to respond because a fire is out of its area."

Terry Hall of the Bonito Fire Department concurred, stating, "If we had an ironclad agreement not to go over jurisdictional lines, then we'd be in trouble. If you just sit and wait for the other guys you could lose a lot of property."

He said a cooperative agreement already is in effect between the Bonito and Ruidoso fire departments in case of fires.

"Our jurisdiction is around Ruidoso and bordered by state, national and private land. Our chief problem is Carrizo Canyon," Hall said.

"We have to go through Ruidoso to respond and it's a 15 minute drive. Usually when we get there, they have it knocked down."

"It's a shame Carrizo Canyon isn't in the Ruidoso district. We have one of the biggest areas in the state to cover and very little manpower."

Hall also said the Bonito department responds to fires within the Ruidoso area at the north end of town.

"We've gone from the Swiss Chalet all the way down to Cousins' and occasionally we will arrive on the scene before Ruidoso."

A representative of the Hondo Valley fire department said they did not have an unwritten cooperative agreement with the Ruidoso Downs fire department like Bonito has with Ruidoso.

"We've had trouble with the Downs. Occasionally fires are closer to them than Hondo and they won't respond."

Jerry Longbotham, of the state Division of Forestry, told the representatives attending their departments would be covered and reimbursed when they responded to fires on state land.

He also suggested the various agencies "sign mutual protection agreements similar to the cooperative fire protection agreement between Ruidoso and the Forest Service."

Those attending also agreed there was a need for a county fire agent or marshal and possibly a central dispatcher, "as many people don't know who to call to report a fire."

Chamber ..

[FROM PAGE ONE]

committee had no recommendation to make to the board because Myers had not worked through the committee.

Myers said she felt that it was unnecessary to work through the committee. "I'm having to answer to the (committee) and the board," Myers said, "That's too many people."

It was then moved to table further action on the matter pending receipt of a recommendation from the Special Events committee.

In other action the board:

— Voted to support the concept of mule racing in Ruidoso after listening to a report from Ed Hyman outlining the current status of the Mule-O-Rama. Additionally a committee consisting of Eddie Parker, Mac McDougal and Don King to represent the Chamber in mule racing matters.

Hyman outlined two courses of action the Chamber could pursue in the matter including letting the Mule-O-Rama association see if it will be able to initiate the project or picking up a mule racing program implemented by the Chamber of Commerce.

— Voted to apportion \$400 yearly for the publication of a Chamber newsletter with Alden Deyo to serve as the first editor.

— Heard appointments of Dave Wilson, Benny Coulston and Bill Wilson to work with the Lodger's Tax Committee and of the Ruidoso board of trustees.

THE NEW ALL SEASONS RESTAURANT at the Chaparral Motel, Ruidoso Downs, operated by Sam and Janie Pearson, is open 24 hours a day, seven days a week. Gourmet delicacies, such as chicken Marco Polo, supplement the regular grill fare. The newly remodeled eatery offers breakfast anytime. All dishes are prepared under the direction of Connie Loomis. Plans are being made to offer a large selection of steaks prepared on a charcoal brazier, in the rear dining room of the Chaparral.

PEOPLE

Hondo Fiesta Dancers performing May 5-6

The 26th annual Hondo Fiesta, with the nationally known and acclaimed Hondo Fiesta Dancers, will be presented at 8 p.m., May 5 and 6, in the Hondo School gymnasium.

The theme for this year's Fiesta is La Fiesta de la Algeria, the Fiesta of Happiness, under the direction of Mr. and Mrs. Fernin S. Montes, Fiesta founders and dance directors for 24 of the 26 years the production has been proffered.

Eighty five junior and senior high school students, in traditional colorful costumes, will perform La Varsovianna, El Jarabe Pateno, El Novillero, Jarage del Valle,

Jesuita en Chihuahua, El Shotis Norteno, El Bolonshon and other dances including the popular El Jarabe Tapato, the Mexican Hat Dance.

Over the years the dancers have appeared in Tucson, Arizona, Nashville, Tennessee and Disneyland and San Juan Capistrano in California and in the Mexico cities of Chihuahua, Los Mochis and Mexico City as well as San Antonio, Texas.

Again this year the Mexican dinner will be served, beginning at 5 p.m.

Fiesta admission will be \$1.50 for adults, \$1 for students with the dinner at \$2.50 per plate.

Class on stained glass art to be offered through May

A class on stained glass art will be presented every Monday evening in May from 7 to 9 in the Lincoln County Senior Citizen's Center.

In the class taught by Michael Sutton, who has a studio in Casa Loma Shopping Center, each student will make a stained glass window of "any size and almost any design they desire," he said.

Fees include tuition of \$30 and cost of supplies with the deadline for registration May 1.

Sutton, who has taught stained glass art in Artesia, Las Cruces and Alamogordo, New Mexico; and Odessa, Midland, Big Spring and Houston, Texas, has examples of his work on display at Bear Claw Gallery.

For more information on the class contact the Senior Citizen's Center at 257-4565 or go to Michael's Studio in the Casa Loma Shopping Center.

Charley Puckett wins art award

Charley Puckett, Ruidoso, received the El Portal award for art at the April 17 Academic Honors Assembly at Eastern New Mexico University, Portales.

University president Warren B. Armstrong made the presentation address to a total of 147 award recipients.

Junior-Senior prom April 29

The Ruidoso High School Junior-Senior prom and banquet is scheduled the evening of April 29 at the Inn of the Mountain Gods, principal Tom Hansen has announced.

Hansen said regulations for this year's prom and banquet include:

- Only Ruidoso juniors and seniors will be permitted to attend the banquet, to be served at 6:30.
- The prom will be from 9-12 midnight, with juniors and seniors entitled to bring outside dates; with at least one person in each couple being a Ruidoso junior or senior.
- Formals are mandatory for the girls, with tuxedos preferable for the boys, though business suits will be acceptable.

"All school sponsored activities are over at midnight," Hansen said. "If other activities, such as a movie or breakfast, are planned, they will be sponsored by people not connected with the school."

"School officials will not exercise any jurisdiction over activities after midnight."

Methodist's lay witness mission set

The Ruidoso Methodist Church, in the Gateway area, is sponsoring a public lay witness mission Friday through Sunday, with witnesses from throughout New Mexico and west Texas giving their testimony.

A 6:30 p.m., Friday dinner at the church opens the mission, with the program following. Saturday's program, beginning at 9 a.m., continues through the day.

The final mission section will be in conjunction with the 10:30 a.m., Sunday services at the church.

Sarah Lee Beumer Day set by Altrusa

Sarah Lee Beumer, Altrusa Club member since 1960, was honored at the Wednesday luncheon meeting and presented a plaque in recognition of her years of service by Mary Parsons.

Mrs. Beumer and her husband, Robert, will be moving to Fredericksburg, Texas.

A short business meeting was conducted by president Barbara Duff and career girls Patti Hall, April; Julie Gooch, May, and Treva Kelley, March, were honored.

Guests included Vallery Danial and daughter, Julie, Lubbock, Texas, and Lana Bomer and daughter, Emily, Amarillo, Texas, sisters of Kathy Moore.

Altrusa Club's spring effort in community service is a fund drive to maintain the Girl Scout program in Ruidoso.

The tax deductible contributions will represent Ruidoso's share in Zia Council's on-going operations.

Contributions to the drive may be made through Jane Deyo, at the Aspen Tree.

EIGHTEEN YEAR MEMBER of Altrusa Club Sarah Lee Beumer, left, is presented a plaque by Mary Parsons. Mrs. Beumer, and her husband, Robert, will be moving to Fredericksburg, Texas.

Greta Cabot elected Eta Chapter president

Greta Cabot was elected president of Eta Chapter of Alpha Delta Kappa Saturday during a luncheon at Whispering Pine Restaurant.

Named to serve with Cabot were Lynde Samuelson, vice president; Darla Lathan, recording secretary; Kathy Weems, corresponding secretary; Nellie Jones, treasurer; Inez Pacheco and Louise Morgan, historians; Ofelia Salas, Sergeant-at-Arms; Fronie Ramey, parliamentarian; Dutch Cunningham, pledge chairman and Angie Provine, chaplain.

Discussion of the state scholarships resulted in the local chapter sending one dollar per member to the state chairman.

The Eta Chapter scholarship will be awarded to Debbie Jones, a junior in the educational field.

Leota Pfingston reported on the state convention held in Roswell April 8. Greta Cabot reported on the Sunday breakfast session. Those attending the sessions were Leota Pfingston, Louise Ferguson, Ofelia Salas, Louise Morgan, Darla Lathan, Kathy Weems, Nellie Jones, Carrie Godley and Cabot.

The next meeting will be May 6 at Whispering Pine for a Dutch treat and installation of officers.

Those attending the April meeting were Myrtle Williams, Elsie Kimbrell, Nancy McCarty, Dutch Cunningham, Leota Pfingston, Ofelia Salas, Louise Ferguson, Lynde Samuelson, Angie Provine, Fronie Ramey, Darla Lathan, Greta Cabot, Nellie Jones, Carrie Godley, and Bernice Morrison.

Hosting Saturday's luncheon were Fronie Ramey, Myrtle Williams and Elsie Kimbrell.

Twirp week set at high school

Twirp Week has been scheduled to run from Monday through Friday at Ruidoso High School.

Tricycle races between seniors and faculty at 11 a.m., Monday will kickoff the week and at 7:30 p.m., Monday crab soccer between seniors and faculty will be held in the gym.

Tuesday, which is jeans and T-shirts day, will feature powder puff football between teams of freshmen-juniors and sophomores-seniors at 7 p.m., on the field.

A gong show at 8:15 p.m. in the gym will be held Wednesday, which is shorts and socks day.

On Thursday a slave sale will be held at 10:30 a.m., and play night will be held at 7 p.m.

Friday is slave day.

Ruidosoans host 87 senior citizens

Eighty-seven senior citizens from Boerne and San Antonio, Texas, were guests at a coffee last Thursday at the Methodist Church.

The coffee for the group, which is on a five-day tour of the area, was hosted by Mr. and Mrs. Roland Bauer, Hazel Kennedy and Sue Crews.

Senior citizens spelling bee set at Santa Fe; local contest here

The Second Annual Spelling Bee, open to senior citizens age 55 and over by May 1, sponsored by the State of New Mexico Institute for Senior Center Directors, will be held Monday, May 8, in Santa Fe at Mabry Hall in the Educational Building.

According to a release from the Senior Center, the Spanish spell down will begin at 9:30 a.m., with the English spell down to follow at 11:30 a.m.

The local spelling bee will be held at the Adult Recreation Center, Ruidoso, Monday, May 1, from 2-5 p.m., followed by refreshments. The Spanish session will begin at 2 p.m., with the English session to follow immediately. A winner and an alternate will be designated in each category.

A practice session will be held Monday, April 24, at 10 a.m., at the Adult Recreation Center. Any eligible Senior Citizen may enter one or both contests. Word lists may be picked up at the Adult

Recreation Center, or call 257-4565 and request which sets you would like mailed.

Last year, Lucinda Nunez, of Picacho, entered both contests. She was the winner of the Spanish contest in Lincoln County, as well as the alternate in the English contest. Mrs. Nunez went on to win second place in the State of New Mexico Spanish contest. She received several locally donated gifts, as well as a cash prize at the contest in Santa Fe.

Barney Waldrop, Ruidoso, entered the English contest and was the winner in Lincoln County. He received some locally donated gifts and participated in the state English contest in Santa Fe.

Following the state spell down the contestants were honored last year at a luncheon at the Santa Fe Senior Citizens' Center and at a tea at the governor's mansion.

A mini-tour planned around the state

contest was arranged for the winners, alternates and others.

Another mini-tour has been planned around this special Older Americans' Month activity which will include:

— Leave the Ruidoso center Sunday afternoon, May 7, for one night in Albuquerque.

— Leave Albuquerque Monday morning, May 8, for the State Spelling Bee and one night in Santa Fe.

Obituaries

Chad Louis Horton

Chad Louis Horton, 57, died Friday at his home in Capitan after a long illness.

Services for Mr. Horton, who was born March 10, 1921, in Hunt County, Texas, were held Sunday afternoon in Kingdom Hall of Jehovah's Witnesses in Capitan with Jerry Reese officiating.

His remains were cremated.

Mr. Horton is survived by his wife Evelyn, son Chad Louis Horton Jr., Medicineville, Texas, daughter Vickie Jean Allen, Huntsville, Texas, sisters Jeannah Ewing and Lyda Ayers, Dallas, Texas, Dixie Rosen, Irving, Texas, Francis Hamilton, Baytown, Texas, and Tiny Brandon, Greenville, Texas, and brothers Morris Horton, Baytown, Texas, John Horton, Greenville, Texas and Bun Horton, Atlanta, Georgia.

Arrangements were by Clarke's Chapel of Roses.

Lita Mae Blaylock

Funeral services for Lita Mae Blaylock, 37, Mescalero, were held Wednesday at the Reformed Church of Mescalero with the Reverend Roger Bruggink officiating.

Interment followed at the Mescalero Cemetery.

Mrs. Blaylock was born December 16, 1940. She died April 15 at William Beaumont Hospital in El Paso following a lengthy illness.

She is survived by her husband Clayton, of the family home; one son, Frederick Blaylock; two daughters, Serna Marie Blaylock and Lalani Blaylock; one sister, Verna Jean Istee, and two brothers, Leonard Kanseah and Usayas Josanny.

Pallbearers included James Hyles, Stan Che Jr., Harland Dilla, Raymond Martinez, John Folsom and Larry Enjady.

Arrangements were made through Clarke's Chapel of Roses.

MESCALERO'S GINA KLINEKOLE was named Miss Eastern New Mexico University Indian Princess during the ninth annual Pow-Wow on campus. A sophomore majoring in psychology, she reigned over the activities including draft demonstrations and Indian dancing.

Former Hondo resident honored

Mrs. Roarda Pilon, formerly of Hondo, was honored with a birthday luncheon recently in the home of Mrs. Hazel Arthurs of Hondo.

After a luncheon served by Mrs. Arthurs, Charles Rickenbaugh and Mrs. Carl Radcliff, a birthday cake, sherbet

punch and rosebuds mints were served from a lace covered table.

Attending the celebration for Mrs. Pilon, who now lives in Roswell, were her sister Mrs. Ruby Douglas, Mrs. R. M. Childress and Mrs. Virgil Threest of Roswell, and Mrs. Nell Parks of Ruidoso.

ALTRUSA CLUB honored Career Girls, left to right, Treva Kelley, March, Julie Gooch, May, and Patti Hall, April, at their Wednesday luncheon.

Ed Davidson

Funeral services for Ed Davidson, 84, a 19-year resident of Ruidoso, were held Wednesday at Clarke's Chapel of Roses with the Reverend Ken Cole officiating. Interment followed at Forest Lawn Cemetery.

Mr. Davidson was born a United States citizen in Russia December 12, 1893. He died April 17 following an illness at the Ruidoso Hondo Valley Hospital. He was preceded in death by his wife Lucille, who died in 1970.

Davidson is survived by his sister, Lillian Rosen, Houston, Texas, and two brothers, Louis Davidson and Henry Davidson, both of Houston.

Davidson was a member of the Jewish faith and a member of the Masonic lodge.

Pallbearers included: LeRoy Newell, William "Buck" Wayne Gibson, Ted Bennett, J. B. Wilson, Joe Truitt and John Sigler.

Della Ruth Skinner

Services for Della Ruth Skinner, 59, Roswell, a longtime Ruidoso resident, will be held at 10 a.m., Friday at Ballard Funeral Home in Roswell with a reader from the Christian Science Church officiating. Burial will follow in South Parks Cemetery.

Mrs. Skinner passed on Tuesday in Roswell after a sudden illness.

Survivors include husband Herbert Skinner, Roswell, sons Everett Skinner, Reserve, George Skinner and Herb Skinner Jr., Gallup, daughters Lavonne Stearns and Lucille Byrd, Gallup, and seven grandchildren.

Arrangements by Ballard Funeral Home, Roswell.

Amaranth hosts Grand Lecturer

Grand Lecturer Christina Bush made an official visitation to Ponderosa Court Number 6, order of the Amaranth, at a special covered dish dinner meeting at the Eastern Star Hall March 28. The dinner was served at 6 p.m., with the meeting beginning at 7:30. The dinner committee consisted of Thelma Stoneman, Dorothy Craft and Walterine Hughes.

The meeting was called to order by the Royal Matron Inez Killebrew and Royal Patron Frank Titsworth. Both the dinner and meeting were well attended with out of town guests from the Albuquerque, Hatch

and Alamogordo courts.

Grand Royal Matron Ann Ramsey of Sierra Blanca Court Number 5 and Grand Royal Patron Ray Littlefield of Ponderosa Court Number 6 were presented and introduced.

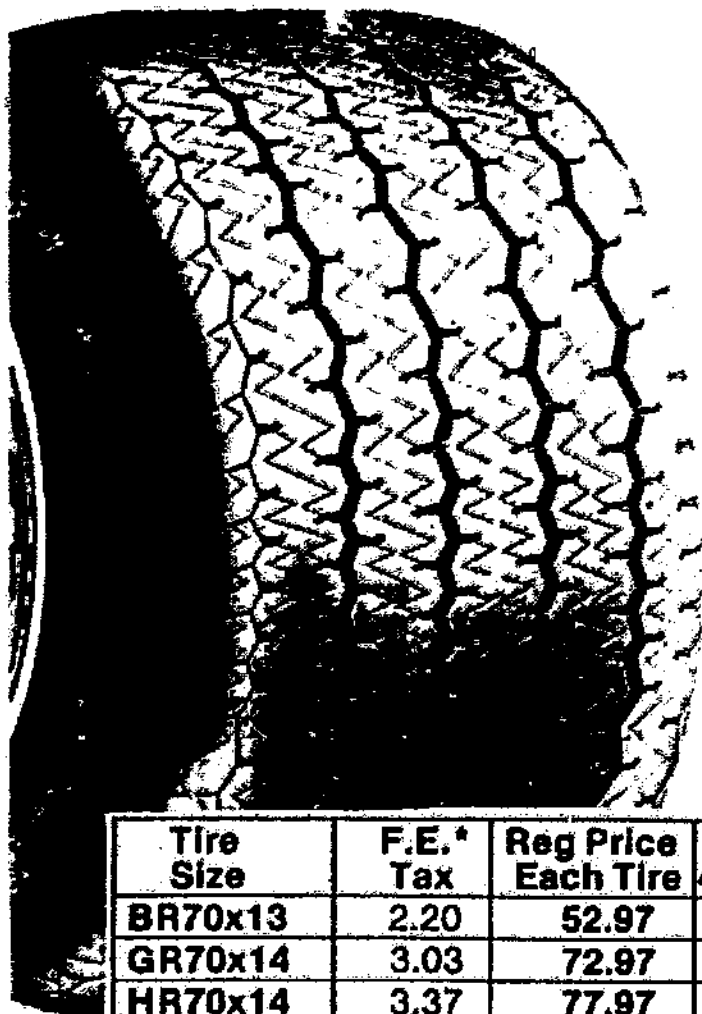

The Royal Matron announced that the next meeting will be April 25 at 7:30 p.m., with a friendship dinner preceding the meeting at 6:15. She urges all members to bring an Amaranth friend to both the dinner and meeting.

The dinner committee is Elva Smith, Dixie Cox and Inez Killebrew.

Mesa Verde, a different park

Of the nearly 300 areas in the National Park System, 37 are so outstanding in quality that they carry the title of "national parks" rather than monuments, historical sites, battlefields or other designations.

The names of these parks are household words across America — Yellowstone, Carlsbad Caverns, Grand Canyon, Everglades, Yosemite, Grand Teton, Isle Royale, Big Bend, Glacier, Canyonlands, Mount Rainier, Mesa Verde.

Thirty six of the parks, often called America's "crown jewels," are preserved because of their natural wonder in the form of superlative scenery. One, Mesa Verde, is preserved because of its archeological and historical value.

Mesa Verde contains well preserved but fragile ruins of prehistoric dwellings and tells the story of pre-Pueblo Indians who lived on the mesas and in the cliffs of what is now southwest Colorado until the 13th century.

It's a story that began some 1300 years ago, when a society living in pithouses occupied the area. The civilization prospered and the housing became more sophisticated. From pithouses, the Indians moved into above ground pole-and-mud structures by the eighth century. Before the year 1000, stone masonry began to replace the mud structures and by the 12th century well-made apartment-like buildings were in vogue. Some were as high as four stories and contained 50 to 100 rooms. The largest dwelling, Cliff Palace

had over 200 rooms and housed perhaps 200 to 250 people.

There is no definite reason why in the late 12th century the Mesa Verdeans moved from the mesa tops into the caves in the cliffs. They lived in these cliff dwellings for 75 to 100 years and by 1300 Mesa Verde was abandoned. Probably some of these people migrated into New Mexico where they joined existing pueblo groups or established their own.

Visitors to the park today can study the evolution of the people who lived there and speculate about why they abandoned the area. The park entrance is located midway between Cortez and Mancos, Colorado, on U.S. 160. From the entrance it is 15 miles to the Far View Visitor Center and 20 miles to the museum and major ruins of Chapin Mesa.

Mesa Verde is an extremely busy park, especially in summer, when rangers conduct guided tours through certain cliff dwellings. During the winter, when weather permits, tours are conducted only to Spruce Tree House.

A campground and picnic area are available, but hiking is restricted in the park. Campfire programs are presented in the evening from early June to September.

Lodging is available from mid-May to mid-October, and it's best to make reservations with the concessioner. In season, groceries and meals can be purchased and bicycles rented.

If you are planning to visit a National Park Service area on your vacation, write

the NPS, P.O. Box 728, Room S-3, Santa Fe, New Mexico 87501. You'll be sent a brochure that lists NPS areas within an easy drive of your home and charts the activities available at each.

THE CLIFF PALACE, largest of all known cliff dwellings, is a major attraction at Mesa Verde

National Park in Colorado, telling the story of the pre-Pueblo Indians.

Warrior thinclads enter Tularosa Rose Relay

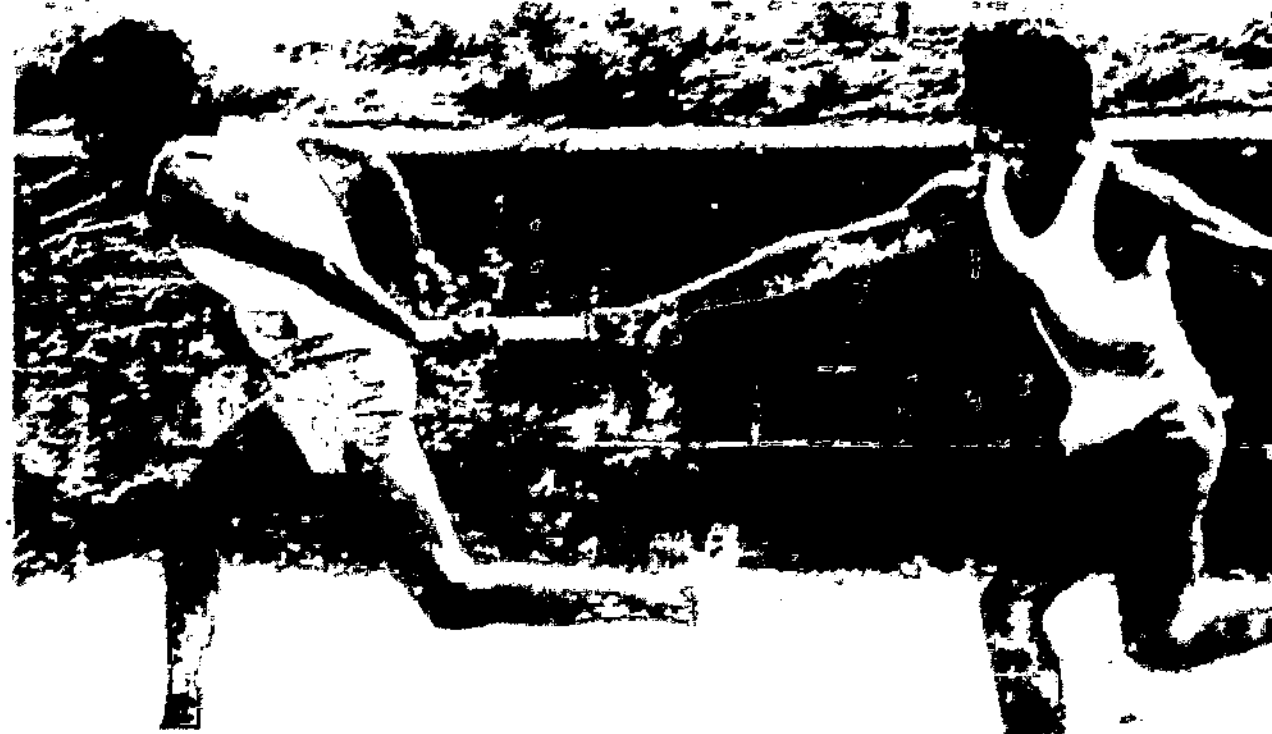

The Ruidoso High School track team will travel to the Rose Relay to be held at noon Friday at Tularosa High School.

"We expect to do very well in the Rose Relay," coach Darrel Stierwalt said. "The 24 squad members have been working out since March 15."

At the Grizzly relays held last weekend in Carrizozo Jeff Elliott was third in the 440 yard dash, Josh Ensor was third in javelin, Jack Walsh was fourth in pole vault, Kevin Anderson was third in the high jump, Chris McWhorter was second in discus and fifth in long jump and Mike Pritchett was third

in high hurdles.

Other results include John Cabot, fifth in low hurdles, Mark Anderson, second in 880 yard dash, and the team of Hector Aguilar, Kevin Anderson, Mark Anderson and Jeff Elliott third in the mile relay.

BART OWEN hands off to Hector Aguilar in their third place mile relay at the Grizzly Relays last weekend in Carrizozo. (Pictures by Cathy Wynn)

CHRIS McWHORTER puts the shot during the Grizzly Relays last weekend. The Ruidoso High School track team will travel to the Rose Relays in Tularosa this weekend.

MR. ADVERTISER
"Everybody knows me and where I am and what I sell." If you've ever felt that, read this:

● The U.S. Government reports that after one year, 20% of the population of our country moves on to another location.

● In two years the 20% figure jumps to 30%; in three years it is 38%.

● After 10 years, 66% of the population of the nation WILL HAVE MOVED!

Can any retailer really afford to sit back and feel "they know me, where I am, and just what I sell"?

THINK ABOUT IT!

Inside the Capital

By CARROL W. CAGLE
SANTA FE — Manuel Lujan Jr., the 10-year veteran congressman from New Mexico's northern district, predicts President Carter's proposal to disallow certain business "entertainment" expenses from the tax code won't go anywhere.

Lujan criticized Carter's attack on the so-called "three-martin luncheon."

He said "it's an inflammatory expression," adding: "I really don't think anything's going to be done about that."

Lujan also recalled the days when he was a student at the College of Santa Fe (then St. Michael's College) and started spending so much time with his soon-to-be wife that he got an "F" in his chemistry class.

Years later, the man who gave him the "F" ended up as president of the college and was visiting with Lujan in Washington about the prospects of getting federal aid for a college construction proposal.

Lujan couldn't resist razzing his old professor, and referred to the falling grade in chemistry, thinking the man didn't recall what, to him, would have been a minor incident.

But the college president responded immediately:

"In those days you seemed to be more interested in biology than chemistry."

An official of the Department of Finance and Administration who's involved in the

day-to-day functioning of state government says Gov. Jerry Apodaca's new cabinet system of government is working well so far.

He said: "We haven't heard much from anybody about any problems. Reorganization has given managerial types an 'opportunity to combine functions and gain economy of scale.'"

But the official added that the DFA's own budget analysts need to help bolstering the accounting and management systems within the new 12-department cabinet structure.

"Our people need to get out into the agencies more and help them at an earlier stage (of budget development)," he said. "We want to try to spend more time with the agencies. We're going to encourage the analysts to spend more time in the agencies rather than here (in the office)."

Fred O'Cheskey, the first non-engineer to head the often-controversial State Highway Department, says:

"One of the biggest problems I find is a lack of long-range planning."

O'Cheskey, named by Governor Apodaca and approved by the State Senate to replace Jim Bird, who had a running battle with Apodaca, says he finds that many New Mexico communities have been upset with the road agency because it didn't develop good long-range construction plans and stick with them.

Referring to the department's officials, he said:

"If I had 'em all in here, they'd say, 'Yeah, we've got good long-range planning.' But when you get right down to it, there's very little."

O'Cheskey previously headed the State Revenue Bureau and the Energy Resources Board.

In an interview with this column, he said: "I don't want to leave you with the idea there are no plans at all. But (the planning process) should be monitored and the local people kept abreast of it."

Clipped comment

THE HIGH COST OF KEEPING WARM

A recurrent theme of editorials in this newspaper has been the idea that when energy supplies begin to dwindle, heating and lighting costs will become prohibitive for the masses.

For this reason we have favored the development of the nuclear power industry and, by extension, the Waste Isolation Pilot Project which is a necessary part of that industry. We still hope the government will give the community a WIPP proposal which it can support.

Just a small example of the kind of thing which will begin to happen as we start to run out of the more conventional sources of

energy is taking place right now in a small community in Maryland.

The Washington Post reported on an irritated and frustrated group of consumers in Poolesville, an upper-middle-class city of 3,500. They are served by Potomac Edison Co. which produces its electricity by burning coal. The recent coal strike forced the company to seek higher-cost forms of energy and pass the cost on to the users.

The result? At the Summers residence the two-month electricity bill ran \$818. The Wests will pay \$447 for the same period. At the Post residence the bill was \$794.

Said Sally West: "It was the first time they'd ever put the bill in an envelope instead of mailing it like a postcard. I guess they didn't want anybody to pass out at the mailbox."

There is no doubt that unless this country moves swiftly to develop a comprehensive energy policy, the type of thing which happened in that small Maryland community will be multiplied many times over. Once again, we must ask the opponents of nuclear energy, those who claim to be so interested in the life and safety of their fellow man: what alternatives do they have to protect future generations, i.e., where will they be when the lights go out? —Carlsbad Current-Argus

CANOPY RULING

Striking down the canopy liquor license lease agreements may increase pressure to revise the state's antiquated liquor laws.

"Canopy" agreements are a procedure used in the past in which two businesses "under the same roof" could operate on the same liquor license. The State Supreme Court has ruled such a practice violated the intent of the quota provision which allows one license per 2,000 population.

Should all canopy operations be closed down, there are going to be some liquor establishments suddenly without a license and out of business. This could create pressure on the legislature to ease the restrictions on the number of licenses issued. —The Rio Grande Sun

editorial

All of our fire fighters, from the Forest Service to volunteers, aren't merely bird dogging us to prevent forest fires. We don't need, in our mountains, children with matches, carelessly dumped hot charcoal or a heedlessly flicked cigaret butt. We don't need another Moon Mountain Fire. And it is a fact: "Only you can prevent forest fires." —CD

Stuph & Junk

... by

Cale Dickey

THANKS, "BUDDY" HEWITT

'Tis a dandy fine job of street striping that was done on Sudderth and Mechem recently ... provides good solid guide lines to keep the pedestrians nimble ... and the man responsible for this safety measure is "Buddy" Hewitt ... the engineer who ramrods this highway district. He heard tell ... in his Roswell office ... that the paint on our street was thinner'n Our Jimmy's patience with Congress ... and what'd he do but tell the striping crew to get to striping ... and, "Buddy" we do appreciate your efforts on our behalf to help us avoid fender benders.

HOW'S THAT AGAIN?

The double entendre is the bane of a headline writer's existence ... 'cause it leads to the double take by saying something else than was meant by the writer. For instance:

— Monday's edition of The El Paso Times had this gem on the top of page one: "Carter Summons Aides To Retreat" ... now the writer didn't mean that ... but, without half trying, it's more than possible to come up with a few stands Our Jimmy and his staff could retreat from ... no?

CALL CALLS 'HELP'

Helen Call of 7445 S.E. Henderson, Portland, Oregon 97206, has issued a call for help from old timers in the Alto area ... for information about her great grandfather Williston Hollis Lane or

Holley Williston Lane ... who was supposedly shot off his horse in or near Alto in 1913 ... the shot man's son ... Elmer Taylor Lane ... died in Alto October 6, 1916.

She's doing a family history research for church purposes ... so if'n you know about the gentlemen who was shot off his horse ... or his son ... Helen Call'd appreciate any information you can come up with ... and if'n you've got news, call her, collect, 503-771-4780 ... she's eagerly waiting.

I COULD BE HAD

I know they meant well, but the invitation read that a Lieutenant Colonel and members of his fighter group "request the pleasure of Cale Dickey" at an upcoming function.

With the problem being ... are they interested in my pleasure ... or interested in the pleasure they are requesting of me ... if the former, I've quite a list ... if the latter ... well, now, they're inviting the wrong boy. Anyhow ... it was nice of the Colonel and his boys to think of me.

ON NUCLEAR WASTE

Uncle Sam's seekers of depositories for nuclear waste are mighty interested in contaminating the salt beds east of Carlsbad ... which might make the salt unfit for human consumption when it'll be needed.

It's seem ... from the sanctity of the Sacramento Mountains ... that they could take a new, clear, look at nuclear waste disposal sites and bury same under the gypsum deposits on White Sands Missile Range ... safe in the knowledge there'd be nary a complaint from the habitues of the sands.

And burying the waste in that white gypsum'd serve the good purpose of making the troops easier to control ... 'cause the penalty for not obeying rules could be two weeks of guard duty at the burial site.

WE'RE ALL GOOD GUYS

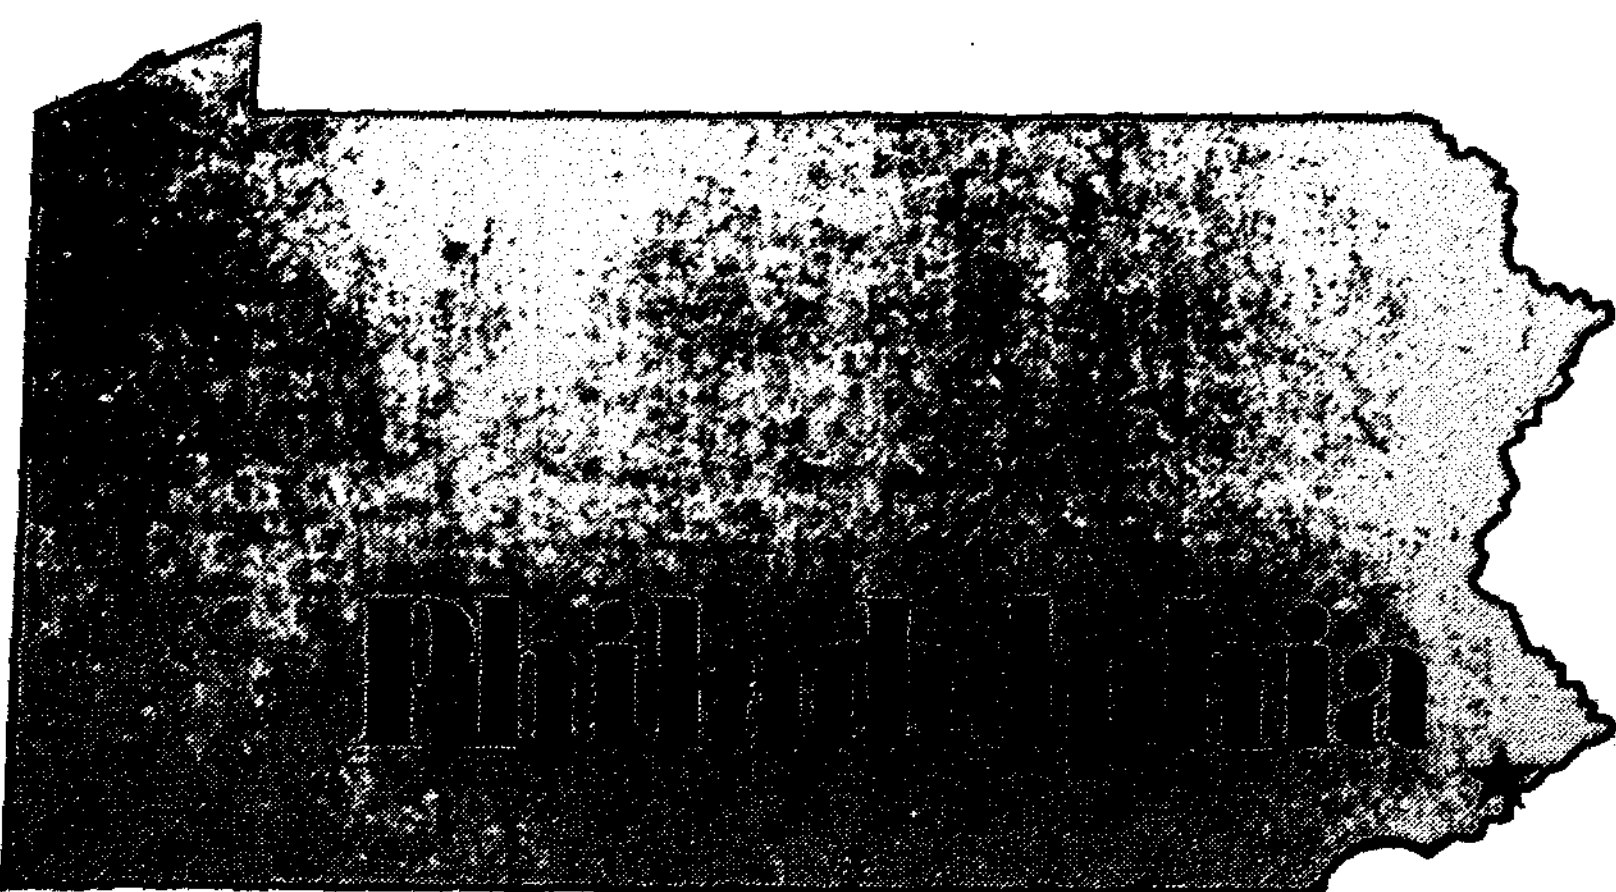

To refresh your memory ... 'twas last summer that bearded and long haired Gary Moore ... on his east to west cross nation stroll ... paused in Ruidoso ... partly to rest his aching feet ... partly to find a home for a kitten he'd befriended west of Roswell ... remember?

Well ... in the April 10 Newsweek ... page 23 ... Moore's summation of the people he encountered in his 3,600 mile walk appears ... and he tells us that us Americans are dandy fine people ... polite, friendly, generous ... and that never once was he subjected to even a hint of bodily violence.

So ... bully for all of us for being such a bunch of good old boys.

BRIEF BIT: If'n you didn't get your income tax returns filed by the deadline, rest assured the IRS'll tax something besides your nerves ... CD

Your savings earn as much at the Ruidoso State Bank as they do in

The Ruidoso State Bank's sunup to sundown savings plan earns as much as any savings plan at any other bank anywhere in the U.S.

Savings deposited today earn 5% compounded daily. That means your savings are working for you at 5% interest even if you put them in one day and take them out the next.

It pays to save at the Ruidoso State Bank not only because you get as much for your money as anywhere else in America but also because money that stays in Lincoln County helps everyone to a better life!

FAITH HELPS US APPRECIATE A FATHER'S WISDOM

Despite a variety of unflattering images depicting a father as either too stern or too spineless, the true picture is more likely that of a kindly, hard-working provider and protective shield for his family; the wise arbiter of right and wrong; the author of firm but loving discipline; and a tower of strength at all times. A father tries to conceal his anxieties while setting the example of character and courage for his children, and must provide the answer to any physical or moral crisis that may arise. The Bible is filled with passages in praise of a father's wisdom and guidance, and you should learn to honor and respect your father at the Church of your choice; not merely on special occasions, but every day of the year.

GOING Strong

by Gerry Johnson

Stand Up And Be Counted

When 81-year-old Scott Walters, Sr., of East Point, Georgia, retired after 43 years with the U.S. Postal Service, he was convinced of one thing.

"I knew retirement wasn't for me," Mr. Walters said in a recent interview with a writer from The National Council on the Aging. "A man can go nuts just sitting around."

Immediately after his retirement as Postmaster of East Point, Mr. Walters studied for and passed the test required to get a Georgia real estate license. Except for the fact that his new job called for him to work on Sundays, Walters would probably still be selling real estate in East Point. Rather than break his life-long rule against working Sundays, Walters decided that real estate was not for him.

He was still determined not to remain idle and looked around East Point trying to decide what sort of work he wanted to do.

It was close to election time when Walters was making career plans. The office of Justice of the Peace was being contested and Walters entered the race.

"The incumbent was pretty sure of himself," Walters said. "I just went about my business and beat him by about 2000 votes."

He was 74 when he became Justice of the Peace. As a young man he'd quit high school in order to support his mother and seven brothers and sisters, so his formal education was limited. His position requires a fairly solid legal background, so Walters began an informal study of law. He doesn't plan to take the Bar Exam but the legal knowledge he has acquired is quite impressive.

In 1970, Walters ran for a seat on the East Point City Council. He won the election and four years later, at the age of 80, he ran for reelection — this time unopposed.

What prompted Walters to embark on a political career so late in life?

"I've always felt that if you're going to get anything out of life, you have to stand up and be counted," Walters said. "Too many people are willing to let someone else make the decisions. And if they don't like those decisions, all they do is gripe about them. That's not my way of getting things done."

Mr. Walters' second term as Justice of the Peace is coming to an end and he plans to run again.

"Just because I'll be 85, why should I retire? Walters said. "I feel just as good today as I did 30 years ago. I'm convinced that attitude has a lot to do with longevity. I see people sitting around after they retire doing nothing and they look terrible to me. I don't want to end up like that — would you?"

ON MONDAY AND Tuesday, September 13 and 14, public television stations will carry "Over Easy," a new show designed to provide entertainment and information on a daily basis

for people 55 years and older. Check your local listings for time and station. The producers of the show would like to hear the opinions of viewers. Send your comments to: Over Easy, P.O. Box 28357, Washington, D.C. 20005.

FOR PEOPLE WHO skip breakfast: Don't. Recent studies show that people who don't eat breakfast are more likely to have accidents than those who begin the day with a nourishing meal. An added benefit is that most of the food eaten at breakfast is converted into energy rather than fat, which is the case with food eaten at lunch and dinner.

RECENT CENSUS BUREAU figures show that in 1975, there were 22 million Americans 65 and over. The number of people 65 and older has been increasing by between 3 and 4 million every decade. By the year 2000, estimates place the number of people 65 and over at 31 million, more than one-third more than today.

The Silver Lining

BY DANIEL AGNEW STORM

Pappy Johnson Returns Home From The Hospital

We rejoice that our good friend, W. R. "Pappy" Johnson has returned to his home in Ruidoso Downs after being gone about forty days down at Houston where he entered the hospital for a hip operation.

You would never know it from Pappy's cheerful and sun shined disposition, that he had been in constant pain for the last fifteen years.

Pappy has been a hard worker all his life. First, as a farm boy in his native Texas, down at Fort Chadborne, then later as a heavy equipment operator around Odessa.

About fifteen years ago his right hip began to give him pain which increased through the years. After working with his equipment in the oil fields, for a great part of his life, Pappy moved to Ruidoso Downs to his home overlooking the river just a little east of the racetrack.

Gifted with a great love of people and a way of making folks happy with his stories of his early life and his cheerful and witty way of talking, Pappy soon became the friend of all the community.

Pappy was often heard to say, "I love to work." And he was happy with his apple orchard, pruning, spraying, irrigating and picking apples, and with his chickens and his garden.

Last year he planted a grand garden with corn, beets, squash, cucumbers and almost every other vegetable that grows here in our homeland in the hills.

Early this year he was eager to begin his new garden better than ever, and to tend to his apple trees; but his hip condition became more painful than ever. Still he would not quit with his preparations to begin work, although he could hardly walk.

Pappy talked with me many times, about his condition, saying, "I will go as long as I can."

We began to talk about a hip operation, saying that doctors could do wonderful things these days. Still it was a big decision to make, and Pappy said, "I will go as long as I can and then I will do something."

So about forty days ago Pappy came to the house and told his wife, "I have gone as far as I can go."

So he entered the Methodist Memorial Hospital in Houston under the care of Dr. Fernando Cabinum.

All of us were praying for Pappy, and knowing the Good Lord would bring him safely through his operation.

So it was good to hear Pappy's voice over the telephone Friday evening, April 14 saying,

"We just drove in."

I asked him how he felt and he said, "I didn't know this was such a wonderful world. I am free from pain for the first time in fifteen years. I can lie down and sleep without medicine, and I can walk without pain."

It was all a great story with a happy ending. Pappy told how everybody was wonderful to him at the hospital, and praised the doctor and his helper and the nurses.

"For about a week I did not know night from day or much of anything," says Pappy. They say I joked with the doctor and nurses, but I don't remember it."

Pappy's operation is one of the marvels of medicine in which the doctors make a new ball and hip socket. And Pappy is

gaining strength each day, and each day more filled with joy at being able to walk and rest free from pain.

Before Pappy left Houston, our brother, Mark took him on a tour of the city. With Pappy in a wheel chair, Mark and he made a trip through the Astrodome.

"You never saw anything like this Astrodome," said Pappy. "We went down to the bottom of it, and I was worried about Mark having to push me up out of there. But we came up on the elevator. I never enjoyed anything like the trip around Houston with Mark."

So once again we rejoice in the happiness of a friend, and we count our blessings. We are grateful for friends who are with us in our need. We are thankful to the doctors of the world who have dedicated their lives to God's work of mercy, and healing and saving of lives.

And we thank God more each day for all his blessings to all of us — for bringing us so many joyful days and so much happiness straight from our home in Heaven.

District Meeting Of Disabled Veterans

It was great to see so many at the district three meeting of the Disabled American Veterans, held last Saturday at the New Legion Hall in Ruidoso.

Disabled veterans and their wives gathered from many places in Southern New Mexico to attend the meeting and the grand dinner prepared by the American Legion Auxiliary.

We extend a hearty vote of thanks to these ladies for all their good work. And also special thanks to Romeo Klein for his good work in making preparations for the meeting, and for his devotion to helping veterans through the years.

We are grateful to all the local veterans who helped make the meeting a success, and to all those who came from the chapters in district three.

Among the honored guests were Eula and Lloyd Gibson of Glencoe, Lloyd is a veteran of World War I and a charter member of Coe-Curry Chapter, Ruidoso, of the Disabled American Veterans.

Spring In Full Tide

The oak brush is coming out on the hillsides, turning the world green. The apple blossoms are out in full. And the green leaves of the box elder along the river, make a border all along the way, for all the spring blossoms.

Let us thank God for the beautiful Spring.

Clipped comment

ON AUTO REPAIRS

Because many car owners have often not responded to industry recalls for repairs — done at the maker's expense, sentiment has arisen in favor of a system whereby motorists are either prodded or required to correct defects when notified of the need.

There is, however, much resistance to coercion and even the suggestion that states withhold registration or licensing of vehicles which have not had defects repaired encounters staunch resistance. Americans simply do not like being coerced.

In some European countries inspectors and garages already have the authority to require motorists to repair defects, replace worn tires, etc. In this country only state inspections stations have such authority, but not in all states.

How to get all motorists to eliminate hazards, potentially dangerous conditions, in mass recalls initiated by makers, is a complicated problem. It's surprising so many fail to take advantage of such offers — an estimated fifty percent. Since 12.6 million cars were recalled last year — a record — that means about six million haven't received needed repairs. — Santa Rosa News

Family bathroom revitalization simple matter of beautification

Even if it's old and cramped and its furnishings are rooted to the floor, there's much you can do to revitalize and beautify the family bathroom.

When you redecorate your home, don't forget to spruce up this "everyone's room."

Here are some decorating tips which will work equally well for renewing the classically-small, apartment-style bath and its country cousin, the more spacious, private-home powder room:

- Cover walls with a bright, colorful wallpaper. If your bathroom has a window, have the shade made from extra wallpaper to match the walls.
- Hang a fancy shower curtain. Almost

any washable material can be used, as long as you protect the "wet side" with a waterproof shower sheet.

• Keep it shining. A clean bathroom is always a pleasure. Spray tub and basin, floors, tiles, counter tops and other washable surfaces with bathroom cleaner and wipe off with a paper towel, clean cloth or damp sponge.

In addition to killing staph, strep and other household germs, you'll also help prevent mold and mildew growth for up to two weeks.

• Add some decorative shelves. Cabinet space is often at a premium in bathrooms. A few gold- or silver-trimmed shelves will provide extra storage space and lend an elegant look to the room, and you can use them to show off pretty bubble bath, bath oil and perfume and cologne bottles.

• Cultivate a green thumb ... plants look great in any room, including the bathroom. Try a hanging plant near the window or by the sink — just be sure to choose a plant which adjusts well to moisture and that doesn't need a lot of direct light.

Sunland Park Hoofbeats

By Karen Halloran

Sunland Park Publicity Department
APPRENTICE CASH ASMUSSEN showed remarkable promise in Saturday's feature as he turned his first spin around a recognized racetrack into his first victory. The 16-year-old youngster who attends high school in Laredo, Texas, was aboard Pirate Island, a 5-1 shot, and showed plenty of finesse as he guided him to a half-length victory. And he already sounds like an old pro.

"I thought this horse might be a little short because he hadn't been out in awhile," he said after the race, "but he came through. It felt really good to win."

Cash has no doubt had plenty of guidance since his father is well-known rider Keith Asmussen and his mother, Marilyn, is an established trainer in her own right.

THE SECOND-HIGHEST night handle in Sunland Park history was set Friday as bettors pumped \$201,435 through the mutual machines. That tally is surpassed only by the total set January 1 when a 10-race program accrued \$214,554.

ANOTHER RECORD fell Saturday as the top mutual mark of the season was set at \$325,004. A huge crowd of 4,700 was in attendance.

JOCKEY CHARLES MUELLER hit the turf in Saturday's fifth race when his mount, No Repercussion, a two-year-old thoroughbred, clipped heels with Touch Me With Luck, stumbled and sent Mueller flying. No Repercussion then went on to finish the race alone. The jockey was taken to Providence Memorial Hospital for X-rays which turned up a fractured toe. He'll be out of action for about a week.

STOA MINGA'S only career defeat came in last year's All-American Futurity when she finished sixth after running into heavy traffic out of the gate. But she was back to her winning ways as she made her Sunland debut in Saturday's second race. The filly shot to the lead in the 400-yard bout and easily cleared a tough field by two lengths under the guidance of Jerry Nicodemus. Her earnings are now \$39,040 from five starts.

O'DENNY BOY, who's consistently in the money in higher claiming ranks, notched his fifth victory of the season in Saturday's sixth race as he came on with a powerful late charge and reached the wire a half-length in front. Other claimers with five wins to their credit are Copper Freckles, Five Power, My Type and Proven Boy.

DECIMAL CROW really rang the cash register in Saturday's seventh race for the

second-highest win payoff of the spring season. The gelding, handled by apprentice Don Howard, took the lead at the midpoint of the 6½-furlong test and never faltered for a 1½-length victory. Backers received a whopping \$102.60 on a \$2-dollar ticket. The higher mark was set by Adobe Road February 19 when he returned \$126.20.

TRAINER J. J. PLETCHER had a productive night Friday when he sent three horses to the gate for two victories and a second. His first charge, Aerb Fly, lodged the top spot in a six-furlong bout for a \$13.20 return and a 2¼-length margin. Then First Leader came through in the fifth race as the heavy favorite and returned \$2.80, followed by Coursing's Boy who took the runnerup slot in the sixth race.

APPRENTICE PHIL URIOSTE was suspended seven days through April 16 for failure to appear for review of the video replay of the 11th race, April 8, and for failure to control his mount Creole Prince in that race.

THE WINNER OF BIG TIME FOUR, the two-year-old thoroughbred, was Ramona Gutierrez of 10328 MacKinaw Street in El Paso. The colt was given away by KDBC-TV in a drawing held in the winner's circle following the Sunland Park Handicap.

THE WEEKEND was a real bell-ringer from a mutual standpoint. Mutual manager Jerry Knott called it "the biggest three-day weekend in Sunland Park history." The three days averaged \$285,399 and swelled the seasonal daily average up to a thumping \$237,759. The latter is a gain of 13.2 percent over last year's comparable \$209,699. The current meeting appears certain to set new mutual records.

THE FASTEST TIME for 4¼ furlongs was set by Bye Bye Mito in Sunday's sixth race as the impressive two-year-old filly

took a heavy toll on competitors and breezed to the wire with a 7¾-length margin. The time was 51 4/5 seconds, only 1 2/5 seconds off the track record set by Bold Liz in 1972. Carlos Rivas had the ride.

JOCKEY JERRY NICODEMUS received a \$100 fine for failing to control his mount, Umbrella Doll, resulting in a disqualification in Friday's second race.

IN CLAIMING ACTIVITY: Phone the Baby went to William Levan for \$1,500; Alamitos Moon Bug (Eliseo Herrera) \$2,000; Nibelungo (Ben Peoples) \$2,000; Colorado Run (Bob and Pat Powers) \$2,000; Cheapers' Streaker (Billy Hitt) \$2,000; Hieheaded Fool (W. A. Thompson and A. Hudson) \$2,500; Go Jody Rey (Warren Moore) \$3,200; Son of Eagle (C. and C. Carpenter) \$3,200; Noble Destiny (Elizabeth Smith) \$3,200; Bins Hit (Bill Bradley) \$2,000.

THE NO. 7 POST POSITION produced seven winners over the weekend to lead in that category. Here are the seasonal totals: No. 1 — 95 wins, No. 2 — 106, No. 3 — 95, No. 4 — 99, No. 5 — 109, No. 6 — 106, No. 7 — 83, No. 8 — 65, No. 9 — 48, No. 10 — 44, No. 11 — 0, No. 12 — 2.

Because your water heating system can account for up to 20% of your electric bill, it is important that your water heater be as energy efficient as possible. Under the Energy Checked Efficiency Home program, a water heating system can earn points for having a heat trap on the water heater, for having insulated pipes, and for the water heater being located within 20 feet of the kitchen and utility area. An Energy Checked Efficiency Home is thoroughly inspected for many energy saving features ... and having an energy-efficient water heating system is one of the ways to qualify. Before you buy a home, look for the Energy Checked Efficiency Home sign. It can mean lower operating costs for all the years you live in it.
