Sheriff renews own probe of McKnight murders

by FRANKIE JARRELL
News Staff Writer

With just six months left in the current administration, the Lincoln County Sheriff's Office Friday renewed its investigation of the murders of Thomas P. "Cotton" and Judy McKnight.

"The case has been in the hands of the Attorney General (AG) for eight months," said Undersheriff Charlie Cox in an exclusive interview Friday in Carrizozo.

He said the sheriff's office voluntarily relinquished control of the investigation with the hope that some progress would be made after Twelfth Judicial District Attorney James Weldon (DA) refused to authorize an arrest on the sheriff's evidence. Since the AG entered the case, Cox said the sheriff's office

has not been apprised of the status of the case.

Cox said the AG was even contacted by certified letter, but the sheriff's office has had no reply.

"As a result, because of the concern of the family, we are now assigning two investigators to the case full-time effective immediately," said Cox. He said both investigators are qualified and experienced.

"We feel obligated to continue on with the case in case we can turn up some additional information that will prompt someone to take the case and prosecute," remarked Cox.

He recalled presenting evidence last August and asking the DA to authorize arrest warrants for two suspects, only to be refused.

That refusal prompted a media battle in which the DA called a

press conference, the sheriff then conducted a news conference and District Judge Richard Parsons responded by issuing a gag order.

That's when the AG took over the case. Deputy Attorney General Steven Westheimer said in The News on September 5, 1985, that he would review the case with the DA and the sheriff.

However, Cox said the AG has not discussed the case with his office. Some family members have wondered if an investigation is being conducted, and the AG has been unwilling to comment.

"Tragically, I admired Parsons when he did the gag order," said Gary Mitchell, a local attorney. "I thought that was a very courageous act," added Mitchell.

He admitted that he knew of no precedent for such a gag order when no one has been charged with

a crime.

Mitchell prepared a petition that Terri Bussey, sister of the slain Judy McKnight, presented Judge Parsons last week. Bussey, along with Frank "Pancho" McKnight, "Cotton" McKnight's brother, said recently they had no choice but to ask the judge to call for a grand jury, a right provided in the New Mexico Constitution.

In spite of wording in Article 2, Section 14, of the Constitution, which apparently calls for a judge to empanel a grand jury upon a petition signed by 200 registered voters or five percent of the number who voted in the last election, Parsons has said he won't do so without assurance that the AG or someone will try the case.

Both Bussey and McKnight were surprised and disappointed by Parsons' response.

"Parsons' statements and the Constitution just don't go together," said McKnight last week. Bussey said she won't give up on seeing the case tried, but will pursue her request to the Supreme Court.

Parsons agreed that ordinarily calling a grand jury on petition is "mandatory," but added that he can't present the case, and has no authority to appoint a special prosecutor. He asked the AG for advice.

In a news release (see related story) Friday, Westheimer, said the AG hasn't enough evidence to call for a grand jury.

Westheimer said the New Mexico State Police and the AG are actively pursuing the case.

"The State Police were involved from the very first," said Cox Friday. He said that agency was on the

scene right after the two bodies were discovered in November 1984.

Cox recalled the State Police left the case early in the investigation after discussions with Sheriff Tom Sullivan. Cox was unwilling to divulge the topic of those discussions.

Cox wondered why the State Police weren't more active in participating in early investigation procedures and techniques, in light of later criticisms of the sheriff's office.

"We never did give up the case," said Cox. "We'll do everything we can between now and the end of the year," he added.

The McKnights were murdered in November 1984, and their bodies were discovered November 13, in the kitchen floor of their Picacho ranch home.

Candidates list expenses in county primary races

by FRANKIE JARRELL
News Staff Writer

Candidates for Lincoln County Sheriff were the big spenders in last week's primary, according to financial disclosures filed in the County Clerk's office 10 days before the election. Final disclosures are due within 30 days after the election.

Preliminary statements revealed that three of the four would-be sheriffs had spent a total of \$6,272.44. One candidate, Jim Nesmith, winner of the Democratic (D) nomination, certified that he spent less than \$500, and had received contributions of less than \$500.

Don Samuels, winner of the Republican (R) nomination for sheriff, spent \$2,633.83, and reported contributions of \$3,175. Charles Cox, who lost to Samuels, reported spending \$2,357.46, and receiving contributions of \$1,600.

Dave Pfeffer, an unsuccessful candidate for the Democratic nomination for sheriff, reported spending \$1,281.16 and receiving donations of \$1,328.76.

Candidates for all county offices spent their money on filing fees, calling cards, media advertising, voter registration lists and the like.

The Samuels campaign reported spending \$52.48 for donuts and \$100.23 for photography, with Pfeffer reporting expenditures for

meals and gasoline. Shirley Goodloe and Jena Perea also reported travel expenses.

Although most funds were contributed and expended within Lincoln County, several candidates ordered campaign materials from outside the county.

Samuels reported spending \$567.68 in Las Cruces for posters; George F. Lore ordered his posters from Ferndale, New York, for \$198.25 and \$13.25; Cox obtained bumper stickers from Coral Spring, Florida, for \$473.60; and Gerald Dean ordered posters from Ferndale for \$205.69.

According to the reports, candidates spent and received the following:

DISTRICT MAGISTRATE DIVISION I

AG says murder probe ongoing

by FRANKIE JARRELL
News Staff Writer

To clarify the response to Judge Richard Parson's inquiry to the Attorney General concerning a citizen's petition for a grand jury to investigate the McKnight homicide, Deputy Attorney General Stephen Westheimer today issued the following statement:

"Although the New Mexico State Police and the office of the Attorney General are actively pursuing the investigation of the McKnight homicide, we do not at this time have sufficient evidence for a grand jury to find probable cause to indict anyone for those murders.

"As professionals, it is our legal and ethical duty not to present a case to a grand jury when there is no basis for a finding of probable cause. It would not serve justice to attempt an indictment on insufficient evidence.

"We do not believe the murder investigation would be helped by a grand jury inquiry at this time.

"We hope that the investigation eventually will produce evidence that will lead to the indictment and successful prosecution of the person or persons responsible for the murder of the McKnights.

"However, at this time these are unsolved murders."

Former Downs mayor continues fight for office

Gary Mitchell, attorney for former Ruidoso Downs Mayor Carlton L. "Bones" Wright, said he and his client were "seriously" considering filing a motion for reconsideration with District Judge Richard A. Parson's regarding his recent decision in the Harris vs. Wright contest.

In that decision Parsons ruled J.C. "Jake" Harris was the rightful winner in the March 4

mayoral election in Ruidoso Downs due to certain violations of state voting standards by some voters who cast write-in votes on Wright's behalf.

Mitchell said he would file his motion on the grounds that he had obtained a statement from a registered voter in the Downs which seemed to indicate one of the election officials advised that person to write in a vote for Wright in

the wrong write-in slot.

According to Mitchell, the registered voter had even questioned the election official on which slot was legal under the laws of the state to cast a write-in vote, and was still told to cast a vote in an inappropriate slot.

The number one slot is the only proper slot to cast a write-in ballot in most elections in New Mexico.

Mitchell said he would know today (Monday) about his motion to

Parsons, as well as what steps would be necessary under New Mexico law to begin a petition for a recall of the mayoral election in the Downs.

Mitchell said his client hoped all the employees in the Downs would be able to work with Harris to the betterment of the welfare of Ruidoso Downs, but was upset that the town became so divided and village employees lost their job security after Parsons' ruling.

Barbarys Pokey takes charge in Mr. Kid Charge Handicap

Jerry Nicodemus continued his domination of stakes events at Ruidoso Downs capturing Saturday's featured Mr. Kid Charge Handicap at the mountain track aboard Barbarys Pokey.

The 1986 renewal of the Kid Charge Handicap drew an outstanding field of veteran quarter horses headed by Barbarys Pokey, who was starting in the 400-yard dash off a commanding victory in the Mr. Jet Moore Handicap on May 24.

A crowd of 4,185 fans backed the son of Top Pass down to the 1-2 choice to win the Kid Charge. Nicodemus was taking his first assignment aboard the stakes winner after regular rider Alex Baldillez Jr. opted to ride Big John Mito - the second favorite at nearly 6-1.

The remaining field included My Sweet Ten, Ms Edition, Classy Comment, Aamerican Speed, Easy Trek, Lova Pie, Mr Suspenders and Leading Jet.

As the gates flew open, Nicodemus had a narrow jump on the remaining nine contenders in an extremely close break. No more than a head separated most of the field in the first few strides.

Racing from the far outside post position, Barbarys Pokey drew away from the field in the final yards to win by a widening one-length margin. The final time was 19.72 seconds over a fast track. Arnold Simmons Jr. saddled the winner for John Kitzman of Cypress, Texas, who collected \$6,060. Barbarys Pokey shouldered top weight of 124 pounds for the Mr. Kid Charge.

Classy Comment, an Editorial Comment gelding ridden by Jesse

Longoria, headed Leading Jet on the last jump to collect second-place money. Bill Rains trains and campaigns Classy Comment who raced at more than 30-1 odds. Second-place money amounted to \$2,222.

Leading Jet, ridden by Casey Lambert for trainer Cliff Lambert Sr., turned in a surprising performance after heading postward at 24-1 to pocket \$1,010 for third. The Easy Jet colt carries the colors of LeRoy Spires Jr. of Snyder, Texas.

The remaining order of finish for the Mr. Kid Charge Handicap with purse money earned: 4th - Easy Trek, \$404; 5th - Aamerican Speed, \$202; 6th - Ms Edition, \$202; 7th - My Sweet Ten; 8th - Mr Suspenders; 9th - Lova Pie; and 10th - Big John Mito.

Big John Mito came out several steps slow on the break and was never in contention throughout the handicap.

Trainer Simmons was notching his third stakes win with the Mr. Kid Charge. He accounted for the Mr. Jet Moore two weeks ago, and walked off with the winner's share in the \$511,000 Kansas Futurity on June 1. Nicodemus also has three stakes wins to his credit, having ridden Ronas Ryon to the Kansas Futurity win, and Dashing Phoebe to her impressive victory in the Kansas Derby on May 31.

Barbarys Pokey is no stranger to Ruidoso Downs. During the past three years, he has been a finalist in the Rainbow Futurity, Derby and Silver Cup. Simmons thinks the veteran is improving with age.

Seven in a row!

Jockey Jerry Nicodemus leads Barbarys Pokey to the winner's circle after the colt won the \$10,100 Mr. Kid Charge Handicap on Saturday, June 7, at Ruidoso Downs. Barbarys Pokey, who is trained by Arnold Simmons, also won the Mr. Jet Moore Allowance Stake in May at the mountain track. He is owned by John Kitzmann of Cypress, Texas, who collected a winner's purse of \$6,060. Barbarys Pokey has not been beaten to the finish line the last seven races.

Heavenly looks divine in Rainbow Silver Cup

Roy Browning's speedy mare Heavenly dominated trials for the \$143,000 Rainbow Silver Cup run on Friday at Ruidoso Downs Race Track, tagging herself as the horse to beat in the finals of the Grade I event.

A total of 25 4-year-old quarter horses faced off in three quarter-mile heats for the Silver Cup on Friday, with the 10 fastest dashers advancing to the June 15 finals.

Heavenly clocked the fastest 440 yards this season in winning the second division. Racing as the 2-5 choice, jockey Jacky Martin took the Pie In The Sky mare to a 2 1/2-length margin in 21.585 seconds racing into a light headwind. Jack Brooks saddled the mare for Browning who operates out of Fort Worth, Texas.

Brooks was in the winner's circle for the opening Silver Cup division after Steve Fuller rode Uptown

Style to a three-quarter length victory in 21.900 seconds. The son of Real Ease campaigns under the colors of Terry Kay Bell of Lawton, Oklahoma.

Trainer Dwayne "Sleepy" Gilbreath's Dash For Destiny won the final Silver Cup division with Nicky Wilson piloting the son of Dash For Cash. The final time was 21.940. James Helzer of Mansfield, Texas, is the owner.

It was a big day for rider Wilson, who joined Jacky Martin in qualifying three horses each to the Silver Cup. Trainer Brooks qualified four head, while O.S. Carlton IV saddled two of the 10 finalists. Gilbreath, Larry Keiter, R.W. Werner and Neal Garcia will each send a single entry into the Silver Cup.

The seven horses that will round out the Rainbow Silver Cup field are Sir Alibi, Runnin On Class, Bad And Glad, Spring Lark, Cash Margin, Prohibition and Barrymore.

A little sassy

Sassy Victory is raring to go in Saturday's first race at Ruidoso Downs. "Sassy" took a turn around the paddock before being saddled.

Clark and Danley win Jockey/Trainer Honors

Apprentice rider Mike Clark put together two three-win days over the weekend to make his first appearance in the standings and earn Jockey of the Week honors at Ruidoso Downs.

Fred Danley grabbed Trainer of the Week, with five wins that pushed him into the lead of his respective standings.

Clark, who had not won at race at the mountain track going into the weekend, went to the winner's circle three times on Thursday and repeated the performance on Saturday. His effort placed him eighth in the standings.

Quarter horse specialist moved

to the lead among jockeys with four wins over the weekend, while Joe Martinez also won four times to move into second. Danny Sorenson made his first appearance in the rankings in sixth with five wins. Kevin Cogburn had a three-win day on Sunday to move into seventh.

Danley won two of the final three races on Sunday to move one win ahead of Clifford Lambert Sr. in the rankings.

Baptismal Services For Benjamin Franklin Sanchez

The rose hedge planted by Mrs. Ora Tully on the west wall of the church was a solid mass of resplendent pink; and all the vale of Glencoe was radiant after the good rains, as Benjamin Franklin Sanchez, age two and one half years, was baptized last Sunday at Saint Anne Chapel, in Glencoe.

It was fitting that the services were held during the reunion of the descendants of Frank and Helena Coe, pioneers of the Ruidoso valley, who along with other local early settlers, founded the church in 1934.

Many of these descendants, having come from nearby and also distant places to be present at the reunion which was held last Saturday and Sunday at the homes of Paul and Nellie Ruth Jones and Dan and Cathy Ogden.

Benjamin is the son of Gabriel "Sonny" Sanchez and Debbie Jones Sanchez; and is the great, great grandson of Frank and Helena Coe, on his mother's side.

The child was named for his grandfather, Benino Sanchez and Frank Coe, whose full name was Benjamin Franklin.

Godfathers were Roland and Dante DeBlasie; and Godmothers were Cathy Ogden and Annelle Jones.

Father Burdette Stampley, in charge of services, welcomed our little brother into the church.

Favorite hymns were sung accompanied by the church organist Debbie Sanchez.

We are all happy over the blessing brought to us by our newest little member of the church.

Jud Cooper Tells

Of The Gideons

Jud Cooper, a member of the church but living now in Roswell, gave a talk on the Gideons, of which organization Jud himself is a member. He said there are fifteen members in Roswell.

The Gideons number 84,000 members world wide. They place bibles in hotels, motels, hospitals, schools, colleges and throughout the armed forces. They also give bibles to anyone, one on one, who desires one.

The Gideons do their work of spreading the gospel through giving bibles in one hundred and thirty-five countries, speaking fifty-four languages. They have translated the bible into ten languages.

Jud said that last year the organization spent twenty-four million dollars on their work, the money coming from donations. We were all very glad to hear Jud's inspiring talk about this famous and worthy organization.

Wedding Anniversary For Jack and Edna Black

Last Friday I was in Black's Livestock Supply in Ruidoso Downs, and out of a clear sky, like he was just talking about the weather, Jack said: "Tomorrow's my anniversary."

"How long have you been married?"

"Oh, let's see, about forty years." Jack Jennings Black and the former Edna Nell Birch were married in Alamogordo June seventh, 1946.

Jack was born in Capitan, November twenty-one to Roy Adams Black and the former Pearl Elizabeth Thurman.

Edna was born in Miami, Arizona to Louis Birch and the former Georgia Winifred Cavender.

Edna's grandmother, Edna Cavender had a family restaurant in Alamogordo, and it was here that one day when the star of good food

tune for both shone brightly, that Jack and Edna met.

Jack had only recently returned from two and one half years service in Europe during World War II. Together with his extensive combat action, Jack was a champion heavyweight boxer from which he is sometimes called "Kid Black".

Jack is from a long line of pioneer ranch people, and spent most all his life in El Paso. Here he was a rancher and livestock dealer. He was manager of El Paso Livestock Producers Marketing Association for thirty years.

About nine years ago Jack and "Eddie", as she is affectionately known, moved up to Ruidoso Downs where they are owners and operators of Black's Livestock Supply. In addition they raise race horses; and Jack is manager of The Apache Cattle Company.

Jack and Edna have raised five children of whom we are all proud: Winifred Lewis of Canutillo, Texas; Jackie Watson, Arlington, Texas; Roy Black, Ruidoso; Joyce Jackson, Arlington, and Iris Morgan, Ruidoso. They have ten grand children.

In mentioning their long and happy marriage, Jack and Edna said, "We both had wonderful parents who showed us the right way of life."

We wish this well-beloved couple many happy returns of the day, and all the Lord's blessings.

Obituaries

Georgia Mae Kirk

Georgia Mae Kirk, of Ruidoso, died suddenly Wednesday in the Ruidoso-Hondo Valley Hospital.

Kirk was born October 22, 1910, in Sivals Bend, Texas, and was a member of the First Christian Church and was very active in the Alcoholics Anonymous work in

Ruidoso for the past 17 years. Prior to engaging in this work, she had taught school for eight years, was an optical technician for eight years, bookkeeper for a lumber company, manager of a motel, and worked in the Ruidoso Day Care Center for seven years.

Survivors include her sister, Millie Hartness of Roswell, and several nieces and nephews.

Funeral services were Friday in First Christian Church, with Rev. Ken Cole officiating. Burial followed in Forest Lawn Cemetery in Ruidoso.

Arrangements were by LaGrone Funeral Chapel of Ruidoso.

Two hurt in accident

Two women remain hospitalized with injuries they received in a car-pedestrian accident about 10:20 p.m. Saturday, June 7.

According to Ruidoso Police Department reports Barbara Duff of Ruidoso and Rosaly Sheppard of South Carolina were crossing Country Club Drive in front of Cree Meadows Country Club when they were struck down by a vehicle driven by Scott Annala, 24, of Ruidoso.

The accident is still under investigation, but according to Captain Dave Pfeffer of the Ruidoso Police Department a dip in the road about 160 feet from the point of the accident apparently was the cause. He said the car, which was traveling north on Country Club Drive, was in the dip as Duff and Sheppard looked before crossing the street.

Pfeffer said at that point neither the pedestrians nor the driver of the car could see one another and apparently assumed the street to be clear.

The officer at the scene reported that speed was not a factor.

Duff, 74, was in stable condition at Ruidoso-Hondo Valley Hospital early today (Monday), according to Katie Wickware, nursing supervisor. Wickware reported Sheppard, 46, was in critical condition when she was transferred to St. Mary's Hospital Saturday.

Redman Club owner donates \$10,000 toward paving of DiPaolo Hill

Rip Russell, owner of the Redman Club, announced recently he would donate \$10,000 to the Village of Ruidoso Downs to help with the paving of DiPaolo Hill, which can be accessed on Highway 70 and runs close to Russell's club.

Jack Nunn, one of the owner's of the Great American Land and Cattle Company restaurant, which recently opened in the Redman

Club, said he was informed by state Highway Department officials that after June 17 DiPaolo Hill will be paved and will be accessible directly from the Ruidoso Downs Race Track entrance.

Nunn said the access from the entrance of the racetrack to DiPaolo Hill will be about 60 feet wide.

The owners of The Great American Land and Cattle Com-

pany, a steak and specialty restaurant that seats more than 200 people, are operating in the Redman Club with a lease agreement from Russell.

Several residents who live past DiPaolo Hill have often asked village officials in the Downs to pave the road, according to residents who asked not to be identified.

Men's , women's softball leagues open

by GARY BROWN
News Sports Writer

The 1986 softball season is scheduled to begin tonight (Monday), June 9, with a whole new look.

The Lincoln County Women's Slo-Pitch Softball Association and the Lincoln County Men's Softball League will play games at the new Eagle Creek Sports Complex off Ski Run Road.

Eagle Creek has two softball fields, along with a Little League field. The Little League field is not ready yet, but it probably will not be needed until next season since this year's campaign is almost over.

"All they have to do is finish the lights tomorrow morning (Monday)," Ruidoso Parks and Recreation Department Director Bobby Bailey said Sunday about the softball fields. "Everything should be ready."

Women's league games will be played at 6:15 p.m. and 7:30 p.m. on both fields. The men will play at 8:45 p.m.

For the first month of the season, the men's teams will play games on Monday and Wednesday nights following the women's contests. They also will play Tuesdays, Thursdays and Fridays the entire season.

The women will play Monday and Wednesday nights every week.

The Flamingo Club (formerly the Flamingo Kids) are the defending champions in the women's league. They won both the regular-season title and the tournament crown last year.

They had a 22-0 regular-season record and were unbeaten in tournament action. They have won the regular-season title the past four years and the league tournament the past two seasons.

Finishing second in the league tournament were the Shady Ladies. The Fire took second (18-4) in regular-season action. The Shady Ladies and Lady Braves both finished with 17-5 regular-season records.

In men's competition, teams from the Ruidoso Men's Slo-Pitch Softball League and the Fort Stanton Men's Softball League have combined to form a county league.

The Pumas won the Ruidoso league tournament crown last season, defeating Aspen Pharmacy

in the title game. The Nads captured the regular-season championship with a 21-3 record.

NOTES-In a men's tournament last week at Fort Stanton, Aspen Pharmacy won the title. The Knights were second and Beavers Sand and Gravel took third.

Around Sports

with Gary Brown

I've about given up on returning to long-distance running competition.

For a while I was thinking about working out on a regular basis and possibly competing in some local distance races.

I even ran in a local race in May 1984. But that was over two years ago, and 50 yards is about the longest I've run since then.

Not that the desire to race doesn't exist anymore. I still like the idea of running.

But it's one thing to want to run on a regular basis, and another thing to actually perform the task.

Everytime I think seriously about running, I either lack the time or the courage to actually go out and do it.

I've been an armchair quarterback (or runner, as it would be) for several years, and that probably won't change.

I ran competitively in high school, but that was so long ago it seems like it was in another century.

I've gained too much weight and I eat too much junk food to get back into serious running.

I've got a piece of paper in my pocket telling about the sixth annual "Smokey the Bear Run," July 5, in Capitan.

The event will be sponsored by the Ruidoso Athletic Club. There will be both a 10-kilometer run and a two-mile run.

The competition should be fun for the people in it, but I think I'll end up taking pictures of it or writing about it rather than competing in it.

I'm afraid my will power to run is overmatched by my inability to put my will power into practice.

Charlots of Fire this Isn't.

Wet weather has postponed Ruidoso Little League games several times in the past two weeks. This photo taken Thursday night shows the puddles and overall wet condition of the field.

Heading for camp

These local football players posed for a picture Saturday before going to the Four Corners Football Camp in Durango, Colorado. In back (from left) are parent Ron Wells, Dusty Beavers, Shawn Mowdy, Brian Davis, Matt Evans, Jeff Willingham, Chuck Daniels and Gene

Mowdy. In front are Sean Seay and Paul Whipple. Seay and Whipple are from Capitan. The rest are from Ruidoso. Several local businesses donated money to send the players to camp.

Little League results

Rain continued to play havoc with the Ruidoso Little League baseball schedule, postponing major and minor division games Thursday and Friday.

Weather permitting, play will be resumed tonight (Monday), June 9.

Alto Village will take on McDonald's at 5 in a minor-division contest. In major-division action, Pioneer Western Construction will tangle with the Elks at 7.

Tuesday night (June 10), Don Victor's will take on the Noon Lions at 5 in a minor-division game and Sierra Blanca Motors will play Bank of Ruidoso at 7 in a major-division game.

Wednesday night (June 11), Cohera will meet the Padres in a minor-division game. There will be no major-division game that night.

Thursday night (June 12), McDonald's will play the Noon Lions at 5 and the Elks will take on

Pioneer Western Construction at 7. Friday night (June 13), the Padres will tangle with Don Victor's at 5, and Bank of Ruidoso will meet Sierra Blanca Motors at 7.

The major-division season is scheduled to end Friday, June 13, but postponed games probably will be played later.

Fishing report

Rio Ruidoso: The fishing is slow. Some rainbow and brown trout are being taken on worms and Panther Martin spinners.

Alto Lake: The fishing is good. Some good-sized trout are being taken on Velveeta cheese and fireballs.

Bonito Lake: The fishing is fair. Some trout are being taken on fireball-marshmallow combination and on Z-ray and KastMaster lures.

Warrior gym alive with action in volleyball camp

The Ruidoso High School gymnasium was alive with the sound of volleyballs Friday and Saturday. The Norm Brandl Volleyball Clinic was in process. More than 70 players from Ruidoso, Capitan and Cloudcroft learned the fundamentals in the two-day clinic.

Brandl, head volleyball coach at the University of Texas at El Paso, brought along several other coaches from El Paso plus an All-American player.

The camp was a good experience for local high school players, giving them help in fundamentals and team play.

Ruidoso High School will have some players participating in an Amateur Athletic Union (AAU) tournament at Roswell High School Saturday and Sunday, June 14-15.

There was plenty of action at the Norm Brandl Volleyball Clinic at the Warrior gymnasium Friday. In the top photo, Ruidoso High School's Lana McClure (left), Amanda Samuels and Stacy Mobley do some warm-up exercises. At right, Brandl (left) watches as the girls spike the ball.

Some exciting scrimmages also were at the Norm Brandl Volleyball Clinic. Girls from Ruidoso, Capitan and Cloudcroft participated in the clinic.

Chili cookbook contains recipes of rich and famous

by FRANKIE JARRELL
News Staff Writer

"The Chili Experience" really started when Ruidoso resident Bob Worley was a reporter in Dallas, Texas.

"I met so many celebrities, and didn't feel it would be professional to ask for autographs," said Worley. "So I asked them to send me their favorite recipes," he added with a small laugh.

And they did. That collection of celebrity recipes which Worley, now a wholesale jeweler and gemologist, started as a hobby eventually evolved into three cookbooks.

"The Chili Experience" is the third of those books, and includes chili recipes of politicians, athletes, actors and even cartoon characters. The volume doesn't include Worley's own chili recipe.

"I still compete," noted Worley, who says he'll keep his prize-winning chili formula to himself for now. He admitted that two of the more unusual ingredients in his concoction are cocoa and beer.

A member of the International Chili Society, Worley cooks up his spicy chili for the society's annual cookoff at the Tampico Mines in California. He also has cooked at

the famous Terlingua event. Besides competing in chili cookoffs, Worley said he has organized several as fundraisers for charitable organizations.

"The Chili Experience" is

available at Ruidoso Gems in The Attic shopping center on Mechem Drive, and is also available at Hastings bookstores.

Worley said Thursday he's already gathering recipes for a second edition that will be even larger than his first.

issued at the regular municipal election held in the Village on March 4, 1986. At such election, the registered electors of the Village voting on the question authorized the issuance of such Bonds in an amount not exceeding \$600,000 for the purpose of constructing and purchasing a system for supplying water for the Village.

INTEREST RATES AND LIMITATIONS

The following interest limitations are applicable:
(1) The maximum net effective interest rate permitted for such issue is twelve percent (12%) per annum, provided, however, that if the net effective interest rate on such issue is greater than ten percent (10%) per annum (based on the actual price to be paid by the Village for such issue, calculated to maturity according to standard tables of bond values), such rate must be approved in writing by the State Board of Finance, and the Village may not issue the Bonds before such approval.
(2) The maximum stated interest rate permitted is twelve percent (12%) per annum.
(3) Interest shall be payable July 1, 1987, and semi-annually thereafter on January 1 and July 1 in each year.
(4) No bid shall specify more than one interest rate for each maturity.
(5) Each interest rate must be stated in a multiple of one eighth (1/8) or one twentieth (1/20th) of one percent (1%) per annum.
(6) Subject to the foregoing limitations, it is permissible to bid different or split rates of interest.

In General, in the opinion of Sherman and Howard, Bond Counsel, interest on the Bonds is exempt from income taxation by the United States of America under present Federal laws.
Pending Legislation. On December 31, 1985, the United States House of Representatives passed H.R. 8838, the Tax Reform Act of 1985 (the "Bill"). The Bill is now pending in the Senate. If the Bill is enacted in its present form, interest on the Bonds will be exempt from federal income taxation (other than the insurance company minimum tax mentioned below) only if several additional requirements imposed by the Bill which apply to obligations issued after December 31, 1985 (including the Bonds) are satisfied, some of which are required to be satisfied on a continuing basis.

On December 17, 1985, the United States House of Representatives also passed H. Res. 335 expressing the sense of the House "that the chairman and ranking member of the House Committee on Ways and Means are hereby instructed, in conjunction with the Secretary of the Treasury and the chairman and the ranking member of the Senate Committee on Finance, to make public not later than December 31, 1985, an agreed upon statement which would have the effect of postponing the effective date until January 1, 1987, of those selected items of tax reform the delay of which would reduce the adverse economic effects which might otherwise be caused by the uncertainty as to the date of final enactment while still recognizing the need for some retroactive dates for certain expiring provisions." On March 14, 1986, the chairman and ranking members of the Committee on Ways and Means of the House of Representatives and the Secretary of the Treasury released a Joint Statement On The Effective Dates of Pending Tax Reform Legislation (the "Joint Statement"). The Joint Statement endorses a postponement until September 1, 1986 (or the date of enactment of tax reform legislation, if earlier) of most of the above mentioned requirements of the Bill which would apply to the Bonds. The Village will covenant in the bond ordinance which will be adopted after the board sale to use the proceeds of the Bonds in such a manner as to comply with only existing law those

requirements of the Bill whose effective dates are not proposed to be postponed in the Joint Statement. In the opinion of Bond Counsel, interest on the Bonds will be exempt from federal income taxation (except the below mentioned insurance company minimum tax) if the Bill is enacted into law after the delivery date of the Bonds with the effective dates proposed in the Joint Statement but otherwise in its present form.

The Bill imposes a minimum tax on the adjusted net gain from operations of certain insurance companies (generally, all insurance companies except life insurance companies) for taxable years beginning after December 31, 1987. Interest on the Bonds will be included in adjusted net gain from operations for the purpose of this minimum tax if the Bill is enacted in its present form. The Joint Statement does not propose to change the application of this minimum tax.

The Bill contains numerous other changes to present law which may affect an investor's decision to purchase the Bonds. Various other proposals for tax reform are being considered by the Senate including a proposal which would subject interest on tax exempt bonds to a minimum tax. The Senate Finance Committee in May of 1985, voted to approve a Tax Reform Proposal (the "Senate Finance Committee Proposal") which is not available as of this date. Summaries of the Senate Finance Committee Proposal indicate that tax exempt interest (including interest on the Bonds) will be included in pre-tax book income of corporations for the purpose of a corporate alternative minimum tax (effective for taxable years beginning after December 31, 1989) which includes as a preference item 50% of the excess of the corporation's pre-tax book income over its alternative minimum taxable income (determined without regard to this preference item and prior to reduction by net operating losses). Prospective investors should consult their own tax advisors with respect to the status of the Bill, other options for tax reform currently being considered and the impact of the Bill and options on their investment decision.

The Bill and options to it considered in the Senate are subject to change, and, if the Bill becomes law, it may contain requirements which differ from those contained in the Bill in its present form and effective dates which differ from those endorsed in the Joint Statement. There can be no assurance that the Village will or will be able to comply with those provisions of the Bill in its present form and effective dates. Prospective investors should consult their own tax advisors with respect to the status of the Bill and options for tax reform currently being considered and the impact of the Bill and options on their investment decision.

BIDS
Bidders are required to submit a bid specifying (a) the lowest stated rate or rates of interest and premium, if any, at which such bidder will purchase such Bonds; (b) the amount of cash or other property, each bidder is requested to specify (b) the total net interest cost to the Village in dollars and cents and (c) the stated effective interest rate in a stated percent. Proposals should be enclosed in a sealed envelope endorsed "Bid for General Obligation Water Bonds of the Village of Captain, New Mexico," addressed to the Village Clerk, City Hall, Highway 380, Captain, New Mexico 88316. Only un-conditional bids will be considered. Bids must be submitted on the Official Bid Form which may be obtained from either Ms. Virginia Spall, the Village Clerk or the Village's financial advisor (see "INFORMATION" below).
BASIS OF AWARDS
Said Bonds will be awarded to the best bidder considering the stated interest rate or rates specified and the premium offered, if any, and subject to the right of the Board to reject any and all bids and readvertise. The best bid will be determined by deducting the amount of the premium

cond edition that will be even larger than his first.

Among items he'll include in volume two is a letter from the wife of General Chuck Yeager, himself a chili buff who sometimes judges cookoffs. His wife, Glennis, wrote to Worley that Yeager "can't even boil water."

A former Marine, Worley said he has a recipe used by the Commandant of the U.S. Marines.

Chili lovers can also look forward to a rattlesnake chili recipe in the upcoming volume.

"It even tells how to skin a rattlesnake," remarked Worley.

Even though Worley calls Ruidoso home, he spends much of his time on the road selling jewelry, cooking chili and distributing his cookbooks. He also is a prize-winning photographer, a pilot, a gun collector and hunter.

In his spare time Worley is researching and writing a historical novel based on his family from the time of the Battle of Shiloh until 1923.

"I have a very peculiar family," said Worley, who stumbled upon the idea for a book while doing genealogical research.

Worley said that project may continue until he retires—if he retires.

"I have too much fun running around," said Worley.

GOOD FAITH DEPOSIT
All bids shall be sealed and, except the bid of the State of New Mexico if one is received, shall be accompanied by a good faith deposit of not less than \$12,000, either in cash or by cashier's or treasurer's check, or by certified check drawn on a solvent bank or trust company in the United States and payable to the order of the Village. Such good faith check shall be returned if the bid is not accepted. If the successful bidder shall fail or neglect to complete the purchase of said Bonds within thirty days following the acceptance of the bid, or within ten days after the Bonds are offered for delivery, whichever is later, the amount of the deposit shall be forfeited to the Village as liquidated damages and in that event, the Board may accept the bid of the one making the next best bid. If all bids are rejected, the Board shall readvertise said Bonds for sale in the same manner as herein provided for the original advertisement. If there be two or more equal bids and such bids are the best bids received and for not less than par and accrued interest, the Board shall determine which bid shall be accepted.

TIME OF AWARDS AND DELIVERY
The Board will take action awarding the Bonds or rejecting all bids not later than twenty-four hours after the expiration of the time herein prescribed for the receipt of the bids. Delivery of the Bonds will be made to the successful bidder at a commercial bank or trust company in Albuquerque, New Mexico, without charge to the successful bidder, or elsewhere at the request and at the expense of the successful bidder, within sixty days of the acceptance of the bid. Payment of the balance of the purchase price due for such Bonds must be made in Federal Reserve Funds or in other immediately available funds acceptable to the Village and to the bank or trust company designated as the place of delivery for immediate and unconditional credit to the account of the Village. If for any reason delivery cannot be made within sixty days, the successful bidder shall have the right to purchase the Bonds during the succeeding thirty days upon the same terms or at the request of the successful bidder during the thirty days, the good faith deposit will be returned and such bidder shall be relieved of any further obligation.

INFORMATION
Information concerning the Bonds, the Village and the Official Bid Form may be obtained from either Ms. Virginia Spall, Village Clerk, City Hall, Highway 380, Captain, New Mexico 88316 (Telephone: (505) 354-2247) or the Village's financial advisor, Stern Brothers & Co., P.O. TRANSCRIPT, PRINTED BONDS AND LEGAL OPINION

The validity and enforceability of the Bonds will be approved by Sherman and Howard, Attorneys at Law, 2300 First Interstate Tower North, 633 Seventeenth Street, Denver, Colorado, 80202, whose unqualified opinion approving the legality of the Bonds will be furnished to the successful bidder at no cost to the successful bidder. Bond Counsel's unqualified, final approving opinion will recite in conventional form that such firm has examined the Constitution and laws of the State of New Mexico, a certified transcript of the proceedings of the Board and other documents relevant to these issues of such Bonds, describing them in some detail, and that such firm has examined the form of the Bonds and has found the same to be in due legal form.

The last paragraphs of such opinion shall be substantially as follows:

"Based upon such examination and in reliance on the covenants and representations contained in such proceedings and other documents, it is our opinion as Bond Counsel that:

"1. Such proceedings show lawful authority for the issuance of Bonds under the laws of the State of New Mexico now in force;
"2. Said issue of Bonds in the amount aforesaid is valid and legally binding upon the Village, and all of the taxable property in the Village is subject to the levy of a tax to pay the same without limitation of rate or amount;
"3. Interest on the Bonds is exempt from taxation by the United States of America under present Federal laws;
"4. The obligations of the Village are subject to the reasonable exercise in the future by the State of New Mexico and its governmental bodies of the police power inherent in the sovereignty of the State and to the exercise by the United States of the powers delegated to it by the Federal Constitution.

"5. If H.R. 8838, 99th Congress, 1st Session passed by the House of Representatives on December 17, 1985 (the "Bill"), were enacted into law with the effective dates endorsed in the Joint Statement by the chairman and ranking members of the House Committee on Ways and Means and Senate Committee on Finance and Secretary of the Treasury on the Effective Dates of Pending Tax Reform Legislation (released on March 14, 1986), and otherwise in its present form, interest on the Bonds would be exempt from federal income taxation under the provisions thereof, except that for taxable years beginning after 1987, the Bill would require the inclusion of such interest in adjusted net gain from operations of certain insurance companies under Section 1023 of the Bill.
"As Bond Counsel, we are passing upon only those matters set forth in this opinion and are not passing upon the accuracy or completeness of any statements made in connection with any sale of the Bonds."
The successful bidder (without cost to such bidder) will also be furnished with the printed Bonds and a complete transcript of the legal proceedings, including a certificate stating that there is no litigation pending affecting the validity of the Bonds as of the date of their delivery, and other closing documents. A certified true copy of the approving opinion of Bond Counsel for the issue will be printed on each bond at the Village's expense.

DATED at Captain, New Mexico, this 12th day of May, 1986.

Fair Board to handle fairgrounds for commission

The Lincoln County Fair Association Wednesday accepted the ordinance creating the Lincoln County Fair Board, joining the fair grounds and buildings to county government.

County attorney Steve Sanders and board members Ralph Dunlap, Root Gibson, Denise Byrd, Harvey Proctor, Inez Marrs, Scott Shafer, Pete Matkowski and George Lightfoot reviewed copies of the ordinance and discussed each paragraph.

Under the new ordinance there will be a board consisting of 15 members and 15 associate members, associates will not have voting privileges. One member of

the board will be a county commissioner.

The board will have jurisdiction, control, superintendence and charge of the fairgrounds and shall direct all improvements, operations and activities conducted there.

A lease agreement between the Fair Board and Lincoln County for 99 years was agreed on, it will go into effect at the same time as the ordinance.

It now goes to the Lincoln County Commissioners for approval.

Plans were finalized for the Smokey Bear Stampede. Livestock for the rodeos will be provided by Charlie Thompson of Lubbock,

Texas. Three rodeo performances are scheduled: at 2 p.m. and 8 p.m. Friday, July 4, and at 8 p.m. Saturday, July 5. Music for the dances Friday and Saturday will be by the KHAY Band. Corriente CowBelles agreed to furnish the barbecue July 4.

In other business, the board:

- Appointed Cal Cowden as a board member.

Votes, roads and \$ occupy county commissioners

Lincoln County Commissioners heard road requests, reviewed the final budget and canvassed the votes from the primary election at their meeting Friday.

The Water Canyon Road review committee made their report in writing to commissioners Bill Elliott, Ken Nosker and A.W. "Gnat" Gnatkowski. The committee asked to have county attorney Steve Sanders research the 1973 closure of the road to insure the legalities of the closing.

"All processes were followed, there was no appeal filed within 30 days after the court action to close the road (in 1973)," Sanders explained. "Once a civil judgment is made it is legal. After two years there is no way to reopen a civil case. Only criminal cases can be reopened, not civil and this is a civil case."

Commissioners agreed to recall the road review committee to return to the Water Canyon Road to estimate what it would take to reopen the road. To determine what detriments and benefits it would be to the Stephenson Ranch, the review committee will be directed to follow the exact road under review, with permission from the Stephenson Ranch.

Petitioner Glenn Ellison told commissioners the appointed review committee members "were very decent to us, I have no complaints about this committee."

Al Junge requested road guards be placed on Gavilan Canyon Road and presented a petition signed by 300 people.

"We are aware of the need for these guard rails and have asked the state for matching funds to accomplish this, it is of the greatest importance to this commission to get this accomplished," Elliott stated.

County manager Suzanne Cox began the final budget review with a budget message.

"Lincoln County is more for-

fortunate than some of the other entities because federal funds have not become a part of our operating expenses. We have used the federal funds such as revenue sharing to fund various service groups. This year, we will lose an estimated \$100,000 in Revenue Sharing Funds. These groups will be funded from the general fund this fiscal year," she said.

An increase in expenditures of \$225,893 is mainly due to insurance increases and funding of the service groups formerly funded under revenue sharing.

Estimated revenues are not based on the most current valuation for taxes, so if there is a shortfall in any area of the general fund revenues, the additional taxes from the current valuation will make up for the shortfall.

Salary increases for elected officials will be 15 percent and employees \$600 per year.

Commissioners agreed to discontinue association with the New Mexico Association of Counties. They did not believe Lincoln County had benefited in any way from this association and agreed the \$6,467 dues could be better used elsewhere. A separate fund will be set up to cover expenses of seminars for county officials.

Official voting records were canvassed and the commissioners accepted the official report, from county clerk Fran Siddens.

In other business, the commissioners:

- approved warrant and payroll registers.

—Tabled a request by Assistant District Attorney Harry Wilcox for a wall partition and additional space. Wilcox was told the Agricultural Stabilization and Conservation Service (ASCS) were vacating their offices and commissioners were considering moving the District Attorney's Office there.

"It is a much larger office and if we allow a wall partition in your pre-

sent office it will take away much needed space from the county assessors office," Elliott said.

—Accepted termination of lease with ASCS.

—Denied road request from Mike Gaines.

—Agreed to sell three lots in Carrizozo, following an on-site review of the lots. Lots will be sold by sealed bid.

—Approved the agreement with Care, Incorporated.

—Approved an agreement with the Humane Society of Lincoln County. In the agreement, the Humane Society promises to provide the following services to the county:

A. Properly trained executive level I director.

B. A clean, well-kept, easy-access shelter, meeting the set standards of the American Humane Society.

C. Veterinary guidance and care for sheltered animals.

D. Spaying and neutering for the sheltered animals.

E. Educational programs for the public and schools.

F. A place at which the public can adopt pets.

—Agreed to a special meeting for a public hearing on the Public Utility Ordinance. The date will be decided on later.

—Approved the replat of lots 3, 4 and 5, Block 3, North Ridge Subdivision.

—Approved a settlement agreement with the New Mexico Highway Department. Nosker requested a letter be sent thanking them for their cooperation.

—Approved publication of proposed Lincoln County Fair Ordinance. Fair Board President Ralph Dunlap thanked Sanders for his time and "excellent" help in preparation of the ordinance.

—White Mountain Search and Rescue was praised by commissioners for their "tremendous" efforts and granted a request for \$2,200 for equipment repairs.

Cowbelles push beef for Father's Day

Corriente CowBelles of Capitan will be sponsoring a "Beef for Father's Day" promotion in conjunction with the National Cattle Womens Association.

With each passing year, the "Beef for Father's Day" promotion grows in importance, according to organizers. Last year U.S. Secretary of Agriculture John Block called Father's Day "a traditional day on which to recognize the beef industry for its contributions to our way of life." Block also en-

couraged the people of the United States to observe this day with appropriate activities.

"Beef is the perfect food for Father's Day," said Cindy Tibbit of the Corriente CowBelles. "When families want to serve Dad the best, they serve him beef."

Tibbit reported today's beef is lower in calories, lower in cholesterol and lower in fat than ever before. She cited a recent study by the U.S. Department of Agriculture confirming the new leanness of beef, as well as its high density of nutrients.

The American National Cattle Women first started promoting beef for Father's Day in 1953. Before, during and after the holiday, CowBelle organizations across the country will conduct a variety of activities to help promote beef on this special day.

Corriente CowBelles will also be

involved in "Beef for Father's Day." The activities include Beef Trivia Questions on KREE radio station of Ruidoso June 9 through 15. Fire in the village

A fire started at a house on the corner of Shadow Lane and Grindstone Canyon Road last Saturday when a bookshelf located near a water heater burst into flames according to Ruidoso firefighters at the scene. The fire caused quite a bit of damage to the upstairs por-

tion and roof of the house. The occupants seemed to be gone for the weekend according to police officials. Quick action by neighbors prevented more structural damage according to witnesses at the scene.

Schools see improved test scores

When Ruidoso Municipal Schools (RMS) administrative officials decided to make sweeping curriculum changes in the district about five years ago, scores on the California Test of Basic Skills (CTBS) began to rise, according to White Mountain Elementary school principal Karen Tillman.

The CTBS tests student academic development in the areas of reading, language, math and basic learning skills. Examples of curriculum changes initiated by RMS officials include a new spelling program at the elementary level, the expansion of language arts programming from one to two periods at the middle

school level and a greater emphasis on participation in the science fair as well as math and science bowls, according to Tillman.

Tillman said there was general agreement among RMS staff-members a recently instituted stricter attendance policy was partially responsible for improved CTBS scores.

Complete support for curriculum reforms from parent to teacher to school board member also helped establish RMS priorities, Tillman said.

Tillman said teachers and administrators worked after school hours to prepare a new curriculum when it became obvious RMS

students were slipping in some academic areas about five years ago.

Tracking student performance by school year will demonstrate student gains made on the CTBS over the last five years, Tillman said.

For instance, in the 1981-82 school year, RMS fifth-graders scored at the 44th percentile on the overall language skills test.

Forty-nine was the average percentile for fifth-grade students who took the test in the state of New Mexico in 1981-82.

The national norm for any of the skills tests on the CTBS falls at the 50th percentile.

This school year, the average percentile for all RMS fifth-grade students who took the CTBS was 67.

The state average for fifth-graders taking the language portion of the CTBS last school year (the most recent figures available) fell at the 58th percentile.

Tillman said she was very pleased the CTBS tests results seemed to reflect the effectiveness of the RMS curriculum and attendance policy changes.

(Editor's note: See RMS prepared graphs for a complete analysis of third-, fifth- and eighth-grade CTBS progress by students in the RMS district over the past five years).

Fantasy Mountain reopens for funseekers

by SHARI LEWIS
News Staff Writer

After a troubled season last year, new operators have scheduled to open Fantasy Mountain Amusement Park, on Highway 70, Friday.

The amusement park offers a variety of rides, games and concession stands for the young and old alike.

"I think the community needs this attraction. It is important for the community here in Ruidoso," said Smokey Stover, volunteer promoter of the project.

"To make a project work, it needs lots of promotion. I have been in the promotion business for some time and enjoy doing this as a service to the community," he said.

Jimmy Hoggard, the new operator, and business manager May Porter think their combination of new rides and attractions will help make the amusement park a success.

Hoggard is leasing the property from its current owners. He is building on to already existing rides and attractions at the park.

"The problem with last year was they had quite a few rides for the

smaller children, but not much for the teen-agers and young adults. Jimmy is bringing in new rides to try to make up for this," Stover said.

A few of the new rides include a Ferris wheel, merry-go-round and parachute jump.

Possible upcoming attractions include a concrete dance area where the park plans to schedule dances and entertainment of all kinds. It plans to have square dancing and country-western dance instruction. A petting zoo also is planned.

The park will provide business and employment opportunities. Concession stands are available for any area business that wants to rent one. The park also plans to hire from 20 to 60 employees for full- and part-time employment.

"Many are teen-agers from last year, but we do want to particularly emphasize that we will be hiring senior citizens as well," Stover said. Anyone interested in a concession stand or employment should contact Porter at 378-8007 or stop by the park.

Stover said the park will be available to organizations and private parties wanting to reserve

part or all of the park for almost any occasion.

"We will make the arrangements and provide the entertainment," Stover said.

The park also plans to make its large parking area available to organizations for chili cook-offs, barbecues or other activities.

People attending the races at Ruidoso Downs may drop their children off at the park or the children can ride the Jolly Trolley which makes regular stops at both the track and the amusement park. The park will have facilities available for hosts or hostesses to accompany small groups of young children for part or all of the day.

Featured rides at the park include the Mountain View, a ride with gondolas elevating people 175 feet into the air for a panoramic view of the mountains and track; the Lost Miners Car, a monorail that circles around two acres of the park; and the new parachute jump.

Park hours are from 9 a.m. "until the people get tired," Stover said. The park is open seven days a week during the summer and will stay open through October on the weekends, weather permitting.

Summer Festival starts June 28

Musical events that vary from bluegrass to Cajun to Mendelssohn will be presented this summer by Ruidoso Summer Festival, Inc.

The "adventures in music" will begin with a performance of the New Mexico Symphony Orchestra at 8 p.m. Saturday, June 28, at the Inn of the Mountain Gods. The classical concert will be the most formal of this summer's festival events.

A "light and lively" concert of pops music, featuring the New Mexico Symphony Orchestra, is set for 2:30 p.m. Sunday, June 29, at the Inn. Festival planners encourage families to bring children to the Sunday musical.

Theater seating tickets are available now at Services Unlimited, the Ruidoso Valley Chamber of Commerce, Pioneer Savings & Trust, Ruidoso State Bank and The Bank of Ruidoso. They may be ordered by calling 257-7929. Telephone reservations must be accompanied by a VISA or MasterCard number.

Reserved table seating tickets for the June 28 and June 29 performances will be available at Services Unlimited beginning June 16.

Tickets for the classical program on Saturday evening are \$7.50 for theater seating (not reserved) and \$15 and \$25 for reserved table seating.

Tickets for the Sunday afternoon performance are \$5 for theater seating and \$15 for table seating (not reserved).

The festival will continue at 8 p.m. Saturday, July 12, when the

Santa Fe Chamber Music Festival will present the Mendelssohn String Quartet in concert at the Ruidoso Downs Race Track Sale Pavilion.

The young foursome, winner of the Young Concert Artists' International Auditions in 1981, has been Quartet-in-Residence at the Santa Fe Music Festival since 1984.

Bill Monroe, the "Father of Bluegrass," will offer a change of pace with a concert at 8 p.m. Monday, July 21, at the Ruidoso Downs Race Track Sale Pavilion.

The 75-year-old Monroe and his five-piece musical group promise

an unforgettable evening of "country-style" entertainment.

The festival will provide a shuttle from the Inn to the Sale Pavilion for the Monroe concert, and reservations will be expected.

"The Ragin' Cajun," Doug Kershaw, will provide yet another change of pace for the summer's musical calendar. He'll bring his lively musical show to the Sale Pavilion at 7:30 p.m. and again at 9:30 p.m. Saturday, August 2.

"This is the time to let yourself go, participate and have a good time," advised Carl T. Anderson,

president of Ruidoso Summer Festival, Inc., in a letter to festival patrons.

Anderson, optimistic of the summer's success after the reception of The Hadden's March 16 piano concert, invites area residents to support the festival's summer offerings.

Tickets for the Mendelssohn String Quartet, Bill Monroe and Doug Kershaw are priced at \$10. Seating will be open theater-style.

For further information, or to order tickets by telephone, call 257-7929.

Opinion

Editorial

The people of Lincoln County have exercised their constitutional right in demanding a grand jury, but the judge whose duty it is to call that grand jury has failed to follow the wishes of the people.

A petition signed by the requisite number of citizens in the county requesting a grand jury investigation of the murders of Thomas "Cotton" and Judy McKnight was presented to District Court Judge Richard Parsons early last week.

Instead of calling the grand jury, Parsons wrote the Attorney General's Office, stating his belief that he has no power to appoint a special prosecutor. Parsons said he wouldn't call the grand jury without assurance that the AG will present the case. He said he'll call the grand jury only when informed that someone will present the case with "legal evidence."

But Parsons does have the power to request action by the attorney general. According to the New Mexico Statutes, Section 31-6-7, "the attorney general, when requested by the district court, shall assist the grand jury."

And Parsons has no choice in calling the grand jury. The language of Article II, Section 14 of the New Mexico Constitution is very plain. He shall call the grand jury.

So what's the holdup?

We believe Parsons has two options. Either he changes his mind and calls the grand jury of his own volition, or he faces the embarrassment of having the citizens of Lincoln County obtain a writ of mandamus from the Supreme Court forcing him to call the grand jury.

Either way, the citizen's constitutional right must be upheld, and a grand jury must be called.—DJP

Letters to the editor

DEAR EDITOR:

I feel a miscarriage of justice has been done the Village of Ruidoso Downs. I am one of many residents that feels we have been deprived of our voting rights and a fine mayor. First off, over the past few years, I've read numerous articles in the paper and have heard many of the goings-on in the Downs City Council—which has consisted of what I would call political pettiness on the part of Jake Harris against ex-mayor Day and anyone else who got in his way.

Personally, I've been proud to have not been involved, but I can no longer keep my thoughts to myself. I also admit to not knowing much about our legal system, but when 14 votes are thrown out because of one discrepancy or another, after having been accepted for two months, they might as well have thrown all 107 votes out that were registered for Bones Wright.

If all those people had known their votes were not going to count for anything, they might have voted for Jackie Branum—in which case, Mr. Harris would now have to be figuring out some way to fight her for the position of mayor.

It looks to me like the 107 voters who voted for Mr. Wright just wasted their time going to the polls—where their votes were accepted by the judges—only to be thrown in file 13 two months later. The intent of the majority of Ruidoso Downs residents is now in the trash can!

I've lost some respect this week for our judicial system and am hesitant about voting this Tuesday, for fear my vote may be deleted for some bizzare reason. One thing I do feel the need to say is that I think the judges chosen for election day should have some knowledge of the law and not be allowed to hum-hum around and be changing their minds from day to day as to what is right and what is wrong. It is very hard to understand how the wishes of the people, and their freedom of choice, can be ignored and just thrown away; just because they wrote a man's nickname or wrote in the wrong slot! Their intent was evident—they wanted Carlton L. "Bones" Wright as their mayor—and this obvious intent was ignored.

Besides being robbed of the right to vote for whom we choose to have in office, we have also been robbed of a better community in which to live and raise our children. Mr. Wright did not ask for this office, and he did not campaign for it—but he was proud to accept the position and would have been an honest and caring mayor. I'm sure that if he had campaigned the 14 piddly votes would not have mattered in the slightest!

Bones Wright may have lost the mayor's seat, but he has definitely not lost the respect of the majority of this community because he is still the upstanding, law-abiding man we all know him to be.

In closing, all I have to say is this: I'm sorry for our town if something doesn't happen in the next few days to keep Mr. Wright in the mayoral seat.

Sincerely,
SANDRA G. PERRY

DEAR EDITOR:

Recently when the Ruidoso Valley Greeters held a conference for Community Ambassadors from other parts of our state, many in our Village helped to make it a success. Our merchants and restaurant owners offered discounts or gifts and surprises to make those attending glad to be in Ruidoso. Lloyd Davis, Jr. and Rick Henson certainly extended their hand of welcome; and my, how the people did enjoy the hospitality of Cree Meadows Country Club and of the racetrack! A great big Thanks to all of you!

On Friday, May 30, an All American Horseman's Hospitality Party was given to say, "Welcome back—we're glad you've returned to Ruidoso." Again, many helped to make this party a success. Wonderful Hors d'oeuvres were donated by The All American Deli, Arby's, The Bull Ring, Casa Blanca, The Cochera, Cree Meadows Country Club (who also furnished live entertainment), and The Inn Credible. Again, a great big Thanks to all of you.

These two instances are further examples of the way our community is pulling together to make visitors glad to be here. When such community spirit is evident, the Greeters quite happily can focus attention on Ruidoso and say "We're proud of our Village!"

Sincerely,
The Ruidoso Valley Greeters
of the Ruidoso Valley
Chamber of Commerce
MILDRED H. CROCKER
Vice-Chairman

DEAR EDITOR:

I am not a resident of the Village of Ruidoso Downs, but I would like to express my opinion and raise a few questions in the matter of the contested mayor's race. If I were one of the voters whose ballot was thrown out because I had written a man's nickname instead of his legal name, I would seriously question the "freedom of choice" that we are supposed to have. Their intent was obvious. So why did these people even bother to vote if their votes are just thrown out? What is the purpose of offering the write-in option to common people if only a Philadelphia Lawyer could take advantage of it?

It makes a person wonder what this position has to offer to make it so desirable that a man cannot accept defeat. Is it the high pay and prestige, or the headaches and constant phone calls and complaints?

The only sensible solution to this problem would be to have a run-off election between Mr. Harris and Mr. Wright—and let the citizens of Ruidoso Downs choose their mayor—but I am sure there are numerous "laws" that would make a run-off almost impossible. So, instead of the mayor being chosen by the people, he was chosen by a judge—who doesn't even reside in Ruidoso Downs, and therefore will not be affected by his decision—unless he runs for re-election. Hopefully, at that time, the majority of the citizens of Ruidoso Downs will remember that the chose to override their decision.

ANNELE JONES

DEAR EDITOR:

I would like to express my most sincere appreciation to the families in Ruidoso who have hosted the foreign exchange students involved in the Rotary Club Foreign Exchange Program this year.

First of all, to the Pete VanWinkle family who hosted Chisa Katoh from Japan, and then hosted Anita Gerans from South Africa, and to Kim VanWinkle who treated both of these girls like they were sisters—our thanks. Another most grateful thanks to the VanWinkles for donating a half a beef to be raffled on the 28th of June to raise money for the foreign student.

The Mel O'Reilly family also hosted Chisa Katoh. Mel and Monica did a great job with Chisa. The three O'Reilly boys, who are fantastic kids, made Chisa feel a part of the family, always allowing Chisa to participate in their activities. Our sincere appreciation to all of them.

Recently Chisa and Anita have moved to new host families. Anita has moved into the Lee Griffin home. Chisa has moved into the Larry Corbin home. I know that the girls will feel at home in these two families. It is great that all of these people are willing to give of themselves for such a worthwhile program.

In the latter part of August, the Rotary Club will get a boy from Belgium. He will be here for a year and attend our high school. If there are any people in Ruidoso who would like to host this boy for 3 or 4 months of his stay, you can contact John Howden at 257-2975 after 6:00 P.M. or Earl Randell at 258-3075 after 6:00 P.M.

Once more thanks to Tom Hansen and the teachers at our high school who try to understand and teach these foreign students. Sometimes it is a little trying for the teachers, but they came through like the champions they are.

Rotary Youth Exchange Officer
JOHN HOWDEN

DEAR EDITOR:

The other night while dining out with my young daughter, another with my girl, two or three years old, at another table, knocked over her drink. Before you could snap your fingers her mother had administered four good slaps to the girl's leg. Needless to say this brought on a good deal of crying and anguish on the part of the little girl. Now, how many of you out there with children see anything wrong with this scene? I would like to think that this was the first time that the little girl got a spanking and that the mother, seeing that it was an accident and that the physical discipline will not prevent that in the future, became rational and decided to use her arms and hands in loving ways instead of inflicting pain on her daughter.

Small children, and we were all small at one time (remember), have a customary habit of screwing up at various times. Can we not, as grown ups (used loosely) see that there are alternatives to handling these situations. A child usually has two ears and eyes and a mouth that can be used for communication. Do parents think children cannot reason or communicate with grown ups?

If a child has been shown genuine love, he or she will try to please the loving parent and visa versa. When sufficient love or reason are not present then physical discipline or abuse take over and nothing but fear and loathing is perpetuated, sometimes on into future generations.

My point to this letter is that it is time for parents to use their maturity, reason, and rationality to help their children into this often confusing world.

Inside the Capitol by Fred McCaffrey

SANTA FE—It was the evening before the state's 1986 primary election. A well-known and deeply respected New Mexican was on the phone. Because he is also one of the group who worry seriously about the condition our state is in, he had one direct question to ask: "Well, McCaffrey, can we put it all back together again?"

The "it" is the government of the state of New Mexico, and merely to pose the question is to imply certain things. One is, clearly, that "it" isn't together, that our government has been sundered or burst apart in some fashion, that it is badly wounded and that its unity has been at least temporarily destroyed.

That's tough language, expressing tough thoughts, but they are what some of us are thinking. We are not knowingly exaggerating when we speak among ourselves in such terms.

As we conversed that night before the primary, not knowing whom either party would choose the next day as its candidate for governor, the post from which most of the putting-back-together must be directed, we agreed that the job is possible. We also agreed that it is likely to be backbreakingly difficult.

We weren't talking about short-term action, please understand, like how either of the candidates should proceed to get himself and others elected. We were discussing only what this gentleman, his identity still unknown to us at the time, should be like, and what he should be and do if he is to lead the state to the long-term solutions it needs.

Such a person, it seems to us, should be on the job today. Even this soon after the closing of the primary, and this long before the November election, he should be at work on a master plan. That's more important than any amount of handshaking and babykissing of the kind candidates normally do. These aren't normal times for us, and we can't afford to act as if they were.

there is no room of the kind of gobble-degook and newspeak those who are running for office so often give us.

That plan then has to be spelled out to the citizens in terms we can comprehend. We need and deserve, as never before, to be given concrete information on what one who wants to govern us plans to do after he has taken office. We also need time to consider, and even debate among ourselves, the proposals he puts before us.

What's more, the planner must in this instance be committed to his plan and courageous enough to put it into play if he is elected.

After January 1 of 1986, there won't be time for hesitation or stutters or fits and starts. Our new governor must literally hit the ground running and never stop.

To "put it all back together" is going to take something that will be that difficult to produce. As our next governor, we need someone who is a teacher (able to communicate with us and make the complicated comprehensible), a salesman (able to draw legislators and other government officials, each of whom has his own, perhaps conflicting, agenda, into the system so all will move in the same direction) and a leader (able to marshal us all to support the painful things that are going to have to be done).

What we need to do now is be sure we get such a one.

For your edification, here is the exact wording of our law that makes two people reluctant to go along with some of that fast and loose playing with state funds those at the top in government wanted:

"If the secretary of finance and administration shall draw any warrant on the treasurer of the state, or if the treasurer of the state shall pay any warrant when there is no money in the particular fund for which the warrant is drawn, he shall be liable to a fine of not less than one thousand dollars (\$1,000) and imprisonment for not less than one year."

That seems crisp and clear, and it's why the Attorney General was asked to deliver an opinion today that may keep the individuals currently occupying the position designated in law out of the pokey.

Juniper Scale
The needles turn yellow as a result of sucking by tiny circular scales which are at first snow white, then turn gray or black, the pest winters in the female adult stage.

Twig growth may be checked and the entire tree weakened by heavy infestation of Rocky Mountain Aphid, a reddish brown insect 1/8 inch long.
