Warriors now 2-0

Ruidoso rallies in second half for 21-12 win at Clint, Texas

by GARY BROWN
News Sports Writer

The 1984 Ruidoso High School varsity football team is making a habit out of strong second-half finishes.

Friday night the Warriors raised their record to 2-0 with a come-from-behind 21-12 victory over host Clint, Texas.

As in the season opener against Lovington, the Warriors trailed at halftime but came back to win.

This time it was a little easier than the last-minute 21-16 win over Lovington, as the Warriors dominated the Clint Lions in the second half.

Trailing 10-6, Ruidoso took the second-half kickoff and drove 70 yards in six plays to go ahead for good.

The big play of the drive was a 46-yard run by senior fullback Manuel Montano to the Clint seven.

The stocky fullback cut through a hole, swerved to his left and ran down the sidelines to the Lion seven before he was stopped.

On the next play, quarterback Russell Easter, who had a great night, ran in for the score on a keeper.

Easter then ran over for the two-point conversion and Ruidoso led 14-10 with 9:26 left in the quarter, never to trail again.

Later in the third quarter, the Warriors drove 58 yards in 10 plays for their final touchdown.

Easter sparked the drive with three pass completions, the last one a 15-yard throw over the middle to Justin Smith.

Smith caught the ball at the four and tried to go over the goal line. However, the referees ruled his progress stopped at the one.

On the next play, Easter pushed over for the score. Chuck Jarrell kicked the extra point and Ruidoso led 21-10.

The hosts got a safety early in the fourth quarter when Montano was tackled in the end zone after a wild pitchout.

Ruidoso got a free kick and held the Lions. The Warriors ran some time off the clock and stopped the Clint of-

fense on its last two possessions.

The Warriors struck first in the contest, scoring a touchdown in the opening period.

Ruidoso's sophomore safety Jeff Willingham stopped Clint's opening drive with an interception at the Ruidoso eight.

A run and a short pass netted just three yards, but junior tailback Mike Williamson gained 10 yards for a first down at the 21.

After another first down, Easter hit senior split end Mike Smith over the middle. The Warrior athlete outsped two Lion defenders for a 66-yard touchdown.

Jarrell's extra point attempt was wide, but Ruidoso led 6-0 with 6:16 left in the initial quarter.

But Clint came back in the second period to take the advantage.

Lion quarterback Oscar Campos capped a 40-yard drive with a six-yard run. He completed two passes during the drive. Fernie Martinez kicked the extra point to give Clint a 7-6 lead with two minutes left in the half.

After forcing the Warriors to punt, Clint hit the scoreboard again in the final seconds of the half.

After a long run, Martinez kicked a 36-yard field goal to give Clint a 10-6 halftime advantage.

But the Warriors quickly eliminated the Lions' lead with their opening drive of the second half.

Ruidoso head coach Cooper Henderson was pleased with the Warriors' performance, particularly the second-half comeback.

"I think that says something about the players' character, coming back in the second half to win for the second straight time," he said. "That shows a lot of character."

"I thought the team played pretty well overall. We improved in two areas we worked on a lot during the week. Our tackling was better and so was our offensive execution."

Indeed the Warriors' offense was improved over the Lovington game.

Ruidoso gained 320 yards total offense. The Warriors had 190 yards on the ground and 130 through the air

Quarterback Russell Easter (17) of the Ruidoso High School varsity football team evades a couple of Clint players during

Friday night's game. Easter threw a touchdown pass and scored twice to spark a 21-12 Warrior victory.

Against Lovington the Warriors gained just 149 yards overall.

Easter completed seven of 10 passes and kept the Lion defense off balance with his running.

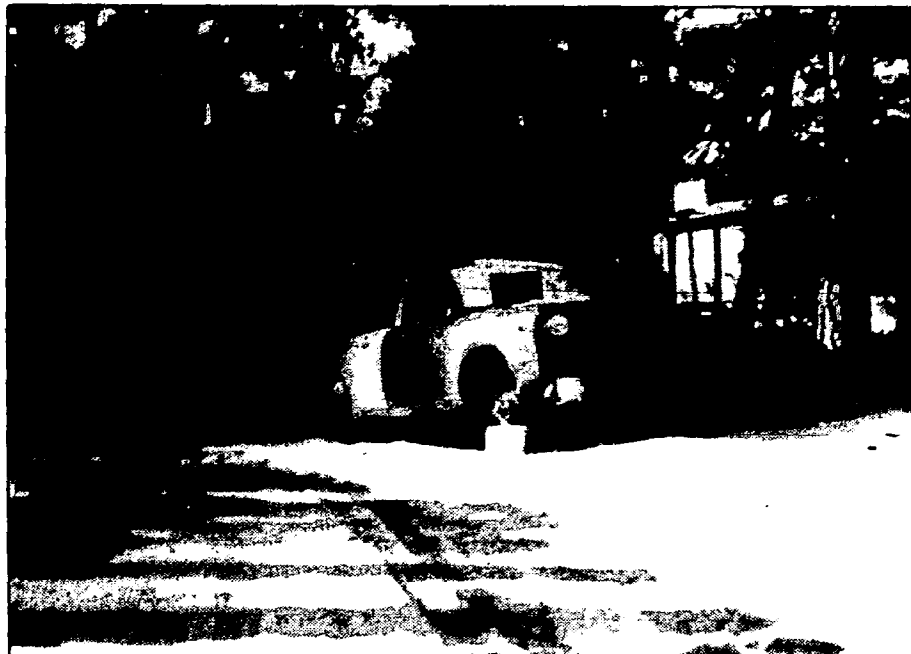

Montano and Williamson both ran

well with the ball. Montano led the Warriors with 94 yards rushing, and had a quarterback sack on defense.

The Warriors will have their home opener Friday night against Tularosa. The game will start at 7:30

NOTES: The Ruidoso coaches named Justin Smith the top offensive player for the game. Smith was also honored as the top kickoff team player. Willingham, who had two interceptions, was named the top defen-

sive player. Randy Reynolds was named the best scout team player, while offensive guard Billy Harrison won the Golden Helmet award, presented after each Warrior win to a deserving player.

Junk and abandoned cars like this one, removed earlier from a Ruidoso yard, will be the target of a crackdown by the Ruidoso Planning and Zoning Enforcement Office beginning October 1.

Crackdown on junk autos announced

by DARRELL J. PEHR
News Staff Writer

That "classic" 1963 Chevy Impala you have sitting out in the yard that you've been meaning to fix up just as soon as you have time may cause you some concern in the near future.

Village of Ruidoso Planning and Zoning Enforcement Officer Paul Davis plans an overall crackdown on the junk and abandoned cars scattered throughout the village, beginning Monday, October 1.

According to Davis, the village has two ordinances which apply to such cars, and he will begin to enforce them closely. The ordinances describe a junk or abandoned car as one which does not have a license plate, or has a plate with an invalid registration sticker, and which is an "eyesore," according to Davis.

He noted that such cars are unpleasant to look at, and may pose a hazard for children in the area, since they are a tempting place to play.

Davis said he would begin enforcement by checking with the Ruidoso Police Department to find who is the registered owner of the abandoned vehicle. Then, a letter will be sent to the owner of the vehicle and the owner of the property where the vehicle is parked.

The letters will explain that the village intends to remove the offending vehicle in 10 days, unless the owner first takes care of the problem. The letter to the owner of the property will include a release form giving the village permission to go onto the property and remove the vehicle upon signature of the property owner.

Davis said exceptions may be made for vehicle owners who are planning to restore their automobiles, if those owners either cover or garage their vehicles.

Davis estimated about 20 vehicles currently in the village are considered by his office to be junk or abandoned.

So if you've been planning to work on that Impala "tomorrow," tomorrow has come.

Altrusa Flea Market

Altrusa members Linda Skellett, left, and Marie McNeil sort items at one of the service club's tables Saturday. Twenty groups and individuals set up booths at the flea market in the

'Safeway parking lot' along Mechem Drive. Clouds dampened sales early in the morning, but club members earned about \$2,000 for their service projects while having fun, Skellett said.

Aspens changing

The pale green of the aspens is beginning to be replaced by brilliant yellow hues, as colder temperatures become more common in the higher reaches of the Sacramento Mountains.

In areas close to Sierra Blanca Ski Resort, tall aspens stand out more and more from neighboring deep-green coniferous trees. Other groves of aspens line areas of Ski Run Road above the Forest Service Oak Grove campground.

Individual leaves on the aspens vary in hue from green to yellow, evidence that weather conditions are increasingly changing the color of the leaves. In a few weeks, the forests will certainly be ablaze with the complete turning of the aspens.

Obituaries

B. J. WATKINS

B.J. Watkins

B. J. Watkins, pioneer Ruidoso and Lincoln County resident, will be buried Monday, September 17, at the Ruidoso Cemetery. He passed away on Thursday evening at the Ruidoso-Hondo Valley Hospital.

Watkins, age 67, was born on Little Creek, between Ruidoso and Capitan, on May 29, 1917. He was the youngest of nine children born to O. W. and Sarah Watkins, who came to Lincoln County in a covered wagon during the early 1900s.

Mr. Watkins attended school in Capitan and graduated from Meadow High School in West Texas, where his family had farms. During his lifetime he farmed and ranched in Chaves, Lincoln and Santa Fe counties. While in Ruidoso he was active in the contracting business.

Mr. Watkins was married to the former Lula Mae "Boots" McClung September 27, 1938. He is survived by one son, Bobby J. Watkins of Anthony, New Mexico; one daughter, Beverly Merritt of Yesso, New Mexico; one brother, Otha Watkins of Dinuba, California; and four sisters, Mrs. Jimmie Cook of Roswell, Era Glover of Plains, Texas, Bea Methvin of Denver City, Texas, and Jewel Thompson of Ruidoso Downs.

Preceding him in death were three

sisters, Mrs. Betty Savage, Mildred Vessels and Etta Cunningham.

Other survivors are four grandchildren and one great-grandson. Pallbearers will be Bram J. Watkins, Ron Merritt, Cecil Thompson, Jan McElhane, Jerry Jones and Rick Hollis.

Honorary pallbearers are T. J. Short, Bill Hart, Lem Sallee, Tommy Thompson, Harold Jones, Elzy "Jr." Perry, Brother Miller, Ray Reed, George Perry Sr., Harlan McCraw, Herbert Lee Traylor, Bones Wright, Alex Lindt, Sherman Atwood, Sam Puckett, Alfred Gonzales, Ronnie Perry, Lewin Perry, Stormy Edwards, Pat Willingham, Bob Pior, Charlie Hall, Jerry Gant, Robert Beavers, Reed Stirman and all the men, too numerous to mention, with whom B. J. hunted, fished, rode the mountain and shared companionship.

Because B. J. spent most of his life helping and loving children, the family requests that memorial contributions be made in lieu of flowers to the Boys Ranch or the Christian Children's Home.

Funeral services were scheduled for today, September 17, at 10:30 a.m. at the First Christian Church, with burial to be at the Ruidoso Cemetery.

Aaron Lane Sundayman

Aaron Lane Sundayman, of Mescalero, died Thursday, September 13, 1984. He was born on September 13, 1938, in Mescalero, and was a member of St. Joseph's Catholic Mission.

Survivors include his wife, Bernice Via Sundayman; sons Aaron Sundayman Jr. of Idaho and Allen Sundayman of Mescalero; sisters Amy Marshall and Veronica Daklugie, both of Mescalero; and brothers Carlos, Elias and Salvador Sundayman, all of Mescalero.

The rosary was recited at 6:30 p.m. Friday, September 14, and Mass was said at 10 a.m. Saturday, September 15, in St. Joseph's Mission, with Father Justin officiating. Interment followed in the Mescalero Cemetery, with military honors.

Pallbearers were Silas Cochise Jr., Travis Cochise, Christopher Cochise, Nathaniel Chee Jr., Larry Brusuelas and Edgar Daklugie. Honorary pallbearers were Richie Hosetocavit, Benedict Makil, Harlyn Via, Stathan Kinzhuma, Woodrow Wilson Jr. and Carlos Sundayman.

Arrangements were by Clarke's Chapel of Roses, Ruidoso.

Dick LeMense

Richard Martin "Dick" LeMense Sr. died suddenly Friday, September 14, at Alamogordo. He resided near Nogal and was an employee of The Ruidoso News.

Mr. LeMense was born in Marinette, Wisconsin, on September 28, 1930. He was a 26-year veteran of the United States Army. He retired from the Army in 1974, and four years ago he moved to Lincoln County.

He is survived by his wife, Lottie; sons Richard LeMense Jr. of Carlsbad and Steven T. LeMense of Ruidoso; daughter Linda Elizabeth Goggans of El Paso; mother Bernice LeMense of El Paso; and brother Philip LeMense of Michigan; grandchildren; a sister-in-law; and a daughter-in-law.

A memorial service was scheduled for 10 a.m. Monday, September 17, at First Presbyterian Church in Ruidoso, where he was a member. The Reverend Winston Presnall was to officiate.

Funeral service and interment will be at 2:30 p.m. Tuesday, September 17, at Fort Bliss National Cemetery in El Paso, with full military honors.

Road graders waiting on repair work

by MATT BOSIBIO
News Staff Writer

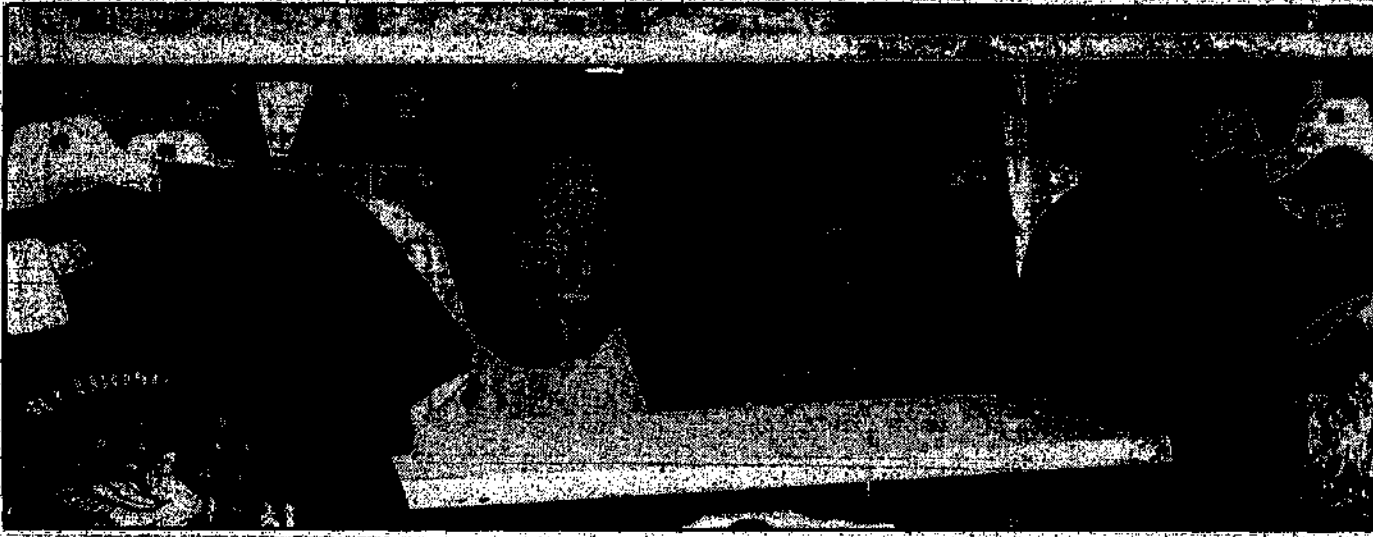

County commissioner Kenneth Nosker said Friday the county is working as fast as it can to repair two road graders that have broken down.

He said he had received complaints about neglected roads in the southeast part of the county, particularly from ranchers who have to begin shipping their cattle early next month.

"Some are sure that we're ignoring them," said Nosker. "But we're not." He said parts have been ordered for the crippled graders, which should be repaired shortly.

"We're just going to do the best we can," Nosker said. "We're getting around as fast as we can with what we have."

Seminar draws on communication

by MATT BOSBIO
News Business Writer

"If you always do everything to the best of your ability," Leslie Lewis explained, "you'll always feel fantastic."

The reason for that, he said, is because the outcome of the task will be pleasing to you, which in turn will make you feel good about yourself and your life.

Lewis, of Channel Resources Incorporated, was in Ruidoso last Tuesday giving a seminar on small business. The three-hour program touched on numerous topics of interest to business owners and managers, including personal and employee attitudes, goals, communication, potential and commitment.

A business consultant based in Los Angeles, Lewis gives a roll-up-your-sleeves approach to how to make personalities and team effort pay off in the workplace.

"I'm very much in favor of all of us leaning on ourselves and not relying on others," he said. "And one of the keys is to assume responsibility for our own states."

One way of achieving that, Lewis said, is through setting goals and determining the best methods of reaching those goals.

Once that is done, set about to communicating those goals and methods to those people who help make the business succeed. And then, he added,

Business consultant Leslie Lewis makes a point about attitude during last week's small business seminar in Ruidoso.

continue goal-setting by looking for new challenges.

"Life gives us opportunities from which to grow," Lewis said. It is just a matter of recognizing those moments and seizing them.

"Fear of failing is a major reason why people will not take on responsibility," he noted. Because of that, "people spend their whole lives feeling the victim of circumstances, whether it's work or daily living or romance."

Lewis suggested that business people "move from victim to creator," and do it by increasing communications with others.

"Communication is the key," he said. "Not repeating the communica-

tions, but increasing the communications."

The eight participants in the seminar brought up personal business problems during the session, shared experiences and drew encouragement from one another.

In response, Lewis became animated and anecdotal. He interacted with the group and established an atmosphere of informality.

When it was over, it appeared as though the main thesis for business people to remember was that challenge and chance go hand in hand.

"You have to take a risk in life," Lewis told his audience. "That's all you can do."

Confrontation

Ruidoso High School varsity football players collide with some Clint players during Friday's contest at Clint. Number 64 in the light jersey is Ruidoso's Billy Harrison. Ruidoso won 21-12 to gain a 2-0 record. The Warriors are ranked 10th in the state. See page 1A for story and photo.

Grizzly running backs, defense star as Carrizozo blanks Fort Sumner

Running backs Steve Stearns and Kenneth Crenshaw combined with a rugged Carrizozo defense to give the Grizzlies a 20-0 victory over visiting Fort Sumner Friday night in a non-district football game.

Carrizozo, now 2-0 on the season, scored first with a three-yard run by quarterback Dominic Vega in the opening quarter.

Vega's touchdown concluded a

40-yard drive in five plays.

Crenshaw scored the Grizzlies' second touchdown on a 22-yard run early in the second half. The score was set up when Stearns returned the opening kickoff of the second half 78 yards to the Fort Sumner 22. From there Crenshaw ran it in for the score.

Stearns ran in for the two-point conversion and Carrizozo led 14-0.

Crenshaw scored the final Car-

rizzo touchdown in the fourth quarter on a 14-yard run.

Stearns, who ran for over 1,100 yards and scored 21 touchdowns in 1983, ran for 232 yards to spearhead the Grizzly attack. The Grizzlies gained 382 yards, all on the ground.

Crenshaw added 76 yards in 12 carries. Vega ran for 37 yards on three carries and James Guevara gained 37 yards in two carries.

Carrizozo did not complete a pass in seven attempts, but the passing was affected by a strong wind, according to Grizzly head coach Dennis Sidebottom.

Defensively, Charles Zamora stood out with 22 tackles. Sidebottom also praised offensive guard Benny Zamora, who did a good job blocking Fort Sumner's middle linebacker.

"We made some mistakes and we had 125 yards in penalties," Sidebottom said. "We also fumbled three times inside their 30."

"But through it all, the players kept their composure. I was pretty pleased with the win."

Carrizozo will attempt to make it three straight when the Grizzlies travel to Estancia Friday night for a 7:30 contest.

"They're a very tough team," Sidebottom said of Estancia. "They've got the state AA division sprint champion, and they could be the best team we play all season."

Warrior junior varsity ties Portales, will host tough Artesia Saturday

The Ruidoso High School junior varsity football team opened the season Saturday afternoon with a hard-fought 6-6 tie against host Portales.

Toby Rue scored the Warriors' only touchdown on a 80-yard fumble return in the first half. That gave Ruidoso a 6-0 advantage which the Warriors kept at halftime.

But the hosts came back in the second half and tied the score after a long drive. Portales tried a two-point conversion but a pass fell incomplete.

Portales had another long drive in the second half, but the Warrior defense stiffened and kept the Rams from scoring.

Fullback Bryan Alexander was the Warriors' top offensive threat, consistently getting good yardage on trap plays.

Rod Wright did a good job at quarterback for the Warriors.

Ruidoso head coach Cooper Henderson felt the Warriors did a good job, particularly against a tough team like Portales.

"They're usually a pretty good team," Henderson said of Portales. "We did well defensively."

"They had a couple of long drives in the second half, but outside of that we stopped them pretty well."

"The players got a chance to have some hard play and they did that against a good team."

The junior varsity Warriors will resume action this Saturday when they host Artesia at 6 p.m.

Artesia has won the state varsity AAAA-division championship the past two seasons, so it should be another tough test for the Warriors.

Ruidoso's freshman team will also be home this week. The freshman Warriors will open the season with a contest at 6 Thursday night against Roswell, an AAAA-division school.

Golf tourneys scheduled this week

Both Alto Lakes Golf and Country Club and Cree Meadows Country Club are hosting golf tournaments this week.

The Alto Lakes Member-Member Tournament and the Eastern New Mexico Seniors Tournament at Cree Meadows both began today and will continue through Wednesday.

The seniors tournament is featuring some of the best senior golfers in New Mexico. The Alto Lakes member-member tournament is for both men and women.

Cree Meadows will also have the seventh annual Johnny Williams Memorial Partnership Golf Tournament Friday, September 21, to Sunday, September 23.

A total of 60 teams will compete in the partnership tournament. There will be six flights in the tournament.

Tommy Hornbuckle and Ronnie Jumper are the defending champions in the championship flight, which will probably feature many of the top golfers in Lincoln County.

The partnership tournament will conclude the Cree Meadows summer golf season.

Brave gridders defeated by Dexter in opener

A tough Dexter defense proved to be the difference as the Ruidoso Middle School A football team lost the season opener to the hosts 20-6 Thursday night.

Dexter's team was made up mostly of ninth graders and the Demons had a size advantage over the Braves, according to Ruidoso head coach Terry Wharton.

"They had some good size," said Wharton. "They had a couple of kids in the 180 to 200 pound range."

"They were probably a little bit tougher than they were last year (when Dexter won 28-14)."

The Braves scored their only touchdown on a five-yard run by fullback Dusty Beavers in the third quarter.

The touchdown by the 5-10, 150-pound athlete finished a 55-yard drive. Most of the Braves' yardage was gained on the ground by Beavers, Clay Grimes, Bubba Lane and Daniel Candelaria.

"We tried to pass but we just couldn't keep their linemen out," Wharton remarked. "They were tough. I think they had almost all freshmen in the starting lineup."

Matt Beatty and Michael Swanner both played at quarterback for the

Braves. Swanner recently had a cast taken off a broken thumb.

"I felt our whole defensive unit did a fine job," Wharton said. "I was hoping we'd move the ball a bit better on offense, but they were just too big."

The Brave A team will resume action Thursday, September 27, when Ruidoso hosts Hagerman at 6 p.m. The Ruidoso B team will travel to Carrizozo this Thursday for a 4 p.m. contest.

Fishing report

Ruidoso River: The fishing is fair. Some trout are being taken on worms and Panther Martin lures.

Alto Lake: The fishing is good. Trout are being taken on garlic-flavored marshmallows and fireballs, fishing off the bottom.

Bonito Lake: The fishing is fair. Rainbow and brook trout are being taken on flies in early morning and late afternoon hours. Some rainbow trout are being taken on fireballs and floating cheese, fishing off the bottom.

with Gary Brown

Ruidoso High School sports fans will have a real chance to show how well they support their teams when the Warrior varsity football team plays its home opener against Tularosa this coming Friday night.

The Warriors are 2-0 on the season—the first time in three years they've won that many games. A win over Tularosa (which is also undefeated) could put Ruidoso on a hot streak that might carry the Warriors the rest of the season and into the state playoffs.

But it will not be easy. The Wildcats probably have one of their best teams in recent seasons. They are a veteran, talented team.

That's why fan support is important in the Warriors' case. Ruidoso won the first two games on the road, but Tularosa is probably tougher than either Lovington or Clint.

Ruidoso has only defeated Tularosa once since 1968, that being a 14-0 victory in 1980. Even the 1982 Warrior team that went 8-2 could not defeat Tularosa. Tularosa has a 21-6 edge in the series.

But the tide seems to be changing. Ruidoso's enrollment is growing while Tularosa's has dropped in recent years. The Wildcats dropped down to the AA division in the 1983-84 school year.

Ruidoso's junior varsity also beat Tularosa 14-13 last season, and many of the players from those teams will be meeting each other Friday night in the varsity game.

This season would seem to be the ideal time for the Warriors to take command of the long series.

The Warriors' offense has gained almost 500 yards in the first two games, and the defense has been tough when it counted.

What is especially impressive about the Warriors' success this year is the fact many juniors and sophomores are playing a big part.

In the Clint game, seven juniors and eight sophomores started for the Warriors in the offensive and defensive lineups.

That a team with 15 underclassmen starting can be 2-0 at this stage is remarkable.

That's why the Tularosa game is so important. With that many underclassmen playing, a victory over the tough Wildcats will be a big boost for their confidence, and help them get ready for always-strong Portales the following week.

So a big crowd will be a big help to the Warriors Friday night. In the past two seasons, Ruidoso football games haven't drawn well, perhaps because the team was losing.

But now the Warriors are winning and local fans should go out and support the team.

If the crowd can get behind Ruidoso, the Warriors have a good chance of winning the game.

And if they do beat Tularosa, the Warriors could be playing football in to the Thanksgiving holidays or even later.

Ruidoso spikers get sixth at Cloudcroft

by GARY BROWN
News Sports Writer

The Ruidoso High School varsity volleyball team finished sixth in the Cloudcroft Tournament Saturday, winning one of three matches.

Ruidoso lost to powerful Hatch in the opener, defeated the Alamogordo junior varsity, and then fell to Dexter in the consolation final. The Warriors defeated Alamogordo in four sets and lost to both Hatch and Dexter in three straight sets.

Against the Alamogordo junior varsity, Ruidoso played up and down, winning the first set 15-3 and losing the second 15-6. The Warriors buckled down and won the next two sets, 15-13 and 17-15, for the match victory.

Sophomore Ashley McIntosh served five points in the final set to spark a Warrior comeback. Senior Diane McClure then served the final two points for the victory.

In the third set, Ruidoso built up a big advantage before the Tigers came back to tie the contest at 13-13.

However, the Warriors scored the next two points for the set victory.

Warrior head coach Pixie Arthur had mixed feelings about her team's play in the tournament.

"I felt the team played well in the match against Hatch, which was in the finals," Arthur said. "Against the junior varsity team (Alamogordo), I felt we kind of played to their level. We made some sloppy plays."

"Against Dexter, we didn't play well at all. We've got to work on spiking and blocking coverage. We didn't do well in those areas."

"But we learned a lot in the tournament and we're going to work hard this week to improve."

Arthur praised the play of McIntosh, Lana McClure and Gia Rose in the tournament.

"Ashley played outstanding," she commented. "She and Lana are just sophomores and they don't have much playing experience. Gia is playing well now. She's been sick."

Ruidoso, now 1-4 on the non-district season, has this week off. The Warriors will resume action Tuesday, September 25, when they travel to Hot Springs High School for the District 3-AAA opener.

The Warrior varsity, junior varsity and freshman teams will make the trip, along with the Ruidoso Middle School team. Ruidoso's junior varsity team is 1-1 on the season, while the freshman squad has an 0-1 mark.

"Hot Springs is always strong," Arthur said. "I think they've got back most of their players from last season's team."

"But I think we'll be ready to play a good match in the district opener."

Kerry Gladden of the Ruidoso High School varsity volleyball team serves during a match with the Alamogordo junior varsity eight-team tourney.

Brave spikers lose opener

The Ruidoso Middle School volleyball team lost a couple of matches in the Capitan Junior High Tournament Saturday.

Ruidoso fell to Capitan 15-4, 15-2, in the first match, and then played Chaparral of Alamogordo tough before losing 16-14, 15-6.

In the season opener Thursday, the Braves lost to Chaparral 15-4, 15-3, in the Ruidoso gymnasium.

"We played much better against Chaparral the second time than we did the first time," said Brave coach Jim Hofstad. "We're trying to run an

offense and we're doing things which will probably help us in the long run." Leslie Spencer served 10 points in the second match against Chaparral. Jennifer Jimenez, Tracy Brewer and Margaret Cano also played very well, according to Hofstad. Most of the Brave players had never played competitively before Thursday.

The Braves will resume action Tuesday, September 25, when they travel to Truth or Consequences to play Hot Springs. They will play along with the Ruidoso High School varsity, junior varsity and freshman teams.

Voters OK tax hike

In a special election Friday, Capitan voters approved by 4-3 margins two gross receipts tax increases.

Starting January 1, 1985, the gross receipts tax within Capitan's village limits will be 5.25 percent.

Voters approved the first question 48-38. It increases the tax 0.25 percent. Money from it will go into Capitan's general fund.

The second issue provided for an additional special gross receipts tax of 0.5 percent. It passed 34-36.

Revenue from it will be used for infrastructure repair and improvement of such items as storm sewers and

drainage.

The voting Friday got off to a rough start when the machine would not work. The first few votes had to be cast on paper ballots.

Capitan Mayor David Cummins was pleased that voters passed both ordinances.

He attributed the low voter turnout (87 out of 454 registered voters) to the possibility that people were not aware of the special election.

Virginia Spill, the village clerk, had made a close prediction about the size of the vote when she estimated 56 people would cast ballots.

Students see plague program

Last Wednesday, students and faculty at Capitan Schools heard a special presentation about the plague by Ted Brown of the State Health and Environment Department. Brown gave the audience some important information about preventing and recognizing the disease, which has been a steadily increasing problem in the state since 1959.

The plague is a bacterial disease which can be passed to humans by wild animals, rodents, rabbits and their fleas. Fleas are the primary carrier of the plague. Once the disease is in an animal's bloodstream, a flea can extract the bacteria and infect another animal or human with a bite. Animals can also contract the disease by eating an infested animal.

The primary villains in this serious disease are rock squirrels, prairie dogs and rabbits. Brown cautioned everyone to stay away from wild animals. The last known case of plague in this area was reported in July in White Oaks when a young boy picked up a wild rabbit he had killed. The boy was bitten by the rabbit's fleas.

Brown warned anyone who traps animals to use extreme caution when handling them. Always wear gloves when touching the animal because the

plague can be transmitted through cuts in the fingers. Before skinning an animal, Brown advised placing it in a plastic garbage bag with a good dose of flea powder and leaving it there for at least fifteen minutes.

As far as household pets are concerned, dogs can carry the disease, but due to their chemical makeup, they do not become very sick from it. Cats will die from the plague. Brown recommended dusting pets with flea powder weekly and keeping pets away from wild animals.

In human beings, the key to surviving the plague is early diagnosis and early treatment. Symptoms usually occur two to six days after exposure. Symptoms include a sudden high fever, chills and headaches.

There have been ten documented plague cases in New Mexico so far this year, according to Dr. Jim Knight, wildlife specialist at NMSU. The warm months, March through October, pose a higher potential for the disease. Although the plague is a rare disease, Knight contends that "it's still a potential public-health threat." Information about the plague is available by calling (800) 432-4404. To report confirmed plague cases, or to get emergency information, call (505) 827-3201.

Tiger team loses 28-14

In their first home game of the season, the Capitan varsity football team gave Texico a tough battle Friday night before losing 28-14. The Wolverines are the defending state A-division champions.

Capitan quarterback Dewey Keller hooked up with his brother Troy and with Rod Dean for the Tiger touchdowns, both coming in the final quarter.

Dewey Keller threw a long pass to Troy early in the final period for a 75-yard scoring play and Capitan's first touchdown.

With 30 seconds left in the game, the Tiger quarterback connected with Dean for a 50-yard touchdown play. Keller then ran for the two-point conversion.

Ron Sullivan opened the scoring for Texico near the end of the first quarter. Texico added three more touchdowns.

The Tigers had a chance to tie the game in the second quarter, but lost two touchdown opportunities to penalties and one to what Coach Gary Thompson believes was a mistaken call.

Thompson said Trent Thompson had gotten the ball in the end zone, but the officials ruled the ball at the one yard line.

"After the game, people told me that they saw the ball cross the end zone," Thompson said.

Capitan gained 145 yards passing and 113 rushing. The Tigers made 13 first downs.

John Blea, an assistant coach, said he was pleased the Tigers' young offensive team was able to move the ball.

Gary Thompson also said, "the team has improved quite a bit offensively but had a lot of problems in the defensive line."

He did praise Mark Romero for a good game on defense, but said inexperience was still a problem for the team. The team suffered no major injuries in the game.

Capitan, now 0-2 this season, will travel to Hagerman Friday night for a 7:30 p.m. contest.

Extension plans meeting

The Capitan Extension Club plans to install new members and make annual plans at 10 a.m. tomorrow, September 17, in Sacred Heart Catholic Church.

Each member is asked to bring a

homemade item for a grab basket. The new officers are President Inez Marro, Vice President Marian Wohlgenuth, Secretary Mona McEwen and Treasurer Vikki Hall. The voting delegates are Lisa Ramirez and Jan LaRue.

Capitan Corner

by Sharon Makoklan

It's always exciting to be involved from the start with the creation of a new project. I'm excited to be pioneering the "Capitan Bureau" of The News and starting this special Capitan Range page to cover areas outside of Ruidoso.

The Capitan Bureau was created because of the rapid development of the area. The News felt that more concentrated coverage should be given to this growing community.

Actually, calling this the Capitan page is somewhat of a misnomer. Although I'm based in Capitan and will focus a lot of coverage here, I will report on the neighboring areas of Lincoln and Hondo as well. I also cover meetings in Carrizozo.

I guess you could say that I serve as an extension cord from The Ruidoso News to the outlying areas that the paper serves.

This page will be a regular feature of The News from now on. The page will include news, sports, and features about Capitan, as well as occasional coverage of the other areas. Upcoming articles will include series profiling Capitan village officials and Capitan school faculty. We will also have a story about Hondo's new school year.

I'll also be able to save local residents a long-distance phone call or a trip into Ruidoso. If you have any local news concerns, give me a call at 354-2739.

Over the next few weeks, we will also start local advertising on this page, and readers will be able to place display and classified ads through the Capitan number.

Please don't be shy about talking to my machine. I know it's a nuisance, but it gets the message to me.

Although the official Capitan Range page is starting today, I have been writing for The News for over a month now. You may have seen me scurrying around the stage at Old Lincoln Days trying to capture the show on film; walking around the County Fair catching the excitement of the winners; or questioning Representative Joe Skeen on the airport situation at his "town hall meeting" last month in Carrizozo.

Since everyone here has been great in answering my seemingly endless interview questions, I thought it a good idea to start my column with some answers to questions that are frequently asked of me.

I moved here in early July from Thousand Oaks, California (a suburb 50 miles north of Los Angeles). I came to New Mexico for the beautiful land and clear air—it is a nice change not to see what I'm breathing!

Yes, it was quite a change coming from Los Angeles to Capitan, but most of the changes are pleasant. People seem to be more relaxed out here, and they are definitely more friendly. In Los Angeles, people barely make eye-contact in an elevator, let alone stop to talk or wave from their car windows as they do here.

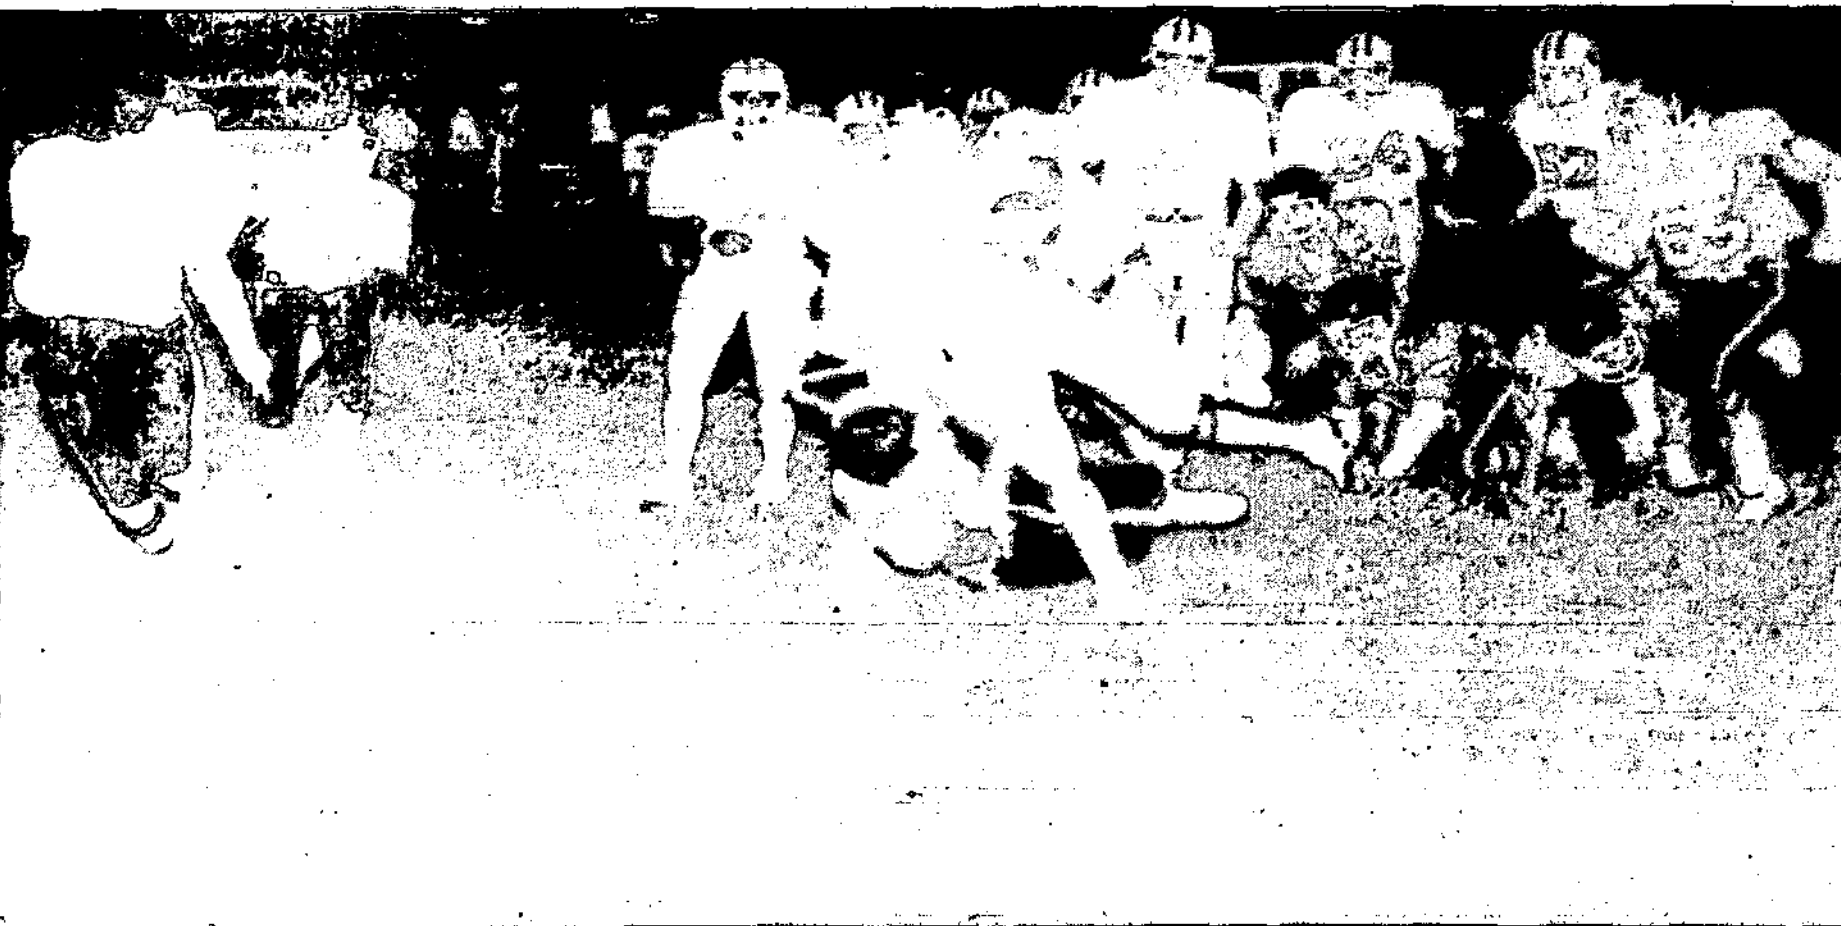

I enjoy walking into the grocery store or the post office and knowing who the clerks are. At first it seemed strange to me, having seeming strangers know my name, but now I don't see how I did without it. (In the city, you don't walk into the store and have someone say "Hi, Sharon.")

It's nice to see familiar faces when I'm on the town covering a story. I appreciate how helpful everyone has been.

This column will appear every so often on the Capitan page. Sometimes I will spotlight an issue of local concern, and sometimes I will share with you some behind-the-scenes glimpses of a local reporter's work.

For example, there is the matter of pens. So far, I must have met over a dozen people because I was in desperate need of a pen. No matter how many extra pens I have with me, by the time I'm done covering an event, they are all either out of ink, broken, or lost in the mud somewhere. (I'm thinking of buying stock in the Bic Company to keep my losses down!) Oh well, at least it's been a good way of meeting new people.

And speaking of meeting new people, I'm looking forward to getting to know more and more of the community and its concerns. But, maybe you'd better have a pen ready—just in case my usual luck holds true and I need to ask you a question!

While young fans watch, Capitan Tigers burst through a banner at the beginning of their first home football game Friday night (top). Players and cheerleaders surround the team mascot during sideline activity (above left). Early in the

game, Tiger defenders pull down the Texico ballcarrier (above). Late in the game, Capitan players scored their first two touchdowns of the season in the team's 28-14 loss to Texico.

NOTICE OF SPECIAL MASTER SALE
NOTICE IS HEREBY GIVEN that the undersigned Special Master will, on the 28th day of September, 1984, at 10:30 a.m., at the South Entrance to the Municipal Building of the Village of Ruidoso in Ruidoso, New Mexico, sell and convey all right, title and interest of the above-named N.L. GRIFFIN, d/b/a ROCKY MOUNTAIN BUILDERS, in and to the following described real property located in Lincoln County, New Mexico:

Lot 21, Block 1, Sierra Blanca Subdivision, Unit 14, Lincoln County, New Mexico, as shown by the plat thereof filed in the Office of the County Clerk and Ex-Officio Recorder of Lincoln County, June 25, 1980.

SAID SALE will be conducted pursuant to the Judgment entered August 21, 1984, in the above-entitled and numbered cause, which was a suit to foreclose material and mechanic liens against the above-described real property, and wherein, among other things, ALLIED STORES, INC., d/b/a T-BIRD HOME CENTERS, was adjudged to have a valid materialman's lien upon the real property in the sum of \$2,967.34 plus monthly service charges of \$1.00 per month on the unpaid monthly balance from January 29, 1984, plus its attorney fees of \$1,000.00, and its court costs. Said materialman's lien of ALLIED STORES, INC., was further adjudged to be prior in time, right, title and interest to the rights and interest of Defendant and each of them, and equal in time, right, title and interest to the rights of Plaintiff, who was adjudged on August 1, 1984, to hold a valid materialman's lien in the amount of \$9,361.42 in excess of \$2,967.34, attorney fees in the amount of \$1,077.14, and costs in the amount of \$264.35, together with interest to accrue at the rate of 15% per annum from the date of Judgment until paid. Said sale will be made to the highest bidder for cash.

A non-refundable mailing fee of \$10.00 per set will be required for mailing.
Each bid shall be submitted on a form furnished as part of the contract documents and must be accompanied by a cashier's check, a certified check, or a bidder's bond in an amount not less than 10% of the amount of the bid, made payable to the order of or for the benefit of the Village of Ruidoso. Each bid shall be sealed and delivered to the Village of Ruidoso at the location designated in this notice for the opening of proposals at or before the time in this notice provided. The check or bond shall be given as guarantee that the bidder will enter into a contract with the Village of Ruidoso and furnish the required payment and performance bonds and certificates of insurance and endorsements if awarded the work, and will be declared forfeited if the bidder refuses to timely enter into said contract or to furnish the required bonds or certificates of insurance and endorsements if this bid is accepted.
It will be the sole responsibility of the prime bidder requesting consideration for Resident Preference at bid openings to have a certification number from the State Purchasing Agent with an approval date prior to the receipt of bids and which is included on the bid form. When bids are received only from nonresident and resident contractors and the lowest responsible bid is from a nonresident contractor, the contract shall be awarded to the resident contractor whose bid is nearest to the bid of the otherwise low nonresident contractor if the bid price of the resident contractor is made lower than the bid price of the nonresident contractor when multiplied by a factor of ninety-five one-hundredths.
The Village Council has obtained from the Chief of the Labor and Industrial Bureau of New Mexico a determination of the general prevailing rate per diem wages and the general prevailing rate for legal holiday and overtime work in the locality in which said work is to be performed for each craft, classification, or type of worker needed. Not less than the determined rates shall be paid to all workers employed in the performance of the contract. Such rates and wages are on file with the Labor and Industrial Bureau and in the office of the Village Council and are available to any interested party upon request.
The Village Council reserves the right to select the contractor whose bid is nearest to the bid to be compared and contract(s) awarded, to reject any and all bids, and to waive any and all irregularity in any bid.

HOME WITH A HISTORY! This beautifully preserved historic home sits in the cool of a large, grassy lawn with an abundance of fruit and shade trees. The interior is a harmony of leaded windows, tin molded ceilings, woodhearth fireplace and rich woodwork. The proud owners of this 3-bedroom home with dining room and garage have carefully maintained its original charm, but the kitchen has been remodeled for convenience. A delight, and it's priced at \$69,500.

OWNER IS EAGER for a sale and has reduced the price of this good-looking, well-built home in Woodland Ridge. Two bedrooms, two baths, rock fireplace, all city utilities. Excellent terms. Now just \$63,000.

NEW TRIPLEX IN GOOD LOCATION can be an excellent income-producing property. Three units, each with two bedrooms, two baths, central heat and air conditioning, fireplace, skylights, decks. Paved access. Superb rental units. \$179,500 for all three units.

LIVE IN LUXURY IN ALTO VILLAGE for only \$99,500! Elegant two-bedroom, two-bath condominium with fireplace is beautifully furnished, superbly situated AND provides a terrific Sierra Blanca view! 20% down payment will get you in.

LOVELY TWO-LEVEL HOME IN ALTO VILLAGE offers great views of both Sierra Blanca and the Capitan Mountains. Three bedrooms, two baths, fireplace, wet bar, spacious decks, ample storage area. An exceptional buy at \$109,000.

A 5% DOWN PAYMENT will purchase this spacious home in Black Forest. Three bedrooms, 2 1/2 baths, fireplace, double garage. Almost 2,300 sq. ft. of living area for a remarkably low \$99,500. An added bonus—the interest rate is just 11%.

HANDSOME HOME IN COUNTRY CLUB ESTATES provides the perfect combination of warmth and elegance. Three bedrooms, two baths, fireplace, double garage, decks, fenced yard. Unsurpassed view of Sierra Blanca. Furnished. Excellent financing. \$137,500.

JUST \$35,000 WILL BUY this appealing cabin with one bedroom and bath, plus fireplace, fenced yard and large deck. It's the perfect size for a mountain retreat. Owner will consider trades. Some financing available.

SEVEN ACRES IN THE GREEN ROLLING HILLS NEAR CAPITAN is a wonderful place to get away from it all. Mobile homes allowed. Just \$16,000.

15 ACRES ON FORT STANTON ROAD offers all that Ruidoso is famous for—tall pines, a mountain stream, breath-taking views! Electricity, paved road, and the superb location give this property virtually unlimited potential. Liberal owner financing. \$10,000 per acre.

What is a CMA?

Competitive Market Analysis — critical to help
sellers achieve their goals.

Why do you need a CMA?

1. It compares your property to similar property that has sold.
2. It compares your property to similar property now for sale.
3. It compares your property to similar property expired, indicating incorrect pricing.

How do you get a CMA?

Call DiPaolo Real Estate. We want your listing and
we want to help you sell your property!

So many good friends have been called home here recently, and all of them came as a surprise.

First was Philip Andrew Gent, and then Gerald Bloss; this news came in The Ruidoso News of September 10. Then Saturday, September fifteen, Joe Welch called up and tells of the funeral services for Gene Hensley in Phoenix, Arizona.

And on the same day I think it was Mrs. T.J. Short calls about B.J. Watkins, a long-time personal friend. Philip Gent, known as "Phil" to his many friends, was born in Logan, West Virginia, March 28, 1926. He had come west to Ruidoso some years ago, and became widely liked on account of his very helpful nature. Phil had an outstanding war record, having served during World War II in the Army, the Marine Corps and the Navy. Phil was born with a very sunny nature and he will always hold a special spot in our hearts. We rejoice that he has gone on to his reward in Heaven after a life of great kindness here among us.

William Gerald Bloss Known to us for years as "Gerald," this very likeable gentleman was born February 16, 1909, in Jackson, Ohio. For many years he was one of the most brilliant horse trainers at the Ruidoso Downs Race Track. He was exceedingly fond of horses, and these noble creatures responded to Gerald's devotion.

He was a man of many talents, among which was the growing of flowers and trees, and all-around landscape work. His home just across from the Old Mill by the river was a showplace of ornamental vines, trees of all kinds and flowering bushes. Just across the river from him were his good friends Floyd and Helga Haake, and there was many a friendly visit across the water.

Gerald was a great friend of Mother Earth, and a close student of Mother Nature. We will always remember Gerald fondly and we rejoice that he is safe and happy with Our Lord in Heaven.

Eugene Hensley Services were held September thirteen in Phoenix, Arizona, for Eugene Hensley, who was called home by Our Lord on September ten.

"Gene," as he was widely known, was described by his long-time friend Joe Welch as "the man who has done more for the Ruidoso Downs Race Track than any other one man."

Joe remembers that any time horse owners needed help of any kind, Gene would say, "If we haven't got it, we can get it." And was always true to his word.

Gene was born in Henrietta, Oklahoma, seventy-one years ago, and was president of the Ruidoso Downs Race Track from 1962 to 1968, guiding the track through the years of some of its greatest development.

Gene was a very helpful and friendly man to all, friend and stranger alike, and was much admired and respected by those who worked for him through the years.

He is survived by a daughter, Donna Menges, and three sons, Gary, Eugene, Jr., and Michael. Gene will always hold a fond spot in our hearts, and we ask his friends and loved ones to take comfort in knowing our good friend of many years has gone on to join loved ones with Our Lord in Heaven.

Mexican Fourth of July This is being written on the sixteenth of September, in Mexico celebrated as their Independence Day (El Dia Y Seis De Septiembre), sometimes known to us as "Mexico's Fourth of July."

On this date in 1810 Father Miguel Hidalgo Y Costilla gave the shout or "Grito" of independence from France which had seized control of the country.

Since that day, Mexico has had its ups and downs, and the way has often been far from easy: A war with Texas; a war with the United States; and a revolution lasting from 1910 to 1918 which ripped the country apart from one end to the other.

However, Mexico has come through it all, and has a bright future.

Opinion

Inside the Capitol

by Fred McCaffrey

SANTA FE—For years, those counting evidence for America have caught the spirit of the nation by calling out: "Left, left, left, left."

Now that seems to be changing. The proper call may now be: "Right, right, right, right."

The country, in other words, seems to be in a great pendulum swing away from the philosophy which had animated it since the days of FDR.

According to Dr. Charles Walker, one of the nation's most proficient Washington lobbyists, here to talk to the Independent Petroleum Association of New Mexico recently, 1984 could be the year, not just for slight shifts and changes, but for a new national political alignment.

To find one as total as what is now in the air, Walker says, we have to go back in history to 1936. That was when Republicanism, with Alf Landon as its candidate of the year, got left so far behind that whole basic attitudes were changed.

Now that could be reversed, in a rebalancing that will be equally historic.

That would make this more than an ordinary year.

If Walker is correct, November would bring us more than simply the defeat of two people named Mondale and Ferraro and the return to power of a man named Reagan. It would mark a deeper change, with ramifications for the whole world.

Here's how Walker, who has the credentials, both academic and experiential, to make such judgments, sees the straws in the wind which indicate such a shift in the offing:

—Around the world, all industrial democracies are moving steadily toward conservatism.

—So is the American public, including most members of the Democratic party. As he sees it, the candidates, Mondale and Ferraro, may speak for Tip O'Neill, Lane Kirkland of the AFL-CIO and the great teachers' unions, but they are to the left of almost everyone else in their party.

—Those who are registered as independents are tending, when they choose a party, to go with the GOP, as are the young, first-time voters.

Given all that, Walker says, when

the votes are counted in early November, the themeless, leaderless Democratic party could be set back as far and for as long a time as Republicans were once Franklin Roosevelt had completed his first term and moved into his second.

From this particular man Walker, that isn't partisan talk. The important lobbyists live strangely bipartisan lives; they must get along with Democrats and Republicans alike. But above all, they must be realistic.

You can be sure this analysis is. If Reagan were to be defeated, Walker's theory would be blown sky high—but putting the verbs in that clause in the subjunctive mood indicates this writer does not think that is likely to happen.

Cold-eyed Richard Nixon, not politically naive, was almost certainly right when he said people vote "peace" and "pocketbook" in presidential years.

Reagan's all right on the peace issue, at least as of now. And on prosperity, about all he has to do is resurrect his old question: "Are you better off than you were four years ago?" That worked for him in 1980, because the end of the Carter-Mondale years left almost everybody saying "no" to the question. It serves his purposes today because almost everyone answers it "yes."

But there is a deeper meaning under Walker's words than these surface changes indicate. He is trying to describe a more total realignment of power than is accomplished just by keeping Republican control of White House and Senate. He is describing some total shift of political weight which can only come into being when masses of people have actually changed the way they think.

Maybe that kind of phenomenon is impossible to describe to the majority of Americans, who have never experienced it. There are still some of us alive, however, who can remember the change in this nation in the early 1930s. It was a total one, of such breadth that you knew after it the nation would never again be the same.

If Walker's right, that kind of shifting may once again be upon us.

Letters to the editor

DEAR EDITOR:

Four weeks ago we lost our 10-year-old Silky-Terrier at our home here on the river.

The experience has had some pluses, meeting the wonderful caring Ruidoso people.

Special mention should go to Mr. Mac McCloud with the Animal Control. He has been most helpful A.M. and P.M. and has come to our rescue several times. Ruidoso should be aware they have such a caring working person in the community.

My husband has a heart condition and without this kindness this experience would have been devastating.

Sincerely,

MR. AND MRS. BARNEY CURRIER

DEAR EDITOR:

Thank you for your Sept. 3 editorial as to a workable animal control ordinance for Ruidoso.

I wonder if many of our temporary residents, our esteemed and necessary summer visitors, when they leave, turn their cats and dogs loose, to shift for themselves here.

If so, should the "dogged" pursuit you urge on the village council include, in the animal control or-

dinance they come up with, having criminal sanctions against such cruelty?

Related to this subject, as far as the general good is concerned, is our litter problem. Some people, driving around (not necessarily the "animal leavers," but perhaps including some of them) seem determined that our roadsides should look like city dumps!

I wonder if we have an anti-litter ordinance? If so, if it includes criminal sanctions against littering. (If I were a merchant here, a good selling item or a promotional give-away could be litter bags, with legends on them to use them to "Keep Ruidoso Clean") As I recollect it, litter bags, for keeping in a car, were widely used, years ago, when the public's litter consciousness was first aroused. That consciousness needs to be aroused again.

Strong measures, such sanctions? Well, mules sometimes have to be hit with 2x4's, to get their attention!

LELAND STONE
P.S. As to your moth story, same issue: As moths presumably can't read, an ordinance with sanctions against them probably wouldn't work.

Study: Pitcher Drinkers
Drink More Beer

A drinker consumes more than twice as much beer if it comes in a pitcher than in a glass or bottle, and banning pitchers in bars could make a dent in the drunken driving problem, a researcher said.

E. Scott Geller, a psychology professor at Virginia Polytechnic Institute and State University in Blacksburg, studied drinking in three bars near a college campus.

He said his study, which he explained during the American Psychiatric Institute convention in Toronto, also found people drink more in groups, suggesting that groups of drinkers should pick one member to stay sober—perhaps with some economic incentives from the bar owner.

Happy Birthday, Smokey

Conceived in the mind of a wartime advertising council, named after an assistant chief of the New York Fire Department, and brought literally to life in the chance rescue of a burned black bear cub in a Lincoln National Forest fire, Smokey Bear has turned 40.

Capitan honored its most famous furry expatriate in a birthday party last weekend. Highlight of the event was the unveiling of a new 20-cent stamp honoring the furred forest fire fighter.

Of course, the original Smokey Bear died some years ago—in 1976 to be exact—and it's a replacement black bear that holds forth in Smokey's home in the National Zoo in Washington.

"But few public relations campaigns have had such universal exposure as Smokey Bear's solemn slogan: 'Remember, Only You Can Prevent Forest Fires.'"

The Forest Service is quick to point out that more than 10 million acres of wildlands were burned in 1942, but since Smokey's appearance the burned acreage has been reduced to as low as 3 million in 1981.

Of course, there's been a significant reduction in the total wildlands

available to burn down in the years from 1942 to 1981, but the public education efforts personified by Smokey Bear certainly have contributed.

The Forest Service need only include a picture of Smokey in his distinctive, flat-brimmed ranger hat near the signs announcing national forest borders to immediately sensitize travelers to the danger of fire in the forest.

Happy birthday Smokey Bear. May your good works in protecting our forests and wildlands from the carelessness of man continue for at least another four decades.

Convention Center Expansion

The city lodgers tax appears to be a logical revenue source for financing an expanded Albuquerque Convention Center. Councilor Fran Hill has introduced a bill to do just that.

Under Councilor Hill's proposal, the tax would be raised from 3 to 5 percent, and all of the increase would be earmarked for the expansion project. Consultants have estimated that the project would cost from \$16 to \$20 million.

Raising the funding via the lodgers tax is placing the burden on the group most likely to use the convention center, and puts its collection on the local group—the hotel and motel industry—most likely to profit directly.

There is general benefit to the community at large in a robust convention industry, to be sure. But, the service establishments receive the first line of benefit.

Councilor Hill's bill merits serious consideration as a logical and equitable way to finance expansion of the city's Downtown Convention Center.

Gymnasts

How come there are no homely gymnasts? It seems unfair that both the American men and women gymnasts are so good-looking. Some people have everything.

Editorial

Just as Ruidoso no longer can be called a "sleepy mountain village," nearby Capitan no longer can be called a quiet little town at the foot of the Capitan Mountains.

In recent years, we at The Ruidoso News have noted the growth in Capitan and increased our coverage accordingly. Until recently, however, we were limited by manpower and distance in our ability to report on Capitan and other areas of the county outside Ruidoso.

That has changed, with the creation of a Capitan bureau and the hiring of a reporter/photographer to staff it. Sharon Makokian, who introduces herself today on page 6A, lives in Capitan. She has that village and the rest of our county coverage area—roughly from Nogal to Hondo—as her beat.

We chose the name, "The Capitan Range," for the page that will carry Sharon's work. This choice reflects the dominant geographic feature of the area, the Capitan Mountains.

Ruidoso and Capitan have had shared interests for a long time. Many people live there and work here, and vice versa. The villages share vital water rights on Eagle Creek.

We welcome Capitan as the first bureau of The Ruidoso News, and we thank the village for making Sharon welcome. To contact her for news or photo coverage or for information about advertising, call 354-2739.—TP

After asking myself "How does that quotation go?" one too many times, I took the plunge. That is to say I shelved out 30 bucks for the Revised and Enlarged Fifteenth and 125th Anniversary Edition of "Bartlett's Familiar Quotations."

Now that is a lot of money to pay for a book, but where else can you find so much human wisdom collected in one volume?

Ironically, when I got back to the office with my Bartlett's, I couldn't find the quotation I had hoped to use in an editorial on the recent bank versus bread truck controversy. It goes something like, "If reasonable men reason together..."

Anyone knows how that one goes, please give me a call.

That setback aside, I thought it might be fun to find some other quotations and see how well they apply to local issues.

Chairman Fred Heckman seems to follow the advice of Basil Henry Liddell Hart (1895-1970) in his direction of the Sierra Blanca Airport Commission, and that approach may be starting to pay off.

"Keep strong, if possible. In any case, keep cool. Have unlimited patience. Never corner an opponent, and always assist him to save his face."

Much was made of the fact that this year's All-American Futurity winner, Eastex, is a gelding. But before anyone could shed a tear for his Oklahoma owners, it was always pointed out that they owned the champion's sire and dam as well. I think it is safe to say that the adage penned by William Penn (1644-1718) still holds true.

"Men are generally more careful of the breed of their horses and dogs than of their children."

I had some comment on Carrizo Creek Road last week. It should be pointed out that my attitude partly can be attributed to the fact that I travel another county road, Cedar Creek, daily.

In 1856, the British magazine, Punch, made an appropriate comment on the plight of all of us and our vehicles.

"It ain't the 'unting as 'urts 'un, it's the 'ammer, 'ammer, 'ammer along the 'ard 'igh road."

I thought it only natural to include a comment from Bartlett's on the major story of the summer, and perhaps the year—the flood. What I found was something that fits the members of our local governing bodies, whose meetings often seem to go on interminably.

These individuals seem to take on the mantle of the orator, a type for whom Benjamin Franklin (1706-1790) penned an introduction.

"Here comes the orator! with his flood of words, and his drop of reason."

As sure as politicians and politics are always with us, so are sports and athletes. Consider the life of a sportswriter, whose occupational existence revolves around such activities.

Perhaps Gary Brown had already figured out what the Koran told fifth-century believers.

"The present life is naught but a diversion and a sport; surely the Last Abode is Life, did they but know."

Of course, not all the blame for rambling meetings may be laid on the elected officials. Each municipality has legal counsel, and parties appearing before the governing body often do, too.

Sir Thomas More (1478-1535) wrote of a society that had figured out a way around the problem.

"They have no lawyers among them, for they consider them as a sort of people whose profession it is to disguise matters."

Of course, one has to acknowledge the importance of the decisions that our leaders are making at this point in our villages' growth.

When I read in the preface of my Bartlett's that contemporary folksinger Joni Mitchell was one of more than 400 authors added to the new edition, I had a feeling I knew which of her quotations was included.

I was right. And those words should be borne in mind by all of us, so it doesn't happen here.

"They paved paradise. And put up a parking lot."

Coming up

September 17-22

Today, September 17, through Saturday, September 22, is **NATIONAL FARM SAFETY WEEK**. The National Safety Council and the United States Department of Agriculture are co-sponsoring the 41st annual observance.

The 1984 theme is "Manage for Better Safety and Health." Organizers stress that prevention of accidents and sickness must be a built-in goal on ranches and farms.

Today, September 17

GIRL SCOUT TROOP 1 plans its regular meeting and registration for new Scouts from 2:30 to 4 p.m. today, September 17, in the White Mountain school cafeteria. A parent should accompany any fifth-grade girl interested in joining the troop.

For more information, call Mady Holstein at 257-4822 or Mary Underwood at 257-9057.

Tuesday, September 18

Parents are invited to a **NOB HILL ELEMENTARY SCHOOL OPEN HOUSE** at 7 p.m. Tuesday, September 18.

Parents of kindergarten and first-grade students can see some of their work and hear teachers' presentations. Refreshments will be served.

Nob Hill staff and parents hope to organize a parent volunteer program and will register volunteers Tuesday. The class with the largest percentage of adult volunteers will win a pop and ice cream party.

Thursday, September 20

The Sierra Blanca Swingers Square Dance Club will sponsor beginning **SQUARE DANCE LESSONS** on Thursdays this fall.

The first lesson will start at 8 p.m. Thursday, September 20, in the fellowship hall of First Christian Church on Hull Road. It is free.

Other lessons will begin at 7 p.m. each Thursday. Ted Clements will be the instructor and caller. Couples and single dancers, boys and girls 10 years of age and older are welcome.

For more information, call 257-2883, 259-3186 or 259-6122.

THE INTERAGENCY COUNCIL plans a luncheon meeting at noon Thursday, September 20, at K-Bob's Restaurant near the highway "Y" in Ruidoso.

The New Horizons Development Center from Carizozo will present a program. People are invited to come to learn about human and public services in Lincoln County.

Friday, September 21

Additions for the **RUIDOSO LITTLE THEATRE** variety show are scheduled for 7 p.m. Friday, September 21, at the Ruidoso Public Library.

Anyone interested in performing musical, magical, comical or other presentations is invited to try out for the production. It is scheduled on Saturday, October 6, for visitors to Flying J Ranch during the Golden Years Jubilee.

For more information, call Betty Bennett before 3:30 p.m. at 257-2881, or call Sandy Knox after 5 p.m. at 257-4780.

Saturday, September 22

The **LAW ENFORCEMENT ASSOCIATION** of Lincoln and Otero counties plans a **FAMILY PICNIC** at 5 p.m. Saturday, September 22, in the VFW Park on Highway 70 West in Alamogordo.

Members and their guests are invited to bring meat to grill and a covered dish to share. They should also bring any eating utensils they need. Any alcohol must be bought from the VFW.

No cover charge is planned, but drawing chances for a grill will be available. The drawing is planned that day. An "Officer of the Quarter" will be honored.

September 21-23

C. E. Dorsey plans to host a **WORLD WAR II B-17 CREW REUNION** in this area, starting September 21. Seven men and their wives from across the United States will gather at the Inn of the Mountain Gods and at Dorsey's Ruidoso home.

Expert explains giardiasis

by C.E. REUTHER
News Staff Writer

Dr. Tom Torok strode to a board at Ruidoso-Hondo Valley Hospital to draw outlines of giardia lamblia. He was giving a short talk to a half-dozen doctors and nurses about the water-carried parasite.

"Giardia is usually a mild, self-limiting illness," Torok said. It lasts just a few days for most people. "Giardia by itself doesn't take healthy people and make them prostrate," he said.

Symptoms of giardiasis involve various intestinal symptoms including chronic diarrhea, abdominal cramps, bloating and weight loss.

The disease often can be transmitted by asymptomatic people—people who do not have any symptoms and thus do not know they have giardiasis.

As many as one in five people in a community can be carrying the disease. Animals also get it. People can catch giardiasis by petting a dog with the disease, since it is transmitted from hand to mouth.

Torok came to Ruidoso because of concern about a diarrhea outbreak last summer, he said. Although people aren't sure what caused the problem, some linked it to giardia.

"There are other agents out there," Torok said. He believes giardia probably was not the cause.

DR. TOM TOROK

The Santa Fe expert is an epidemiologist, which means he studies epidemics. He delivered what he called a how-to talk, including how to diagnose the disease, or decide if it is present, and how to treat it.

Torok said giardia can be prevented by taking care to disinfect water on camping trips. Even if surface water looks clean, a lake or stream may be contaminated enough to cause illness.

Water should be disinfected by boiling, adding chlorine bleach or Halazone tablets, or adding iodine. "Cysts are killed instantly on boiling," Torok said, so that is the best way to treat water.

Longer amounts of time are needed for the other methods. "Most campers get out there, throw Halazone tablets in, wait five

minutes, and drink the water," Torok said. "That's not enough time. You need to wait 30 minutes."

He added that Halazone loses its strength quickly, giving it a short shelf life.

Details about disinfecting water are available in a leaflet from the New Mexico Health Department, Post Office Box 968, Santa Fe, NM 87504.

Torok mixed precise medical terms and simple phrases as he described giardia, its treatment and prevention. "The cysts are roughly the size of red blood cells (about 8 to 10 microns wide)," he said. "They're little bitty things."

The disease frequently spreads via a water supply. It has also been observed in day-care centers filled with toddlers in diapers, Torok said.

The infection may clear up by itself in a few days, or it may last a few months, Torok said.

"In the United States, three drugs are available to treat this disorder," Torok said.

The most preferred drug is called quinacrine hydrochloride or Atabrine. It was used against malaria by the American armed forces in World War II. Pregnant women are advised to avoid it.

If giardiasis is recognized in Ruidoso again, health care workers are supposed to report all cases.

Aspen parade officials seek entries

Antique autos, bands, cycles, decorated vehicles, elected-office seekers and floats are some categories for the Ruidoso Aspen Festival Parade.

Beyond those basic ABCs are four more categories for the parade, scheduled at 11 a.m. on Saturday, October 6. The theme is "Anything Goes."

The formal names of the 10 categories are bands; floats; kids' bikes; three-wheelers and motor-cycles; wagons and buggies; antique and classical cars; non-musical marching units and miscellaneous; decorated pickup trucks and cars; politicians; and mounted groups and individuals.

Awards planned include a trophy for the most original entry. First-place, second-place and third-place trophies will be awarded for best all-around entries.

Among marching units, high school and middle school bands, first-place

and second-place trophies are planned in two classes.

Rules for the parade entries are:

•The entry deadline is 5 p.m. Friday, September 28. Forms are available at the Ruidoso Chamber of Commerce office across from Pizza Hut on Sudderth Drive.

•A fee of \$15 is required from each politician and from each float. Other entries are free.

•Mail registration forms to Ruidoso Valley Chamber of Commerce, Post

Office Box 698, Ruidoso, NM 88345.

•The parade will form at Sudderth and Mechem drives at 9:45 a.m. October 6. It will begin at 11 a.m.

•Awards will be presented at the end of the parade route. From Sudderth and Mechem, parade participants will travel two or three miles down Sudderth, turn left by the Century 21 real-estate office, and disband.

•Throwing items from vehicles is prohibited.

Extension offers consumer tips

"Sensible Living," written by New Mexico State University Extension specialists, offers these tips:

•The state attorney general's Consumer Protection Division has a toll-free telephone number. Consumers may call 1-800-432-2070. When a voice answers "state operator," callers should ask for the Consumer Protection Division.

•If someone buys items from a mail-order catalogue using the com-

pany's free telephone number, the company doesn't have to follow rules for mail order deliveries.

For instance, a company is required to ship goods within a specified time, under the Federal Trade Commission mail order rule. No time limit applies to telephoned orders.

Buyers should send written order forms when they can, and record dates, cost and any delivery promises a company makes.

•The April issue of Consumer Reports magazine has an order form for car prices. The computer print-out has list and dealer cost for new cars and options.

The printout is available by writing to Consumer Reports, Post Office Box 570, Lathrup Village, Michigan 48076. Send \$9 for one car, \$17 for two and \$24 for three cars. Specify the make, model and style.

Band wins state award

by G.E. REUTHER
News Staff Writer

The Ruidoso High School band opened the school year by winning a state award.

Members of the 24-Karat Gold Band marched in the New Mexico State Fair parade in Albuquerque a week ago. They won a trophy for being judged best among Class AAA school entries in the high school marching groups competition.

Second place went to Los Lunas High School. Third place went to West Las Vegas High School.

The Ruidoso band plans an extensive schedule, including home football games, during this school year. Because of travel budget limits, members expect to play at football games on the road later in the season.

Danny Flores, who is high school band director, shares the baton in Ruidoso school music programs with Churchill Cooke and Tim Wadley.

Flores announced the musicians' schedule, which includes:

•The summer marching band program Monday, July 30, through Tuesday, August 21.

•A high school band trip to Albuquerque on Friday, September 14, to participate in the State Fair Parade on Saturday, September 15.

•A high school band performance Friday, September 21, during the Tularosa home football game.

•An all-state choir rehearsal on Saturday, September 29, in Portales.

•A high school band performance Friday, October 5, for the New Mexico Military Institute home football game.

•A high school band performance Friday, October 12, at the football game in Truth or Consequences. Band members plan to stay overnight in Las Cruces.

•A high school band performance in Las Cruces Saturday, October 13, during the Parade of Champions Marching Contest at New Mexico State University.

Drum major Tommie Nielsen, left, Director Danny Flores and drum major Nanoy Nettles proudly display the Ruidoso High School band's first place trophy from the State Fair Parade.

•A high school band performance Friday, October 19, for the Artesia home football game.

•A high school band performance Friday, October 26, for the Cobre home football game.

•A high school band performance Friday, November 2, for the Silver City home football game.

•All-state vocal auditions on Tuesday, November 6, in Roswell.

•A high school band performance Friday, November 9, for the football game at Deming.

•All-state vocal auditions on Tuesday, November 27, in Roswell.

•The Ruidoso Middle School and Ruidoso High School Christmas concerts on Monday, December 17, in the middle school gym.

•High school band and chorus per-

formances at the baccalaureate on May 19.

•A high school band performance at the graduation on May 24.

Other performances may be added throughout the year.

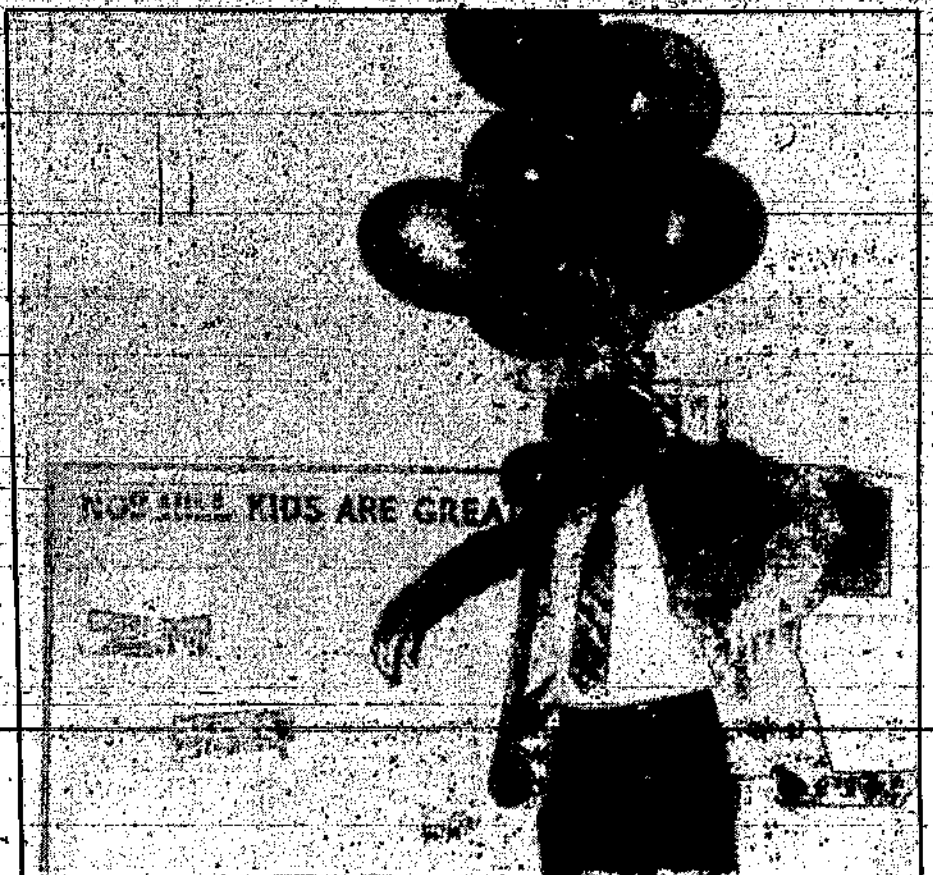

High school band members are practicing in the vocational building at the new Ruidoso High School. They may have to wait until April for a band hall to be constructed.

Meanwhile, musicians have hung a bedspread from the ceiling above the conductor's podium to aid hearing. They have also placed rugs on the floor and taken other temporary measures to improve the acoustics.

Band members are asking community residents to loan them carpet samples, rugs or similar materials for a few months.

The Ruidoso schools are offering free passes to senior citizens in the district for all school activities this year. Anyone 65 years of age or older may pick up a free pass for football, basketball and volleyball games and other school activities. The passes will be available at the central office near Ruidoso Middle School beginning Wednesday, September 19. They are available for the first time this year because of a new school board policy.

It's true: firemen really do get calls to rescue cats in trees

by MATT BOSISIO
News Staff Writer

It was Spike versus technology Wednesday when two Ruidoso Fire

Looking for assistance, Spike sits precariously in a pine tree 50 feet from the ground. Owner Robert Boverie figured the feline was up in the tree for almost a week.

Department units responded to a treed cat on West Hart Street.

Spike is the name of the year-and-a-half-old cat who managed to lodge herself 50 feet up in a thin and flimsy

ponderosa pine.

Fire Chief Virgil Reynolds, supervising the mission from ground level, said treed animals were nothing new. The department rescues at least one a month.

"But this is the first time we've ever used a ladder truck on one," he said.

The 30-minute operation consisted of trained men calling "Kitty, kitty, kitty" to a reluctant and skeptical cat.

Spike finally moved within grasping range and, with some tugging and scraping, was pried loose from the tree and enclosed by the arms of firefighter Barry Cole.

Cole transported the cat down the ladder and handed Spike over to her owner, Robert Boverie, of 113 West Hart.

"She just disappeared," said a relieved Boverie of the rescued feline. "She's been missing for six days. And I assume in that tree. She's due to have kittens in about a week."

Firefighter Steve Parks backed up the truck and pulled away. Another mission completed by the fire department.

But for Spike, it will be a day to remember and ponder, as motherhood dawns and adventure takes a back seat.

Firefighter Barry Cole descends to ground level with Spike securely in tow. According to Fire Chief Virgil Reynolds, the 30-minute rescue operation was the first time the department used a ladder truck to free a treed cat.

Court reports

Appearing before Magistrate Jim Wheeler recently, on charges listed and action taken, were:

Melvin S. Chavez, San Patricio: Driving while intoxicated (DWI) and driving left of center. Chavez was sentenced to DWI school and ordered to pay \$40 in court costs.

Leonard P. Martinez and Tommie Sue Martinez, Ruidoso: possession of marijuana under one ounce and

possession of cocaine with intent to traffic. Bound over to District Court.

Shane Watts, Ruidoso Downs: aggravated battery, criminal damage to property under \$1,000. Watts was sentenced to a fine of \$600 and 30 days in jail, of which \$500 and the jail time was suspended on the condition that Watts pay for half of the estimated cost of the damages he caused, plus court costs of \$20.

Patricia Dagle Blackstock, Angleton, Texas: fishing without a license. Fined \$70.

Alfonso M. Mejia, El Paso: fishing with two poles, fishing Bonito Lake with live minnows. Fined \$100 plus \$20 court costs.

Andy V. Lucero, Roswell: DWI, second offense; careless driving; minor is possession of alcohol; driving with

a suspended license. Lucero was sentenced to a \$1,700 fine and 364 days in the Lincoln County Jail. Deferred from the sentence were \$1,400 and all but five days in jail on the condition that Lucero serve five years of probation, not drink or enter a licensed liquor establishment, report to counseling in Roswell and follow their instructions, obey all laws, stay gainfully employed and pay court costs of \$30.

Economist predicts easy win for Reagan

by MATT BOSISIO
News Staff Writer

A noted economist who has served in two presidential administrations predicted last week that President Ronald Reagan will win overwhelmingly at the polls in November.

And the federal budget deficit, he said, which hovers at the \$200 billion mark, may well be under control by 1990.

Dr. Charles Walker, Chairman of Charles E. Walker & Associates of Washington, D.C., delivered his remarks at the annual meeting of the Independent Petroleum Association of New Mexico.

The conference was September 8 through 11 at the Inn of the Mountain Gods.

"In terms of being better off than four years ago," Walker told the audience, "Mr. Reagan could not have better economic numbers if they were manufactured."

He said the general election in two months will be decided on "peace and pocketbook issues," issues that influence votes more than any other topics.

According to Walker, the nation's monetary growth has slowed, defense spending is up, and tax rates are down. He said the nation is in the midst of a strong recovery.

On matters of peace, he said there is no actual U.S. military confrontation going on anywhere in the world, with little chance of one erupting prior to the election.

"So he (Reagan) has the peace and pocketbook issues squarely in his corner," Walker said.

Concerning the administration's overall economic policies, Walker said the weakest point has been the enormous federal budget deficit.

He attributed to the deficit higher interest rates, tightening of the money supply and the government's grip on over half the net national savings.

He said interest on the debt continues to climb, and, if not handled in the next few years, "the financial markets could fall out of bed and force movement in that direction."

The way to control the budget is through HRI, Walker said, a five-year

DR. CHARLES WALKER

plan he will help submit to the Congress this month.

Highlights of the plan include a savings of \$100 billion by reducing the rate of growth in federal spending programs; an increase of \$100 million in revenues through a tax on consumption; and reformation of the budget process.

He said he also would like to see the implementation of a national sales tax. Walker said such a tax would be easy to administer and simple to pay, and would easily snag tax evaders, since everyone would have to pay whenever a purchase was made.

He said a 10 percent national sales tax would raise \$200 billion dollars a year, or roughly the amount of the current budget deficit.

Once the deficit was balanced to the side of a slight federal surplus, the money could be returned by reducing the tax rate of the federal income tax.

Walker predicted that the election will result in some movement within the Democratic Party to what he perceives as a more conservative middle, particularly, he said, since the nation has become more conservative.

He said there is more affluence across the country, and the voting majority has shifted from the Frost Belt to the younger Sunbelt.

"Each American as he climbs up the economic ladder," said Walker, "becomes a closet capitalist."

A former economist with the Federal Reserve boards of Philadelphia and Dallas, Walker served under two presidents. He was executive vice president of the American Bankers' Association.

He appears frequently as a guest on "Nightly Business Report" PBS.

Television Schedule For The Week Of September 17 Through September 23

The Ruloso News / 3

By Lillian Bono

ARIES
(March 21-April 20) Adverse stellar influences could make you lose your temper with someone you love. Try to maintain an even keel with persons who are important to you.

TAURUS
(April 21-May 21) Put conscientious efforts into your work and you will be well compensated by those who need your talents in order to achieve their own goals.

GEMINI
(May 22-June 21) The week appears congenial regarding domestic matters. You need to readjust your calendar and satisfy everyone's desires at home but shouldn't lay your life down for business associates.

CANCER
(June 22-July 22) Splendid influences face you business-wise. You have a lot going for you at work and shouldn't look a gift horse in the mouth when offered a promotion.

LEO
(July 23-Aug. 22) Depend on Murphy's Law to get you through the week. Your cynical attitude could get you into hot water if you're not careful. Keep your little tidbits to yourself and stop complaining about companions.

VIRGO
(Aug. 23-Sept. 22) Romantic situations may get out of hand. You should answer telephone calls — otherwise persons may think you are being rude. Higher-ups could be contacted regarding your bad manners.

LIBRA
(Sept. 23-Oct. 22) The domestic scene is bright and cheerful for the most part so long as you keep strangers at arm's length. Don't invite new people into your home unless you want to invite trouble, too.

SCORPIO
(Oct. 23-Nov. 22) You may want to tie the knot with someone who isn't ready to settle down. If you are looking for a permanent relationship, seek someone of your own age or perhaps a bit younger.

SAGITTARIUS
(Nov. 23-Dec. 21) Affectionate ties may be severed if you are not careful. Your affairs with children may be trying, so increase your rapport with them if at all possible. Discuss matters of mutual importance and work out problems together.

CAPRICORN
(Dec. 22-Jan. 20) A family member may give you some problems regarding real estate. You may have to settle a legal dispute even if you're not directly involved in the situation. Be considerate of the feelings of all persons.

AQUARIUS
(Jan. 21-Feb. 19) Distant news could reach you at a time when you would like to be alone and quiet. Settle differences of opinion with an individual who gives you a hard time.

PISCES
(Feb. 20-March 20) A costly possession may be lost or stolen. You should insure those items that are most important to you or have them safeguarded. Make your wishes known to others when it comes to insurance matters.
