Voters OK tax hike

by FRANKIE JARRELL
News Staff Writer

Ruidoso voters passed a gross receipts tax Thursday that will give the village one of the highest sales tax rates in the state.

In a 435 to 329 vote, nearly a quarter of registered voters opted to increase the tax from 6% to 6.5% effective July 1, 1987.

Proceeds from the tax have been dedicated to the purchase of the Ruidoso Municipal Airport land valued at \$2.7 million. That land will be vacated when the Sierra Blanca Regional Airport (SBRA) on Fort Stanton is completed in late 1987 or early 1988.

The village airport was a joint project of the Village of Ruidoso and the Federal Aviation Administration (FAA), and that agency has told the village repeatedly of Ruidoso's obligation to invest the value of the 160-acre tract into the new regional air facility.

Since the Ruidoso Village Council has indicated a desire to keep the prime land on which the municipal airport is located, it has been faced with raising the funds to pay for it. Last July the council passed a .50 percent tax increase, but a negative referendum petition placed the sales tax hike in the hands of the voters.

And voters upheld the council ac-

tion Thursday.

Before the election, members of the council warned voters that if the tax failed the land would have to be sold to meet the village's obligation toward the SBRA.

Village manager Jim Hine explained last week that councillors will now contract with a bond counsel to prepare a revenue bond issue for \$2.7 million. The .50 percent tax will serve as the revenue to guarantee those bonds.

Hine said the proceeds from the bond sale will be placed in a village fund and released by invoice to the Sierra Blanca Airport Commission (SBAC) for construction on the new airport.

"This is probably one of the best turnouts we've had on a question election," said village clerk Leon Eggleston as the polls closed Thursday. He said the 764 voter total wasn't a record, for 856 citizens voted in an election on a general obligation bond question for the Grindstone Canyon Dam project.

SBAC administrator Fred Heckman, on hand Thursday to hear the election results, was elated.

"It's wonderful," said Heckman, adding he had received calls all day from officials in Washington D.C. Heckman said he was heading home to call several members of the congressional delegation.

Heckman said the village contribution, along with FAA's allocations and grants, will keep the airport project on schedule.

Councillors Ray Dean Carpenter and Jerry Shaw also were pleased with the election.

"I'm sorry we have to raise taxes," noted Shaw. "Now we've got to get busy," she added.

Both Shaw and Carpenter said its time to get to work on a plan for the 160-acre tract.

"Of course we've got a year to do it, but we've got to get started," said Carpenter.

Shaw said she hopes to see part of the land used for a convention center or some kind of events facility. She said she'd like to see part reserved for parks and recreation.

Shaw said she would like to see the village offer some other things to do in Ruidoso—along with skiing and horse racing.

"I really don't have much comment," said Councillor Victor Alonso, one of two councillors who opposed the .50 percent tax increase. He said his comments were not included in news stories before the election. Councillor Elmer Pirelli also opposed the tax hike.

Alonso said the next steps are obvious—issuing bonds, setting up an account and so forth.

"What's not obvious is the plan for the land," said Alonso.

Kidnapping suspects are arrested

Two suspects in a kidnapping and rape incident were apprehended Friday in El Paso, Texas, reported Ruidoso Police detective Lanny Maddox.

Harold Rairdon, 40, and his wife, Bobbie Sue Rairdon, 20, both of Ruidoso were arrested by El Paso Police detective Ed Camacho after he spotted them driving on an El Paso highway in a car police were on the lookout for.

The two are suspected of having kidnapped a young Carlsbad girl, threatening her life, then abducting

her to a Ruidoso Upper Canyon cabin, where she allegedly was held.

The two were expected to waive extradition procedures, but on the way to an extradition hearing Friday, they were recognized by a passerby as being suspects in a rape/kidnap case in El Paso that happened the night before, said Maddox.

Maddox will travel to El Paso Tuesday to conduct an extensive interview. The two are expected to face charges in Carlsbad on kidnap-

ping, robbery, unauthorized taking of a motor vehicle, distribution of marijuana, conspiracy and three counts of criminal sexual contact.

Here, they face charges of three counts of criminal sexual penetration.

Maddox commended Camacho for spotting the two, and praised the Carlsbad Police Department and El Paso Police Department for their cooperation with the Ruidoso Police. Also, he thanked the media for spreading the word of the search for the two suspects.

Slick roads are blamed for several accidents

Icy roads continued to plague area drivers this weekend.

Ruidoso Police recorded a dozen accidents from Friday through Sunday, three involving injuries.

Six people were transported to the Lincoln County Medical Center with injuries they received in an accident at 10:44 p.m. Saturday in the Camelot area, according to police reports.

The report listing details of that accident was not available early today (Monday).

Two Upper Canyon accidents—one at the first bridge on Friday and another on the second bridge Saturday—left several people injured, police reported.

Billy Chadwell, 17, of Ruidoso was transported by ambulance to Lincoln County Medical Center with injuries he received in a one-vehicle accident about 8:24 p.m. Friday, according to police reports. Nursing supervisor Phyllis Gardner said Chadwell was treated and released from the emergency room.

Chadwell was a passenger in a 1984 Chevrolet pickup driven by Vincent L. Tognaci, 17, of Alto, said police.

Tognaci was westbound on Main Road near the first bridge in Upper Canyon when his vehicle slid left after rounding a curve, said police. The report stated that Tognaci applied his brakes, slid across the bridge and collided with a tree.

He was cited for speed too fast for conditions and failure to show proof of insurance, said police.

Two El Paso men were treated and released at the hospital about 9:05 a.m. Saturday after they were

injured in a one-vehicle accident on Main Road at Fox Road, said police.

Police said Jorge Gonzales, 17, was driving a 1986 Ford Bronco at a speed too fast for icy road conditions and was unable to negotiate a left turn to cross the second bridge in Upper Canyon.

His vehicle hit the guardrail, knocking it off the edge, collided with a tree, bounced back and came to rest in the Rio Ruidoso, said police.

A passenger, Greg Conwell, 18, was injured in the wreck, said police. A second passenger, Edward Paez, 17, of El Paso, was unhurt.

Gonzales was cited for careless driving, said police.

The Lincoln County Sheriff's Office and the Bonito Volunteer Fire Department were called Sunday to a one-vehicle incident on El Camino Drive in High Mesa II.

Howard Puckett of the Bonito Fire Department said a large tour bus carrying about 30 visitors from Mexico slid off into a bar ditch on the upper half of the "high-low" road. He said none of the passengers were injured.

Puckett said the fire department volunteers stood by in case the bus slid further causing damage to the gas tank.

He said officers at the scene determined that a wrecker will have to wait until ice and snow are off the road to move the bus.

Sheriff Deputy Larry Brinkley was the investigating officer, however he was unavailable to provide further information early today (Monday).

Holiday closings planned

Village halls in Ruidoso and Ruidoso Downs will be closed Thursday and Friday, December 25 and 26, to observe the Christmas holidays.

The Ruidoso Public Library will be closed Thursday, Friday and

Saturday, December 25-27.

The Lincoln County Sub-office in Ruidoso also will be closed Thursday and Friday.

Government offices will resume regular schedules on Monday, December 29.

Ruidoso Downs garbage pickup rescheduled for Wednesday

The Village of Ruidoso Downs reminds residents whose garbage is normally pickup up on Thursday and Friday that those areas will be

served this week on Wednesday, December 24. Garbage will not be collected on Thursday or Friday, December 25-26.

Apparent suicide is under investigation

A 36-year-old Ruidoso man died Friday, of an apparently self-inflicted gunshot wound, according to a release from the Ruidoso Police Department.

Police said they were summoned about 3:45 p.m. Friday to a Timber Road residence where they discovered the body of Sterling Badger.

During the investigation, a large quantity of what is believed to be marijuana was found in the house and was confiscated, said police.

Ruidoso Police Chief Richard Swenor said Badger's wife, Candace Badger, and his young son were present when he died. He said a neighbor called the police.

Jim Stover, deputy medical examiner, pronounced Badger dead at the scene. Badger's body was taken to LaGrone Funeral Chapel.

"An investigation into the circumstances leading to Mr. Badger's death and of the origin and ownership of the marijuana is continuing," said police.

Airport Commission to meet

The Sierra Blanca Airport Commission (SBAC) has called a special meeting for 1:30 p.m. Tuesday, December 30, in the Lincoln County Sub-office.

Items on the agenda include: —Attorney's report on water right protest.

—Report from attorney on a

District Court decision on bids. —Recommendation from engineer on bid award.

—Administrator's report on budget, schedule and joint powers agreement.

Meetings of the SBAC are open to the public.

Warrior boys roll over Portales

by GARY BROWN
Sports Writer

Ruidoso High School's boys varsity basketball team is taking a three-game winning streak into the Christmas break.

The Warriors clubbed visiting Portales, 57-37, Friday night to gain a 3-1 record.

Ruidoso will be off until Monday, December 29, when the Warriors compete in the Lovington Tournament.

Against Portales, the Warriors jumped off to a 10-7 first-quarter advantage and increased that to 28-13 at halftime.

The Warriors' fast break worked well, particularly in the second quarter.

In the third quarter, Portales closed the gap somewhat as Ruidoso led, 39-27, at the end of the period.

But Ruidoso broke the game wide open in the final quarter, outscoring the visitors, 20-10, for the final margin.

Junior guard Kirk Ryan led the Warrior scoring with 18 points, 10 in the second half.

Senior Brian Davis added 14 points. Alan Kirgan, Jeff Williamson, Garret Henson and Toby Rue each had six points. John Walker added one point.

"We're getting better with every game," said a happy Warrior head coach Gene Segura. "That's the general idea and if we do that, the better we'll be eventually."

Ruidoso shot 48 percent from the field and made nine of 12 free throw shots. Portales made just five of 10 free throw shots.

The Warriors will open the Lovington Tournament next Monday against Seminole of Texas. Other teams in the tournament will be host Lovington, Pojoaque, Lubbock (Texas), Cooper, Aztec, Artesia and LaMesa.

Ruidoso's Alan Kirgan (00) puts up a shot against Portales Friday night in a boys varsity basketball game. Ruidoso won, 57-37.

Girls top Roswell in overtime thriller

by GARY BROWN
Sports Writer

Zeba Morris rebounded in a missed shot to give the Ruidoso High School girls varsity basketball team a 65-63 overtime win over Roswell Thursday night on the losers' court.

It was the Warriors' first victory of the season after four defeats, and it could not have come in more dramatic fashion.

The score was tied, 63-63, at the end of regulation time. Morris' points were the only scored in the overtime.

Following her basket, Ruidoso got the ball again after Roswell failed to score. However, the ball went off Berdine Smith's knee and Roswell got the ball near the Warrior bucket.

The Coyotes' got two shots off, both missing. The game ended with Warrior head coach Sergio Castanon and the players mobbing each other at midcourt.

"It was a win we needed to have," Castanon said in a bit of an understatement.

Two of the Warriors' losses this season were by close margins. One of them was a 53-52 loss to Goddard.

The game was close most of the way.

The teams were tied, 14-14, at the end of the first quarter, and Ruidoso had a slight 32-31 lead at halftime.

Ruidoso kept a one-point lead (48-47) at the end of the third quarter, and the lead swung back and fourth in the final quarter.

Ruidoso took a 63-61 lead on a bucket by Morris, but Roswell

quickly tied the game up on a bucket by Jeannie Trujillo.

Roswell had a chance to win the game on a free throw with one second left in regulation time, but the shot bounced off the rim and time ran out.

Morris led the Warrior scoring with 16 points. Tammy Osborne added 13 points, Tara Miller scored 10, Amy Osborne and Veralyn Platta both scored eight points, Smith and

Mikki Roller both scored four points and Jennifer Jimenez scored two points.

The win was especially impressive since Roswell is an AAAA-division team (compared to Ruidoso's AAA-status) and had a 4-2 record going into the contest.

The Warriors will resume action Saturday, January 3, at Socorro, playing varsity and junior varsity games.

Warrior boys defeated, 58-28

Ruidoso High School's boys junior varsity basketball team lost to visiting Portales, 58-28, Friday night.

Ruidoso is now 0-3 on the season. Ruidoso's basketball teams will practice over the Christmas break.

Gifts for needy children

Ruidoso Sertoma Club members gather around a Christmas tree at Cree Meadows Country Club and a pile of presents club members donated to the Happy Holidays drive. Candy cane ornaments on Christmas trees at Sierra Mall, Four Seasons Mall and Sierra Blanca Motors have the descriptions of other needy children. To participate, take an ornament, then purchase a gift that goes along with the description and put the gift under the tree with the candy cane ornament attached.

JUDY K. SMITH, Petitioner,
vs.
ROWLAND L. TESSIER, Respondent.

No. DR-83-12
Div. II

SUMMONS AND NOTICE OF PENDENCY OF PROCEEDING THE STATE OF NEW MEXICO to the above named Respondent:

GREETING:
YOU ARE HEREBY NOTIFIED that the above named Petitioner has commenced a proceeding against you in the above entitled Court and Cause, the object thereof being an Order to Show Cause why the Quitclaim Deed being held in trust in the law offices of Parsons, Harris & Bryant, Petitioner's attorney, should not be voided in order to allow the Petitioner to retain her interest in the property so that she can exercise all rights of ownership over the same, why the conveyance from Respondent to Respondent's son should not be set aside as a fraudulent conveyance and transferred without consideration, and why the Las Vegas property should not be sold and the proceeds applied to the Internal Revenue Service debt, Petitioner's attorney's fees and costs of bringing this action, and the sum of \$2,500.00 payable to Petitioner by virtue of the promissory note which has not been paid, and for such other relief as deemed necessary by virtue of the Petitioner's Order to Show Cause.

YOU ARE FURTHER NOTIFIED that a hearing on all issues raised by the Petitioner's Motion for Order to Show Cause has been set before the Honorable Robert M. Doughty at the Otero County District Courthouse on February 12, 1987 at the hour of 2:00 o'clock P.M., and judgment will be rendered against you in said cause by default if you fail to appear.

Petitioner's attorney is Karen L. Parsons, PARSONS, HARRIS & BRYANT, P.A., whose Post Office address is Box 1000, Ruidoso, New Mexico 86346.

WITNESS my hand and seal of the District Court of Lincoln County, State of New Mexico, this 18th day of December, 1986.

New police department equipment will record emergency calls

Emergency calls into the Ruidoso Police Department are automatically recorded, thanks to a recently installed recording device. Deputy Chief Jim Alston said the new 20-channel reel-to-reel recorder was purchased and activated to provide an accurate record of emergency calls and

messages that go out over the air. Ruidoso Police Chief Richard Swenor said the system will help when emergency callers get excited and provide garbled or hard to understand information. He said the dispatcher will now be able to play back those messages. "We've been wanting it for

several years," said Alston, adding the whole system cost about \$22,000. He said tapes for the recorder cost \$65 each and will be reused for several months and then be replaced. Software was an additional cost item.

A part of the system that is currently being installed includes two

"quick-call recorders" with endless loop tapes. Alston said that's the part of the system dispatchers will use to go back over unclear messages to check locations or other information on emergency calls.

He said that capability may be

particularly useful when dispatching emergency vehicles to fires and accidents.

Chief Swenor said \$18,000 from the New Mexico Law Enforcement Protection Fund was used to pay for the equipment. He said the Fire Department and Emergency

Medical Services contributed about \$3,000 each to pay the balance. Swenor said his department annually receives a specified amount per officer and a \$10,000 grant based on the size of the community from the state fund. He said those monies have to be spent for equipment or training.

LEGAL NOTICE

BEFORE THE NEW MEXICO
PUBLIC SERVICE COMMISSION
IN THE MATTER OF THE APPLICATION
OF TEXAS-NEW MEXICO POWER COMPANY
FOR APPROVAL OF A VARIANCE FROM
THE REQUIREMENTS OF GENERAL ORDER
NO. 28,
TEXAS-NEW MEXICO POWER COMPANY,
Petitioner. Case No. 2839

Notice is hereby given that an open meeting will be held on December 23, 1986, at 10:00 o'clock a.m., at the offices of the New Mexico Public Service Commission, hereinafter referred to as "Commission", 224 East Palace Avenue, Marlow, Hall, Santa Fe, New Mexico 87503, for the purpose of consideration of Texas-New Mexico Power Company's requested variance from the requirements of General Order No. 28.

The Federal Energy Regulatory Commission has authorized El Paso Electric Company and South Western Public Service Company, wholesale suppliers of electricity to Texas-New

Mexico Power Company, to increase the overall electric charges to TNP effective January 1, 1987.

Texas-New Mexico Power Company has requested that the Commission grant a variance to General Order 28 to allow inclusion of the increased power expenses incurred by the Company resulting from the increase in its purchased electric power costs beginning with the Company's January 1, 1987 purchased power adjustment factor rather than the Company's March 1, 1987 purchased power adjustment factor.

Any objections to the granting of the requested relief should be in writing and filed with the Commission on or before December 23, 1986, or be made orally to the Commission at the December 23, 1986 open meeting. The Commission may deny or grant, in whole or in part, the relief requested at its meeting on December 23, 1986, or thereafter, and, upon the showing made by any objections, require a hearing before final Commission action. Issued at Santa Fe, New Mexico this 18th day of December, 1986.

Christmas Spirit At Ruidoso Downs Post Office

On the sixteenth I received a note in my mail box by the road that there was a package too large for the window at the Ruidoso Downs Post Office. On the way up, I remembered that this was the day for the open house. Earlier in the month the good folks at the Ruidoso Downs office had told me to be sure and be up there the sixteenth.

When I arrived, the place was the very picture of the Christmas Spirit in all its bright and cheery glory.

Here to welcome everybody with genuine Christmas friendliness was the entire staff: Postmaster, Shirlene Fitzner, Veronica Calderone, Joe Clancy and the one and only Catherine "Scotty" Grantham.

The room was decorated with evergreens, red and green ribbons, Christmas bells hanging from the ceiling, and every kind of sparkling sparkles and stars.

And what do you think that package was? A large green and red tray decorated with green and red ribbons, filled with cookies and cakes and candy of the finest kind you could imagine.

It turns out that all four members of the office staff are expert cooks—for they all had a hand in making this "Christmas Goodie Tray" as they called it.

All were dressed up in cheerful Christmas like array wearing special little charms of holly berries and bright scarves and ties.

The pride of the house was Scotty, wearing the Kilts of the plaid of Kelly, her family clan.

Shirlene says that this special day is a tradition that goes back more than ten years. It is a time of remembering all the patrons and friends in appreciation for their kindness all through the year, and especially the elderly, and those who need special Christmas cheer.

The goodie trays are made up by these four kind people especially for those who live alone and who have no family close by. Our neighborhood is filled with folks who really need

special remembrance and help, at this time of year. And during this early and cold winter, there is an extra number of elderly and people living alone who appreciate the kindness of Shirlene, Joe, Veronica and Scotty from the bottom of their hearts.

Here is true Christian spirit—the spirit that is coming to life all over our land at this season. May the Lord bless all the folks at the Ruidoso Downs Post Office, and may they have a wonderful Christmas.

A Message From Jack Frost

Dear Friends in Lincoln County, The Ridge Runner has been reminding me that you folks need ex-

tra snow to make up for last year's light snow fall.

I have tried to make up for last year's skimpy snow, and I hope there is not too much hardship from the cold. I am trying to hold down the cold weather as much as I can.

I want to thank all of you who have been such fine help to the Ridge Runner this winter. I know many of you think that I brought on the snow early this year and that many of you were slightly unprepared. However I plan to let up a little in the snow after a few days and bring some fair weather in mid-winter.

I wish all of you in Lincoln County a very Merry Christmas and a happy new year.

Try to remember someone who needs special help to have a good Christmas—like the folks at the Ruidoso Downs Post Office and, many, many more just like them all throughout our beloved land.

With every good wish, I remain Yours ever the same,

Jack Frost

Participating at the official ribbon cutting for "la antiqua posada" Mexican Restaurant at Carrizo Lodge are (from left) Ruidoso Valley Greeter Kathy Barnett, Ruidoso Valley Chamber of Commerce executive director John Jeffers, greeter Mildred

Crocker, Ruidoso Mayor Lloyd Davis, Carrizo consultant Veronica Duvall, restaurant manager Sandy Moncrief, property manager George Moncrief, and greeters Gladene LaGrone, Dorothy Byrd and Clay Adams.

Carrizo restaurant goes Mexican

by SHIRLEY BOWINGTON
News Staff Writer

The adobe red beauty of the original Carrizo Lodge, nestled among majestic pines, paints a picture not easily forgotten. It is truly "la antiqua posada," completed in 1927 by NMMI, as a summer camp facility for athletes. It has recently been redecorated and changed into a Mexican restaurant by its new management.

According to Sandy Moncrief, "la antiqua posada's" manager, the cuisine and decor were changed because the building itself "lends itself to that type of restaurant—you feel it when you walk in the door."

The building, true to its Southwestern architecture, has viga ceilings, shiny hardwood floors, and an indigenous rock fireplace—now accented with brightly colored serapis, sequined sombreros and other Mexican items.

Chef Gabriel Lucero prepares specialties perfected by 12 years in restaurants such as: "Double Eagle" in Mesilla, "La Pancho Villa" in the Las Cruces Holiday Inn, and the Odessa Hilton and Holiday Inn. He says that though

everything is good, the "fajitas are great—especially the chicken."

The lounge is now in operation, offering a full selection of cocktails. Live entertainment is provided on Friday and Saturday evenings between the hours of 9 and 12 p.m. A Sunday Mexican Brunch is served between 11 a.m.-2 p.m., with free Mimosas (champagne and orange juice).

The restaurant is open Tuesday through Sunday for breakfast at 7 a.m., serving throughout the day until 9 p.m. Tuesday through Thursday, and on Friday and Saturday closing an hour later. The lounge is open until midnight on the weekends. The restaurant and lounge are closed Sunday evenings and Mondays. For further information call 257-9131.

"la antiqua posada" Chef Gabriel Lucero serves chicken fajitas to Ruidoso Valley Greeters Kathy Barnett, Mildred Crocker, Clay Adams and Dorothy Byrd. Mayor Lloyd Davis observes. The restaurant is located at Carrizo Lodge on Carrizo Creek Road.

Business

From Sudderth to Mechem

Pictured (left) at 103 Mechem Drive, is the new location of Aspen Interiors, owned and operated by Mr. and Mrs. Charlie Smith. The shop previously was located on Sudderth Drive.

Location change

When Dr. Staltzer retired, Curtis Temple bought and redecorated the old offices. He recently moved his "Broken Drum" from next door to the new space located at 2402 Sudderth Drive. This is Temple's 10th year of operating a business in Ruidoso.

Candlelight will mark state's 75th birthday

One of the items for discussion on the Ruidoso Valley Chamber of Commerce's agenda at their regular monthly board meeting will be Ruidoso's participation in New Mexico's "Light of Enchantment." The event will commemorate our State's 75th Anniversary. According to press information released by the State Diamond Jubilee Com-

mittee, "Every citizen in New Mexico is being asked to be a human candle with the entire state as a birthday cake."

On Tuesday, January 6, at 8 p.m. every person in New Mexico is being asked to step outside and light a candle (or a match or flashlight)—thus taking part in the birthday celebration.

Statewide activities will include the lighting of the "official candle" at Albuquerque's Civic Plaza by Governor Garrey Carruthers. There will also be a "Happy Birthday New Mexico" dinner-dance in the city's Convention Center, sponsored by the Albuquerque Bicentennial/Diamond Jubilee Committee.

Christmas program

Capitan elementary school students presented traditional Christmas carols by grades kindergarten through third in a Christmas program Tuesday. "Santa and the Three Scrooges" was performed by the fourth through the sixth grades (left). It was a Christmas Musical for young voices by Ruth Roberts.

Charlene Worrell accompanied the songsters on the piano. Here the third grade sings "Silver Bells."

"Over in Beth'lem Town" was performed by the Capitan School third grade.

"Thirty-two Feet and Eight Little Tails" was performed by the Capitan School second grade.

Music director Dick Valenzuela prompted all the performers. Here the second grade sings "Hark the Herald Angels Sing."

Opinion

Inside the Capitol

by Fred McCaffrey

SANTA FE—There is an old Arabic saying that goes like this: "I against my brother; my brother and I against my cousin; my brother, my cousin and I against the world."

What that says, in elliptical fashion, is that each of us may fight with those with whom we share some sort of family relationship, but we will always join together to fight even harder those who attack our family from outside.

It is an observation about human nature that might well be kept in mind when we are considering such essentially Arabic arrangements as the OPEC group, to whom Americans will ever be the outsiders. It might not have been bad for the thought to have been in the minds of Bud McFarlane, Colonel North and General Secord as they sought to buy our way into the family of the Middle East with plane loads of modern weapons.

In dealing with both these current situations, in which people some North Americans may tend to look down upon have tweaked the nose of Uncle Sam, we appear to have proceeded with the same lack of finesse exhibited by the fictional J. R. Ewing.

Those who follow closely the ins and outs of that endless melodrama called "Dallas" know that J.R.'s solution to the present-day oil glut is to hire mercenaries to blow up the Middle Eastern oil fields.

Some might believe that the solution King Fahd of Saudi Arabia came up with, which involved firing Sheikh Ahmed Zaki Yamani, who had represented the Saudi interest well, and talking OPEC into decreeing that the price of a barrel of oil shall henceforth rise to \$18 was about as mindless as that of the television tycoon.

To get back to the proverb we quoted to begin this column, even if the will of King Fahd becomes the law of the oil-producing nations, the intention will not be to help those who produce oil within the geographic boundaries of the United States, or more specifically, of New Mexico. Oil at \$18 a barrel won't halt the plunging output of that product that most directly affects us. Even if the Arabic cousins and brothers solve their own problems by cooperation inside their family, those in the oil business in our midst would be

well advised, as one recently remarked, to keep taking lots of calcium so they can continue to hang on by their fingernails.

For those in the business of producing oil in the United States to whom that product at around \$20 a barrel and gas at \$2.25 a thousand cubic feet sound like survival numbers, the fiat by which Fahd expects to boost the price to \$18, even if it works, is no solution.

And we shouldn't forget the nature of the tight in which both our nation and our state have been put by this question of oil prices.

Our country's domestic oil production is down 300,000 barrels a day since the start of 1986, and there is little reason to hope to see that trend reversed. The gap that creates between what our nation produces and what our nation consumes has to be filled with imported oil. What's worse, even as this goes on, America's demand for petroleum products continues to climb.

So we have a hunger for this product here at home, while we cannot afford to pump the oil from our own ground. A \$4 per barrel increase in the cost may help to stem the decline in the industry in the U.S., and specifically in New Mexico, but it will not end it.

It's always tough for Americans to admit conditions that affect and perhaps even control their lives are not directly changeable simply by an act of our national will. In this case, that is clearly and undeniably so. We must learn to live with that fact.

Some of us have learned already the lesson that follows from it. Others have still to comprehend it. But whether we admit it slowly or quickly, the fact is that we are going to have to adjust our standard of living, especially in states like ours, where so much has been staked on the profits made by this single industry that sucks the oil and gas out of the earth below us.

Among those who should take special note of that fact are all those who have for so long depended for their livelihood on state government, which has in turn so long depended on the oil industry. Thanks to those Arabs and their brothers and cousins, it doesn't look like we will see the return of "the old days" for quite some time—if ever.

Editorial

We got ourselves in a tough spot, but we came out smelling like a rose.

Voters Thursday passed the tax increase, allowing the village to keep the present airport land and to produce the village's share of the cost of the new airport on Fort Stanton Mesa.

We are told that will ensure the airport construction is not delayed. An airport will be ready by the close of 1987, say officials.

But what about the present airport site? We have it, sure, but what are we going to do with it?

Some groups have begun addressing this issue. That's good. We said it before—effective use of that land could mean even more to our future than the new airport itself.

The land is an opportunity. A college campus, an outdoor amphitheater, sports facilities, soft industry, a convention facility, a retirement community, additional space for municipal buildings, branch offices for major corporations, corporate training centers—who knows how the land could be used most effectively?

Well, we believe it's the responsibility of the Ruidoso Village Council to find out.

Our present councillors cannot really be blamed for the last-minute, Band-Aid way the airport land was secured. They have been together just nine months as a council. The airport problem is decades old. But for previous councils to have operated on the belief that we'd get a new airport scot-free would have been unrealistic at best. Certainly they foresaw the need to make some plans to pay the price of the new airport.

And perhaps they made some plans. Unfortunately, no plan ever made it to today, when the time has come to pay the tab.

We encourage the present council to formulate a plan for the land, and to begin implementation of that plan during the 15 months that remain of their term. Just as important, we encourage them to take some step to ensure that the plan is passed on to the next council.

Let's not get ourselves in another tough spot. Now is the time to make a plan for the airport land.—DJP

Letters to the editor

DEAR EDITOR:
The Ruidoso Valley Greeters would again like to thank all the folks that have participated in our beautification project in the past planting petunias in the barrels up and down our main streets. We are already making plans to continue this project this coming spring. In the meantime during our winter months we would like to suggest we

all fill the barrels with boughs of evergreens and perhaps add a big red bow for the holiday season. After the evergreens have lost their freshness remove the greens then pile on some of our locally grown pine cones until spring.

Happy Holidays from

Both principal and interest are payable in lawful money of the United States of America at the office of the Registrar/Paying Agent. The Bonds will be issued for the purpose of securing funds for erecting, remodeling, making additions to and furnishing school buildings, and purchasing and improving school grounds in the amount of \$1,100,000. Interest shall be bid in multiples of 1/20th or 1/8th percentum and only one interest rate may be bid for each maturity of the Bonds. The maximum interest rate on the Bonds shall not exceed twelve percent (12%) per annum and the maximum net effective interest rate shall not exceed twelve percent (12%) per annum; provided that if the net effective interest rate on the Bonds is greater than ten percent (10%) per annum (based on the actual price to be paid to the District for the Bonds,

calculated to maturity according to standard tables of bond values), such rate must be approved in writing by the State Board of Finance and the Bonds may not be delivered until such approval is given. Interest on the Bonds shall be evidenced until maturity by only one interest rate, the first of which shall be payable February 1, 1987, and thereafter on each August 1 and February 1 until their maturity. It is permissible to bid a different rate of interest for each different maturity of the Bonds, but no bid shall specify more than one interest rate for each maturity of Bonds. Except as limited above, there is no limit on the number of different interest rates that may be bid on the Bonds.

Only unconditional bids will be considered and each bid, except the bid of the State of New Mexico, if one is received, shall be accompanied by a deposit of not less than 2% of the principal amount of the Bonds, either in cash or by cashier's or treasurer's check of, or by certified check drawn on, a solvent commercial bank or trust company located in the United States payable to the order of the Ruidoso Municipal School District No. 3, which deposit shall be returned if the bid is not accepted. The Board will take action on the Bonds by awarding the Bonds, or rejecting the Bonds, not later than twenty-four (24) hours after the expiration of the time herein prescribed for the receipt of the bids. If the successful bidder or bidder shall fail or neglect to complete the purchase of the Bonds within 30 days following the acceptance of his bid, or within 10 days after the Bonds are made ready and are offered for delivery, whichever is later, the amount of the deposit relating to the Bonds shall be forfeited to the District, and in that event the Board may accept the bid of the one making the next best bid for the Bonds should such bidder elect to purchase the Bonds on that basis. Delivery of the Bonds will be made to the successful bidder or bidders at a bank or trust company in the State of New Mexico to be selected by the Board at the expense of the District or elsewhere with the consent of the District and at the request and expense of the purchaser. PROVIDED, HOWEVER, that if, for any reason, delivery of the Bonds cannot be made within 60 days after opening of bids, the successful bidder shall have the right to purchase the Bonds during the next succeeding 30 days upon the same terms, or at the request of the successful bidder, during the next succeeding 30 days, the good faith deposit will be returned and such bidder shall be relieved of any further obligation.

All bids shall specify: (a) the lowest rate of interest and the amount of the premium, if any, at and for which the bidder will purchase the Bonds, or (b) the lowest rate of interest at which the bidder will purchase the Bonds at par. Any bid which specifies split interest rates will not be considered. The right is reserved to waive irregularities in

bids except that no bid shall be considered which is received after the time herein prescribed for the opening of bids. Proposals should be enclosed in a sealed envelope marked on the outside "Proposal for Purchase of General Obligation Bonds, Ruidoso Municipal School District No. 3" and addressed to the Board of Education, of Ruidoso Municipal School District No. 3, 200 Horton Circle, Ruidoso, New Mexico 88345.

The best bid for the Bonds will be determined by deducting the amount of the premium bid, if any, from the total amount of interest which the District would be required to pay from the date of the Bonds to their maturity dates at the interest rate or rates specified in the bid and the Bonds will be awarded on the basis of the lowest net interest cost to the District. Copies of the Offering Statement and Notice of Bond Sale, a suggested bid form, and other information may be obtained from the District's Financial Advisor, Riles and Associates, Inc., First Interstate Building, Suite 1200, 320 Gold, SW, Albuquerque, New Mexico 87102, telephone (505) 243-1704. The applicable CUSIP numbers will be printed on the Bonds; provided that an incorrect CUSIP number printed on any Bond or the absence of any CUSIP number on any Bond shall not constitute cause to refuse delivery of the Bonds.

The Bonds will be awarded to the best bidder considering the interest rate or rates specified and the premium offered, if any, and subject to the right of the Board to reject all bids. If there are two or more equal bids at not less than par and accrued interest which are the best bids received, the Board shall determine which bid is to be accepted.

The purchaser must pay accrued interest from the date of the Bonds (February 1, 1987) to the date of delivery. The Bonds will not be sold for less than par and accrued interest nor shall any discount or commission be allowed or paid on the sale of the Bonds. Upon delivery, the deposit of the successful bidder (without accrued interest) will be credited on the purchase price and the balance shall be paid in federal funds.

The Bonds will constitute the general obligation bonds of the District, and shall be payable from general ad valorem taxes which may be levied against all taxable property within the District without limitation as to rate or amount.

The validity and legality of the Bonds will be approved by Madrell, Sperling, Roehl, Harris & Sisk, P.A. Albuquerque, New Mexico, Bond Counsel, whose approving opinion, together with the printed Bonds and a complete transcript of the legal proceedings, including a certificate stating that no litigation affecting the validity of the Bonds is pending, will be furnished to the purchaser without charge.

The District will covenant to take all actions that may be required of the District for the interest on

the Bonds to be and remain excluded from gross income for federal income tax purposes, and not to take any actions which would adversely affect such exclusion, under the provisions of federal tax laws that apply to the Bonds, including the provisions of the Internal Revenue Code of 1986 (the Code) and any applicable amendments thereto. The District will provide an opinion of Bond Counsel, based upon covenants, representations and certifications of the District, to the effect that under existing law, the interest on the Bonds is excluded from gross income for federal income tax purposes, and that the Bonds are not "private activity bonds" as defined in Section 141(a) of the Code and are "qualified tax-exempt obligations" as defined in Section 265(b) of the Code. Interest on obligations that are not private activity bonds is not treated as an item of tax preference for purposes of the alternative minimum tax on individuals and corporations.

However, under the Code, a provision, applicable to corporations (as defined for federal income tax purposes), that would impose an alternative minimum tax on a portion of the excess of adjusted net book income over pre-book alternative minimum taxable income, could subject part of the interest on the Bonds received by corporations to such corporate alternative minimum tax. For taxable years beginning after 1989, adjusted current earnings and profits would replace

adjusted net book income in the computation. In addition, for taxable years beginning after 1988 and before 1992, interest on the Bonds earned by some corporations could be subject to the environmental tax imposed by Section 58A of the Code enacted by the Superfund Revenue Act of 1980 and, for taxable years beginning after 1988, interest on the Bonds earned by certain foreign corporations doing business in the United States would be subject to a branch profits tax imposed by Section 884 of the Code. Under the Code, the receipt of tax-exempt interest can have other adverse federal income tax consequences for certain taxpayers, including financial institutions, property and casualty insurance companies, recipients of Social Security and Railroad Retirement benefits, and taxpayers who are deemed to incur or continue indebtedness to acquire or carry tax-exempt obligations.

DATED at Ruidoso, New Mexico this 10th day of December, 1986.

NOTICE OF ELECTION
NOTICE IS HEREBY GIVEN that there will be
an election held on January 13, 1987, to elect three
(3) members to the Board of Directors of Sun
Valley Sanitation District.
R. A. Ross has been nominated for the two-year
term ending the second Tuesday of January 1989.
Glen O. Hinkle has been nominated for the four-
year term ending the second Tuesday of January
1991.
Jorice Steele has been nominated for the six-
year term ending the second Tuesday of January
1993.
Any tax-paying elector is eligible as a write-in
candidate for any of the three positions. The can-
didate receiving the most votes for the two-year
term will be elected Director of the Board for a
term ending January 1989. The candidate receiving
the most votes for the four-year term will be
elected Director of the Board for a term ending
January 1991. The candidate receiving the most
votes for the six-year term will be elected Director
of the Board for a term ending January 1993.
Eligible to vote are all tax-paying electors of the
district. "Tax-paying elector of a district" means
a person qualified to vote at general elections in
the state, who either has paid or incurred a
general tax on real property within the district in
the twelve (12) months immediately
preceding the designated time or event or who is
purchasing real property within the district under
a real estate contract where a property tax has
been paid or incurred on such property in the
twelve (12) months immediately preceding a
designated time or event.
The polling place for voters is the Alto-Angulo-
Bonito Community Hall (Alto Substation, Bonito
Volunteer Fire Department), Alto, New Mexico.
Polls will open at 5:00 a.m. and close at 7:00 p.m.
on January 13, 1987.
Results of the election will be reported to the
Board of Directors at a special meeting im-
mediately following the closing of polls on January
13, 1987. The meeting of the Board of Directors will
be held at the Alto-Angulo-Bonito Community Hall,
Alto, New Mexico.

Ruidoso News editor Darrell J. Pehr is the recipient of the first-place award for editorial writing among newspapers the size of The News from the New Mexico

Press Association. The annual competition was judged this year by members of the Idaho Press Association.

The Ruidoso News

AN AWARD WINNER

Pehr takes first place for editorial writing

Darrell Pehr, editor of The Ruidoso News, was recently awarded first place in editorial writing by the New Mexico Press Association.

Pehr's two submissions were judged first among editorials published in newspapers similar in size and circulation to The News.

"The thing I value most about writing editorials at The Ruidoso News is dealing with local issues," said Pehr. And his prize-winning editorials both spoke to issues of concern to area residents.

Pehr said he finds it very rewarding when his editorials achieve some desired change or result.

A graduate of the University of New Mexico in journalism, Pehr has been on The News staff for three years, serving as editor since May 1985.

"I like journalism because it's so multi-faceted," noted Pehr. Besides writing two editorials every week, he

has the opportunity to take photographs, lay out pages and write news stories and features.

Pehr also has drawn a number of editorial cartoons, and hopes to have time to do more cartoons next year.

"They're just as effective in making a point as written editorials," said Pehr, recalling that past cartoons have evoked more response than most written editorials.

In 1984 Pehr won second place for columns with two humorous pieces entered in the association's annual awards.

Pleased with past awards and achievements among The News staff, Pehr is looking toward more successes in 1987.

"I hope to continue the tradition of excellence we've established," said Pehr. "I'd really like the newspaper to win a photo award," he added.

The people of Lincoln County have exercised their constitutional right in demanding a grand jury, but the judge whose duty it is to call that grand jury has failed to follow the wishes of the people.

A petition signed by the requisite number of citizens in the county requesting a grand jury investigation of the murders of Thomas "Cotton" and Judy McKnight was presented to District Court Judge Richard Parsons early last week.

Instead of calling the grand jury, Parsons wrote the Attorney General's Office, stating his belief that he has no power to appoint a special prosecutor. Parsons said he wouldn't call the grand jury without assurance that the AG will present the case. He said he'll call the grand jury only when informed that someone will present the case with "legal evidence."

But Parsons does have the power to request action by the attorney general. According to the New Mexico Statutes, Section 31-6-7, "the attorney general, when requested by the district court, shall assist the grand jury."

And Parsons has no choice in calling the grand jury. The language of Article II, Section 14 of the New Mexico Constitution is very plain. He shall call the grand jury.

So what's the holdup?

We believe Parsons has two options. Either he changes his mind and calls the grand jury of his own volition, or he faces the embarrassment of having the citizens of Lincoln County obtain a writ of mandamus from the Supreme Court forcing him to call the grand jury.

Either way, the citizen's constitutional right must be upheld, and a grand jury must be called.—DJP

News that the New Mexico Racing Commission may begin conducting mandatory drug testing of racehorses jockeys is yet another example of government's athlete-drug hysteria.

Sure some athletes use illegal drugs, and some tragically die from drug abuse.

Others misuse drugs, too. Does that mean because some abuse drugs, we all shall be subject to mandatory drug testing?

Where will the line be drawn? Will each of us be lined up and tested when we arrive at work, as the jockeys may be? Will fans at Ruidoso Downs Race Track also be tested for drug use prior to viewing "drug-free" jockeys racing?

Worse yet, will State Racing Commission members be tested for drugs before convening to discuss the use of drugs by jockeys?

Or will Philadelphia Court of Appeals justices (the court that ruled in favor of such testing) also be required to take breath and urine tests before presiding at court?

Indiscriminate testing of jockeys seems to ignore the principle of probable cause. Or do the Philadelphia judges and the Racing Commission members have reason to believe that all jockeys are drug abusers?

We think not.

Drug abuse should be battled. But to take such an obtuse approach as mandatory drug testing is to create another wrong, rather than right a wrong.—DJP

These editorials won first place in the 1986 New Mexico Press Association competition among newspapers the size of The News. Both were published this summer.
