Train catches fire when fuel tanks rupture near 'Zozo

The engines of a Southern Pacific freight train were engulfed in flames about 1:55 p.m. Tuesday when their diesel fuel tanks were ruptured in Lincoln County.

Sergeant Richard Newman with the New Mexico State Police said the diesel spill also caused a grass fire at the site about 10 miles north of Carrizozo.

"The train was traveling north when an undetermined object on the tracks caused the fuel tanks to rupture on the four engines," Newman said.

The fire was put out quickly by the Carrizozo Fire Department. No one was injured, although some people were inside at least one of the engines, he said.

"There are people there with Southern Pacific, including an environmental improvement division officer, assessing the situation now, trying to determine how much fuel was lost and what needs to be done to ensure the area is restored," Newman said.

Two state police officers responded to the incident, which occurred at a point where the tracks stop paralleling U.S. Highway 54 and move east. Traffic was not interrupted, he said.

The dollar amount of damage and the number of cars being pulled by the engineers had not been determined.

New pick-up time for garbage carts

The construction debris landfill in Capitan and the Lincoln County Solid Waste Authority recycling center in Ruidoso Downs will be closed Saturday and Sunday, April 6-7, for Easter weekend.

Starting Tuesday, April 9, all polycarts in Ruidoso Downs should be set out at curbside by 6 a.m. and will be emptied each week on Tuesday.

Carts also should be out by 6 a.m. on Wednesday in Carrizozo and on Thursday in Capitan.

Voters approve bond issue, mill levy for Carrizozo schools

by DIANNE STALLINGS
Ruidoso News Staff Writer

Carrizozo school officials were jubilant after learning more than 70% of the voters who turned out Tuesday approved a \$450,000 bond issue and the continuation of a special mill levy for the school district.

"This is a great victory for our children," said school district Superintendent Paula Papponi, who heads the district of 221 students. "I want to give a great big thank you to the people of Carrizozo."

Only 26% of the 929 registered voters in the district showed up for the election. But 174, or 72%, voted for the bond issue; 68 against it.

Eight fewer residents cast their vote on the mill-levy question, but it passed by a slightly higher margin with 78% (183) voting to continue a two-mill property tax levy for the district, and 51 voting against it.

"Eight absentee ballots had not been counted when I got these figures, but they couldn't affect the outcome," Papponi said about 7:45 p.m. Tuesday.

One mill is equal to \$1 for each \$1,000 of net taxable property value. The new bonds are expected to increase the tax levy in the district by \$2.37 for each \$1,000 of the 1996 taxable value of a property.

The effect of both the bond issue and two-mill levy will be an additional \$48.40 per year on a house valued at \$60,000 with a net taxable value of \$20,000.

How to spend

The next step following the bond issue approval will be for the district's Citizens for Children Committee to meet and begin laying out a three-year plan to spend the money as proposed, she said.

The Carrizozo district plans to use the \$450,000 from the sale of

Drought spurs forest's fire ban

Forestlands are so dry that Lincoln National Forest officials have decided to issue fire restrictions effective Friday, extremely early even for a drought year.

Fire dispatcher Ricky Smith says during his 18 years on the Lincoln Forest crew, he can't remember fire restrictions ever being put into place this early.

Banned are all open flames outside developed campsites or picnic grounds. Open flames are defined as campfires, charcoal grills, citronella candles and woodstoves.

Smoking is prohibited except in vehicles, buildings, developed recreation sites, or cleared areas at least three feet in diameter.

This area has had three years of drought. Last year, similar fire restrictions were issued on the forest, but not until August. Already this year, two major groups of wildfires have hit Lincoln County and the neighboring Mescalero Apache Reservation. One is believed to have been ignited by a motorist's cigarette. Other smaller fires have been started by careless residents and visitors (please see related story on page 3A).

"Currently, the conditions are right for a devastating forest fire to occur," said forest fire staff officer Dan Krutina. "As always, I want people to enjoy the national forest, but during this critical time, I encourage people to be extremely cautious with fire."

The Lincoln Forest has been given an extra \$100,000 in federal funds to prepare for a potential wildfire. Usually 15 firefighters are on standby for the Lincoln Forest at this time of year; now, there are 70 and about 120 are planned to be on call this summer, Smith said.

Along with extra firefighters, the additional money is paying for more fire engines, staff for five fire lookout sites and a contract helicopter, Smith said.

"We could end up being in the worst fire danger we've had in a

"Currently, the conditions are right for a devastating forest fire to occur."

DAN KRUTINA
FOREST FIRE
STAFF OFFICER

long time," if the drought does not lift this summer, Smith said.

The restrictions effective at 8 a.m. Friday are not the worst that the Forest Service could impose. Campfires at all sites could be banned, and the forest (except paved thoroughfares) could even be closed entirely. Smith says the latter restriction has not been imposed during the 18 years he's been here.

The only controlled burn planned for this spring on the Lincoln has been cancelled, Smith said. A controlled burn on the Cibola National Forest near Corona got out of control late last month.

People planning to visit the forest or other public lands in this area are being urged to call or visit forest offices, or read bulletin boards and signs for information on fire closures and fire conditions. Ruidoso's forest office is the Smokey Bear District headquarters at the corner of Mechem Drive and Cedar Creek Road.

"Please take the time to become an informed forest user for your own personal safety and to prevent the loss of lives, property and natural resources," said Charles "Hoot" Murray, Lincoln National Forest law enforcement officer.

County will defend district all the way to courtroom

by DIANNE STALLINGS
Ruidoso News Staff Writer

If someone wants to challenge the Lincoln historic preservation ordinance, they'll have to take the county to court.

Lincoln County commissioners said Tuesday they'll stand by the 1984 ordinance that created the 10-mile-long historic district about 30 miles northeast of Ruidoso.

They agreed to conduct a hearing next month to modify the ordinance, and provide for a district court appeal of decisions by the preservation board and commission. They also asked for the resignation of the five current members of the preservation board.

"We hope the action reaffirms our position to try to continue enforcing the provisions of the ordinance, while pursuing legislative action and working with Gary Morton (director of the state Cultural Affairs Office)," said Commissioner Chairman Montes.

After the closed executive session, commissioners also asked for the resignations of the existing preservation board members: president Glen Dennis, secretary David

Vigil, Ralph Dunlap, Frances Gallegos and Dick Swenor.

"If members are interested in continuing to serve, they may send us a letter to that effect," Montes said. "And anyone who wants to nominate someone can. They will need letters of recommendation."

Two of the board members have indicated poor health may interfere with their ability to serve, he said. A third member, Vigil, has been accused by business owners in the community of failing to carry out his duties.

Commissioner Stirling Spencer emphasized that no single member on the preservation board has the authority to make an official decision. It requires board majority action in public, he said.

"Once the board is back in place, I would like the county manager to meet with them to define their authority and powers," Montes said. The police power resides with the commission, he added.

The commission action should remove any reason for Lincoln resident J. Robert Beauvais, an attorney and former state preserva-

tion official, to file a lawsuit, said County Attorney Alan Morel.

Beauvais had invited others to join him in asking a district judge to rule whether the historic district is valid, based on a combination of several state statutes and the county ordinance.

The legality of the district was called into question after Morel reviewed the 1984 ordinance used by the commission to create the district.

The 1984 Lincoln preservation ordinance has been amended six times, but is based on a requirement for a county comprehensive zoning law, with maps and regulations, Beauvais said.

Capitan resident E.J. Fouratt said Tuesday it's time for the county "to suck it up" and approve countywide zoning to solve this and many other problems.

But Morel said neither this commission nor their predecessors back to 1984 have been interested in finishing the job.

He was careful to check the ordinance after being asked to enforce its provisions in two cases.

"I can't solve the problem. It needs to be solved here. And when you're done, Lincoln will be better off for the whole process."

GARY MORTON
NEW MEXICO CULTURAL AFFAIRS DIRECTOR

Agreement not simple

Everyone at a county commissioners meeting Tuesday agreed something needs to be done to protect the historic preservation district around the community of Lincoln.

But finding consensus isn't easy. County Commission Chairman

Monroy Montes suggested a moratorium on construction and development to prevent violations from occurring, but that idea failed to generate enough support to schedule a hearing.

Lincoln residents in the audience weren't enthusiastic about

the possibility of incorporation, and the municipal services and responsibilities that would entail.

The community doesn't have the 150 households needed to form a special historic district by referendum, said state Cultural Affairs director Gary Morton, a former resident of Lincoln.

He also was skeptical about receiving satisfactory action by the state Legislature.

"While I would support any legislation presented on your behalf

Please see Historic, page 2A

David Lee and Cile Dickinson, residents of the historic settlement of Lincoln, tell Lincoln County Commissioner Stirling Spencer and the rest of the board they will work with the county to save the historic preservation district that surrounds their community.

Historic

Continued from page 1A

in this issue, it's a wild card and you're never sure of the results," Morton said. Any law passed for Lincoln also would apply elsewhere in the state and could meet some opposition, he said.

The attorney general's office is unlikely to issue an opinion, Morton said.

"I can't solve the problem," Morton said. "It needs to be solved here. And when you're done, Lincoln will be better off for the whole process."

Commissioner Wilton Howell suggested a new Lincoln community steering committee meet with the county's state representative and senator about potential

legislation. That idea also drew no action.

County Attorney Alan Morel said he wasn't comfortable with Commissioner Stirling Spencer's idea of assuming the existing preservation ordinance is valid unless it is challenged in court and a judge rules otherwise. But after a 30-minute, closed-to-the-public session with the commission, he seemed more confident.

Lincoln attorney Robert Beauvais had suggested "a friendly lawsuit" against the county to prevent incompatible land uses and architecture from coming into the district while the ordinance is in limbo. But David Lee, a member of the Lincoln steering committee, told commissioners Tuesday the

group of about 40 Lincolniters meeting on the issue are not part of Beauvais' suit.

Election

Continued from page 1A

bonds to remodel the school cafeteria, improve the heating and lighting systems in that room, add cooling systems in the classrooms, continue phases of playground improvements, buy new school furniture, and add cable and networking access, computers and computer stations.

The last time the district asked voters to approve bonds was in 1990, when a \$540,000 issue was passed.

The money then was used to repair roofs, install a gymnasium

floor and buy student furniture and a new stage curtain.

"If the voters had not approved this new issue, those bonds would have been paid off in 2002," Papponi said. "Now the two issues together will be paid off in 2007."

Voters also approve special tax levy

Supporters also approved continuing a two-mill levy, which must be renewed every three years to be used by school districts. The new levy will run through 1998.

Hundreds of trout suffocate in Ruidoso's Carrizo Creek

by KATHLEEN McDONALD
Ruidoso News Staff Writer

Something dumped in Ruidoso's Carrizo Creek Thursday caused approximately 640 brown trout to die, Ruidoso's game warden said.

"Eventually, the people responsible for this will be charged for the state's loss of fish," said Ron Moore, who's still investigating the situation.

He believes whatever was introduced to the creek was not toxic because aquatic insects in the .3 mile area of the kill were found alive. But whatever was dumped ended up clogging the fish gills and suffocating them, Moore and fellow game and fish department officer Miles McInnis said.

Samples of dead fish and creek water have been sent to a state lab for determination of the cause of death.

The dead fish were found Friday floating in the creek. They were found upstream as far as the Barney Rue Dirt Contractor, Excavation & Paving business at 212 Carrizo Creek Road, and

downstream as far as the Ruidoso Valley Chamber of Commerce, where the creek joins the Rio Ruidoso.

At that point in the river and downstream, all fish were found alive, so officials believe the dumping was isolated to a point in Carrizo Creek. Also, live fish were found higher in the creek, just above Barney Rue's place, Moore said.

Rue admitted to dumping water from his water trucks into the creek so it wouldn't freeze in his trucks at night, Moore said.

If this was done with enough force, creek silt could have been stirred up and coated the fish gills, McInnis said.

Although the dead fish were first reported Friday morning, Moore said workers at the Funtrackers amusement park reported seeing the creek suddenly rise around 4 p.m. Thursday. As it rose, brown foam was also seen floating on top, Moore said.

Moore and McInnis said they

planned to continue questioning residents in the area before concluding who is at fault.

"What we're worried about are the little critters," Moore said of the creek's aquatic life. "There's so much garbage dumped in this river it's amazing there's any live fish at all."

The game officials estimated the number of fish killed was 540 after spending Sunday working in the creek. They sectioned off a 264-foot portion of the creek and temporarily electroshocked the water. This shocked the swimming fish for several seconds — long enough to let them be caught, counted and released.

With simple math applied to equate 3/10th of a mile mile — the same distance the dead fish were found in — officials came up with 540.

State Game and Fish Department fines for the fish kill are about \$5 for each fish, McInnis said, so the total fine could equal \$2,700.

buildings, but not for salaries.

The levy is expected to generate about \$24,000 for the district this year, said Carrizozo School Board member Gary Hightower. The state puts up another \$12,000 to bring in a total of \$36,000, he said. That's significant money for a district that operates on an annual budget of \$1.1 million, he said.

Having a two-mill levy in place also is one of the requirements for a district to qualify for direct aid from the Public School Capital Outlay program.

Discarded fireplace ashes spark two fires

by YVONNE LANELLI
Special to The News

Ignorance and fireplace ashes combined to ignite an early morning fire over the weekend along Cedar Creek Road.

Shortly after 2 a.m. Saturday, March 30, Bonito Fire Department (BFD) responded to a report of a forest fire 2.5 miles up the road.

It was the fourth fireplace ash-caused fire BFD has put out in two weeks.

When firefighters arrived, they found the occupant of 125 Cedar Creek Road spraying his house with water from a garden hose in an attempt to protect it from a fire in the woods approximately 20 feet from his dwelling.

Firefighters contained the blaze to approximately one-tenth of an acre, and kept it away from any structures. High winds that had gusts up to 60 mph earlier Friday and Friday night had finally calmed down to just occasional gusts, said fire officials.

"Otherwise, the fire would have

taken out the entire neighborhood," they said.

Investigation showed the fire started in a 2.5-foot-high pile of fireplace ashes that the occupant, Chuck Woodell, had been dumping in the woods near his home all winter long.

Woodell admitted he'd been disposing of the ashes in that manner "for a long time" and didn't see a problem with it.

Four days earlier, BFD and Ruidoso Fire Department responded to a supposed structure fire, also along Cedar Creek Road. The fire turned out to be only a small fire in a woodpile next to a cabin rented to an out-of-state couple on their honeymoon.

Firefighters quickly quelled the small blaze before it reached the house.

No damage was done except to the honeymooners' pride. The embarrassed newlyweds apologized for inadvertently starting the fire. They explained that the husband had asked his wife to dump the fireplace ashes. The new bride, un-

accustomed to housekeeping in the mountains, tossed them onto the woodpile, starting the fire.

Firefighters advised the young

They explained that the husband had asked his wife to dump the fireplace ashes. The new bride, unaccustomed to housekeeping in the mountains, tossed them onto the woodpile, starting the fire.

couple of the proper way to dispose of fireplace ashes.

BFD has also put out two dumpster fires in as many weeks.

"They're at the same dumpster at milemarker 11 on Highway 48. It's either the same person who regularly dumps there, or a renter that's dumping hot ashes in that dumpster," said a fire official.

Fire officials remain adamant about careless handling of ashes, controlled burns, campfires or other burning materials. High winds, early-season warm temperatures and little precipitation this winter are pointing toward massive fire destruction if residents and visitors don't pay attention to what they're doing, they warn.

Fire officials say people should not dump fireplace ashes — hot or cold — anywhere. Instead, put them in a metal can, fill the can with water, stir the ashes well and let stand. Then pour the cold wet mass on bare earth.

Never dump ashes in the woods, on a wooden surface or in a plastic container.

PLANNING COMMISSION RESULTS

Following is the action taken by the Ruidoso Village Planning and Zoning Commission meeting at 2 p.m. Monday, April 1 at village hall.

PUBLIC HEARING:
— In a 3-to-1 vote, commissioners approved ZAG-003, a zone map amendment changing lots 2-6, block 3 of the Hamilton Terrace subdivision from single family residences (R-1) to high density family (R-4). Don Mizer, the applicant, requested the change so he could put four unit apartments on his five lots. The lots have frontage on Upper Terrace and Lower Terrace.

The zone change is consistent with the village's master plan for the area. Opponents of the change want the zone maintained as R-1. The commission's recommended change must be approved by the village council at its May 14 public hearing.

— Subject to council approval ZAG-003, commissioners approved a preliminary plat and final plat subdivision for lots 2-6, block 3 of the Hamilton Terrace subdivision. The commission recommended the changes, creating lots 10,000 square feet to 12,000 square feet in size, meet minimum lot size requirements. An existing home on the new lot would be converted into a four-unit apartment.

NEW BUSINESS:
Commissioners approved:
— Replat creating one lot for lot 11, the east half of lot 12, lot 40, and the east half of lot 39, block 0, Ruidoso Pine Lodge subdivision. Mike Hughes, applicant.

— Variance to build an addition in the east half of lot 11, C.E. Webb tract subdivision.

William Snow applicant.

— Variance to build a guest home five feet from the side property line on lot 19 and the east half of lot 3, block 0, the White Fir subdivision. Dorothy Hinkley, applicant.

— Variance to build an addition 5 feet from the side property line on lot 3, block 0, of the Country Club Estates subdivision. C. Howard Tate, applicant.

— Commercial site development, to build a new 4,200 square foot post office on Highway 70 next to Camelot Drive. Applicant John Shaw said water for the establishment of plants around the building would come from sources other than the village of Ruidoso if outdoor watering restrictions continue. Shaw must still provide the village with a copy of a traffic impact analysis and driveway permits as approved by the state highway department.

— Vacation of public right-of-way for a 1,608 square foot portion of the former riverbed in block F of the Ruidoso Springs subdivision. The river crossed the lot at the time of platting, and has since shifted. Vacation, costing applicant Doug Reynolds \$904, will cure encroachment of his home on the public right-of-way. The recommended vacation is subject to village council approval April 9.

OLD BUSINESS
— Commissioners approved a variance for a proposed carport that would encroach onto the utility easement on lot 10, block 8 of the White Mountain Estates unit 4 subdivision.

The request was tabled at the March 12 meeting to let applicant Lindsay B. Holt decide whether to vacate the easement or redesign the carport.

Puckett retires from Bonito Fire Department

by YVONNE LANELLI
Special to The News

When Bonito Fire Department Chief Howard Puckett retires from Bonito Fire Department (BFD) this year, he leaves a department vastly different from the one he joined 15 years ago.

Members of that volunteer group honored Puckett and his wife Lillian at a retirement party Sunday, March 31, at the Inn-Credible Restaurant in Alto.

Lillian had served as the department's fundraising chairman for more than a decade.

When Puckett joined BFD in 1980, the county had no 911 system so volunteers were summoned by telephone, a time-consuming and inefficient process. Few volunteers had formal training or bunker (protective firefighting) gear, and the old fire trucks they drove had only

When Puckett joined BFD in 1980, the county had no 911 system so volunteers were summoned by telephone, a time-consuming and inefficient process. Few volunteers had formal training or bunker (protective firefighting) gear, and the old fire trucks they drove had only CB radios, recalled members who remain from the "old days."

CB radios, recalled members who remain from the "old days."

When Puckett became chief in 1982, he promptly set about modernizing the department.

By issuing radio pagers to firefighters and two-way radios to line officers, Puckett cut down response time. These radios and

paggers interfaced with the county's emergency response channel. Puckett also began a long-range plan to regularly replace old trucks, equipping new ones with state-of-the-art gear. He instituted regular in-house training for members and required them to attend the New Mexico Fire Academy in Socorro.

He and Lillian also involved the volunteers' families by scheduling picnics, dinners and open houses.

"Our efficiency, capability and esprit d'corps rose and we've become a respected part of the fire suppression community," summarized a longtime member.

Newly elected Chief Chriss Denne and Deputy Chief Mark Stambaugh acknowledged the Pucketts' contributions to the department and pledged to continue their work.

Denne presented the Pucketts with parting gifts: a set of pottery ware from BFD member Tim Wierwille of White Mountain Pottery for her, and a clock-plaque for him.

The Pucketts plan to enjoy their retirement by traveling in their fifth-wheel RV.

Bonito Fire Department serves the communities of Alto, Angus and Bonito just north of Ruidoso.

Lucille Miller

Visitation for Lucille Miller, 76, of Capitan was Tuesday, April 2, at LaGrone Funeral Chapel in Ruidoso. Funeral services were held at 10:30 a.m. Wednesday, April 3 at Gateway Church of Christ in Ruidoso. Officiating was Leslie Earwood of Capitan and Carl Parsons of Ruidoso. Burial followed at Forest Lawn Cemetery in Ruidoso.

Mrs. Miller died Sunday, March 31, at Lincoln County Medical Center in Ruidoso. She was born Nov. 18, 1919 at Glen Rose, Texas. She was a former member of the Lincoln County Medical Center Auxiliary and a member of the Church of Christ. She had lived in Capitan for three years and in Lincoln County for 29 years. She was a loving mother and grandmother.

She married Marvin B. Miller on

Dec. 21, 1957 and he preceded her in death on Dec. 4, 1972.

She is survived by five sons, Steve Miller of Las Vegas, Nev.; Dayton Miller of Granby, Conn.; Mark Miller of Waxahachie, Texas; Duane Miller of Starkville, Miss.; and Maurice Miller of Arlington, Texas; three daughters, Susanne Hazel and husband Mark "Leech" of Capitan; Marilyn Benford of Sharon City, Ohio and Bera Francis of Garland; 21 grandchildren, three of which she lived with, Amee, Boni and J. Landon; 29 great-grandchildren and one great-great-grandchild. She was preceded in death by a son Glen Davis and a daughter Shirley Anderson.

The family has requested memorials to the Gateway Church of Christ Youth Fund; 415 Sud-dorth Dr., Ruidoso, N.M. 88345 or the Lincoln County Humane Society; P.O. Box 2832; Ruidoso, N.M. 88345.

OPINION

EDITORIAL

Once again, voters support local schools

Carrizozo's faithful turned out at the polls Tuesday to support their schoolchildren. It's the latest in a series of bond issue and mill levy approvals for Lincoln County's schools and communities.

Since no one would say he or she wants higher taxes, we can conclude that voters have once again put the needs of the children above their own. Many of these voters, no doubt, don't even have children in school.

Voter turnout was again dismal, but those who did vote showed strong support for spending money for computers, playground additions and building improvements.

We hear lots of rhetoric about the importance of educating our children, but 174 people in the Carrizozo School District have done something about it, and they can be proud of that.

Now a citizens committee will help decide how to spend much of the money. Creating such a committee is a great way for the Carrizozo School District to involve the community beyond the election.

"We have lost our ability to express our own opinions in public, lest we offend someone within earshot."

LETTERS TO THE EDITOR

Food stands, carriage rides made our trip

TO THE EDITOR:

After recently spending nine "spring break" days in your fine city, I felt I would be remiss for not writing you of our visit. The weather (out of everyone's control) held on to allow our teenagers to ski five days straight. "Sherry" at Ski Apache suggested we book and pay in advance (before leaving Dallas) a one-and-one-half-hour lesson with your famous ski instructor, Mark Smiley, and three day lift tickets. They both made our trip extra easy. Thank you!

Your wonderful shops on Suderth kept us all very busy when not on the slopes. One lady in particular, Auden Franklin, was extra friendly and helpful not to mention her fascinating store.

But the two attractions which made Ruidoso so very quaint and memorable are the roasted corn, baked potato and sweet potato stands, and the horse drawn carriage rides. Our whole group stopped every day for some "good eats" and as a parent, I felt they were getting something healthy. They also looked forward to a daily carriage ride!

The two families who own these

establishments should be made good will ambassadors! They were so very kind to our children and were able to answer all our local questions. But even more important, they love their Ruidoso and it shows! To have them located in a very visible area of town certainly helps sell Ruidoso. Perhaps they should be on "staff."

Thanks to their warmth and friendliness, we felt very welcomed in Ruidoso. Thank you for making our spring break so very special!

Mrs. William Harlan

Dallas, Texas

Clinton's war on drugs is only for election year

TO THE EDITOR:

Amidst much fanfare, President Clinton and Vice President Gore on March 7 hosted a one-day summit titled "Youth Drug Use and Violence in America" to call attention to and issue recommendations about the related problems of teen violence and the skyrocketing use of illegal drugs by our nation's youth.

It needs to be asked why it has taken an election year for President Clinton to discover that America's

drug problem has reached crisis levels. The evidence that drug use among teenagers has been rising during Clinton's term of office is overwhelming and has been obvious for some time. Indeed, the statistics are staggering:

— The rate of monthly illicit drug use by children aged 12-17 increased 56% from 1992 to 1994, according to the Clinton Administration's own estimates.

— The Justice Department reported in September 1995 that one of every three juvenile detainees was under the influence of drugs at the time of the offense.

— A December 1995 survey found that cocaine use by those in grades 9 through 12 had increased 38% since 1992, and use of hallucinogens had increased by 75%.

— Between 1992 and 1994, the rate of marijuana use among children aged 12-17 nearly doubled, according to the National Survey on Drug Use.

Until now, President Clinton has paid little attention to what most Americans have recognized all along to be a national crisis. Despite the tough talk and finger pointing at the drug summit, the Clinton Administration's response to America's drug problem has been abysmal. A quick look at the facts:

— In his first year in office, Clinton cut his drug policy staff by 85%.

— Last year, the Clinton Administration proposed cutting more than 100 drug prosecutors from U.S. attorneys' offices and cutting funding for drug interdiction and drug intelligence programs.

— The Drug Enforcement Agency trained no special agents in 1993, and none were budgeted to be trained in 1994 or 1995.

— Attorney General Janet Reno announced soon after taking office that she wanted to reduce mandatory minimum sentences for drug trafficking and related crimes. Not surprisingly, the number of federal drug prosecutions has been dropping.

— And who can forget Clinton's own Surgeon General Joycelyn Elders, who advocated legalizing drugs in order to reduce the crime rate.

President Clinton's total lack of leadership in the war on drugs over the past three years should cause all Americans to view skeptically his embrace of the issue in an election year.

THE DREAMER

Slim kept early ski area running smoothly

Birthday Celebration For Slim Craig

About 100 friends and relatives of Slim Craig gathered March 30 at the Ruidoso Downs Senior Center to help him celebrate his 80th birthday.

Loyce Milton Craig, affectionately known as "Stein," was born March 30, 1916 in Duke, Okla., to Kenneth L. Craig and the former Margaret Lucille Mathis.

He attended gradeschool in Duke, and at the age of about 14 the family moved to Dallas where he attended the Dallas Technological High School.

About 1934 Slim moved to Silver City where he worked with the Civilian Conservation Corps (C.C.C.) studying Forestry and Mineralogy. Later with the C.C.C. he worked in Arizona.

Of that experience he says, "This helped me a great deal. I learned the trade of welding and also learned a lot that helped me later on."

Coming back to New Mexico he worked on ranches, notably the Diamond A in Laredo. Later on, he and Walter Clements worked at shearing sheep from South Texas to Montana.

In 1943 he went to work at Walker Air Force Base in Roswell in construction.

In 1953 he began working for Robert O. Anderson in the oilfields around Roswell and Artesia.

Slim was born with a gift for mechanics, and on the way through his life he picked up a lot of experience in this field.

"I have worked fixing anything that runs, gas, diesel, or propane," he says.

The Dreamer

DAN STORM
COLUMNIST

Coming to Ruidoso

In 1981 Robert O. Anderson sent Slim to Ruidoso to work at the development and operation of the ski area, where he kept the lifts operating and kept the mechanical equipment working.

In 1969 he left the ski area and worked 10 years for Bill McCarty Construction.

He semi-retired in 1982 but kept fixing cars, pick-ups, and heavy equipment for his friends. I remember one time when he put my pick-up in running order.

On Aug. 20, 1965, Slim was married to the former Helen Marie Williamson. Together they have four sons: Lemuel Milton Craig, Anthony Lynn Craig, Terry Wayne Hughes, and Dennis Michael Hughes. They also have nine grandchildren and 16 great-grandchildren.

With the help of the Ruidoso Care Center Auxiliary, the Ruidoso Downs Senior Center was decorated in true celebration style for Slim's birthday party.

Two giant birthday cakes were decorated with miniature trucks, tractors, bulldozers and front-end loaders, and labeled "Happy 80th, Slim Craig."

We all wish our dear friend Slim Craig

many happy returns of the day and all God's blessings.

First Calf of the Year

Early in 1993 a tiny heifer calf was born on one of the mountain fields south of the house, and then she disappeared for two days. I went looking for her most of the day, and then just at dark when I came down the hill, here she was drinking her milk right close to where she was born.

I fed her extra feed and she developed into a great pet. And on the 30th of March, grown to a handsome young cow, she arrived at the yard gate letting me know she had her first calf, and would like a little extra feed. After feeding on hay she began walking up the trail. She stopped a moment, looking back, much as to say "We will be down later."

The arrival of the first calf of the year brings to you once more the Lord's miracle of new life, now during the Easter season when we celebrate the resurrection of our Lord and savior.

On the First of April

This is being sent to you one hour before high noon on April 1.

A light breeze is moving through the vale, but it carries no cold, traveling as it does across the sunlit lands of the lower country.

Light clouds float slowly in a light blue sky and the temperature is an even 70 degrees.

Two tame cottontail rabbits are feeding with the snow birds, and the orange and black grouse has arrived just today at noon, ready to make us glad with its cheerful song all summer long. The mountain world is ready to welcome the season of joyful Easter.

EDUCATION

RHS honors academic achievers

by PAMELA CROMWELL
Ruidoso News Staff Writer

More than 100 Ruidoso High School students were honored for outstanding academic achievement Tuesday night. Senior Kara Castanon won the Distinguished Warrior Award.

Castanon is ranked ninth in her class with a grade point average of 3.898. She is an exemplary student leader, having served as student body vice president and president, editor of the RHS newspaper, in addition to other achievements. She plans to attend the University of New Mexico to study education or medicine.

The number of students who achieved grade point averages of 3.5 or above is up 20% from last year, Principal Ron Hodges said.

"That's a phenomenal increase," commented Hodges. "That shows that the curriculum is really kicking in."

National Honor Society inducted 22 new members, making this the largest NHS group ever at Ruidoso High. NHS students must not only maintain a 3.5 g.p.a., but they must also excel in the areas of service, character, leadership, and scholarship.

In the freshman class, 15 students are tied for top ranking, all holding 4.0 averages. This puts the second-highest grade average, a 3.857, in 16th place. Representing the teachers of the freshman class, Galen Farrington likened the students to young ninjas learning how to jump incredible heights.

"To learn this, the ninja must plant a corn seed, and he must jump over the seedling every day as it grows," Farrington said. "Eventually he can jump over the tallest stalk."

Emily Ruch spoke on behalf of the freshman class, noting the group's triumph over the title of "Fish." Freshman school spirit and participation in extra-curricular activities, she said, are outstanding. Thirty-one freshmen received academic honors.

The sophomore class was represented by teacher Donna Willard and student Katie Lukens. Twenty sophomores received honors, with four students tied in first place. Willard quoted a line from "Desiderata" — "Enjoy your accomplishments as well as your plans."

Lukens dedicated her speech to her father Paul Lukens, who recently died. Focusing on the qualities of a good attitude, as taught to her by her father, Lukens encouraged her classmates to take Action, be Truthful, practice Tenacity, be Individuals, mind Time, always wear clean Underwear — no, "U" is Unconditional love — be Dependable, and to value Encouragement.

The junior class was likened to the Apostle Paul by teacher Jody Blanton. Paul, she said, eventually found success despite all his trials and errors. The junior class, starting with only \$60, raised \$3,000 by the end of the year to pay for "the best prom ever."

Student representative Yosernia Figueroa spoke of self-discipline. She said she achieved good grades to fulfill her own ambitions, not to prove something to her parents or peers.

For the senior class teachers, Ms. McAdams impersonated Yelena Temple, whose speech praised the seniors for their accomplishments. Student speaker Lena Centeno read a work of her own reflection, remarking on the passage from childhood into adulthood the seniors are about to make.

"The doors of the future are opening," she said. "We will be exploring the world, beginning our journey."

A record 61 students were named to the Principal's List for holding a g.p.a. of 3.5 or above. In the junior class, the top 11 students hold a 4.0 and higher (accelerated classes are measured on a 5-point scale). Hodges called this list of students the finest group of people he's ever worked with. He led the parents at the assembly in a standing ovation for these students.

"It's okay to be on this list," he said. "These students have proven that it's okay to be a good student, to be a good person, to be honest."

State Rep. Dub Williams, founder of the Academic Awards Banquet at RHS, closed the ceremonies by observing the interweaving of three threads: Devotion, Dedication and Discipline.

Kindergarten registration begins soon

It's time for kindergarten registration and preschool screening clinics. Children who will be five years old by Sept. 1, 1996, must register for kindergarten this month.

Free developmental screenings for children under six will be offered during kindergarten registration. All children will be screened for height, weight, vision, hearing,

speech and language, motor development, and dental. Please bring your birth certificates.

Preschool services are available for children who demonstrate a need for early intervention services. The public health nurse will be on site to give immunizations; shot records are needed.

The registration and screening schedule is as follows:

Capitan Elementary, 9 a.m. - noon Friday, April 12;
Corona Elementary, 10 a.m. - noon Tuesday, April 16;
Carrizozo Elementary, 9 a.m. - noon Thursday, April 18;
Hondo Elementary, 9 a.m. - noon Friday, April 19;
Nob Hill Early Childhood Center, 8:30 a.m. - 2 p.m. Friday, April 26.

Ruidoso Downs Sports Theater presents APRIL ACTION!

clip & save

Watch and wager first class simulcast racing from around the country and enter to win a TRIP FOR TWO TO DALLAS

Each Sunday afternoon in April we will be drawing a lucky winner that will receive a FREE trip for two from Ruidoso to Dallas on Lone Star Airlines.

Contestants must write their name/address/phone number on the back of a mutual ticket and give it to the Sports Theater Hostess. Enter each race day throughout the week until the drawing on Sunday afternoon. Contestants must be 18 years of age and must be present to win. Plane tickets are not transferable. Limit - one trip per person.

For more information on the simulcast and how to win this weeks drawing call Ruidoso Downs Race Track at 505-378-4431

Clip out the calendar below for the April simulcast schedule and stay tuned for May's Excitement with more great racing and bigger giveaways!

Tops in girls basketball

Winners of the Little League girls basketball sixth and seventh grade title were sponsored by attorney Gary Mitchell. Members to the team included (from left to right): front row Shawn Lott, Katie Gowdy, team manager Kara Sparks and Melissa Temple; back row — Chelsea Whitaker, Monique Gandara, Stephanie Barnett, Pauline Saenz, Karimi Sparks and head coach Wyatt Sparks.

Humphreys breaks school record

Kyle Humphreys broke his own Ruidoso High School long jump record twice at the Goddard Invitational Meet Saturday.

Humphreys' new record is 22 feet 11.5 inches, beating the old by nine inches. He also won the 200-meter dash.

"He just had an extremely good day," said Coach Ronnie Maskew. Humphreys had a good runway and good competition. "That always seems to bring out his best," Maskew said.

The previous record was set by Humphreys last year.

The invitational began at 9 a.m. and ran a grueling 12 hours, about five hours longer than normal, Maskew said.

The RHS boys team placed fifth of nine, while the girls placed sixth of 10.

The track team, just back from spring break, was shorthanded on the relays because some tracksters were on a band trip.

Goddard Invitational results

Girls team results: Clovis 109, Hobbs 77, Portales 55, Lovington 36, Goddard 36, Loveland 29, Ruidoso 17, Artesia 16, New Mexico Military Institute, 11, Roswell 0.

Ruidoso girls individual results: Lopez 3rd in 200 yard dash (27.30), Lewallen 4th in 400 meter relay (53.22), Sandoval 3rd in 1600m relay (4:22.60).

Ruidoso boys individual results: Humphreys 5th in 100m dash (11.13), Garcia 4th in 100m hurdles (16.09), Humphreys 1st in 200m dash (22.69), Garcia 2nd in 300m hurdles (44.33), Kakuska 6th in 400m dash (33.62), 400m relay team (Humphreys, Brantley, Kakuska and Grant) 5th (44.99), Brantley 5th in high jump (6'0"), Humphreys 1st in long jump (22'1.25").

ideal circumstances, with 25-30 mph winds and matches lasting until 8:30 p.m. under the lights.

The next tennis meet is in Lovington Thursday. Anderson expects it to be the toughest district match for the girls, "so it'll give us a real good indication of how we'll do in district competition and state."

Tennis team wins first district meet

Myra Romero and Corrie Garcia won a doubles tennis match as well as their singles matches to lead the Ruidoso High School Warriors to victory in their first district meet.

The girls team beat Artesia in a dual meet, 5-4, in Artesia Monday.

The boys team was beaten 0-9. Jack Roddy had a good showing with three sets. He lost the first

set 3-6, came back to win 7-5, but then lost 3-6.

Rachel Beddoe and Erica Malis also won their singles to give the girls team the edge. They each had split sets and won the tie breaker in the 3rd.

"The girls focused really well," showing good concentration, said coach Dave Anderson.

They played under less-than-

Capitan sweeps its track meet

The Capitan girls and boys swept their own Tiger Invitational meet Saturday, outpacing a field of 10 girls teams and 11 boys teams.

Two Capitan boys set meet records, Alan Hazel in the 400-meter dash (52.8, skimming the old record of 52.7), and Josh Peralta in the pole vault (12'7", besting the old record of 12'4").

The boys gathered up more than double the points of the 2nd-place team, Tularosa.

The relay team of Nick Pacheco, Jayson McSwane, Kali Bagby and Alan Hazel won both the 400m and 800m relays. Hazel also took first in the 400m dash.

The JV boys team also won.

All the boys put out a "super effort," coach Ed Davis said. "They're running with a lot of heart, and you can't ask for any more."

Girls coach Bryan Masse also had praise for his team.

"This is the second week in a row we brought home a trophy," Masse said. His team swept all four

relays Saturday.

"The girls are coming along and working hard," Masse added.

The girls and boys varsity and JV teams travel to the Hagerman Roadrunner state qualifying meet Friday. It will be a tough one, Masse said.

"We'll face some stiff competition," especially from the girls teams from Fort Sumner, Loving, Eunice and Tatum, he said.

Capitan Invitational results

Girls team results: Capitan 94, Cloudcroft 73, Tularosa 68, Estancia 47, Hatch 23, Hagerman 22, Community Christian of Alamogordo, 18, Carrizozo 17, Elida 8, Montezuma 6, Vaughn and Cowan no score.

Capitan girls individual results: Mandi Aldaz 3rd in shotput (27'10.5), Joyce Robbins 5th in shotput (26'11), Krystal Roybal 3rd in 400m dash (1:10.17), Jessica Hathcock 5th in 400m dash (1:13.78), Mandi Aldaz 3rd in discus (90'10), Mary Johnson 1st in long jump (15'4 1/4), Andrea Fish 4th in long jump (13'6 1/8), Monica Johnson 5th in long jump (12'10 1/2), 400m relay team (Chris Worrell, Monica Johnson, Michele Wilson, Mary Johnson) 1st (53.09), Andrea Fish 2nd in 100m hurdles (17.8), Chris Worrell 1st in 100m dash (13.26), Mary Johnson 3rd in 100m dash (13.61), 800m relay team (Chris Worrell, Mary Johnson, Mary Johnson, Mary Johnson), 1st (2:55.84), Mary Johnson 1st in 800m run (2:52.32), Jessica Hathcock 6th in 800m run (2:58.60), 1600m relay team (Michele Wilson, Andrea Fish, Krystal Roybal and Jessica Hathcock) 1st (4:26.94), K'ria Autrey 5th in 1600m run (7:02.89), 1600m relay team (Mary Johnson, Jessica Hathcock, K'ria Autrey and Chris Worrell) 1st (4:53.63).

Boys team results: Capitan 114, Estancia 55, Tularosa 54, Boys JV, Capitan 79, Dexter 57.

Capitan boys individual results: Josh Peralta 2nd in 110m hurdles (16.4), James Percy 3rd in 100m dash (11.8), Nick Pacheco 4th in 100m dash (11.9), Alan Hazel 1st in 400m dash (52.8), James Tracy 2nd in 400m dash (54.4), Eric Ferguson 4th in 3200m run (12.47), Alan Hazel 2nd in 200m dash (23.7), Kali Bagby 6th in 200m dash (24.2), Clay Jones 6th in 1600m run (5.51), 400m relay team and 800m relay team (both made up of Nick Pacheco, Jayson McSwane, Kali Bagby and Alan Hazel) 1st (4:57 and 1:55.7, respectively), Nail Mousa 4th in 800m run (2:15), Josh Peralta 2nd in 300m hurdles (44.1), 1600m medley relay team (Kali Bagby, Josh Peralta, Raymond Harris and Shawn McEuen) 2nd (4:01), 1600m relay team (Shawn McEuen, Matt Daniels, James Tracy and Jayson McSwane) 1st (3:43), Kyle Jones 1st in shotput (43'7 1/2), Kyle Jones 1st in discus (119'6 1/2), James Tracy 3rd in long jump (18'7), Nick Pacheco 4th in long jump (18'4), Raymond Harris 3rd in high jump (5'8), Jayson McSwane 5th in high jump (5'6), Josh Peralta 1st in pole vault (12'7), Josh Peralta 2nd in javelin (134'7).

Baseball team wins 3 in row

by JOANNA DODDER
Ruidoso News Editor

The Ruidoso High School baseball team won three in a row since Friday, defeating Hot Springs, Silver City JV and Cobre JV teams.

"We've got a run going," confirmed coach Rodney Webb. "We've come a long way from the first week," when they barely beat a C team. The RHS record now stands at 4-4.

The last three games haven't even been close. On Monday, the Hot Springs varsity match-up was called after five innings since the Warriors had a 10-run lead. The final score was 14-4.

Top hitters in Monday's game were Scott Sebastian (3 for 3 with a 2-run homer and 2-run double, scoring 3 runs himself), Erik Padilla (2 for 4), Jorge

Figueroa (3 for 4 with 2 RBIs), and Billy Rogge (2 for 2, scoring 3 runs himself).

Luis Figueroa pitched the whole game, walking five, striking out three and allowing five hits (all singles). He allowed four runs, but all were unearned.

Coach Webb says he likes to limit his pitchers to 90 pitches and Figueroa got in 80 before the game was called.

While the team gave up four runs to Hot Springs, they were all allowed by avoidable errors, Webb said. Two came in the first inning and two in the fourth.

The Warriors pounded Silver City's JV team Friday, 30-6.

Silver City pitchers were having trouble throwing strikes, so they ended up sticking to fastballs. "Our guys were just stroking it," Webb said.

The Warriors took out Cobre by a 7-3 score. Freshman George Figueroa pitched a seven-inning game and retired the last 14 hitters in a row.

Webb says that may be the only time he sees those kind of pitcher stats this whole season.

RHS plays Artesia's JV team Thursday.

Four freshmen are starters for the Warrior baseball team in its first year of existence. Two of them just moved to Ruidoso this year.

While Ruidoso never had a high school team before, many of the players have organized teams on their own in the past and played in summer leagues in other towns. Many also played in the Ruidoso Little League through age 12.

LINCOLN COUNTY SCRAPBOOK

A glimpse into Lincoln County's past, compiled from local newspapers by Polly E. Chavez.

The Outlook White Oaks April 6, 1905

The report comes from Los Palos that another killing occurred over in that neighborhood recently. This time it is the son of Victoriano Lucero. This kind of thing is getting a little

monotonous and calls for a little vigorous enforcement of law against assassination.

The sheriff at Lincoln received a telegram from Corona yesterday that Jap Clark had shot former deputy sheriff Chase, at that place.

Last Monday at Lincoln Rosario Emilio fatally shot a Mexican girl. The cause was supposed to be jealousy. Emilio was placed under arrest.

Doctor's discovery may end obesity

HILTON HEAD, S.C. -- A doctor has discovered that an ingredient found in a small fruit grown in Asia, combined with an ingredient praised by the U.S. Department of Agriculture can help cause significant weight loss.

In a study published in a prestigious American medical journal, Dr. Anthony A. Conte, M.D. reported that the formula, now called Bio-Max 3000, caused patients to lose more than twice as much weight as a control group on the same fat reduced diet. Neither group was instructed to decrease the amount of food they ate or to increase their exercise levels. An article published in the *American Journal of Clinical Nutrition* confirms that you don't have to reduce the amount of food you eat to lose weight, provided that you limit the fat.

Scientists suggest that the mechanism behind the weight reduction includes decreasing sugar cravings and interruption of the "Krebs Cycle", an important step in the body's fat storage process. "The best part of this unique discovery is that it is not a drug, but a safe dietary food supplement" says Dr. Conte. The Asian fruit, called garcinia, is similar to citrus fruit found in the United States with one big exception-- it may help some people fight obesity! While Dr. Conte's study may be preliminary, the exclusive North American distributor, Phillips Gulf Corp., is calling the Bio-Max 3000 supplement "Nature's Ideal Diet Aid."

According to a spokesperson for the company, Bio-Max 3000 is now available on a limited basis through pharmacies and nutrition stores or call 1-800-729-8446. © 1995 Phillips Gulf Corp. Bio-Max 3000 is available locally at: LONG'S UNITED DRUG 721 Mechem Ruidoso 257-3682

Author's Note: This statement has not been evaluated by the FDA. Bio-Max 3000 is not intended to diagnose, treat, cure, or prevent any disease.

PET CORNER

These pets are currently up for adoption at Lincoln County Humane Society
Call 257-9841

Roxy is a sweet-natured 5.5 month old red heeler mix who was released by her owners, because they could no longer keep her. She's smart, attentive and would be a wonderful family dog. She deserves a loyal owner.

Carlos is a male Australian shepherd with one blue and one brown eye. He was found as a stray in Capitan about four weeks ago. He has lush long black and white hair and is about one year old. He's very affectionate and needs love.

POOP SCOOP

by DIANNE STALLINGS
Ruidoso News Staff Writer

Ever wonder why your cat or dog is smiling?

It could be they are detecting pheromones, the one category of compounds known to cause reactions and behavioral changes in animals.

"As if hundreds of millions of regular odor receptors aren't enough, dogs also have a second smelling system, a pair of pouches near the front of the snout and just above the roof of the mouth called vomeronasal organ or VNO," said Jim Riggins, director of the Lincoln County Humane Society animal shelter on Gavilan Canyon Road. "The VNO is crammed with sensory nerve cells and detects pheromones, which are larger and heavier molecules than odor molecules, and therefore are not detected by the normal smelling system."

A cat senses pheromones by holding its mouth open with a comical sort of expression. The gesture is called Flehmen behavior, Riggins said.

New studies from the veterinary school at Glasgow University show that dogs also exhibit Flehmen behavior, he said. They flick their tongues across the tip of the snout with lips curled back and the front teeth slightly open.

"Pheromones are so accurately read by dogs that some have been trained to detect special types from other species as well," he said.

"Dogs have performed with 87% accuracy in detecting estrus in cattle, a very useful tool to ranchers."

Even more than sight, dogs use a rear-end sniffing approach to positively identify another dog, Riggins said. The ritual is important to dogs because the anal sacks produce complex combinations of chemical secretions that identify each dog as uniquely as fingerprints identify people, Riggins said.

Dogs check the waste of their peers to determine the sex, health and reproductive status of other canines, Riggins said.

"After neutering, a male dog's urine no longer smells male, which we see drastically alter how other dogs react to these neutered males," he said. "There is less hostility, fighting and aggression."

The most distressing and destructive smell-based pet behavior is related to reproduction.

"Male dogs will stop at nothing to find a female in estrus," he said. "I have seen broken down doors, broken windows and dogs seriously injured while wiggling through fences and gates."

"Dogs are for the most part chemically operated. They can't choose to ignore the strong chemicals dumped into their blood streams and nervous systems when certain odors are encountered."

"That's why surgical sterilization is the only safe bet in keeping animals apart."

FAMILY VISION CENTER

Dr. D. Joyce Sonnenmoser
Dr. Anatole F. Gutowski
(505) 257-5029

COSMETIC ADVANTAGES

If you've been thinking about changing from glasses to contact lenses, probably the first thing that came to mind was the cosmetic advantage of contacts. They fit so closely to your eyes no one would know that you are wearing corrective lenses. However, this is just one of the advantages that contacts offer.

Another advantage is that contacts permit a wider field of vision than eye glasses. There is no lens frame to get in your line of sight when you look to the left or the right, up or down. Because they fit so closely, they also present a less distorted and more realistic size in the objects viewed. Contacts have a tendency to allow for more care than glasses, because they must be kept clean and free of irritants. Your eye doctor will instruct you in proper care. If you think you'd like to wear contacts, ask your eye doctor if he or she would recommend them for you.

Looks are deceiving until you get inside this beautiful new home in Ruidoso. High vaulted ceilings, fireplace, bright open living. Decks front and back, unfinished basement gives plenty of storage. Three bedrooms, 2 full baths, whirlpool tub, breakfast bar, laundry room, all appliances. Priced at only \$111,900. Available to see anytime.

SDC, REALTORS®

Life on the Internet

The "Age of the Internet" has arrived, and already it touches virtually every aspect of life — from medicine and religion, to entertainment and publishing. It has affected the way people communicate and how they relate to one another, and has raised sensitive issues of privacy and national security.

In April, PBS presents *Life on the Internet*, a new 13-part series about the World Wide Web and the millions of people who use it every day. Each half-hour episode centers on a single topic, approaching it with depth and focus. Scott Simon of National Public Radio's *Weekend Edition* Saturday hosts.

Life on the Internet presents a personalized tour of the Net, introducing viewers to some of the original navigators of the Web and to individuals whose lives and work have been changed by the Internet: entrepreneurs, doctors, publishers, teachers, musicians, bankers, parents, and children.

In the end, the Internet is a tool. And *Life on the Internet* shows how the Net is being used every minute of every day. For instance, a wannabe movie producer strikes it rich; a high school class tracks an arctic expedition; a mother educates her children; a garage band reaches a global audience; and a church seeks out believers. One person looks for work, while another builds a business. The single common denominator is the Internet.

The series makes the Net accessible to those who are simply curious about it and also appeals to those experienced with the Web. In a world where the Internet is advancing at high speed, *Life on the Internet* tells the stories of today and tomorrow.

Life on the Internet airs Sundays at 6:00 p.m. beginning April 7th. The series repeats Thursdays at 9:00 p.m. beginning April 25th.

Hidden Worlds

Hidden Worlds journeys to 10 wondrous places to reveal some of nature's most obscure treasures. Each half-hour program is filled with beautiful images of some of the world's least known and rarely seen creatures in their natural habitats.

In April, "Nature's Cheats" looks at how some animals use stealth, disguise, and trickery to pilfer. The cuckoo, for example, steals eggs from the nests of other birds and replaces them with its own.

"Poison Dart Frogs" examines a species of rain forest frog that release toxins causing muscle contractions and heart failure.

Next, "Amazon's Ancient Oddities" looks at edentates — sloths, tamanduas, and armadillos — of the rain forest that are almost as old as the dinosaurs.

Coming in May and June, other episodes look at the world's largest lizard, the Komodo dragon; the breeding habits of penguins; the kookaburra and the wallaby; the legless skink, wedge-snouted lizards, and doodlebugs; the secrets hidden in the spectacular landscape of Arizona's Painted Desert; the red colobus monkey found only on Zanzibar; and a haven for thousands of birds of prey in India.

Hidden Worlds airs Mondays at 7:30 p.m. & 11:30 p.m. beginning April 8th.

Channel 3 Television from

Easter

"The Living Lord's Supper," presented annually by The First Christian Church, has become a Ruidoso Easter tradition. The final performance of the fifth annual Living

Lord's Supper will be at 7 p.m. Thursday, April 4, at the church, 1211 Hull Road.

Let Us Break Bread Together

Published by *The Ruidoso News*

Ministerial Alliance ecumenical services

The Lincoln County Ministerial Alliance will again sponsor three Holy Week Services on Wednesday, Thursday and Friday, April 3-5.

The services will be held at Community United Methodist Church at 220 Junction Road in Ruidoso. Each service will begin at noon and will last about a half hour. A light lunch will be served following the service.

On Wednesday, April 3, the Rev. David Jordan, pastor of the First Baptist Church of Ruidoso Downs, will bring the message. The Rev. Bill Yates, Pastor of Trinity Mountain Fellowship, will speak on Maundy Thursday, April 4.

On Good Friday, April 5, there will be a special Holy Week Cantata entitled "The Stations of the Cross" presented by the combined choirs of Community United Methodist Church and The Episcopal Church of the Holy Mount under the direction of Danny Flores.

A special offering will be taken at all services to support the Ministry to Transients sponsored by the Lincoln County Ministerial Alliance. Everyone is invited to attend.

Calvary Chapel grows from Albuquerque

Calvary Chapel of Ruidoso had its beginnings when a group of Ruidoso residents, exposed to Calvary Chapel of Albuquerque through radio broadcasts, requested that students from the Albuquerque School of Ministry visit the area.

As the enthusiasm for a Calvary Chapel ministry in Ruidoso spread, a home Bible study began in the spring of 1993. Within six months, the group had outgrown the homes of its members.

Though few in number, the people of Calvary Chapel in Ruidoso have big ideas about reaching out to the community, as they themselves continue to grow in the Lord.

Who we are

We are a non-denominational fellowship of believers under the Lordship of Jesus Christ. We gather for the purpose of knowing and glorifying Jesus Christ.

Why we exist

The purpose of Calvary Chapel Ruidoso is three-fold:

Upreach: We believe that loving God is man's highest calling and our relationship to Him is our highest priority. All ministry flows out of this relationship, whether inreach (to God's people) or outreach (to the lost and dying world).

Inreach: Being members of a spiritual family, we seek to equip one another for service and to grow to spiritual maturity. The means to that maturity is through large group meetings and small group interaction, where we are trained in the Scriptures which is God's "Handbook of life."

Outreach: Our desire is to go out beyond the "Christian camp" into the world to expand the kingdom of God through evangelism. Jesus told us to "go into all the world," and we believe God has given every Christian a "sphere of influence" in which to make an impact for Christ.

Where you fit in

First, present yourself to God (Romans 12:1) and see if God

has planted you in this fellowship. If so, then discover your gifts and the calling of God in your own life.

Second, study to show yourself approved unto God (2 Timothy 2:15). As you grow in your relationship with God, let Him prepare you for effective service.

Third, commit yourself to the work of Jesus Christ in this fellowship. Get involved as a yielded vessel to do God's bidding anywhere, He directs, saying, as did Isaiah, "Here am I! Send me."

We want to reach out to the Christians of Ruidoso who are not presently attending a local church, through simple, straightforward teaching and preaching to the scripture, in Bible studies, traditional services, and through non-traditional outreaches, such as concerts, movies and youth activities. We are also continuing to strengthen our relationship with Calvary Chapel of Albuquerque, and other Calvary Chapels in the area.

Living Lord's Supper re-enacted

The First Christian Church of Ruidoso cordially invites the general public to a unique worship experience at the Living Lord's Supper.

The 1996 presentation will be made at 7 p.m. Tuesday and Thursday, April 2 and 4 in the sanctuary of First Christian Church, 1211 Hull Road. The Fifth Annual Living Lord's Supper is offered as a Holy Week gift to the community of Ruidoso.

The Living Lord's Supper is a dramatic presentation of the life and ministry of Jesus Christ during the depiction of his last passover meal. Eighteen members of the First Christian will portray various roles including the disciples and Jesus, while 45 members serve as support crew and ushers.

The Living Lord's Supper worship commemorates the heritage of Christianity and is intended to prepare us for the Easter Resurrection Celebration. According to the Rev. Bill Kennedy of First Christian Church, "frequent communication of the Christian message is essential to maintain the fabric of our society."

Angus Church relocates for more room, easier access

Angus Church has had an exciting year. Last Easter the congregation moved into their new facility located at the entrance to the Bonita Park Conference Center. This new location has given them easier access, much greater visibility and more space for their growing congregation.

The Angus Church has been part of Lincoln County since 1916, when

it was located just out of Capitán. The congregation moved to the Angus area in the mid 1970s, where they have been able to attract families from throughout the county.

The pastor, Charles Hail, is a native of New Mexico and has been here for more than nine years, making him one of the longest-term ministers in Lincoln County at this

time. Their services at Angus who is searching or asking questions wanting to find out if Christianity is relevant to his own life. We try to plan our services so that even someone with no church background will be comfortable and can understand our message," Pastor Hail says.

"Our services and messages are not just for the 'already convinced,' but are on a level for the person through a relationship with Jesus

Christ, and that a person can live a God-honoring life with the power of the Holy Spirit. The church is made up of a great variety of people from many church backgrounds who have found Angus Church to be a place where they are accepted, where they can grow in their walk with God at their own pace, and where there is the support of fellow Christians along the way.

Trinity Mountain Fellowship reaches out to community

Trinity Mountain Fellowship, located on Gavilan Canyon Road in Ruidoso, reaches out into the community through worship, fellowship, ministry and training.

Trinity Mountain Fellowship members believe that worship — the expression of love for God — is the highest calling believers have received.

"Our desire is to give God our whole heart in worship, not only on Sunday, but also every other day we live. Our Sunday Celebration begins our week of 'walking in wor-

ship," reads the church's mission statement.

"Worship is to God and for God; therefore, we invite those who attend Trinity to express their love to the Father as the Holy Spirit leads.

"Raised hands, folded hands; bowed heads, unlifted head; kneeling, standing, singing or in the silence of your heart; God seeks those who will worship Him in Spirit and in truth."

Trinity members believe that fellowship is the giving of love to each

other. Jesus told His disciples that healing, deliverance, comfort or encouragement; these are the gifts of the Holy Spirit and His Word transmitted by His people, the church.

"You shall love the Lord your God with all your heart, soul and mind. This is the great and foremost commandment. The second is like unto it. You shall love your neighbor as yourself." Matthew 22:37-39.

Their mission continues in ministry, which is receiving the love from the Father — God's loving answer to the needs of people; whether those needs be salvation, church." In Ephesians 4:11-13, Paul

said, "and He (Jesus) gave some as apostles, and some as prophets, and some as evangelists, and some as pastors and teachers, for the equipping of the saints for the work of service (ministry) to the building up of the body of Christ; until we all attain to the unity of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ."

Everyone is invited to worship at Trinity Mountain Fellowship.

Methodists celebrate 50 years in Ruidoso

Easter is a season of resurrection...coming to life! It is during this season that Community United Methodist Church is celebrating our "coming to life" 50 years ago.

Hazel Kennedy dreamed of a Methodist church among the muddy roads and log cabins of the then-small village of Ruidoso. She was instrumental in bringing Rev. T.S. Barcus up the mountain to begin the work, and on May 19, 1946, 28 persons joined together to become the "seeds" of a new congregation.

Presently, Ruidoso has become a busy resort community offering year-round recreation and the work of many wonderful artists, attracting many persons from across the land to our cool pines. The Ruidoso and surrounding area today is one of the fastest-growing areas in New Mexico.

Community United Methodist Church has grown many times over from that beginning, offering a place of ministry and worship to the full-time and part-time residents of Lincoln County. Visitors during the summer season worship services often outnumber the regular attendee, but all who come find a warm and welcoming congrega-

tion — a "church home away from home."

"We have purchased additional land and are raising funds for a new family center/educational building," explains pastor Craig Cockrell. "We have run out of room for our various ministries, including our day care and Bible classes, and we also hope to expand our sanctuary in the near future."

The "Golden Anniversary" celebration began in January. Several former pastors have returned to preach, and long-time members have been sharing their memories. The celebration will reach its pinnacle on June 9 of this year, when Bishop Alfred Norris of the New Mexico Annual Conference will be here to share in the worship service and to dedicate a commemorative stone that will be laid over a time capsule on that afternoon.

There is something in the heart of every Christian that responds to the first few words of Psalm 121: "I lift up my eyes to the hills. From where does my help come? It comes from the Lord, the maker of heaven and earth!"

God bless us all on the "mountain" this Easter Season!

History of world's largest Protestant church

Lutherans center their faith in Jesus Christ. They represent the world's largest Protestant group. The 58 million Lutherans can be found on every continent. They worship in hundreds of languages. In the United States, there are about nine million Lutherans. They are African-American, Anglo, Asian, Hispanic, and Indian.

Lutherans build their lives on Jesus Christ. They believe Jesus Christ is the only son of God. They believe that Jesus died for them and for every person in the world. Lutherans strongly believe that Jesus rose from the dead and lives for them — and for all people who believe in Him as their Savior. "For God so loved the world that He gave His only Son, that whoever believes in Him shall not perish but have eternal life!" (John 3:16).

Lutherans believe their lives — today, tomorrow and in eternity — depends on Jesus. Lutherans live with a sure hope of eternal life because of Jesus Christ. They know they're not perfect, that they stumble and fall in their daily walk with God. But they also know that their forgiveness has been won and paid for by Jesus Christ and when they repent and seek forgiveness, God will forgive them because of Jesus. "This righteousness from God comes through faith in Jesus Christ to all who believe. There is no dif-

ference, for all have sinned and fall short of the glory of God, and are justified freely by His grace through the redemption that came by Christ Jesus!" (Romans 3: 22-24).

Lutherans are Christians. Lutherans hold beliefs that are shared by many Christians: 1) God is three persons in one: the Father, who created and sustains the world; the Son, who lived as a human being, died and rose from the dead; and the Holy Spirit who works God's will in the world. 2) The Bible is God's Word. It does not just contain God's Word, it is inspired and inerrant. 3) Sin exists in every person. It is the cause of the bad things people do to each other and the cause of all trouble and hardship. 4) Everyone will have existence after death — either in heaven or hell — forever. Being saved comes only by the belief in Christ, "For it is by grace you have been saved, through faith, and this is not from yourselves, it is the gift of God, not by works, so that no one can boast," (Ephesians 2:8-9). 5.) God has a plan to end the world, when He will judge everyone both living and dead.

Lutherans talk about Law and Gospel. The Bible gives the Law, showing God's expectation of people and the terrible consequences for not following His commands. But the Bible also reveals the Gospel — the "good news" of God's love and forgiveness.

Lutherans have other distinctive beliefs: 1) They view Baptism and the Lord's Supper as the means by which God gives His grace. 2) Local congregations are the central community for faith and practice. 3) Christian education is important. 4) They share their faith with individuals. 5) They care about people in need. 6) Their worship style is "liturgical," following the worship form handed down from the early Christian church, and every part is found within the Bible.

Shepherd of the Hills Lutheran Church is a member of the Lutheran Church - Missouri Synod. You are always welcome to join us at 1210 Hull Road in Ruidoso. Our Sunday worship is at either 8:30 or 10:30 a.m., with Sunday School and Bible Class at 9:30 a.m.

Join us especially this Holy Week as we celebrate our climax of Lent with the traditional Passover Meal, a re-enactment of what Jesus and His disciples did that first Maundy Thursday, tying together both the Old Testament and the New Testament. This Passover begins at 5:30 p.m. Thursday, April 4. Worship follows at 7:30 p.m. Good Friday Tenebrae Worship is at 7 p.m. Friday, April 5.

Christ's resurrection will be celebrated on Easter morning at 7 a.m. and 10:30 a.m. Sunday, April 7. Easter breakfast will be served from 8 to 9 a.m., sponsored by the Aid Association for Lutherans. An Easter Egg hunt for the children will be held from 9 to 9:30 a.m. Sunday school and Bible class will be held from 9:30 to 10:30 a.m., incorporating the video: "Passion in Jerusalem — The Easter Story."

You are invited to celebrate your Christian faith with us at any time. For more information, please call 258-4191 or 257-5296.

Ruidoso Word Church has no denomination

Pastor Al Lane has preached the Word of God in an uncompromised fashion at Ruidoso Word Church for over 11 years.

Ruidoso Word Church is off the beaten path, located in the 'heart' of Ruidoso Downs at the corner of Harris and Valley View. The building was built by Ruth Holder and her husband more than 50 years ago, and though it has been remodeled, it retains much of the charm.

Ruidoso Word Church is a non-denominational charismatic church which places a strong emphasis on the teaching of the Word, evangelism, and the gifts of the spirit. We are developing a lending library of books, tapes, and videos available to church members.

Services on Sunday begin at 9:30 with adult and children's Sunday school. Worship services are at 10:45 a.m., and Thursday night services are at 7 p.m.

A prayer ministry of the church invites prayer requests from the community.

We welcome the community to attend Easter services at 10:45 a.m. Sunday, April 7.
