

Flood disaster aid meeting set at Hondo

An aid assistance meeting for Hondo valley residents, whose property sustained damage in the June 8 flood, is scheduled for 1 p.m., Friday in the superintendent's office of the Hondo High School.

State and federal disaster and planning officials will conduct the meeting, explaining available recovery assistance for

flood damage relief.

President Jimmy Carter declared the valley a disaster area late last week, establishing eligibility for federal assistance. State aid was made available recently through Governor Bruce King's declaration the flood damaged section of the Hondo valley was a disaster area.

Lost boy faced weather without once panicking

Seven-year-old Leonard Nunez, lost overnight in the mountains during an intense storm, survived — without once panicking.

Leonard's story, as pieced together by sheriff's deputies, was:

He was hunting pinecones, which he was storing in a five gallon bucket. During the hunt, he kept climbing from the Orchard Campground area where his family was. As darkness fell, he realized he was still climbing and didn't know which way to go to get back to his camp.

The rain and hailstorm hit.

"I put the bucket over my head," Leonard said. "It didn't make a good tent. The hail hurt my legs." His shoes were shower thongs.

During this time his dog, Burt, stayed by his side.

The next morning, about 9:10, volunteer Bennie Runnels, on horseback, found Leonard about one half mile below the Great Western Mine. He was wet, cold and hungry. He wasn't scared.

Bennie, as he rode, had kept shouting, "Leonard."

Leonard's first question, as Runnels located him, was, "How did you know my

name?" (Leonard has been thoroughly instructed by his parents, Mr. and Mrs. Willie Nunez of Roswell, not to talk to strangers.)

What about his dog, Burt? Seems Burt didn't want to come with Leonard and Runnels. Instead he went back to where the family had been camping.

Deputy sheriff John Cupp described the reunion between the dog and Willie Nunez. "The dog was caught and put inside a fenced yard. When Nunez came to get him, Burt ran up and grabbed one of Nunez's legs between his front legs and hung on so tight he could hardly be pulled loose. All the time he was hanging on, he made whimpering sounds that sounded to me like the happiest sounds any dog could ever make. It was a reunion I'll never forget."

Of the successful rescue, Lincoln County Sheriff Ernest Sanchez said, "Even though the search was conducted by White Mountain Search and Rescue, and coordinated by State Police Officer Kent Waller, I want to thank all my deputies, and other officers, including the volunteers, who participated and assisted in the successful search for little Leonard."

South Fork Campground opening to public Friday

South Fork Campground, located on Forest access road 107 near Bonito Lake, will open Friday at 8 a.m. Forest Service employees will be at the site to open gates to the campground.

Visitors should be aware that the road to the campground is a temporary access road which may be a little rough and includes crossing several culverts, according to Joe Spehar, Lands and

Recreation manager at Smokey Bear Ranger District.

"We urge everyone who plans to use the campground to use extreme caution driving over the road," Spehar said.

Spehar said the bridge, washed out in the December flood, has not yet been repaired because the river flow has not subsided enough. The bridge will be completed as soon as the water level drops, Spehar said.

Zoning enforcement big job

By CHARLOTTE FELLERS
Staff Writer/Photographer
(Fifth in a series on departmental services offered by the Village of Ruidoso.)

Emory Hatcher is the planning and zoning officer for the village of Ruidoso. Hatcher said a major part of his job is preparing agenda items for the monthly Planning and Zoning commission meetings, plus a full load of office work.

"I have to make sure all items brought before the commission are legally sound," Hatcher said, which includes all the paperwork for variances, replats and changes in zoning.

"I represent the city at meetings but I like to work with people to help them if they have problems," he said.

Hatcher said many people don't understand the legalities of what they may want to do, and his job often involves on-

site visitations of property and trying to find a workable alternative to people's ideas.

"The Planning and Zoning Commission is a recommending body," Hatcher said. All members of the commission are volunteers appointed by the village trustees upon the recommendation of the mayor.

Hatcher is proud of his office system, which was developed since he was hired as planning and zoning officer last year. "I think we have a workable system, and although I have enough work for two people, I think we're serving the needs of the public," he said.

Hatcher's office maintains an up-to-date file of all subdivisions and subdivision plats in Ruidoso, except some very early ones.

In addition, Hatcher is responsible for all the paperwork connected with John Emde, building inspector, and acts as deputy building inspector.

Hatcher works closely with local abstract companies and the county to "help people keep from making mistakes" in zoning and building plans. He also watches for illegal road cuts and condemnations while out driving Ruidoso's streets. Hatcher defines condemnations as any buildings that are unsafe, fire hazards or unfit to live in.

He feels he has made an impact on this problem since he started his job. "Before, we never had any way to follow through and do much about condemnations, but now, we have a procedure set up which allows us to go in and tear down a hazardous building if we have to," he said. Hatcher has two staff members whose job is to remove structures.

Hatcher said the biggest problem he has to deal with is zoning. "It's hard to make people understand the ins and outs of zoning. The set back laws, mobile home restrictions or quitclaims are sometimes hard for them to reason out," Hatcher said.

Another problem Hatcher faced, which has since been alleviated, was the issuing of building permits. "Before I was hired, it was difficult to get a permit because the person who issued the permits was also the inspector, and he was hard to reach," he said.

Now that a separate person has been hired for each task, both offices run smoothly, Hatcher said.

VILLAGE STUDYING PARKING PROBLEM

'Sales tax' goes up July 1

The Gross Receipts Tax, generally known as a "sales tax", collected in Ruidoso beginning July 1 will be .045 cents on the dollar.

Village manager Jim Hine announced the one-quarter cent increase to the new rate, at Tuesday's meeting of the Ruidoso trustees.

"The new tax rate of four and one half cents on the dollar," Hine said, "will also go into effect July 1 in Ruidoso Downs. Proceeds from this tax increase will be used to upgrade services in both villages, as I understand it."

THE NEWLY PAINTED "No Parking and Tow Away Zone," west of Center Street on Sudderth, on the south side of the street, was protested by Mac Kizer of Sierra Cleaners. Kizer was spokesman for 13 business and property owners in the immediate area of the new zone.

A statement, signed by the people concerned, was read to the trustees requesting the immediate removal of the "no parking and yellow zone on the SW

corner of Sudderth and Center, running in front of The Hockshop and Canopy Restaurant." The letter also contained this statement: "We realize that parking in our vicinity is a scarce commodity and we also realize that without it we cannot exist."

The trustees advised Kizer that a possible location for off street parking, north of that section of Sudderth, is being studied.

"With the installation of two culverts," trustee Ab Gunter said, "a little graveling and leveling, we'll be able to park a lot of cars less than one block from Sudderth. We think this will help solve your problem but we'll keep looking into it and let you know what we decide."

According to the state's Greater Municipal Parking Law, mayor Lloyd L. Davis Jr., said, "Any property owner has the right to have the street in front of his business designated as a no parking and tow away zone. If the owner of the Canopy has requested this action, it is completely within his rights and there is nothing we

can do about it."

The trustees, as requested by Billie Clarke, owner of the Hock Shop, authorized removal of the yellow stripe in front of that building. This leaves the no parking area in front of the Canopy building in effect. Trustees Gunter and George White voted aye on this action, with trustee Sherman Atwood voting no. Atwood's position was "This will create a real traffic hazard."

In other business the trustees:

— Approved Resolution 79-16 accepting federal grant monies for upgrading Two Rivers Park and approved Resolution 79-17, providing for budget changes for the 1979-80 fiscal year budget, as requested by the state Department of Finance and Administration.

— Approved Resolution 79-18 as dues to the Southeastern New Mexico Economic Development District, in the amount of \$120.

— Received an official complaint from Gunter on a bridge, he said, "is no more than 15 inches above the present river

level" on Short Street. Gunter also alleged that the river has been rerouted," near the bridge. Davis instructed village attorney Ron Harris and street superintendent Jack LeMay to "look at it (the problem) and report back," to the trustees.

— Received a report from Ted Hogseth, Boyle Engineering, that bonding procedures for Improvement District No. 4 (Pinecliff Subdivision) will be ready for action by the trustees at the regular meeting July 10.

— Heard a request from Allen Steele that the street in front of 1409 Sudderth be designated as a no parking/tow away zone. The trustees took no action on this request.

— Accepted, pending approval by Harris, execution of a deed to correct a 20 foot setback requirement in Country Club Estates, as requested by Bill Brown. The acceptance included the provision that the village be "granted perpetual easement on the property," for roads and other services.

Downs eyes park improvements

The Ruidoso Downs trustees spent most of their two-hour meeting Monday night discussing and comparing bids and quotes on equipment they plan to purchase for the All American Park and the water department.

The village is entering the second phase of park development, for which a grant has been received to cover most of the cost.

A bid from the Santa Fe firm of Forrest W. Wilcox and Associates was accepted for a picnic-type shelter, to be constructed on a concrete slab.

Bill McCarty Construction's bid was accepted by the board for construction of a new basketball court. The new park will feature separate tennis and basketball courts, rather than the combination courts which have caused some conflict in the past.

Lincoln County Electric was awarded

the bid installation of wiring and lighting for the courts. The lighting will be controlled by coin-operated mechanisms. No specific fee for park patrons has been set for the lighting devices.

Negotiations will continue between the trustees and Richards Contracting of Tularosa over the sprinkler system for the park. Several trustees said they wished to question the company about drainage and storage of the system during the winter months.

No bids were received for a concession stand, the slab base for the shelter or for labor and installation of the slab and shelter.

Fencing for the park was also discussed. It was generally agreed that the village could not afford chain link fencing for such a large area. The board agreed to construct a wire and wood fence after trustee Ray Parnell said he would donate cable for

the structure.

Village clerk Virginia Spall also reported on price quotes on the annual supply of water meters for the Downs. H.G. Reiter and Company of Albuquerque was selected to provide the meters, meter cans and accessories at an estimated cost of \$3,045.10.

The trustees also named a roster of possible election officials for the coming bond election July 18. They chose Mrs. Elmer Payton and Mrs. J.C. Capps as judges. Prospective election clerks chosen included Louise Norris Geaslin, Mrs. Elmon Randolph, Mrs. Art Bradley and Marguerite Rouse. Named as possible alternates were Ethel Wheeler, Jeannie Louise Walker, Albert Richardson and Maureen Lare.

In other business, the trustees:

— Proposed changes which would set specific fines, varying from \$15 to \$300, for

violations of the dog ordinance.

— Approved changes in the Motor Vehicle code which will allow violators to pay fines by mail, rather than requiring a personal appearance in court.

— Agreed to fence the area behind Village Hall to eliminate parking on village property by nearby residents. Chain link fencing will be purchased from T-Bird Home Center.

— Approved the hiring of William Kennedy III as a police officer.

— Heard and approved a recommendation from mayor Norman Wheeler that the Ruidoso Downs Planning and Zoning Commission consider a revamping of regulations dealing with mobile homes.

— Tabled an occupational license application from Greg Baca Landscaping, pending legal advice on zoning restrictions.

Lovell suffers gunshot wound

Former record setting jockey Willie Lovell, a race horse trainer at Ruidoso Downs since retirement, was reported to be in stable condition at Ruidoso Hondo Valley Hospital Wednesday afternoon, suffering from a gun shot wound.

Ruidoso police were called to Aspen Lodge Apartments about 7 p.m., Tuesday and Lovell was transported to the hospital by ambulance.

The investigating officers stated that he suffered from a single shot in the left

chest, with the .22 caliber bullet entering the rib cage.

Officers of the Criminal Investigation Division of the Ruidoso Police are investigating the incident.

Aircraft crash victims improve

Both young men injured in the May 29 plane crash which claimed the life of Ron Howard of Ruidoso are continuing to recuperate at their homes.

Mrs. Howard said Wednesday that her son James, 18, is "still in a body cast," but was "doing pretty good." She added that "considering everything," he was in fairly good spirits.

Allen Morel, also 18, is "doing great," according to Mrs. Howard. He suffered a broken ankle and broken arm in the accident. Morel will reportedly see his doctor sometime during the first part of July, to determine if his casts can be removed.

Morel is an employee of CATV Inc., of which the deceased pilot was the president and operator.

WHITE MOUNTAIN Search and Rescue members accepted a check Wednesday morning from the Ruidoso Rotary Club for \$2,763.33, representing profits from the last Rotary Enchilada Day in April. Local Rotarians had pledged the money to the Search and Rescue organization to help buy new equipment. The

Search and Rescue group in turn helped sell tickets throughout the community to the popular twice-yearly event. Pictured, left to right, are Herb Brunell, Allen Jacobs; Nick Griffin, vice president of WMSR; Mark Mulholland, Treasurer of the Rotary club; Dave Wilson and John Denny.

NEW DIRECTORS of the Ruidoso Rotary Club for the 1979-80 year are, from left, Ralph Bellon,

"Doc" Marquardt, Frank Sayner and Paul Gordon.

NEW OFFICERS of the Rotary Club for the 1979-80 year are, from left, Mark Mulholland, treasurer; Alden Deyo, president; Jack Reed, past president; Ralph Bellon, president-elect; and Archer Wilson, secretary. Ed Jungbluth, not

pictured, will be sergeant-at-arms. The officers were introduced by Reed at the club's annual installation and banquet and ladies night Tuesday night at the Holiday Inn.

A NEW BRIDGE CROSSING the Rio Ruidoso at Coyote Lane, in the Upper Canyon, was opened to traffic Monday. The bridge was washed out in the December 19 flood.

Mule Skinners not part of Mule-O-Rama

The Ruidoso Downs Mule Skinners Wednesday night unanimously voted to "be disassociated with Lincoln County Mule-O-Rama."

"This means," Mule Skinners' president Ed Hyman said, "that the Mule Skinners are having nothing to do with the other organization and that we will not be associated with them in any manner, shape or form."

In other business, the Mule Skinners discussed tentative plans for a fall mule racing meeting, October 5-7.

"We're planning on having mule races here at that time," Hyman said, "and are counting on it. However, we have a lot of details to iron out before we can positively set the time and place."

"We do know, following our entering the Durango, Colorado races that there is a lot of interest in mule owners in having a big race and rodeo events here in October. That's why we're working so hard to have it."

On dean's list

Included in the list of local students named to the dean's list at Lubbock, Texas and Las Cruces for the spring semester were:

Terry Payne, sophomore from Ruidoso, with a 4.0 grade average; Marveta Mayo, Ruidoso Downs and Tana Locke, Ruidoso, at Lubbock Christian College;

Darlene Joyce, Jessica Kemel, Philip Lindborg, Alan Smith, Wanda Sanchez and Debra Jones at New Mexico State University.

JAMES TAYLOR joined the sales staff of Whitlock and Lyle Real Estate this week. He is an associate salesman who moved to Ruidoso in October. He came from Plainview, Texas, where he was engaged in farming.

Obituaries

Leona Tierce

Leona Tierce, 69, of Ruidoso, died Tuesday at Ruidoso Hondo Valley Hospital. She was born August 9, 1909 to Frank Monroe and Barbara Draper and was a house wife.

Mrs. Tierce was a member of the First Baptist Church of Ruidoso and the Order of the Eastern Star, Fort Stockton, Texas chapter.

She is survived by two sons, Billy W. Tierce of Fort Stockton, Texas and Charles Ray Tierce of Midland, Texas; one daughter, Janet Smith of Lawton, Oklahoma; three sisters, Ida Judd, Wichita Falls, Texas, Myrtle Cowan of Bowie, Texas and Mattie Draper, address unknown; one brother, Don Draper of Capitan and four grandchildren.

Funeral services will be held at 3 p.m. today at the First Baptist Church in Ruidoso with the Reverend E. W. Campbell officiating. Burial will be in Forest Lawn Cemetery.

Palbearers are Marion Olson, Frank Pope, Garland Ramsey, Eldon Freeman, Guy Warmick and Orville Davidson.

Arrangements were by Clarke's Chapel of Roses Mortuary.

Katherine Campbell

Katherine Campbell, 85, Ruidoso Downs, died June 23 in Presbyterian Hospital in Albuquerque. A 33-year resident of Ruidoso Downs, she was born March 9, 1894 in Wilmington, North Carolina.

She was a member of the First Christian Church of Ruidoso and a charter member of the Ruidoso-Hondo Valley Extension Club. Her husband, Scott Campbell, preceded her in death.

Mrs. Campbell is survived by two brothers, Henry Nurnberger and Willie Nurnberger, both of Wilmington, North Carolina, and a niece, Mrs. Billy B. Jackson of Fort Worth, Texas.

Private services were held Monday at Forest Lawn Cemetery, Ruidoso, with the Reverend Ken Cole officiating. Arrangements were by the Ballard Funeral Home of Roswell.

A memorial fund has been established in Mrs. Campbell's name at the First Christian Church of Ruidoso.

Tentative identification made on body

Ruidoso Downs police chief Ray Garner reported Wednesday that tentative identification has been made of a deceased male found in the Downs area May 26.

The man, Garner said, is believed to be James Robert Hale, 32, whose last known permanent address was Venice, California.

The body was sent to the state medical examiner, who determined the cause of death to be a self-inflicted gunshot wound.

Ruidoso Downs men arrested on sex charge

Dennis Jefferson, 20, and Elmo Silva, 18, both of Ruidoso Downs, were arrested Monday on magistrate's warrants charging both with criminal sexual penetration, second degree, attempt to commit a felony and kidnapping in connection with the alleged rape of a 10-year-old girl June 9.

The men made a first appearance before magistrate Jim Wheeler Tuesday.

Silva's bond was set at \$40,000, with ten percent allowed and he was released.

Jefferson's bond was set at \$30,000, ten percent allowed. He was remanded to the custody of the Lincoln County sheriff's department and is being held in the county jail in Carrizozo.

Regional Jaycees meet here

A regional workshop for Jaycee officers, including club presidents and district directors, is scheduled July 6 in the Ruidoso Hondo Valley Chamber of Commerce office.

The workshop session will be for club presidents, with the district directors conducting the planning session for the coming year's Jaycee activities in this region.

Jaycee clubs participating include Alamogordo, Las Cruces, Deming, Lordsburg, Belen, Silver City, Los Lunas, New Mexico Honor Farm and the Los Lunas Correctional Center and Ruidoso.

Energy meeting set here Friday

A public meeting on conserving energy for businesses and individuals is scheduled at 2 p.m., Friday at the Ruidoso Public Library.

Department of Energy representatives Howell Whiting, Roswell and Bob Plunkett, Santa Fe, will conduct the session.

A portion of the meeting will be devoted to the use of solar energy.

Beat the heat and high bills...

... with wise energy management

Southwest summers mean sizzling heat, and that means you'll be running your air conditioner most of the time. Since up to 70% of your summer energy use goes toward air conditioning, you can expect your bills to be higher. To help lower that bill, keep the thermostat setting at 78 degrees or higher. Close drapes on sunny windows, and keep windows and doors shut. Change or clean your air conditioner filter once a month. And make sure furniture and other obstructions are not blocking intake vents. Why use any more energy than necessary in cooling your home? Wise energy management can make more sense this summer than ever before!

The local Sports Scene

by JOHN YANG

I watched some hot tennis matches Sunday at the Inn of the Mountain Gods. Del Carmona and Sue McMillan, Roswell, beat Gisela Keyes and Steve Messmer for the local Lipton Ice Tea Championship. These teams were hitting those balls yip-yay fast.

Carmona made some very excellent shots.

Messmer did about as well, but made too many little mistakes that took their toll. McMillan and Gisela were evenly matched.

Carmona and McMillan will be going to Santa Fe for the Lipton Iced Tea Mixed Doubles Championship regional tournament.

If they win at Santa Fe, they are given an all expense paid trip to the Woodlands Inn and Country Club in Woodlands, Texas to play in the \$150,000 championship Lipton matches September 13-16.

One thing I noticed Sunday was that the players were polite. If one missed a ball, and the person hitting it made a very good shot, the one missing would usually say,

"Good shot!" I appreciated this sportsmanship a great deal.

I ALSO TALKED with Herman Burkstaller, a native of Roswell, tennis pro at the Inn. He's quite a guy.

He started playing tennis when he was eight years old. He was taught by many coaches. He used to like only basketball and football, but now the situation is only tennis.

A pro at the Inn since September of 1977, he just plays and teaches tennis for a very exciting profession. He came here after teaching a children's summer tennis camp in Nogal.

He plays or teaches from 8 a.m. to 9 p.m. Even though he plays so much, he still says tennis is one of the most difficult sports in the world. "Tennis," he said, "is a sport that is never mastered."

He has been playing tennis for 49 years and never got to the point where he actually hated the game.

He will be playing in a national tournament in Las Vegas, Nevada September 12-16.

PEOPLE

RECIPIENT of a special award at the June 19 meeting of the Altrusa Club was Kathy Moore, head librarian at Ruidoso Public Library.

Moore, right, accepts the award from Katherine Finley, left, outgoing Altrusa Club president.

Altrusa Club honors Kathy Moore

Kathy Moore, Ruidoso librarian, was honored June 19 by the Altrusa Club for her outstanding professional contributions made to the community.

Moore joined the staff as head librarian in February 1978. Previously, she was children's librarian in Alton, Illinois and worked at Urbana Free Library, Urbana, Illinois while completing her Masters Degree in Library Science at the University of Illinois.

Since her employment, a new circulation machine has been acquired. As a result of automated circulation, efficiency and accuracy have greatly increased providing staff time for programing and special services.

"Currently there are 4,168 library users who patronize the Ruidoso Public Library. Considering that librarians are stated if they have a constituency of 15 - 20 percent of the populace served, I am quite pleased

that, even if the stable population of Ruidoso is considered to be 7,500, we can boast usage by more than 50 percent of the total populace.

"How many library cards have been issued since I've been in Ruidoso? ... Approximately one thousand and six hundred," Moore said.

Moore feels that programing is an important service to the community and has done extensive programing of summer activities for children.

"Community minded individuals, businesses and clubs have contributed greatly to the success of the Summer Program. For example, Gary and Melinda

Hall, Nottingham's Deli, are teaching cooking and cake decorating; Shaun Griffith - Creative Dramatics; Rev. E. W. Campbell - Leathercraft; Joyce Nix -

Music; Molly McGill - Photography; Ivy Heymann - Pottery; Karen George, Lisa Carter and Nadine Walzer - Tennis; Walter Rawley - Wood Carving. These people are volunteering their time and talents," Moore said.

Cancer clinic appointments still available

Some appointments are still available for the cancer screening clinics July 5 and July 12, according to Geneva Walker who schedules the patients.

She said out-of-towners and visitors are welcome to participate in the cancer screening clinic. All information compiled locally can be forwarded to their doctors at home, according to Walker.

The clinics are a very low-cost service provided through the Hospital Auxiliary, the East Lincoln American Cancer Society and local doctors, who are volunteering time to keep the clinic in operation.

The only cost for the clinic is \$4 for Pap smears and for men, the clinic is free. To schedule an appointment, call Walker at 257-7381, extension 317.

Coffee House Fish Market expansion set

A discussion of expansion plans for the Fish Market Coffee House will be the purpose of a meeting to be held Monday at 7:30 p.m., in the Lincoln County Realty Building across from Noon Lion's Park. All ministers and lay people are encouraged to attend.

The coffee house will feature soft drinks, coffee, popcorn and ice cream sundaes and will be available to churches for Bible studies. In addition, live entertainment will be available Friday, Saturday and Sunday evenings.

Arts and crafts lessons continue at Capitán school

Arts and crafts lessons, sponsored by the Capitán Extension Club, will continue today and Friday at the Capitán school building. A registration fee of \$1.50 will be charged to cover the costs of refreshments. A potluck luncheon will be held each day at 11:30, between the morning and afternoon sessions.

Thursday afternoon classes, beginning at 12:30, will be crocheting granny squares and making western shirts.

Friday morning's session, from 8:30 to 11:30, will focus on batik and handmade gifts. Crewel embroidery will be the subject of the Friday afternoon class.

For information and registration, contact Jan LaRue at 354-2655 or Lorene Caywood at 354-2605 in Capitán.

Melinda Sidwell will crown new Cinderella Miss

Melinda Sidwell, 12, New Mexico's reigning Cinderella Miss, will crown her successor July 6 at the New Mexico State Pageant in Alamogordo.

She is the daughter of Mr. and Mrs. Terry Sidwell of Capitán.

Local contestants competing in the state pageant include:

—Ellen Graham, 9, daughter of Mr. and Mrs. Jimmy Graham.

—Tina Kiffin, 13, daughter of Mr. and Mrs. Robert Kiffin.

—Cordy Rierson, 8, daughter of Mr. and Mrs. Don Rierson.

Woman's Club meets Mondays

The Ruidoso Woman's Club meets weekly on Mondays at the club house just off Sudderth Drive. Summer visitors are welcome to attend the potluck luncheon at noon, which is followed by afternoon bridge and canasta games.

It is not necessary to bring a partner for the card games, as groups will be formed from those attending.

Extension Clubs' cookbooks ready

The second printing of the Ruidoso Hondo Valley cookbooks has been completed.

Orders for the cookbooks may be made by calling Orby Neatherlin at 257-5894 or Dottie Quaid at 378-4810 or any member of any extension club in Lincoln County.

The book consists of 298 pages of recipes adjusted for high altitude cooking. According to Neatherlin, the books were originally published in the 1940's and reprinted later.

Because they were so popular, the Lincoln County Extension Clubs decided to update the books, adding chapters on Mexican cooking, making jelly, microwave cooking and cooking with other modern appliances.

The books come with a heavy pasteboard cover and are bound with a spiral. Each book costs \$5 and more than 2,000 copies have already been sold in Lincoln County.

Hot Shot Crew now in Arizona

The Hot Shot Crew, stationed at Smokey Bear Ranger District, was dispatched to a second fire on the Tonto National Forest in Arizona Tuesday evening.

The crew was notified of the fire late Tuesday afternoon, named the Paradise fire, and were expected to be there a few days. The fire is located near Phoenix, Arizona according to Steve Makowski, fire management officer.

Two other major fires are now burning in Arizona on national forest land, but Makowski did not know if the Hot Shots would be called to help extinguish them.

The Paradise fire is the second fire in Arizona in two weeks to be fought by the Hot Shots.

LEGAL NOTICE

NOTICE OF BOND SALE
VILLAGE OF RUIDOSO, NEW MEXICO
GENERAL OBLIGATION
SANITARY SEWER SYSTEM BONDS
SERIES 1979 \$1,000,000

NOTICE IS HEREBY GIVEN THAT THE GOVERNING BODY OF THE VILLAGE OF RUIDOSO, COUNTY OF LINCOLN, STATE OF NEW MEXICO, ON JULY 16, 1979, AT 2:00 P.M., (following standard time at the Village Library, Ruidoso, New Mexico, will receive sealed bids and publicly open the same for the purchase of the Village's General Obligation Sanitary Sewer System Bonds, Series 1979, in the principal amount of \$1,000,000. The governing body of the Village of Ruidoso will meet at a regular meeting on July 16, 1979, at 7:30 P.M., at the Village Library, and will consider at that time adoption of the ordinance authorizing the issuance and sale of the Village of Ruidoso, New Mexico General Obligation Sanitary Sewer System Bonds, Series 1979, in the principal amount of \$1,000,000.

THE BONDS will be sold August 1, 1979, will be payable to bearer, will be in the denomination of \$5,000 each, will be numbered consecutively in regular numerical order from one upward, and will mature serially on the 1st day of July in each of the years, and the amounts hereinafter designated as follows:

YEARS	AMOUNTS
1982	25,000
1983	25,000
1984	25,000
1985	25,000
1986	30,000
1987	40,000
1988	40,000
1989	50,000
1990	50,000
1991	50,000
1992	50,000
1993	50,000
1994	50,000
1995	250,000
1996	250,000

BOTH PRINCIPAL AND INTEREST OF THE BONDS shall be payable at the Ruidoso State Bank, Ruidoso, New Mexico, the Paying Agent for the bonds.

THE BONDS shall bear interest at a rate or rates not to exceed 4% per annum (net effective interest rate not to exceed 4% per annum), interest being evidenced until maturity by only one set of coupons. The interest coupons shall be payable to bearer on January 1, 1980, and semiannually thereafter, on July 1 and January 1 of each year.

EACH INTEREST RATE specified and evidenced by any coupon must be stated in multiples of one eighth or one sixteenth of 1% per annum. Bids involving supplemental coupons, or split interest rates will not be considered, and all bonds of one maturity must bear the same interest rate. The highest interest coupon rate may not exceed the lowest interest coupon rate by more than 2%.

THE BONDS are the first installment from the \$1,000,000 of the General Obligation Sanitary Sewer System Bonds that were authorized by the election held on May 8, 1979. The Village will not sell the remaining voted but unissued bonds until at least ninety days after the delivery of the bonds.

IT IS ANTICIPATED THAT CUSIP IDENTIFICATION numbers will be printed on said bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for said bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on said bonds shall be paid for by the issuer, provided, however, that the CUSIP Service Bureau charge for and assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

NO PROVISION will be made for the registration of bonds for payment. The bonds of said issue shall be

By Norman D. Wheeler, Mayor

Under the Village's General Obligation Sanitary Sewer System Bonds, and shall be payable from general (ad valorem) taxes levied against all taxable property in the Village without limitation as to date or amount.

BIDDERS ARE REQUIRED TO submit an unconditional written bid for all of the bonds of said issue, specifying (a) the lowest rate of interest and premium, if any, above par at which such bidder will purchase the bonds; or (b) the lowest rate of interest or premium, if any, above par at which such bidder will purchase the bonds at par. All bids must be submitted in the Official Bid Form, copies of which may be obtained from the Village's financial advisors, Stern Brothers & Co., P.O. Box 40, Albuquerque, New Mexico, 87103. Proposals should be enclosed in a sealed envelope marked on the outside, "Proposal for purchase of Village of Ruidoso, New Mexico General Obligation Sanitary Sewer System Bonds", and addressed to James L. Hine, Village Clerk, Village of Ruidoso, P.O. Drawer 69, Ruidoso, New Mexico, 86325.

THE BONDS will be awarded to the highest and best bidder considering the interest rate or rates specified in the proposal offered, if any, and subject to the right of the Village to reject any and all bids and re-advertise. The best bid for said issue will be determined by deducting the amount of the premium bid, if any, from the total amount of interest which the Village would be required to pay from the date of the bonds to the respective maturity dates at the coupon rate or rates specified in the proposal, and the award will be made on the basis of the lowest net interest cost to the Village. The purchaser must pay accrued interest on the date of the bonds to the date of delivery. None of the bonds will be sold for less than par and accrued interest, and no discount or commission will be allowed or paid on the sale of the bonds. The Village reserves the privilege of waiving any irregularity or informality in any bid.

ALL BIDS shall be sealed and except for the bid of the State of New Mexico, of one is received, shall be accompanied by a deposit of 3% of the amount of the bid, the principal amount of the bonds, being \$30,000, in either cash, or certified check, drawn on a solvent bank or trust company, which shall be returned if the bid is not accepted; and if the successful bidder for said issue shall fail or neglect to complete the purchase within 30 days following the acceptance of the bid, or within 30 days after the bonds are offered for delivery, whichever is later, the amount of the deposit shall be forfeited to the Village, and in that event the governing body may accept the bid of the one making the next best bid, or if all bids are rejected, the governing body shall re-advertise said bonds for sale. If there be two or more equal bids for said issue and such bids are the best bids received and for not less than par and accrued interest, the governing body shall determine which bid shall be accepted.

THE BOARD OF TRUSTEES shall take action awarding the bonds or rejecting all bids for said issue not later than 24 hours after the expiration of the time herein prescribed for the receipt of bids. Delivery of the bonds of said issue will be made to the successful bidder at a bank in Dallas, Texas, or at the successful bidder's request and at his expense, delivery will be made either by express or by registered mail, and the bidder shall accept delivery of the bonds if they are not tendered for delivery within 30 days from the date herein stated for opening bids, and the good faith deposit will thereafter be returned to the successful bidder upon his request.

FURTHER INFORMATION concerning the Village and said bonds may be obtained from the Village's financial advisors, Stern Brothers & Co., P.O. Box 40, Albuquerque, New Mexico, 87103.

THE LEGALITY of the bonds will be approved by McCall, Parkhurst & Horton, Attorneys at Law, 1400 Mercantile Bank Building, Dallas, Texas 75201, whose unqualified approval opinion, together with the printed bonds, a complete transcript of the legal proceedings including a certificate stating that no litigation affecting the validity of the bonds is pending as of the date of their delivery, will be furnished the purchasers without charge. Messrs. McCall, Parkhurst & Horton were not requested to participate and did not take part in the preparation of the Official Notice of Sale or Official Statement, and such firm has not assumed any responsibility with respect thereto or undertaken any dependency to verify any of the information contained therein except that, in its capacity as bond counsel, such firm has reviewed the information contained in the Official Notice of Sale to verify that such description conforms to the provisions of the bond ordinance. The legal fees to be paid Messrs. McCall, Parkhurst & Horton for services to be rendered in connection with the issuance of the bonds are contingent on the sale and delivery of the bonds.

PERSONS USING WATER SUPPLIED BY CEDAR CREEK WATER USERS ASSOCIATION

By State regulation monthly samples of water from each of the wells in the Cedar Creek Water Users system must be submitted for bacteriological analysis. Due to administrative oversight it appears that no samples were submitted for the months of August through December, inclusive, in 1978. Subsequent samples submitted in accordance with the State regulations, have not indicated any bacterial contamination but the condition for the above months is unknown. A regular program of sampling that complies with the regulations has been instituted by the Association and that program will be continued by the Association.

Hot Shot Crew now in Arizona

The Hot Shot Crew, stationed at Smokey Bear Ranger District, was dispatched to a second fire on the Tonto National Forest in Arizona Tuesday evening.

The crew was notified of the fire late Tuesday afternoon, named the Paradise fire, and were expected to be there a few days. The fire is located near Phoenix, Arizona according to Steve Makowski, fire management officer.

Two other major fires are now burning in Arizona on national forest land, but Makowski did not know if the Hot Shots would be called to help extinguish them.

The Paradise fire is the second fire in Arizona in two weeks to be fought by the Hot Shots.

Non Optional
BOTH PRINCIPAL AND INTEREST OF the bonds shall be payable at the Ruidoso State Bank, Ruidoso, New Mexico, the Paying Agent for the bonds.

THE BONDS shall bear interest at a rate or rates not to exceed 8% per annum (net effective interest rate not to exceed 8% per annum). Interest being evidenced until maturity by only one set of coupons. The interest coupons shall be payable to bearer on January 1, 1980, and semiannually thereafter, on July 1 and January 1 of each year.

EACH INTEREST RATE specified and evidenced by any coupon must be stated in multiples of one eighth of one percent (1/8%) per annum. Bids involving supplemental coupons, or split interest rates will not be considered, and all bonds of one maturity must bear the same interest rate. The highest interest coupon rate may not exceed the lowest interest coupon rate by more than 2%.

THE BONDS are the first installment from the \$1,000,000 of the General Obligation Sanitary Sewer System Bonds that were authorized by the election held on May 8, 1978. The Village will not sell the remaining voted but unissued bonds until at least ninety days after the delivery of the bonds.

IT IS ANTICIPATED that CUSIP identification numbers will be printed on said bonds, but neither the Village nor the Village Clerk will be responsible for any error with respect to such numbers on any bond nor any error with respect to such numbers on any bond for a failure or refusal by the purchaser thereof to accept delivery of and pay for said bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on said bonds shall be paid for by the issuer; provided, however, that the CUSIP Service Bureau charge for and assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

NO PROVISION will be made for the registration of bonds for payment. The bonds of said issue shall conform to the following:

ATTEST
/s/ James L. Hine
City Clerk, Village of Ruidoso, New Mexico

SEAL
/s/ Lloyd L. Davis, Jr.
Mayor, Village of Ruidoso, New Mexico

"Title the Village's General Obligation Sanitary Sewer System Bonds, and shall be payable to bearer (and wherefore) taxes levied against all taxable property in the Village without limitation as to rate or amount."
BIDDERS ARE REQUIRED to submit an unopened sealed bid for all of the bonds of said issue, specifying (a) the lowest rate of interest and premium, if any, above par at which such bidder will purchase the bonds; or (b) the lowest rate of interest at which the bidder will purchase the bonds at par. All bids must be submitted in the official bid form, copies of which may be obtained from the Village's financial adviser, Stern Brothers & Co., P.O. Box 40, Albuquerque, New Mexico, 87103. Proposals should be enclosed in a sealed envelope, marked on the outside, "Proposal for purchase of Village of Ruidoso, New Mexico General Obligation Sanitary Sewer System Bonds", and addressed to James L. Hine, Village Clerk, Village of Ruidoso, P.O. Drawer 69, Ruidoso, New Mexico, 88425.

THE BONDS will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any, and subject to the right of the Village to reject any and all bids and re-advertise. The best bid for said issue will be determined by deducting the amount of the premium bid, if any, from the total amount of interest which the Village would be required to pay from the date of the bonds to the respective maturity dates at the coupon rate or rates specified in the proposal, and the award will be made on the basis of the lowest net interest cost to the Village. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. None of the bonds will be sold for less than par and accrued interest, and no discount or commission will be allowed or paid on the sale of the bonds. The Village reserves the privilege of waiving any irregularity or informality in any bid.

ALL BIDS shall be sealed and except for the bid of the State of New Mexico, which shall be sealed, shall be accompanied by a deposit of 2% of the amount of the bid, in either cash, or certified check, drawn on a solvent bank or trust company, which shall be returned if the bid is not accepted, and if the successful bidder for said issue shall fail or neglect to complete the purchase within 30 days following the acceptance of the bid, or within 30 days after the bonds are offered for delivery, whichever is later, the amount of the deposit shall be forfeited to the Village, and in that event the governing body may accept the bid of the one making the next best bid, or if all bids are rejected, the governing body shall re-advertise said bonds for sale. If there be two or more equal bids for said issue and such bids are the best bids received and for not less than par and accrued interest, the governing body shall determine which bid shall be accepted.

THE BOARD OF TRUSTEES shall take action awarding the bonds or rejecting all bids for said issue not later than 24 hours after the expiration of the time herein prescribed for the receipt of bids. Delivery of the bonds of said issue will be made to the successful bidder at a bank in Dallas, Texas, or at the successful bidder's request and at his expense, delivery will be made elsewhere. Any successful bidder will not be required to accept delivery of the bonds if they are not tendered for delivery within 60 days from the date herein stated for returning bids, and the good faith deposit will thereafter be returned to the successful bidder upon his request.

FOR FURTHER INFORMATION concerning the Village's financial advisers, Stern Brothers & Co., P.O. Box 40, Albuquerque, New Mexico, 87103.

THE LEGALITY of the bonds will be approved by McCall, Parkhurst & Horton, Attorneys at Law, 1400 Mercantile Bank Building, Dallas, Texas 75201, whose unqualified approval opinion, together with the printed bonds a complete transcript of the legal proceedings, including a certificate stating that no litigation affecting the validity of the bonds is pending as of the date of their delivery, will be furnished the purchasers without charge. Messrs. McCall, Parkhurst & Horton were not requested to participate and did not take part in the preparation of the Official Notice of Sale or Official Statement, and such firm has not assumed any responsibility with respect thereto or undertaken in dependency to verify any of the information contained therein except that, in its capacity as bond counsel, such firm has reviewed the information contained in the Official Notice of Sale to verify that such description conforms to the provisions of the bond ordinance. The legal fees to be paid Messrs. McCall, Parkhurst & Horton for services to be rendered in connection with the issuance of the bonds are contingent on the sale and delivery of the bonds.

PERSONS USING WATER SUPPLIED BY CEDAR CREEK WATER USERS ASSOCIATION
By State regulation monthly samples of water from each of the wells in the Cedar Creek Water Users system must be submitted for bacteriological analysis. Due to administrative oversight (it appears that no samples were submitted for the months of August through December, inclusive, in 1978. Subsequent samples, submitted in accordance with the State regulations, have not indicated any bacterial contamination but the condition for the above monthly is unknown. A regular program of sampling that complies with the regulations has been instituted by the Association and that program will be continued by the Association.

PUSHES
PRICES
BACK.**

With home prices everywhere going up, up, up — at twice the rate of inflation, we have just rolled back prices on every Lindal cedar home. Why? You already know that the best way to combat inflation is to invest in a quality home. By lowering our prices, we are going all out to stop the ever upward spiral in housing costs. And this means savings of up to several

thousands of dollars for you. Also, by buying a Lindal home of quality now, you will insure that an already good investment becomes an even greater investment.

Come in and talk to your Lindal distributor today. This offer has to expire July 15, 1979, because, after all, even we can't afford to hold off inflation forever.

Toll-free phone numbers available in New Mexico

Professional help may be only one free phone call away. More and more government agencies and businesses are offering toll-free telephone service to assist citizens and consumers.

New Mexico State University Extension has compiled the following list of toll free numbers for referral and educational information. All numbers can be reached in New Mexico.

Better Business Bureau (BBB) - Albuquerque 266-5611. Farmington 323-1136. Santa Fe 983-3648. State-wide to the Albuquerque office 1-800-432-6752.

BBB is a non-profit organization designed to promote ethics in business, advance truth in advertising, and strengthen confidence in private business. BBB is supported by membership dues paid by its business and professional members.

Bureau of Land Management (BLM) - 1-800-545-6943. Anyone calling this number can reach a public information specialist who can answer most questions about the BLM in Santa Fe. After office hours, the telephone will record incoming messages and questions will be answered the next working day, either by return telephone call or by letter.

The BLM manages about 13 million surface acres and 25 million sub-surface acres of public land and minerals in New Mexico and Oklahoma. The BLM also handles mineral leasing and wild horse management in Texas.

Bureau of Revenue - 1-800-432-5511. Problems with New Mexico tax laws? Call this toll free number for referral and information on state tax problems.

Communicable Diseases - 1-800-432-4404. This is a section of the State Health Agency, for reporting any communicable disease, and receiving a recorded message about a current health problem.

Displaced Homemakers - 1-800-432-9168. This is an information and referral agency, through the Commission on the Status of Women, for displaced homemakers. It offers job and education information for women who want to re-enter the work world. It has both a state-wide and Albuquerque resource directory.

Department of Human Services - 1-800-432-6217. This number offers information and referral on problems concerning children, youth, aging, food stamps, child support, adoption, foster care, unemployment, labor problems, jobs, discrimination, child abuse, utilities and veteran's affairs.

Department of Motor Vehicles - 1-800-432-4407. Call for questions and concerns about driving and owning a motor vehicle in New Mexico. Registration regulations, fee explanations, and driver's license

regulations are a few of the motor vehicle concerns handled.

Federal Job Information Center (Donna Ana and Otero counties) - 1-800-351-1013. (Remainder of New Mexico) - 1-800-432-6837. Are you seeking a federal job? Information on federal positions open in each local area is made available.

Handicap Hot Line - 1-800-432-4286 or 1-800-432-4288. This is a referral service to help any handicapped citizen in New Mexico - a division of Vocational Rehabilitation.

Highway Department - 1-800-432-4269 or 1-800-432-4280. Call for weather reports, road conditions, any type of information or questions dealing with New Mexico state highways.

Lieutenant Governor's Office - 1-800-432-4406. Individuals may call for help with general problems that are not handled by the Governor's Service Centers. If there is no Governor's Service Center in your community, you may call this number.

Local Government Division - 1-800-432-7108. This is a division of State Department of Finance and Administration. It monitors expenditures and oversees budgets of local governments and sets tax rates for counties.

Mobile Home Commission - 1-800-432-5519. Call for mobile home complaints, general information, New Mexico inspection law information, and specifications for setting up a mobile home in New Mexico.

Operation Game Thief - 1-800-432-4263. Stop Poaching! Report fish and game violations by calling this toll free number.

Poison, Drug Information, and Medical Crisis Center - 1-800-432-8888. Albuquerque 843-2651. This is a 24 hour service. It offers information and help for people who have been or think they have been poisoned and emergency medical referrals anywhere in the state.

Ski Report - 1-800-545-9876. Information on ski conditions at various resorts is recorded and available at this toll free number. The service, from Thanksgiving to March 31, is available 24 hours a day, seven days a week. The 30-second tape is up-dated each Monday and Thursday at 3 p.m.

There are also several national numbers available to you.

Appliance Hot Line - 1-800-621-0477. The Major Appliance Consumer Action Panel (MACAP) provides this number for people with unresolved complaints about refrigerators, dishwashers, ovens, and other large appliances. The panel suggests that you first try to settle the problem at the local level. If you're still not satisfied, give them a call.

MACAP does not handle disputes over

televisions, radios, and most small electrical appliances.

Auto Safety Hot Line - 1-800-432-4263. Call this number if you want to find out whether your car has ever been recalled because of safety defects. You can report hazardous aspects of your car and request free brochures and fact sheets.

Before you call, you need to have the following information: year, make, and model of the car and its vehicle identification number. If you are reporting a safety problem, you should also be prepared to describe the problem and give the odometer mileage.

Veterans' Hotline - 1-800-432-6858. If you're not getting benefits that you feel you're entitled to, give them a call.

Consumer Product Safety Commission (CPSC) - 1-800-638-6328. CPSC investigates all kinds of products, from toothpicks to tricycles. They do not regulate safety of cars, boats, airplanes, food, cosmetics, or drugs.

Call the toll-free number to report a potentially dangerous product or a product-related injury, also to request free fact sheets on a wide range of products.

Education Hot Line - 1-800-638-6700. Call for information on federal grants for undergraduate college students. Staffed by the Office of Education, Department of Health, Education and Welfare.

Federal Community Education Clearinghouse - 1-800-638-6696. Established and funded by Department of Health, Education and Welfare's Office of Education, it gathers, analyzes, and disseminates information on a broad range of topics related to community education; such as advisory councils, building use, citizen involvement, funding sources, laws, and legislation.

Housing Discrimination Hot Line - 1-800-432-4490. This toll-free number is provided by the Department of Housing and Urban Development, which investigates charges of housing discrimination based on race, color, sex, national origin, or religion.

Warm weather and picnics go hand-in-hand. This summer why not surprise your potato salad lovers by borrowing flavors common to foreign cuisines? Creative potato salad cooks are in luck! According to United States Department of Agriculture's (USDA) marketing specialists, potatoes are in heavy supply - a good time to take advantage of different varieties and reasonable prices.

Scandinavians would do this by combining potatoes with apples, beets and herring. The French like to dress simple sliced cooked potatoes in vinaigrette sauce, while in Spain anchovies and capers turn up with potatoes in salad. Sweet onions, snap beans, celery, peas, green or red peppers - there is hardly a limit to the possible flavorful combinations you can create!

Whatever the recipe, remember to keep prepared potato salad refrigerated or in an ice chest before serving to keep it fresh and free from spoilage due to bacterial buildup.

PICNIC POTATO SALAD
8 medium potatoes, cooked in skins
1/2 cup Italian style dressing
1 cup diced celery
6 green onions, with tops, sliced
1 cucumber, pared and diced
3 hard cooked eggs, diced
2 tablespoons clipped parsley
Salt, paprika, celery salt
Mayonnaise and sour cream
Cool potatoes enough to remove the skins, dice and pour the dressing over them. Chill. Add other ingredients, using equal parts mayonnaise and sour cream, tasting for salt. Chill well. Serves 8.

POTATO SALAD SPECIAL
3 cups diced cooked potatoes
1 1/2 cups sliced raw cauliflower
1 cup diced celery
2 hard cooked eggs, chopped
1/2 cup chopped onion
6 slices crisp bacon, crumbled
1 cup mayonnaise or salad dressing
1 tablespoon bacon fat
2 teaspoons caraway seed (optional)
Combine potatoes, cauliflower, celery, eggs, onion and bacon. Mix mayonnaise, bacon fat and caraway seed. Pour over salad, toss lightly and salt to taste. Chill. Serves 5 to 6.

The hot line cannot help if discrimination is based on marital status or the fact that you have children.
Internal Revenue Service - 1-800-827-2680. Call for federal income tax information.

Moving Hot Line - 1-800-432-9312. Call the Interstate Commerce Commission for information about moving household goods. It can also provide limited assistance for consumers with complaints against interstate movers. It provides information on train and bus travel.

Inside The Capitol

by Fred McCaffrey

SANTA FE — For a man who seems only to want to live at peace with God and his neighbor, this guy Bruce King sure gets into some of the damndest battles.

There was that big blow-up at Bob Mondragon last week, right in the middle of an otherwise peaceful Cabinet meeting. That one almost forced the Governor to make up his mind to stay home permanently. Then, when he did go off to Brownsville for a meeting with other borderstate governors, he ended up getting caught in the crossfire there.

It almost makes you think that job he wanted so much may not really be worth having.

The King-Mondragon scene, now that there's time to look back on it, was not a pleasant experience. A frustrated and ambitious young politician getting taken into the woods by a wily but very angry Governor, all of it in the presence of 30 or more other people, isn't a very pretty scene. Family fights, which is what this was, ought to be settled within family walls and in privacy.

The fact that this one wasn't, wasn't the Governor's fault. He thought the fight was over, and had spent his whole press conference the previous day assuring us in the news media that things had been settled. But in the process of doing that, he said a couple of things which riled young Roberto all over again. One was that Bob was going to be prudent from now on, which implied that he hadn't been that up till now. The other had to do, for reasons which were

never clear to this reporter, with who calls out the National Guard.

So the next morning, when the Governor obviously thought everything was sweetness and light, the Lieutenant Governor was full of sullenness and resentment, which he vented most

ungraciously on the head of his host. Suddenly the host turned into a fire-eater — red-faced, eyes glaring, stomping off into a private office "to get this thing settled right now" as he practically shouted.

Whether it got settled and whether it will stay settled, this question of the Lieutenant Governor acting independently when the Governor is out of the state remains to be seen. Most of us here in the capital city are inclined to doubt it. We look for more blow-ups in the future, though we hope we won't have to be there to see them.

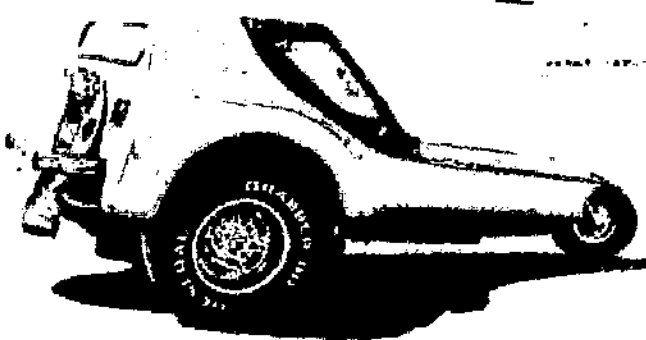

Down in Texas over the next couple of days, our man from New Mexico got into the middle of somebody else's anger. King probably would have missed this meeting entirely except for the fact that there would not be a quorum without him. The governor of California was tied up at home, because he doesn't trust his Lieutenant Governor, and that leaves only the governors of Texas and Arizona as members of the borderstate group to meet with one another.

Object of the meeting was to find ways to improve relations with Mexico — but it turned out the Texan and the Arizonan wanted to break off relations with one another. Heart of the fight is that Clements of Texas wants to legalize braceros again, Babbitt of Arizona doesn't and our Bruce ain't sayin'. Result: more red-faced displays of temper, more shouting and even some charges that Governor Clements is a "colonialist" and an "imperialist."

Tsk, tsk. Hardly edifying, gentlemen, hardly edifying!

We'd probably be safe to predict that, after all this brouhaha, Governor King plans to settle down in the capital city and stay home for a long, long time.

Sense & Nonsense

U.S. Sen. Pete Domenici

These days Washington is a mess. Everywhere you go there are gas lines. Some mornings you can see lines stretch for over a mile. It is a sure testament to the fact that we have become energy junkies, hooked on "cheap" energy. Unfortunately there is no such thing as cheap energy anymore. Gasoline is not only expensive, it is also in short supply. American oil companies are limited by what they can buy from the Arab Oil Cartel. Many Arab oil producers have adopted virtually dictatorial policies not only charging outlandish prices for oil, but limiting how much oil we can have. And one thing is sure, the situation will not get any better.

No solution will be easy and no solution to our energy crisis will be cheap, but it will give us a much needed independence; freedom from the whims and wishes of a few rich and mighty sheiks. To that end, I have recently introduced the Synthetic and Alternate Fuels Production Act of 1979. The title is not very sexy, but I think you will find that the issue is.

What I and eight of my colleagues in the Senate are proposing to do is set up a joint partnership between government and industry to produce 1.5 million barrels a day of synthetic oil products by the year 1990.

Our proposal creates a five-member board or authority that will have control over \$50 billion. This authority can then

make loans to private industry for projects related to the production of synthetic and alternate fuels.

This authority will also have some definite production goals. It will be responsible for the production of half a million barrels of oil equivalent from oil shale and another half million barrels from coal gas and coal liquids. An additional 500,000 barrels of oil equivalent will come from bio-mass or the reuse of waste for power generation, tar sands, solar and geothermal.

By adopting such a plan we will be slowly moving to free ourselves from the ever tightening noose around our necks. A noose that is being tightened every time the Arabs raise the price of oil or decide how much they will or will not sell us. For the present we are virtually their slaves willing to pay almost anything for black gold.

We can change all that. We now have a real opportunity to start making our country energy independent. It will take time, the cost will be high, but not nearly as high as the cost in real dollars and pride that we pay now.

Certainly this is a monumental undertaking, but Americans have met equally difficult challenges in the past. American genius put men on the moon and American genius can also put synthetic fuel in our gas tanks.

CARTER-KENNEDY

A couple of intriguing news items relating to what might be called the Carter-Kennedy conundrum appeared on the same day recently. One told of the announcement by a Minnesota Democrat, Rep. Richard Nolan, that he would lead a nationwide effort to draft Sen. Edward Kennedy for the party's 1980 presidential nomination. The other had to do with Sen. Robert Dole's views on this topic.

There has been much talk about Kennedy as an alternative to President Carter in next year's campaign. The Massachusetts senator's consistently high poll scores beaten those doing the talking. By publicly taking stands that differ from the administration's Kennedy himself appears to contribute to this sentiment, even though he has a stock answer when asked about the matter: he expects Mr. Carter to run, and expects to support him.

Enter the senator from Kansas, Gerald R. Ford's running mate in 1976 and now an announced candidate for the GOP nomination. Playing a variation on

Kennedy's theme, Dole says that despite all those mentions of Kennedy as a challenger he does not think he will run.

In support of his view Senator Dole offers this penetrating comment: "I think the bottom line is that Carter's weak in many respects, but he's still the president." The potency of this factor often seems to be forgotten or shrugged off by observers who have persuaded themselves that Senator Kennedy will try to supplant Mr. Carter at the convention. The power of the incumbency makes it upstream swimming to unseat a president with a yen for renomination.

Another significant element in the equation is that Kennedy, though solidly entrenched after 16 years in the Senate, is still a young man, even now only 47. Assuming continued gains in power and prestige, he will have an all but unbreakable hold on the 1984 nomination if he wants it. This being so, he seems likely to avert a fight for the nomination in 1980, giving due weight to the implications in Dole's comment that Mr. Carter is "still the president." — Alamogordo Daily News

editorial

The residential and commercial development of Ruidoso Downs hinges on the passage of a \$5 million general obligation bond issue, July 18, that will provide sewer service throughout the village.

This sewer service would connect to the Regional Wastewater System (RWS), designed to serve the needs of Ruidoso and Ruidoso Downs for years.

Ruidoso Downs has their share of the cost of RWS in the bank. Ruidoso, through passage of the \$1.5 million general obligation bond issue May 8, can afford their share of RWS.

RWS is scheduled to go to bids about October 1. Once the contract is let, Ruidoso will have an adequate sewer system in the offing, designed to eliminate all of the problems associated with the present outmoded service.

To take advantage of RWS, Ruidoso Downs voters will have to approve issuing that \$5 million in bonds. RWS, en route to the new treatment plant near Biscuit Hill, will pass through Ruidoso Downs. Not connecting to this system would mean that the village is paying for sewer service for Ruidoso that is of no benefit to Ruidoso Downs.

The price tag for Ruidoso Downs, pegged at \$12-\$13 per \$1,000 of assessed valuation, appears high at first look. However, mayor Norman Wheeler has stated at trustees' meetings that commercial ventures have been delayed due to there being no municipal sewer. Housing development should increase, with the new service.

It is the future residential/commercial development that will take the sting out of the cost, because the more the village grows, the lower the tax tab to each property owner.

Progress is at stake. With the positive thought being, Ruidoso Downs has the opportunity to get sewer service at lower cost today than it will ever be possible to, because it seems inflation is here to stay. — CD

G.R.T. 4.6 PCT. 7/1

To herald the arrival of the last half of 1979 July 1, the Gross Receipts Tax ... casually known as sales tax ... becomes 4.5 percent on the dollar in Ruidoso and Ruidoso Downs.

It's this way ... both sets of village dads ... with the apparent blessing of all concerned ... being's no one protested at the public hearings ... decided there'd be more chance of providing better service, if'n the village offers benefit more from 4.5 percent tax than from a lesser amount ... which was mighty shrewd deciding on everyone's part.

With that added lock, chances of having better streets with better maintenance is one benefit ... and you can bet someone'll complain about that.

Some of those added revenue dollars'll be filtered into other benefits ... better policing, for example ... though there just has to be those as is chit-chatting with the judge and magistrate judge, who finger maybe the policing don't need all that much improving.

And there's another thing ... the village dads can positively state ... with the 4.5 tax rate ... that they're doing everything in their power to provide as much tax income as possible for the village ... just in the event any grant monies become available that are based on the fact the villages are doing everything possible to help themselves.

With a final comforting thought being ... there ain't no way this tax can be jumped ... until the legislature so decrees ... which, being's all of our legislators are tax conscious ... and looking out for the best interests of the taxpayer at all times ... naturally ... ain't all that likely.

So ... as we pay, so shall we reap the benefits ... and that's a deal you can't beat ... especially being's we gotta live with it anyhow.

OIL RUMORS AROUND

All the hula-hula about the shortage of gas ... and how scarce crude oil is ... and how much it's gonna cost us to buy OPEC oil ... is resulting in some mighty interesting rumors about how much oil is lying under the ground in this country ... and how much lying's going on about how much's lying underground.

For instance ... there's plenty of talk right here in Harmony Valley ... amongst those as is in the know on the oil rumor situation ... that there's plenty of oil ... just wait'n' pumpin'.

A for instance ... it's claimed that there's more'n one thousand oil wells in the Denton, Texas area that are all drilled ... and capped. Furthermore, it's rumored that the casings were not pulled outta those wells ... meaning there's oil down there ... that those weren't dry holes.

Now ... if'n this's so ... why ain't there a whole buncha those bobbin' pumps a bobbin' and a pumpin' ... to get that crude refined into gasoline ... and heating oil ... and stuff ... to keep us mobile and all snuggy warm?

And the same rumor factory has it that there's lotsa oil in pools under Utah ... maybe Colorado ... that ain't been pumped ... or drilled for ... based on seismographic reports that the oil's there ... just waitin' to be tapped.

And then there's rumors there's so much crude oil piling up on the east coast that there ain't enough storage tanks ... so it's being shipped inland to be stored ... so they can store more on the coast.

Seems those Senators and Congressmen as is supposedly so concerned with the oil prices, shortage, whatever ... would commence to begin to get ready an investigation into these rumors as to why there's no pumpin' of drilled wells ... and no drillin' into pools of oil still untapped.

Now Our Jimmy ... without any special cooperation from guys in Washington, D.C., as could maybe cooperate a little more ... has been busy in Japan tryin' to convince the heads of other nations that something's gotta be done to eliminate gas lines ... and keep us Americans all happy a mevin' our vehicles hither and thither as we desire.

Now Our Jimmy's doing as he thinks best ... but maybe he should give some thought to the possibility that our energy problems at home could maybe be solved right here at home by using our own supplies. Which means there ain't no special starting place if'n you got a cat as near skinnin'.

BLIMP BY: If'n our founding fathers coulda visualized what our Fourth of July celebrations have degenerated into, they'd grabbed the fifth. — CD

YOUR ENTERTAINMENT AND DINING GUIDE

Jockey/Trainer of the week

BY MIKE MAGDA
Joe Martinez lost his "bug" in style over the weekend, taking Jockey-Of-The-Week honors at Ruidoso Downs. Martinez rode home six winners, nosing out Jerry Nicodemus' five win showing.

Winning the Trainer-Of-The-Week title was Johnie Goodman, who won based on a better show finish.

Goodman had tied with H. Don Farris, each handling four winners. However, Goodman had one runnerup finish and Farris failed to score any. Farris did have two third place finishes and Goodman added one to his total.

Martinez, who was the Jockey-Of-The-Week in the opening weekend of racing, captured the title Sunday. Nicodemus had already scored his five wins and was not racing Sunday. Martinez picked up three wins Thursday and added a solo victory Friday. After being out of the money Saturday, Martinez rode home his clinchers in the 12th and 13th races Sunday. Martinez will lose his apprentice weight allowance June 29. However, with trials for the Rainbow Futurity being staged June 28 and 29, his allowance will not be a factor in any of the divisions.

Following Martinez and Nicodemus was Darrell Blevins with four wins.

Goodman started his tally with solo wins Thursday and Friday. Sunday, Goodman wrapped up the title with two wins. The deciding second place finish came Friday. William F. Leach continues to lead the overall trainer standings with 16 wins. Hugh L. Tucker remains within striking distance with 15 wins. Goodman moved from fifth to fourth with his weekend addition.

H.C. Werner Jr., who has six wins on the season, is the leader in runnerup finishes with a staggering 18.

Danny Summerow remains the leading rider with 23 wins. Gary Sumpter and Martinez follow with 20 wins each.

Racing continues Thursday and Friday with qualifying trials for the \$450,000 (est.) Rainbow Futurity. Twenty-one divisions will be staged each day. Due to the large number of races, an early 11 a.m. first post will be observed.

Regular 13 race cards will be offered Saturday and Sunday at the usual 1 p.m. first post. Saturday's highlight is the Jet Deck Stakes for three-year-olds and older covering 440 yards. A \$5,500 added purse is up for grabs.

The Rio Grande Stakes for New Mexico-bred three-year-olds will be the feature. The 6 1/2 furlong sprint carries added money of \$6,000.

Trial heats set Friday for Rainbow Futurity

Denim N Diamonds, the filly who chewed up the Kansas Futurity second consolation in her last start, faces a tough assignment on Friday's expanded program at Ruidoso Downs.

The filly goes in the fifth race and takes on such tough cookies as Easy Tam and Charge It Papa.

Friday's program, which gets moving at an early starting 11 a.m., will cover 21 races. Each of the 400 yard duels is an elimination heat leading to the upcoming \$450,000 (est.) Rainbow Futurity, the second leg of the Triple Crown for two-year-old quarter horses.

The top two finishers from each of Friday's races will join the 42 survivors from Thursday's 21 trial heats in the final elimination round set for July 6. All together, 64 head will take part in the July 6 time trials.

Denim N Diamonds, owned by R. D. Hubbard of Wichita, Kansas will break from the No. 8 post in Friday's fifth race. Jerry Nicodemus will be up. Easy Tam, who'll have Jerry Burgess aboard, drew into the No. 4 slot. Charge It Papa, with Jeff Ariola Up, has the No. 6 post.

In the Kansas second consolation, Denim N Diamonds raced as an 8-5 favorite and led all the way. She hit the finish with a comfortable length lead and earned \$5,509 out of the \$39,534 gross purse.

Easy Tam, who's raked in over \$45,000 so far, was good enough to make the grand finale of the Kansas Futurity. But the filly lost her footing half way through the dash and went into a tangle. She apparently survived the tumble in fine shape.

Last spring, Easy Tam operated as the favorite in both the West Texas Futurity and Sun Country Futurity at Sunland

Park. She took second in the West Texas, third in the Sun Country.

Charge It Papa turned in the fifth fastest qualifying time for the Kansas Futurity, operated as a 32-1 outsider and got in sixth, earning \$18,252.

Rebel Killoqua, who won the Blue Ribbon Downs Futurity at Sallisaw, Oklahoma made the finale of the Kansas Futurity. She raced as a 7-1 shot in the big money showdown, but was roughly bumped early in the spring and had to settle for ninth. She carries a handsome bankroll of over \$60,000.

Rebel Killoqua will go in Friday's fourth race, breaking from the No. 3 post with Larry Layton at the helm. Her roughest foe could be Sage Belle Star, who'll be directed out of the rail slot by Gary Sumpter.

Sage Belle Star earned nearly \$50,000 with a perfect three-for-three record in the bush track circuit (including a 2 1/2 length futurity win at Val Verde, Texas). Earlier in the Ruidoso Downs season, the chestnut daughter of Easy Six won an allowance spin easily as an odds-on favorite.

Great As Charger, who took seventh in the Kansas Futurity, drew into Thursday's first race. Jackie Martin will be up. Easy Azures, who took eighth in the Kansas finale as a lukewarm favorite, goes in Friday's 16th race.

Weekend turf action in the cool place extends through Sunday. First post both Saturday and Sunday is 1 p.m. Saturday's headliner is the \$6,500 added Jet Deck Stakes for three-year-olds and up. The distance is 440 yards.

Sunday, matters reach a zenith as three-year-olds meet in the \$6,000 added Rio Grande Stakes at 6 1/2 furlongs.

Ruidoso Downs Hoofbeats

BY MIKE MAGDA
BLACK SABLE made his first trip from the west coast a profitable one Friday, recording the fastest qualifying time for the July 8 Rainbow Derby. Just over 100 head entered the trials, hoping for one of 10 spots in the final. The second 10 fastest horses advanced to the July 7 consolation. Black Sable covered the 440 yards in 23.01 seconds. The black filly out of Lady Winsmore is coming off a fourth place finish in the Los Alamitos Derby. She has earned over \$85,000 in her career.

OH SHINEY, a finalist in the 1978 All-American Futurity, was a half-length behind Black Sable, setting the second fastest time of the day. Running in the third of 11 divisions, Oh Shiney's time was 22.07 seconds. Oh Shiney went off at almost an even money favorite while the public listed Black Sable as an 8-5 shot. Black Sable is owned by Spencer L. Childers of Fresno, California and trained by R.L. Rufus. Steve Treasure was up. Oh Shiney is owned by B.H. and Ruby Lee of Dimmitt, Texas and trained by Hugh L. Tucker. Steve Fuller was the rider.

HERE ARE THE remaining qualifiers, their owners and times: Speck O History owned by Roy Browning of Ft. Worth, 22.08; Holme Maid owned by Frank G. Merrill of Purcell, Oklahoma and Charles R. Welk of San Antonio, Texas 22.08; Rocket Lights owned by Jacqueline E. Spencer of Carrizozo, 22.09; Dickys Fireman owned by Lyle Simmelink, Roy Farnam and Sorny Field of Macdonel, California 22.15; Larkin Royal owned by Darrell Kisses of Miami, Oklahoma 22.15; L.I. Misty Mixer owned by Circle M Ranch in Edmond, Oklahoma 22.16; Shebester Bug owned by Ralph R. Shebester of Wynnewood, Oklahoma 22.18; North Tenth owned by Dr. Roman R. Garza of McAllen, Texas 22.18.

THREE OF THE NOTABLE exceptions to the grand finale, which boasts a gross purse of \$542,900, are Moon Lark, Vespero and Kiptys Charger. Moon Lark, the richest active quarter horse with earnings nearing \$700,000, easily won his division as a solid 1-5 favorite, but the Top Moon colt's time was a 22.19, just three hundredths off the bump spot. He advances to the consolation, which will distribute \$78,402 of the gross purse.

KIPTYS CHARGER will also advance to the consolation based on his 22.18 time in winning the 11th division as a 1-2 favorite. Kiptys Charger is one of the only two horses ever to defeat Moon Lark. The Kiptysdo-stre colt has won over \$300,000 and has finished out of the money only once. Vespero, the only other horse ever to beat Moon Lark, finished second in his trial division in the biggest upset of the day. Vespero, with Keith Amussen back in the saddle, finished second to Song O My Heart, who went off as a 21-1 longshot. Song O My Heart, owned by country and

western singer Jody Miller, recorded a time of 22.37, which tied him with Mito Easy for the last spot in the consolation. Based on a shake held the following day, Mito Easy gained the berth.

HERE ARE THE qualifiers for the Rainbow Derby consolation: Baffles Three Wars, 22.18; Pass Em West, 22.19; Moon Lark, 22.19; Flying Passes, 22.20; Mr. Reveille, 22.21; Ms. Mito, 22.24; Dot Dot Dot Dash, 22.25; A Room, 22.25; and Mito Easy, 22.27.

ONLY TWO OF THE winning eight horses advancing to the grand finale, where the winner will pick up \$187,850, were betting favorites. Holme Maid went off at 1-2 while Larkin Royal was an 8-5 shot. Oh Shiney (1-1) and Dickys Fireman (4-5) were favorites but finished second. The tallest longshot to reach the final was L.I. Misty Mixer, a 24-1 outsider. L.I. Misty Mixer had never been on a recognized track in his career. Other longshots were Shebester Bug (16-1) and Rocket Lights (11-1).

THE TRIALS SAW the return of jockey Jack Wallace to action. The veteran helmsman, who won the 1965 All-American Futurity aboard Savannah Jr., rode A Room in the ninth division. Wallace was injured in the running of the Riley Allison Futurity at Sunland Park May 6. The trials also saw appearances from four California riders. Making the trip out were Steve Treasure, Kenneth Hart, Luke Myles and Terry Liphart. Treasure, Hart and Liphart all qualified a mount in the finale.

DUBLIN THE GREEN, a Sheeky Greene colt who hasn't been in the money in his last two starts, quickly went to the lead and held on to win Thursday's feature. Despite his fifth and eighth place finishes early in the meeting, Dublin The Green was an 8-5 favorite. He toured the 5 1/2 furlongs in 1:08 2/5 seconds, defeating Net Net Net by 1 1/4 lengths at the wire. Stuart Dolphus was the rider. Native Sworn placed third.

MERRIDOC, a chestnut colt who was sold for \$122,000 in last year's All-American Select Yearling Sale, lost the first race of his career in the trials for the Kindergarten Futurity at Los Alamitos last Thursday. Trained by Charles Bloomquist, who was in Ruidoso with Kiptys Charger for the Rainbow Derby trials, Merridoc had three straight wins entering the trials, including the Bay Meadows Futurity. He was defeated by Kept Promise in his trial, but was fast enough to make the consolation.

WHO'S PRINCESS won her third race in three straight weeks Saturday, becoming the fourth horse to gain a trio of wins this season. Who's Princess won a \$5,000 claimer June 9, then stepped up to take a \$8,500 claimer the following week. In her last win, Who's Princess captured a \$7,500

claimer. Don Howard was aboard the last win. Other three time winners include Supply Best Johnny, Cut Shot and Oh Shiney. Double B Express became the fifth three time champ Sunday when Don Howard guided the gelding to a mile win.

THE DRAKE RETURNED to familiar surroundings in the winner's circle Saturday in the feature. Running against stakes winner Scott's Courtship and Strate Miss, The Drake stayed well with the pack until making his move down the backstretch. He edged out to a length win at the wire over Strate Miss. A 10-1 outsider, Big Bad Blitz, finished third. The Drake, with Darrell Blevins aboard, was a 2-1 favorite despite not winning a race since last July. He had been a favorite in his last two outings but finished fourth each time.

JOCKEYS DANNY SUMMEROW and Joe Ober did not suffer any serious injuries after being involved in a spill in the last race Sunday. Summerow's mount, Rican's Promise broke a front leg around the turn for home, throwing Summerow — who is the meet's leading jockey. Ober's mount tripped over the fallen horse, going headfirst and landing on Ober. Both were taken to Ruidoso Hondo Valley Hospital. Doctors released Summerow with a sprained ankle and foot. Ober was kept for observation. Doctors reported that he suffered a slight concussion and a sprained spine. Ober was listed in satisfactory condition.

DIXIE GETS A PLATTER—Dixie Ferguson (right) of Hamshire, Texas, accepts the victory ornament after her brilliant seven-year-old, Al's Vest, demolished the Flying Charm Stakes at Ruidoso Downs. The platter presentation was made by Maxine Lee of Uvalde, Texas, who owned Flying Charm when the mare was dominating 870 yard competition at Ruidoso Downs years ago. Looking on is Jerry Burgess, the pilot of Al's Vest.

Armadillo Studio Offers Elegance, Beauty In Stained Glass

"Stained glass is gaining in popularity at an astonishing rate," says Jerry D. Perry, owner of Armadillo Stained Glass Studio. Perry, along with his wife Janey, have spent many years designing, repairing and constructing stained glass art for private homes, commercial establishments and churches.

"People are rediscovering the elegance and beauty in professional stained glass art," said Perry, an associate member of the Stained Glass Association of America who studied under stained glass artist Jack Freeman.

In addition to windows, the Perrys do terrariums, Tiffany-style lamps, sun catchers (small hangings) and offer private lessons in their studio in two methods of stained glass art: the copper foil method and the traditional lead came (channel) method.

The Perrys have taught adult education classes at New Mexico Military Institute in Roswell and a course at Carrizo Lodge in Ruidoso.

Work designed by the Perrys includes traditional, Victorian, contemporary, Nouveau, Western, Indian and free form styles.

"We'd like to extend an invitation to anyone to drop by our studio to view our art work," Perry said. Armadillo Stained Glass Studio is located at 2809 Sudderth Drive and is open Monday through Saturday from 9:30 a.m. to 5:30 p.m.

FORTY YEARS LATER, the football team that took it all in New Mexico in 1939, were reunited Saturday in Ruidoso. Pictured, front row, left to right: Elmer Brown, Paul House, Byron Oglesby; second row: Vick Glover, Bob Plymate; third row: Frank Hale, Tom Hoover, Dick Brenneman; fourth row, Tom Nicholson, Harold Bryant, Tom Hall; fifth row: Art Dekker, Leroy English and Herman Burkstaller.

CONSPICUOUSLY MISSING from this photograph is Tom Nicholson, the star punter for the Roswell High championship football team. However, in his place, Nicholson sent his dog Spike, who is sitting in the upper right corner of the group.

'39 Roswell grid champs meet here

BY CHARLOTTE FELLERS
Staff Writer

Where will you be in 40 years? The championship football team of Roswell High School, Class of 1939, met at the La Junta Guest Ranch Saturday to find out where they had been since 1939.

Only 14 of the 58 ball players managed to make the 40-year reunion but lack of people wasn't a problem with the team. Among those returning were the star quarterback, two halfbacks, a right end, two guards, a fullback, a cheerleader, and several "honorary members."

The reunion was planned by Tom Nicholson, who played right end, and who now lives in Houston, Texas working as a utilities contractor. He was credited Saturday with making all arrangements and Nicholson admitted, "I'm making Ma Bell rich all by myself."

Nicholson couldn't put his finger on a reason for organizing the get-together. But one of his teammates, Tom Hoover (guard) said, "Tom was an Army brat, and never really had a chance to be anybody until he moved to Roswell. . . then he moved to this little town (population 5,000) and he was our star punter (50 yards per kick average. . . in his bare feet) and the lead in our senior play. Tom was somebody there and he'll never let us forget it."

They don't seem too anxious to forget either. Traveling from Seattle, Washington, Dick Brenneman (fullback), also brought a complete scrapbook of the "good old days." He came the farthest and is now coaching inter scholastic wrestling in a high school of 1,400 students.

Bob Plymate (cheerleader) traveled from Topeka, Kansas where he works as an insurance representative. Leroy English, (left halfback) now retired, worked in oil and gas exploration for the English Oil and Drilling Company.

Vick Glover (honorary member) is now an optometrist in Roswell who said he "felt like Roswell was the very best place to establish a healthy rapport with our children." He still feels that way.

Tom Hall (quarterback, class of 1937) took over his father's printing operation, which has been in Roswell since 1915. He said he feels very lucky to have spent his life in the community. "I love Roswell, that's always been my home; that's where all my friends are."

Herman Burkstaller (honorary member) is now the tennis pro at the Inn of the Mountain Gods. He pursued a career as a tennis pro and taught lessons in Fresno and hosted a tennis camp in Noyal before his position at the Inn materialized.

Art Dekker (right halfback) is an architectural engineer living in Albuquerque

and was the designer of Tingley Coliseum in Albuquerque, as well as numerous banks in the state. Frank Hale, (left guard) who served in the military as a police officer, made police work his career and now serves as juvenile probation officer in Roswell. Harold Bryant (quarterback) is now a carpenter in Socorro.

Tom Hoover, (guard) retired from the Air Force, now serves as executive director of the ASCS (Agricultural Stabilization and Conservation Service) in Roswell. Bryon Oglesby (honorary member) also retired from the military and is now a supervisor with the Department of Agriculture.

Paul House (right end) retired from the Marine Corps to make animated movies for the armed forces. He was one of a handful that got called to serve both in World War II and the Korean conflict.

Elmer Brown (honorary member) works in the El Paso branch office of De Gergio's, a major manufacturing company.

Not everyone was able to attend the reunion. Head coach Poe Corn lead the team to a winning season in 1939, ending the year with a tie game in the championship playoff against Las Cruces. The score was 6-6 but Roswell was crowned champion because they has a better season record.

Nicholson said, "we should have been declared co-winners with Cruces; their team was really as good as us."

Coach Corn died in 1974 of cancer in a hospital in Texas. Nicholson called him "one of the best people to have ever know in my life." He said the coach received flowers from every man he had ever coached while lying on his deathbed.

"That's just how much they thought of him," Hoover said, "I never thought I'd admit this, but I sat down and cried when he died. He was the best man I ever knew."

All but one of the 14 served in the second World War and all volunteered except one, English, who was drafted and ended up serving in the hospital unit. Remembering their "war days," all said it was "easy to be patriotic then; if you had on a uniform, you could get anything." Nearly everyone served with famous men. Names like General Westmoreland, Tyrone Power, Robert Taylor, Clark Gable and Ed McMahon pop up in conversations about the war.

One of the most amazing stories related about World War II involved Brenneman, who was training in the Air Corps to work with a team on various missions. He said the team was transferred to Florida where they took their last training before leaving the States. "Four days before my group was scheduled to leave, I came down with a disease the doctors never diagnosed. I still don't know what I had."

Four days later, his close friends and several others set out and were never seen again; they were lost in the Bermuda Triangle. "I'll never figure it out," Brenneman said.

Only two of the team of 1939 were killed in action and some have died since, but the group feels fortunate to have so few missing.

So, forty years later, they reappear with their wives and families to relive old times. "We don't really have much of anything in common now but the old days. But it never gets boring to remember the 'good old days.'"

TOM NICHOLSON, right, accepts gifts of an autographed football and personalized T-shirt from his lifelong friends, who made up the championship football team in 1939, the Roswell

Coyotes. Nicholson planned a 40-year reunion of the team which was held Saturday at La Junta guest ranch. Dick Brenneman is shown, left, presenting the tokens of appreciation.

FIRST BAPTIST CHURCH in Ruidoso Downs is located on Highway 70 and boasts a membership of more than 330 people.

THE REVEREND Dale W. McCleskey has pastored the First Baptist Church in Ruidoso Downs nearly two years.

Ruidoso Downs' First Baptist Church concentrating on youth programs

Second in a series
on area churches

BY CHARLOTTE FELLERS
Staff Writer/Photographer

The First Baptist Church in Ruidoso Downs, organized in the early 1940's by five people, now includes an active membership of more than 330, including the Mesquero Mission.

The five people were sent a missionary in the early 1940's who led the group in prayer meetings held at homes or "any empty buildings we could use," according to one of the church's founders, Anna Carpenter.

Soon another missionary and his family, known as Brother Riley, moved to the area and helped the small organization build their own meeting place.

"We began to visit up and down this valley and receive donations to build a Baptist church," Carpenter said. In a few months, enough money was raised to buy a lot and enough rough lumber to construct the walls, roof, windows and doors of a church.

Although there was no money to build a floor, the spirit of the group remained strong, and they met with the Baptist congregation in Ruidoso Sunday mornings and held their own church school Sunday afternoons.

Finally in 1946, the First Baptist Church of Palo Verde was organized, in what is now Ruidoso Downs, and included "12 or 13 members," according to Carpenter's account.

Members then included Mrs. Stout, Mrs. Lawing, Ruth McMillan, Bobbie Browning, Bill Sublett, Mrs. Elbert Cooper, Carpenter and several children.

The original building was located across Highway 70 from the present church. In later years, the original building was moved across the road and an addition built. Finally the original building burned, also destroying most of the church's historical records.

The new church was built in 1973 and includes rooms for church school and a kitchen area. Because the church is experiencing an upsurge in the youth ministry and general growth

of membership, an addition to the present structure is nearing completion.

The new addition, consisting of about 4,000 square feet of space, will provide additional church school rooms, a nursery, a fellowship hall with a capacity for three times the present one and an upstairs equipped with facilities to host overnight guests.

Although the main structure was built by contractors, all inside and finishing work will be done by church members. "We'll finish it as we get time, as we decided the cost would be a lot less," The Reverend Dale W. McCleskey, said.

McCleskey has ministered to the church two years, coming to Ruidoso shortly after finishing seminary work. He attended the Southwestern Seminary in Fort Worth, Texas for most of his training and also spent time at Wayland Baptist College in Plainview, Texas. A year was also spent at McMurray College in Abilene, Texas.

Two youth programs are under the direction of Beverly Lewis, a full time employee of the church. One involves children of all ages and the other is a discussion group for pre-teens.

"The congregation here is really receptive to building a youth program," Lewis said.

The church is a member of the Mountain Valley Baptist Association, composed of churches in Southeastern New Mexico, which spends much time helping organize churches in the area.

The church is also affiliated with the Southern Baptist Convention and the Baptist Convention of New Mexico, both of which support missions, hospitals and colleges with money collected for missions.

The church's current deacons include chairman Chester Smith, secretary Curtis Lathan Sr., T. E. Matthews, H.T. Fillingim and Delbert Posey.

Church school is held every Sunday at 9:45 a.m., with church services following at 11. Evening worship is held Sundays at 6 and Wednesdays at 7.

AN ADDITION to the First Baptist Church in Ruidoso Downs will enlarge floor space by 4,000 square feet. The new area is being attached to the back of the church.

THE SANCTUARY of the First Baptist Church in Ruidoso Downs is decorated with bright red colors and inviting cushioned pews.

The Silver Lining

BY DANIEL AGNEW STORM

Bersebe Montoya

Our prayers go up for the loved ones and friends of our dear friend and close neighbor of many years, Bersebe Sanchez Montoya who was called home by our Lord on June twenty.

Services were held at St. Eleanor's Catholic Church in Ruidoso, and at the cemetery of the legendary little church of San Ysidro in Glencoe.

Bersebe and her late husband Theodoro (Tio) were some of the very first people our family met when we came to our home here in the valley. She has been a very courageous little lady, always cheerful and smiling through her long illness. She has brought much happiness into the world with her true Christian spirit and will always be kindly remembered by her many friends and loved ones. We all take comfort in knowing our friend is safe and happy with our Lord in Heaven.

Mrs. Ray Vyne

Services were planned for Tuesday, June twenty-six in Prescott, Arizona for Mrs. Ray (Sarah) Vyne who was called home by our Lord on June twenty-two.

Sarah is the mother of our good friend and neighbor, Mrs. Betty Lambert, owner along with her husband, Bob, of the Canyon Trading Post in Glencoe.

I had the honor of visiting with Mrs. Vyne several times at the Trading Post when she came from Arizona to visit Betty and Bob.

Blessed with a sunny personality and kindly nature, Sara has brought much happiness into the world during her eighty-four years. A true Christian and pioneer lady, Sara has cheered and helped many people along life's pathway. We all take comfort in knowing that Mrs. Ray Vyne is safe and happy with our Lord in Heaven.

Summer Shower

This message is being sent to you on June twenty-five, the fifth day of summer. And this is certainly the greenest summer I have seen in many a day.

Last night (June twenty-four) the clouds gathered in the east and north after dark. All through the day there had been clear signals of the advance of the clouds. All the cows came down from the hill with their calves, the way they always do when they want to let me know a rainy spell is coming. The day was warm and with a certain stillness that tells you of rain. All

day the cows and calves rested in the thickest shade of the cedars and walnuts and oaks near the river.

The some of the brightest flashes of lightning and the loudest thunder I can remember welcomed in the darkness of night. Slowly the summer storm advanced through the sky, its rumbling thunder shaking the ground under your feet and lightning flashes lighting the world brighter than day.

Then here came the rain riding in on the east wind. Other clouds from the west met overhead and clouds held a festival of every kind of lightning and thunder. Some of the lightning had a purple tint as it went crackling along the hillside and up to the mountain top. Another flash darted down like a blazing spear to the earth; and another flash seemed to fill the whole sky, shimmering like the Northern Lights, touched with red and blue.

The thunder turned on its loudest blasts, booming after the brightest lightning. When the bright shafts of lightning streaked straight down to the ground through the streaming rain, the crash that followed seemed as if the sky had burst open. When the lightning ran along the hillside, the thunder rumbled and murmured along just afterwards.

This was an early Fourth of July celebration letting us know that we will soon be into the glorious month of July.

Fourth of July

Our thoughts go back to our forefathers, and their heroic struggle to bring our beloved nation into the world, two hundred years ago. This fourth of July will be the two hundred and third anniversary of that great day.

Our first American friends, the Mesquero Apache Indians will begin their sacred and beloved traditional four day ceremonial this year on the Fourth of July.

Memories Of The Indian Ceremonial

Once again my memory is drifting back to the first time I attended the Indian Ceremonial. In 1926 our mother and my younger brothers, Mark, Joe, and Lynn arrived in Mesquero from El Paso on July 2, our mother's birthday.

Our car, a 1917 Vello, broke down at the celebration grounds, and we stayed the full four days of the celebration.

All of us have always remembered the friendliness of the Mesquero Apache during the four days.

And as the season of our mother's birthday approaches, her blessed spirit is close to me; and I send up a prayer of thanks to the Mesquero Apaches for their kindness to all of us more than half a century ago. And I appreciate the friendship of these people more year by year.

Let us thank God for our blessings, and look forward to a safe and glorious Fourth of July.
