'Video arraignment' plan could cut prisoner transport costs

BY DIANNE STALLINGS
RUIDOSO NEWS STAFF WRITER

Timing may be on Lincoln County's side for inclusion in an early round of a project that could solve part of the county's inmate transportation problem.

County Manager Tom Stewart is working with the state Administrative Offices of the Court to bring video arraignment to the county's magistrate courts in Carrizozo and Ruidoso. He included his report on the county commission agenda for Thursday's

meeting that starts at 9 a.m. in the county courthouse in Carrizozo.

"It's the wave of the future and it's time we get started," Stewart said Tuesday. "It's a big project. I got my bid in early, saying 'look we've got a new jail construction project and it's a chance for you to get in on the ground floor.'"

Pauline Toevs, security project manager, said the state Legislature appropriated \$1 million from the Magistrate and Metropolitan Court Capital Fund to be spent in 2001 to improve magistrate court security.

"Our goal is to have video conferencing in every magistrate court," she said. "We may start out with equipment in a couple of courts for testing and then extend to others after we find out the bugs."

Starting with a facility under construction could be a plus, she said. Courts already in place require the program to work around permanent structures and problems.

The first step is to gather information on what security measures courts have and what they would like to see, then requests for proposals will

be issued to find out the type of equipment available, she said.

She's already spoken to telephone service providers in Lincoln County and fiber optic cable connections are available, ensuring a good connection between the jail in Carrizozo and magistrate courts in Ruidoso and Carrizozo.

Stewart said a room designated for inmate meetings with attorneys in the new jail could double as the video arraignment room for prisoners.

Cutting down on travel time and expense moving prisoners from the

new jail in Carrizozo to courts in Ruidoso and Carrizozo would be a big financial boost for the county, Stewart said.

Once a network is established, judges from other counties could sit in when necessary without leaving their offices, Toevs said.

"We're looking at other court systems around the country to see what's out there so we can make better decisions about what we want in the

Ex-fire chief fights removal

Nick Herrera wants evidence for Downs trustees' action

BY JAMES KAIVELAGE
RUIDOSO NEWS STAFF WRITER

Ruidoso Downs' jilted fire chief wants to contest his termination by village trustees.

Herrera, who was fired three weeks ago, said he has filed a notice of right to appeal with the village.

"We filed notice that we are appealing the termination decision," said Robert Beauvais, Herrera's attorney. "We also want access to all the evidence they didn't give us before." He said evidence to support the termination is the same issue raised during a pre-termination hearing that preceded the village council's dismissal decision.

Beauvais said the Ruidoso Downs code provides for an open appeal hearing at the discretion of the employee.

"Nick has said 'absolutely,' he wants the appeal open to the public," Beauvais said.

But Dan Bryant, the village's legal

counsel, said the village code does not provide for an appeal process in cases where employees are terminated for cause. He said high court decisions, however, indicate a local administrative appeal procedure is needed.

"My position on this is we're going to get together and agree on how this hearing is done," Bryant said. "It may or may not be open."

The village attorney said opening the hearing to the public could create problems for Herrera. While an agreement would provide immunity for Herrera in potential criminal action, Bryant said someone attending an open hearing could be called later as a witness in a criminal proceeding. The district attorney's office has been conducting a criminal probe of the Ruidoso Downs Fire Department.

The village meanwhile may establish a grievance committee that would review such appeals.

Thousands of motorcyclists flock into Ruidoso for 31st annual rally

BY KAREN BOEHLER
RUIDOSO NEWS STAFF WRITER

Up to 25,000 motorcycles of all brands and models are expected to roar into town today through Sunday for the 31st annual Golden Aspen Motorcycle Rally and Trade Show.

Rain, shine or snow, rally organizer Ron Andrews said the show will be bigger than ever, with between 320 and 350 vendors on site at the Ruidoso Convention Center, the rally headquarters, and at Ruidoso Downs Race Track and Casino.

"We're probably going to have another 100 booth spaces more than we've ever had before," Andrews said.

Expect to see everything on sale from leather goods to trinkets, from \$20,000-plus motorcycles to high-tech equipment to mount on those bikes.

This is the first year the event has had vendors outside the Convention Center, but not the first year for participation by the race track.

For the second year, the Vintage Dirt Track Racing Association will

host flat track races Friday and Saturday at Ruidoso Downs.

"What we really are -- we're the seniors tour of pro motorcycle racing," said VDTA president Mike Zbrozek.

Top racers ages 30 and older will be wrapping up the racing season at the Downs Friday and Saturday, weather permitting. Gates open each day at 9 a.m. with practice at 11 a.m. and heat races at 1 p.m. followed by the main events.

Last year's crowds were small because of rain that washed out much of the event, but Zbrozek said those who watched were thrilled.

"People were stoked over what they saw. Just stoked," he said.

Also new at the Downs are a pair of concerts.

Hotel Cantina, an Eagles tribute band, will perform Friday with Steppenwolf strutting its stuff Saturday.

As for the familiar rally offerings, BMW and Boss Hoss will be on site offering factory demo rides, while dealers will be giving demo rides on Hondas, Harleys, Buells and MotoTrikes.

Bikes all decked out for the show will be judged today, Thursday and Friday, and there are two parades: a Night Light parade Thursday leaving the rally site at 8 p.m. and Saturday's parade starting at 10 a.m. at Furr's on Mechem.

Anyone who wants to show off their two-wheelers, and the public is invited to line the streets to watch the display.

"Anyone who wants to participate can ride in the parade if they show up in the parking lot between 9 and 10 a.m.," Andrews said.

Bob Duffy will be back with his stunt and safety show Friday and Saturday at the Convention Center parking lot and daily poker runs will offer chances to cruise the area roads and win prizes.

Area residents are invited to check out the show tonight.

The Chamber of Commerce and local restaurants will host a free hospitality night from 6-7:30 p.m. today for locals, giving the non-motorcycle-riding public a chance to see

Bear likes his food cold

BY DIANNE STALLINGS
RUIDOSO NEWS STAFF WRITER

As Sally DeBruyn climbed the stairs from her basement to the first floor of her home in Upper Canyon Friday, she heard a noise in the kitchen and saw that the refrigerator door was open.

She called out, "Who's there?" and was shocked to see a huge black bear bolt from the kitchen.

"I was stupefied. It took me a few seconds to scream," DeBruyn said. "He leaped over the buffet and dove for the screen door. He left claw marks in the wood as he scrambled to get out."

She still was trembling an hour after her 3 p.m. encounter.

DeBruyn and her husband, Dick, have vacationed at their home on Perk Canyon Road for 22 years and this is their first up-close encounter with the furry bruns.

"We'd seen them at dumpsters before, but we never feed the bears. We know better," she said. "He had both the freezer and re-

frigerator doors open. When he got outside, Dick came out and he was 20 feet up on the back hill, sitting and looking at us."

They called the emergency number, 911, because the bear appeared to be heading for some other homes and the DeBruyns thought he might try to break in again. Ruidoso police officers responded, but the bear disappeared into the woods.

"He seemed very comfortable," DeBruyn said. "He was a mature bear. He was taller than the refrigerator."

Her husband repaired the screen frame, which "just crumbled" as the bear dove through, she said.

"I have paw prints on my pretty blue carpet and claw marks on the buffet," she said. "My grandchildren will get this as a reminder."

"I can laugh about it now, but it was dangerous and scary. I'll recover and we can fix the claw marks, but people need to be aware of the danger. They should leave the bears alone and not feed them."

Tularosa bank theft suspect doesn't get far

BY DIANNE STALLINGS
RUIDOSO NEWS STAFF WRITER

A Tularosa bank robbery suspect was arrested in Mesalero as he left a restaurant, a spokesman for the Tularosa Police Department said Monday.

The U.S. Attorney's office declined to prosecute, because no weapon was used in the robbery. "He just walked in and told the teller he wanted all the money in the drawer," the spokesman said. The case was referred to

Tularosa authorities, who charged Raymond Hernandez, 54, with robbery, conspiracy to commit robbery, receiving or disposing of stolen property and tampering with evidence. He is being held in the Otero County Detention Center in lieu of \$250,000 bail.

The department received an emergency 911 call from First National Bank at 4:27 p.m. Thursday and Officer Phillip Bevers responded, according to a spokesman.

"We had a good description from the tellers and other witnesses," the spokesman said. "The teller also managed to put a dye packet in with the money and it exploded as the man was crossing the parking lot. He dropped some of the money at the scene and then got away in a pickup truck heading east."

A conservation officer working for the Bureau of Indian Affairs on the Mescalero Apache reservation noticed a

pickup fitting the description issued by police parked at Old Road Cafe and notified the New Mexico State Police.

Two officers were dispatched and Officer Sal Beltran arrested Hernandez without incident as he left the restaurant. Hernandez listed his address as Tularosa.

The bank reported \$2,717 missing. The spokesman was unsure how much of the money was recovered.

courts in New Mexico," Toews said. "We're trying to work as quickly as possible. We have one year to encumber the money."

Other items included in Stewart's manager's report to commissioners include:

• On Aug. 22, he conducted a tour of flood-damaged roads in the Gavilan Canyon/Lower Eagle Creek area with a representative of the U.S. Army Corps of Engineers to determine the county's eligibility for two corps restoration/rehabilitation programs.

While on the tour, the representative noticed a potential violation of the federal Clean Water Act and sent an enforcement

officer down to the county on Aug. 31, Stewart said.

Companies working on the highway construction projects used their excess dirt to fill an arroyo behind an RV park, but had to go back in and remove the dirt, Stewart said.

Arroyos fall under the Clean Water Act because they are natural drainage areas and the water if classified as "the water of the United States" even if it's on private property, Stewart said.

• Of 11 elected officials and citizens attending a meeting Aug. 31 on the possible consolidation of dispatch services in DeBaca, Guadalupe, Lincoln and Torrance County, no one spoke in favor of the idea, Stewart reported. The meeting was

chaired by Bill Harris of the state Department of Finance and Administration.

• Stewart lauded Jerry Watts, president of Accent Fire Safety Associates in Albuquerque, the firm selected to design the sprinkler system for the New Horizons building in Carrizozo used for a residential program for the developmentally disabled.

"He has adopted the installation as a civic project and he is coordinating a donation of most, if not all, of the materials," Stewart said. "This will save the state legislative grant of \$85,000 considerable. His services of about \$8,000 combined with an estimated labor cost of \$20,000 is a significant savings over the last bid of \$105,475, which we rejected."

HERRERA: Whether the hearing is open or closed remains an open question

Continued from page 1A

"They would consider, answer the question 'Is the administrative action supported by substantive evidence?'" Bryant said. "It would be an opportunity for a balanced and independent review."

Beauvais said he would rather have an uninterested, non-village-connected person review the issue in the Herrera appeal.

"We have a date of Oct. 17 for the appeal," Bryant said. "Now we have to agree on a process. I'm confident we'll find

a way to handle the appeal process."

Bryant anticipated the post-termination review would be somewhat more formal than the pre-termination hearing that Herrera declined to attend. Herrera was terminated by the village council on Aug.

28, three days after the hearing conducted by Mayor Bob Miller.

Beauvais said before asking for a judicial review of the village's decision, Herrera must exhaust administrative remedies. That includes the municipal appeal process.

what the hoopla is all about.

For those wanting to participate in the rest of the rally, Andrews said, all the events are covered with one fee.

"The nice thing is, if you register for the rally, then you get into the races for free," he said. "If you buy a day pass at the rally, you get into the races for free. If you buy a day pass at the race track, it gets you into the convention center. One fee gets you

everything."

The American Motorcycle Association-sponsored rally, with support from the Christian Motorcycle Association, opened at 3 p.m. Tuesday and will run through 2 p.m. Sunday.

No contest in Mirabal case

BY DIANNE STALLINGS
RUIDOSO NEWS STAFF WRITER

Over the objections of the victim's family, the man charged with shooting to death John Mirabal on Aug. 22, 1999, in Ruidoso, pleaded no contest Friday to two fourth-degree felonies.

Pete Louis Noce entered the plea to involuntary manslaughter, with a firearm enhancement, and tampering with evidence.

The basic sentence for a fourth-degree felony is 18 months in prison and a \$5,000 fine.

District Attorney Scot Key said last week he understood the family's distress that Noce wasn't tried for murder, but the evidence didn't support that charge.

Noce was accused of killing Mirabal during a

scuffle in the parking lot of the victim's condominium following a dispute over Mirabal's girlfriend. Noce, who was living in the Hondo Valley, was arrested days later in Silver City.

Noce's friend, Jack Stepp, who owned the 9 mm. Barrett pistol used in the incident, told Ruidoso police that he hit Mirabal with a flashlight while attempting to pull him off Noce during the argument, according to court records.

The Las Cruces man pleaded no contest to aggravated battery with a deadly weapon, a third-degree felony.

The basic sentence is three years in prison and a \$5,000 fine.

A pre-sentence investigation was ordered by Judge Jerry Ritter of the 12th Judicial District in Alamogordo. No date was set for sentencing.

Glencoe-Palo Verde firemen's record of concern to county

BY DIANNE STALLINGS
RUIDOSO NEWS STAFF WRITER

A lack of response to emergency calls by Glencoe-Palo Verde volunteer firefighters needs to be "fixed" and Lincoln County Manager Tom Stewart said that's just what he intends to do.

Stewart said he's willing to work with Glencoe volunteers, but he is aware of the liability for the county if they fail to show up to fight fires. That's something he can't ignore, he said Tuesday.

Glencoe Fire Chief Angel Chavez, one of the founders of the Glencoe-Palo Verde Volunteer Fire Department 12 years ago, said that for the last three years, it's been tough to find volunteers who are not working or have jobs that allow them to leave to fight fires.

County officials need to

help recruit more volunteers or work on some other solution, he said.

In a letter to Chavez dated Sept. 14, Stewart wrote that he's received "numerous" complaints that the volunteer department isn't responding to calls and that he suspects regular meetings are not being conducted and equipment is not being maintained.

"The county may very well be experiencing liability for your department's failure to respond in a timely fashion," Stewart wrote.

He noted that he is considering recommending the department be dissolved or reorganized, and asked Chavez to attend the county commission meeting, which begins at 9 a.m. Thursday at the county courthouse in Carizozo.

Ray Merritt for SHERIFF

Lincoln County
Qualified-Professional

My name is Ray Merritt, an independent candidate for Sheriff of Lincoln Co. As an independent candidate, I will be a Sheriff for all the people of Lincoln Co., not for one political party, but for all residence of the county, no matter what political affiliation they have. These are some of the things I will do different from the current administration as your sheriff.

• We will have a full service Law enforcement agency, our duties will include around the clock coverage & everything from minor traffic to felony investigations. "Yes we will certainly handle traffic accidents."

• I will not allow a supervisor in my office to tell any employee that if they see a school bus slide off the road on Angus Hill in a snow storm not to stop and give assistance because that is "State Police" responsibility and the reason the State Police wouldn't respond to the call is because a sheriff's dept. employee was already on scene. Note that this was an unexpected snow storm and there were accidents all over the county, and the school bus was loaded with children.

• I will not allow a deputy in my office to investigate a superior for alleged wrong doing. I will turn it over to an outside organization so there is no question of impropriety. NO ONE IN MY OFFICE WILL BE ABOVE THE LAW.

• There will be full cooperation & communications with all law enforcement agencies, to assure maximum service and safety for all the people of Lincoln Co. This will include sub-stations in Hondo Valley & Corona areas with the support of the State Police.

• I will not allow dispatchers to make decisions whether to send a deputy to a call or not. And I will not allow a dispatcher to tell the calling party that they are 45 minutes away at Indian Divide and it's not a deputy's duty to baby-sit. I will not allow a dispatcher to laugh at a calling party from Old Ft. Stanton Rd. area when she calls in stating that her husband was almost run down, while taking a walk, by someone racing up and down the road.

• I will have communications with the public on a regular basis and will form a Sheriff's Advisory Board made up of residences from throughout the county. The public will not have to wait for an election year to see their Sheriff. I will be a working Sheriff and do the job, the people elected me to do. I will do that job for 4 years and if the people think I've done a good job, they will ask me to run for office again. I'm not in this for the retirement. I'm in it because I like the work and want to enhance county law enforcement.

• I will work for my employees to see that they receive proper salaries by spending budget money wisely on equipment, supplies and not spending funds wastefully on fancy artwork on Sheriff's office vehicles.

• I will give the men and women of Lincoln Co. the opportunity to apply for available positions within their Sheriff's Dept. I will strive to effectively train all employees to better serve our customers, you the people of Lincoln Co.

• I will believe the jail should come under the Sheriff's Dept. because it will save the county taxpayers' money.

Sentencing Oct. 12 for dog owner

BY JAMES KALVELAGE
RUIDOSO NEWS STAFF WRITER

A renewed sentencing date has been scheduled for a pit bulldog owner whose animal bit three people and killed a pet after entering a Ruidoso home last month.

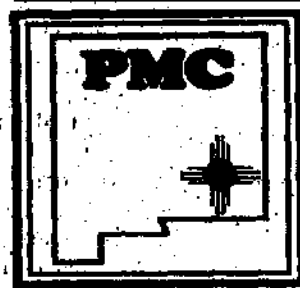

The rescheduled sentencing hearing was established by Ruidoso Municipal Judge Michael Line after the defendant appeared in court last Friday, a day after the originally scheduled sentencing hearing.

Reginald Scott, who had lived in Ruidoso and now resides in Alamogordo, had initially been ordered to pay \$3,332.50 in restitution and had a bench warrant issued for his failure to appear on Sept. 14. Those decisions have been set aside.

Line said Scott's no-show was not intentional. "I think he just got his dates mixed up."

The judge approved Scott's motion for a rehearing, setting a new sentencing hearing for Oct. 12.

Your rates have not.

Your new phone company is VALOR Telecom!

• **Your phone bill has a new look.** When you receive your first phone bill from VALOR Telecom, you'll see a few differences. You'll notice that the bill has a new look, with some charges and fees titled differently and found in different sections than you're used to. Rest assured, your telephone rates haven't changed! The charges and fees on your VALOR Telecom bill are the same as they were on your previous bill—just different titles in different places. The new bill format will be easy to read and easy to understand once you have become familiar with it.

Here is some additional information to keep in mind as you read through your first statement from VALOR Telecom:

- **Regulated charges** are now referred to as Basic Service charges. **Non-Regulated charges** are now referred to as Optional Service charges.
- **Your September bill may arrive later than normal.** If you typically receive your local bill in the first part of the month, your new VALOR Telecom bill will arrive later. This is due to the initial transfer and loading of records into VALOR Telecom systems. Your October and following bills should arrive on normal dates.

OUR OPINION

Finally, a crack in the village wall

When the Robert Donaldson administration took over in Ruidoso it appeared that suddenly there was a wall around Village Hall that nothing could breach — not to mention locks on certain doors.

Nearly every issue that came up, it seemed, was proposed by the mayor, rubber-stamped by the elected council members, and variously became an ordinance or a bond issue proposal to go before the voters (who objected).

What went on behind the wall seldom was evident. Village Manager Alan Briley presumably reported to the council — or at least the mayor — and the wheels of the village bureaucracy quietly rolled along. Garbage was collected (if not pine needles), streets were repaired, traffic signals were ordered, fences were built...

Fences? Well, a \$40,000 fence was built around a concert site next to the airport using money earmarked for the airport, and the bureaucracy didn't bother to inform the village council, and now the Village Hall wall is breached and a good many people are beginning to understand that bad fences do not make good politics.

LETTERS POLICY

The *Ruidoso News* encourages letters to the editor, especially about local topics and issues. Each letter must be signed and must include the writer's daytime telephone number and mail address. The phone number and mailing address will not be printed; the hometown will be. The telephone number will be used to verify authorship. No letter will be printed without the writer's name.

YOUR OPINION

Joni Mitchell knows

To the editor:

I am writing this letter in support of Mark Waltermire's (letter).

As a child of the 60s I can remember Joni Mitchell singing "Big Yellow Taxi" and watching all my old haunts fall to parking lots. Over the last 18 years I have watched Ruidoso go through the same growing pains that my New York home town suffered.

Myself, I escaped to Nogal, but a town has its roots.

My questions are, have we waited too long to save a "green spot" in town? Is there enough water to save for a few trees and some grass? Would it not have been a "bitter" contrast to have green grass and trees in town in the midst of a Phase 4 water restriction this spring? Would a "community well" sign have eased the pain?

This is an ideal time to take pause and contemplate the future of our mountain oasis in the cool pines that we all escaped to so many years ago.

As Joni sang, "You don't know what you got till it's gone..."

Is someone killing dogs?

To the editor:

Is someone killing dogs in Ruidoso?

Upon returning from a short vacation, I recently

learned of several animal deaths. Two separate families lost their dogs to poisoning with anti freeze; another was let out of its pen and killed. Accidents or deliberate deaths? Barking dogs? That is what dogs do to let you know there is someone around, either human or animal. True a barking dog can disturb your sleep, but what if that dog wasn't barking and someone was trying to get into your home? I would prefer the barking! Let's be a little more tolerant and more observant of who might be poisoning your neighbor's dog, it might be that human who wants to break into your home; he might be eliminating your protection.

Unlawful ordinance

To the editor:

The Ruidoso city council in an attempt to regulate used car sales has deliberately violated our rights secured by the First Amendment; they gave themselves the authority to tell private citizens what their for-sale signs must say.

It gets worse. If the sign does not have the correct "government" information you will be subject to citation.

One doesn't have to think long to understand that if the government can control what a citizen may say on his private sign, the government can also control what your bumper sticker can say or what comes out of your mouth.

In these days and times as our society suffers from an overdose of big government we are handed yet one more pill to swallow. This one is particularly bitter.

Which one of the Bill of Rights will they go after next? Guns, or maybe our right to a trial by jury, who knows?

If I have to sell a car in Ruidoso, it will have a "might sell" sign on it, thus avoiding the restrictions of the unlawful ordinance.

A shameful situation

To the editor:

It seems a shame that a facility that has served a community as well as the Lincoln County Medical Center has ... should have to be fighting constantly for its right to continue.

And, I hate to think that lawyers might decide the law would put a health care facility on the same level with any other business where it is more important to save a dollar than save a life. How can a system be expected to give its best to an area if it doesn't know from one year to the next if it will be allowed to continue?

I'm not at all sure that I would be alive today if it were not for the LCMC emergency room. It was a PA in there who spotted something that my doctor had not. The PA didn't try to treat the problem

himself, but got me entered in the hospital and notified my doctor, who got me "straightened out."

When a friend took me to the emergency room that Friday evening it was extremely busy. In spite of how sick I was, I could not help appreciating the quiet, professional way the staff members went about taking care of each person as though that individual was the only one there.

It was in that emergency room that they discovered a heart problem; and I'll be eternally grateful for the efficient and compassionate help I got there when I had a couple of episodes before the cardiologist from Albuquerque got it under control.

So — I do hope the people of Ruidoso and the rest of the county will continue to support their hospital and stop all the political efforts to change it — and vote for the mill levy.

Three Stooges found?

To the editor:

Our local cable company has been showing those Three Stooges movies over and over again and they're driving me crazy! Just the other day I'd swear that three of those guys I saw repaving the repaved road on highway 70 were Curly, Larry and Mo.

GUEST COMMENTARY

Neither Gore nor Bush will mess with Greenspan

BY STEWART TRUELSEN
AMERICAN FARM BUREAU FEDERATION

Presidential candidates Al Gore and George W. Bush don't agree on tax cuts or government spending levels, but they seem to agree on this: they aren't going to mess with Federal Reserve Board Chairman Alan Greenspan if elected.

Greenspan's name frequently comes up when Republicans and Democrats argue over who should take credit for the current economic prosperity. Vice-presidential candidate Dick Cheney believes credit should extend back to President Reagan, who first appointed Greenspan. The Democrats credit President Clinton and remind us that he re-appointed Greenspan this summer to his fourth term.

In their book *Words that Move the World's Markets*, the *Greenspan Effect*, authors David B. Sicilia and Jeffrey L. Cruikshank discuss the powerful effect that Greenspan has

on the economy and world financial markets. They have collected many of his comments and statements, including those about agriculture. Unfortunately, there is nothing Greenspan has said about agriculture that would raise commodity prices. Even if the "Greenspan effect" were applied to farm commodity markets, it might not be good. The authors claim his words, more often than not, have a negative effect and make the stock market go down.

What Greenspan has said about farming is that farmers have been unable to share in the nation's increasing optimism and wealth. "The very strong growth of our domestic economy has contributed in only a limited way to the expansion of demand for farm products. Consumers, especially in affluent countries, do not boost spending on food nearly to the same degree that their incomes rise," said Greenspan.

Because of the limited

potential for expansion of domestic demand, Greenspan concludes that the farm sector is "critically dependent on demand from abroad." He blames weakness in the Asian economies for the most recent drop in farm exports. "But clearly, our farm sector stands to gain, perhaps appreciably, when more favorable economic conditions finally emerge," he said.

Greenspan also is watching technology changes in agriculture and looks favorably upon precision farming and biotechnology. He thinks they will lead to greater efficiencies and lower production costs, but may contribute to structural changes in agriculture. "The new technologies seem destined to integrate farming operations more tightly into our complex modern economy. This integration does not necessarily impinge upon family farming as a way of life, but it does alter the image of the independent farmer that

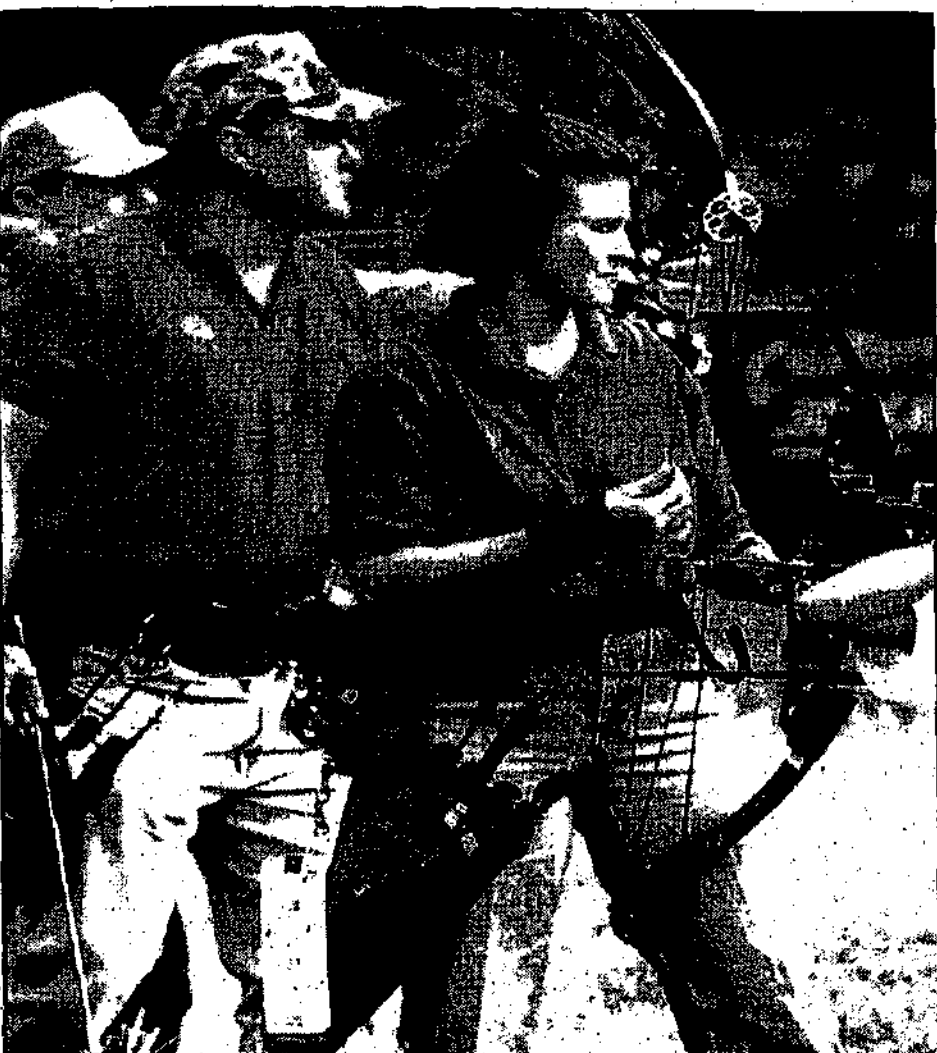

remains so deeply rooted in the American psyche," he said.

As with all things, Greenspan is cautious about the farm future and has indicated the financial side needs to be monitored more closely. "The near term may be challenging for farmers and their lenders, especially if farm prices remain depressed, and the technical changes that will be helping innovative producers may even add to the stresses being felt by higher-cost producers," said Greenspan.

Farmers have been mildly critical of the Fed chairman because of his eagerness to raise interest rates to slow the economy. But the authors of this book say Greenspan is a sympathetic and informed partner of farmers.

And it appears he will be around awhile.

Bow shoot series scheduled for Ruidoso

Camouflage Magazine to sponsor five events for aficionados of bows 'n arrows that will benefit kids

BY DIANNE STALLINGS
RUIDOSO NEWS STAFF WRITER

Sharpen those arrows and flex those arm muscles for "The Haunting," the first in a series of five 3-D Bow Shoots sponsored by Camouflage Magazine in the Ruidoso area.

Scheduled for Oct. 28-29 at Cedar Creek Camping Area in Ruidoso, the meet will raise money for summer camp scholarships to benefit children from Ruidoso and Capitán. Organizer Bobbi Graham, publisher of Camouflage Magazine, hopes the event with swamp Ruidoso with archery enthusiasts.

"I targeted the off-season for these events," Graham said.

The first competition put together by Graham was staged in August at Bonito Lake and drew 98 competitors primarily from Texas, Colorado and New Mexico. The proceeds went to the Make A Wish Foundation, she said.

The competitions are a

way for young people or adults to receive their first exposure to archery and the types of equipment on the market, she said.

The national tour drew about 3,000 people to Tucson, Ariz. Graham said she's looking for a 35-acre site suitable to schedule the finals of the tour in the Ruidoso area in the future.

The shoot will begin both days at 8 a.m. and will wind up Saturday at 2 p.m. and Sunday an 10 a.m. Scorecards must be turned in by 2 p.m. Sunday.

Competitors will shoot 40 targets Saturday or Sunday or can use both days to shoot the range. Cash prizes will be awarded to adults. Trophies will go to the younger classes.

Continuing the series, "The Turkey Strut" competition is set for Nov. 19, "The Reindeer Rut" for Dec. 10; the "3-D Mania" for Jan. 28 and "The Four Wheelin' Bear" for Feb. 18. All meets will be at Cedar Creek.

Competitors automatically are entered into a donation drawing for Yamaha's new Big Bear 400 four-wheeler to be given away Feb. 18.

Each person entered for the full tour will have five chances to win. Otherwise tickets are \$20 or six for \$100.

Registration fees are \$10 for peewee, cubs and youth classifications, \$15 for non-competitive categories and

\$25 for all other classes.

"We have many supporters, but three who have been there to help encourage us all the way are the Lee Cattle Co., Pub 48 and Wal-Mart," Graham said.

ASPHERIC LENSES ...
for high plus and high minus prescriptions

If your prescription for farsighted (plus) correction causes the center of your lenses to bulge out of your frames and gives you that "bug-eyed" look, you should know more about aspheric lens design. Optical scientists have designed a lens that uses a different type of curve. These aspheric lenses are much slimmer and lighter. By reducing the center thickness of the lens, this design will magnify your eyes much less than conventional lenses. Best of all, you will see better through them, especially when you look to one side or the other.

Prescriptions that correct for nearsightedness (minus) often have thick edges which adds both bulk and weight to lenses. The aspheric lens design results in a thinner, lighter lens and significantly improves peripheral or side vision.

Aspheric lenses, whether for nearsighted or farsighted correction, provide a much more attractive solution than conventional lenses. Come by Family Vision Center, 159 Mescalero Trail and see our Aspheric Lens Display or call 257-5029 to speak to an optical technician.

FUNERALS DEATHS

L. H. 'Alex' Adams

Visitation for L.H. "Alex" Adams, 83, of Ruidoso, will be from 3-5 p.m. today at LaGrone Funeral Chapel. Funeral services will be at 3 p.m. on Thursday at the First Christian Church, with Dr. Jim Smith, pastor, officiating. Burial will follow at Forest Lawn Cemetery.

Mr. Adams died Tuesday, Sept. 19, 2000, in Ruidoso. He was born May 17, 1917, in Shamrock, Texas.

He moved to Ruidoso in 1975 from Midland and Muleshoe, Texas, areas. He was a member of the Masonic Lodge for more than 50 years, the Elks Lodge, former member of the New Mexico Home Builders Association, past president of the New Mexico Manufactured Housing Association and owned and operated the Holiday Home Sales and developed the Del Norte area in Ruidoso. He was a member of the First Christian Church.

He married Clay Jernigan in 1955 in Canyon, Texas.

Survivors include his wife, Clay, of Ruidoso; grandchildren Lisa Beddo of San Diego, Calif., Lori Zinnacker of Austin, Texas, Xan Pilgrim of Forest, W.Va., seven great-grandchildren; sisters Pat Nolan of Midland, Texas, and Ethel Bussanmas of Littlefield, Texas. He was preceded in death by a son, Jody.

The family requests memorials to Hospice of Lincoln County, 119 El Paso Road, Ruidoso, NM 88345.

Arrangements are under the direction of LaGrone Funeral Chapel of Ruidoso.

Mildred Hawkins

Graveside services for Mildred Timm Hawkins, 82, will be at 11:30 a.m. at South Park Cemetery in Roswell.

Mrs. Hawkins died Friday, Sept. 15, 2000, in Albuquerque.

She was born Aug. 9, 1918, in San Francisco, Calif.

She grew up in San Francisco, daughter to George and Anna Timm and sister of Paul Martin Timm.

She once said that Dec. 4, 1943, was the happiest day of her life, because she married her one and only love, Joseph Samuel Hawkins, at the Post Chapel at the Presidio in San Francisco. They moved to Roswell in 1943 and subse-

quently to Ruidoso in 1949, where they owned and operated the Ruidoso Gas Company until 1966. In 1966, they moved to Albuquerque.

Survivors include her sons, Timothy John, and his wife, Mary; Joseph Martin and his wife, Carol; grandchildren Thomas Hawkins, Robert Hawkins, Elizabeth Hawkins and Paul Hawkins.

She is preceded in death by her husband, Joseph Samuel,

and daughters, Dorothy Jane and Joanna Lee.

She loved blue skies of New Mexico; cooking, entertaining, sewing, robing, roses, songs from the '40s, chocolate milk shakes, fried zucchini and her little dog, named Annie.

Big rocks weapons of choice in string of business break-ins

BY JAMES KALVELAGE
RUIDOSO NEWS STAFF WRITER

Police in Ruidoso and Ruidoso Downs are probing a series of business break-ins or attempted break-ins, involving large rocks used as tools.

Two near-neighbor fast food restaurants were vandalized during the overnight hours of Sept. 14 and Sept. 15. The drive-thru window at McDonald's, at 144 Sudderth Drive, was found broken out and opened, apparently through the use of a large rock. The restaurant was entered and the manager's office gone through. It appeared there was no other damage or any items missing. Police took pictures of shoe prints in the felony case.

At the nearby Sonic Drive-In, at 102 Horton Circle, a large rock was used to break a sliding window. A police report indicated a patrol check five minutes earlier showed nothing out of place at the restaurant, leading the second patrol officer to believe would-be burglars had been scared off. Shoe prints in the Sonic criminal damage to property crime were photographed.

A rock was apparently used to break a window at the Conoco Gas Station on Sudderth Drive during the early morning hours of Sept. 14. A police patrol noticed a severely cracked front door window at the station and then discovered a rear window had a hole in it, with a rock on the inside of the building that had apparently struck the glass front door. Entry was not made to the business, prompting Ruidoso police to categorize the the case a criminal damage to property.

Several days earlier the drive up window at Tastee Freez, at 340 Sudderth Drive, was broken out by a piece of asphalt thrown through the glass. The broken window allowed someone to enter the business. Taken from the restaurant was \$90 in change, according to a police report.

The burglar(s) exited the Tastee Freez through a rear door. Nothing else was reported missing. The Ruidoso Police Department's Criminal Investigation Division is reviewing the case as a third degree felony burglary as well as misdemeanor larceny and criminal damage to property.

In Ruidoso Downs, police said a similar modus operandi was used in an attempted break in at Cortez Gas on U.S. Highway 70. A shattered glass plate was discovered by an employee who arrived at work shortly after 7 a.m. on Sept. 12.

Juvenile accused

A Ruidoso Downs juvenile

has been accused of aggravated battery with a deadly weapon, criminal trespass and eight traffic violations. The 15-year-old was allegedly riding a motorcycle on Sept. 12 at River Lane and Parker Road in Ruidoso Downs when he drove onto private property, ran over the foot of a child and hit a dog. Ruidoso Downs police, who said the motorcycle was not street-legal, later released the boy to the custody of his parents.

Noisy upset at library

Ruidoso police were called to the Ruidoso Public Library on Sept. 15 on a report of a disorderly person. The man, 20,

who said he did not want to relinquish a computer terminal after an allotted time, allegedly became verbally abusive and told a library employee and a law enforcement officer that they were fired. Ruidoso police returned the man to his home.

Woman in custody

A Ruidoso woman was taken into custody on Sept. 17, charged with felony child abuse and misdemeanor battery to a household member. Bonnie

Kerr, 33, allegedly became verbally abusive to a woman, 65, and two juveniles at a Socorro Circle residence. A police report said Kerr wanted to take a child from the residence, though a court order had given custody to the older woman. Kerr allegedly tried to drag the child, 6, from the home when another child, 14, intervened. Police said the 14-year-old had scratches to the mouth, forearm and neck as well as a torn shirt. Kerr faces two counts of third-degree child abuse.

Gas station burglarized

Sometime between 9 p.m. on Sept. 10 and 4:30 a.m., the following morning a back glass window was broken out at the Conoco Station, 400 Sudderth Drive. A money bag, containing currency and checks totaling \$1,549.89, was taken from the business. Nothing else was believed taken and nothing else was disturbed, according to a police report. Photographs of footprints in the alley behind the gas station.

A Match Made in Ruidoso

They met by way of the Pet Page. Mr. Halladay offered a home with a large fenced yard. Buddy offered companionship and unconditional love.

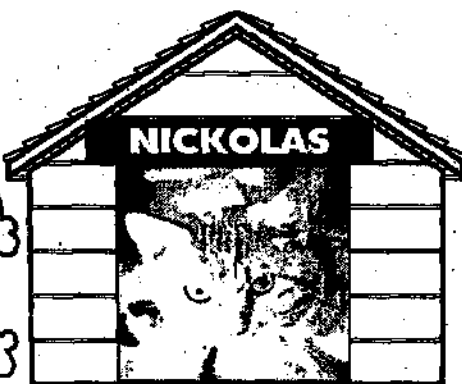

Mr. Halladay lost his beloved wife, Shirley, of 50+ years last year after a long illness. While no pet could replace Shirley, Buddy can fill some of the void and loneliness. It has taken a few weeks to develop a mutual trust as Buddy twice bolted through the open yard gate only to stop and be brought back from the next block. Now she will sit by his chair while he reads the Ruidoso News.

Mr. Halladay who is a life long resident of Ruidoso and in fact a retired City employee saw two issues of the pet page before he decided to look for himself. At the Humane Society shelter he wavered between an Australian Heeler and the Siberian Husky. The Husky won out, as she seemed to smile and stay calm while the others barked a lot.

Thanks to the sponsors of the Pet page for this successful adoption and many others in the past year. Starting now we will try to update you on which pet was adopted on last month's pet page.

Bulldogs bite Warriors big time

BY KAREN BOEHLER
RUIDOSO NEWS SPORTS EDITOR

Artesia ran roughshod over Ruidoso Friday, taking a 42-7 gridiron victory in the Bulldog Bowl, but Warrior coach Rodney Webb said the game was a learning experience.

"We're a better team because of it," he said. "The reason we had them on our schedule this year was not anything other than they're going to make us better. And they did. They made us better and they made us realize some of the things we need to work on and they also made us realize some of the things we're pretty good at. If you have success in any facet of the game against those guys, you're pretty

good at it."

The Warriors sacked Bulldog quarterback Brian Henderson three times, and held Artesia to minus 4 yards rushing. Although the Dogs are known for their throwing, Webb said their running game actually accounts for 40 percent of their offense, which says a lot about the Warrior defense.

Offensively, Jose Linares scored the only Warrior touchdown, in the second quarter.

Linares had a 39 yard run to the 4, took a bootleg pass to the 2, then ran in on an option pitch.

Jesse Anderson, who's perfect this year on extra point attempts, sent it through the uprights for Ruidoso's last point.

The Warriors actually hung with Artesia until late in the second quarter.

With about four minutes remaining in the half, the score was 14-7. The Bulldogs pushed through to score, then Ruidoso threw its only interception of the night, which Artesia took advantage of to score again.

"It just got away from us, right before the half was over, and you're not going to come back from a 28-7 deficit against Artesia," Webb said. "Basically, the second half was, let's get better at what we do."

The Warriors did work on their running game.

While Ruidoso only had 44 snaps the entire game, the Warriors ran 23 times and threw 24. And they did what they set

out to do.

"(Artesia) controlled the ball very well," Webb said. "Our goal going into it was to eliminate the big play, and we for the most part did that. We didn't give them lots of long bombs. But they are very good at executing and they hit us underneath all night. So they controlled the ball all night."

With Artesia behind them, Webb said he's looking forward to the rest of the season.

"It's put up and shut up time for us. I don't want to be judged based on the Artesia game," he said. "We've gotten through the tough part of the non-district schedule. We're getting healthy and chomping at the bit to get on with the rest of the schedule."

Warriors, Deming go to the volleyball mat

BY KAREN BOEHLER
RUIDOSO NEWS SPORTS EDITOR

Ruidoso, a AAA team, and Deming, a AAAA squad, went toe to toe Saturday in Ruidoso with two volleyball teams, so evenly matched it looked like no one would triumph.

But after five grueling games, the Wildcats finally prevailed, taking a 15-8, 12-15, 15-12, 9-15, 18-16 victory.

Even in the last rally-scoring game, neither team could get an advantage.

First one team led, then the other. The Warriors (2-4) missed two points on service errors, but Deming hit into the net at a crucial point late in the game.

The teams tied at 10-all, 12-all, 14-all, 15-all and 16-all before the Cats finally managed to put two consecutive points together to earn the win.

Ruidoso coach Fran Webb said she could only see one dif-

ference in the games.

"The first game, we couldn't get our blocking," she said. "We were having a hard time getting blocks. We got a lot better at that and that was a lot of it. They started hitting out. Our blocks still weren't there, but they were hitting out."

Deming coach Ken Leupold said his team's victory was due to little things.

"Just one ball here and one ball there," he said. "We were a little more aggressive at the end and I think that's what did it for us. I was very pleased the way they played."

Webb felt the same way.

"We just played really well as a team," she said. "They did too. They did an excellent job playing as a team, and it was just down to who made the last mistake, pretty much. I don't know if there was much of a difference. It was two good teams, I think."

Warriors get tested vs. Santa T

BY KAREN BOEHLER
RUIDOSO NEWS SPORTS EDITOR

Santa Teresa showed why it's the No. 1 soccer team in the state Saturday, out muscling the Warriors 5-2 at Horton Stadium.

While Ruidoso coach Dave Anderson wouldn't outright blame the officials for the loss, he did say the Warriors weren't treated equally.

"Santa Teresa's an excellent team," he said. "I'm not going to blame the refs for what happened, but I talked to the Santa Teresa kids after and they even admitted they got a much better deal than we did by the refs. They said the refs wouldn't call the same thing against them that they did against us."

Anderson got so upset at the calls — two of which resulted in scoring penalty kicks for Santa T — that while he said he didn't lose his temper, he did question the officials' calls. That led, one after another, to a yellow card and a yellow-red, sending him

out of the game and into the stands.

"The reason I got upset is because one of our kids was taken down by the (Santa Teresa) goalie," Anderson said. "He definitely did not play the ball, he played the person. He didn't get a card. The goalie should have been carded. Santa Teresa admitted it. Our kids were getting hurt under those circumstances."

Anderson said he knew the team would be in good hands under assistant coach Cory Hood, and hoped his getting ejected would fire the squad up.

Apparently it did, as just minutes after the ejection, Solomon Barnett sent a picture perfect pass to Ryan Blackman, who sent the ball past goalie Jorge Montalvo and into the net.

Ruidoso also had its biggest offensive drive late in the game, with a flurry of activity in front of the Desert Warrior net, but couldn't score.

The first Warrior goal came seven minutes into the second

half, when Manuel Medrano took a pass from Barnett to score.

Santa Teresa coach Josie Francis said she always expects a tough game in Ruidoso.

"They're a good team," she said. "We know whenever we come to Ruidoso it's always going to be a good game. It's always an even game."

Despite the loss, which he called "a very good test," Anderson said his team will be going to state.

"This let us know where our strengths and weaknesses are," he said. "We filmed it. We're going to sit down and watch it. We're going to study it and we're going to find out how to come back and beat these guys. And we're going to try to do it on their court."

Ruidoso's junior varsity girls (1-6) opened the Saturday soccer doubleheader with a 6-1 loss against the Desert Warrior junior varsity.

Both teams face Mayfield Saturday in Las Cruces.

It's close but no cigar for Tigers

BY KAREN BOEHLER
RUIDOSO NEWS SPORTS EDITOR

Lady Luck just wasn't smiling on Capitan Friday.

The Tiger football team just missed on numerous occasions in Hagerman, leading to a 41-6 Bobcat win.

Capitan (2-2) had a good first quarter against the No. 1-ranked Cats, holding them to minus 26 yards. But things changed in the second.

"We let a pass get completed and they scored right at the beginning of the second quarter," Tiger coach Ed Miller said. "And it was just kind of a topsy turvy situation from then on."

Although the Tigers tried to score, they consistently missed by mere feet.

"In the first quarter, we had

the ball down inside the 30, and couldn't punch it in. Then again, right at the end of the first quarter we took the ball and got it back down on the 8 and couldn't punch it in right before the half," Davis said. "We got so far and we have trouble getting completely over the hump."

The only Capitan score came when Joel Armendariez made a 75-yard kickoff return in the third. That made the score 21-6, but Hagerman went on to tally three more TDs on the night.

Davis attributes the loss to still not being quite ready at some positions.

"I still think we've got some guys we've got to keep working with and get them in the cor-

rect position defensively," he said. "Offensively, I feel we can compete with anybody. Right now, we're having a lot of problems on defense. We've got kids who are not in the right positions. We're trying to see where we can put these kids in positions that will click."

And if it's Lady Luck the Tigers have to deal with, Davis thinks that will turn around as well.

"Two or three other times, we were there," he said. "It's just right now, things aren't falling right for us. Well, it's going to get to where it falls for us. It's going to. These boys will get it. They'll turn it around. I believe in them."

Capitan will have another tough match Thursday when the varsity squares off against Artesia.

Chiefs not there vs. Panthers

BY KAREN BOEHLER
RUIDOSO NEWS SPORTS EDITOR

MESCALERO — The Chiefs didn't come to play Friday.

After starting their six-man season last week with a close loss against Dell City, Texas, Mescalero (0-2) was a two-point favorite to beat Lake Arthur.

But the Chiefs were somewhere other than the football field, letting the Panthers run to a 54-6 mercy-rule win.

"They sure didn't come to play," coach Roland Bradford

said of his squad. "The fundamentals — we didn't play. We were out there arm tackling. We were losing our feet. We were playing out of position. We weren't reacting to the football. I don't know. We just didn't mentally get ready for this game and that tremendously hurt us."

Mescalero's highlights were few and far between.

Late in the first quarter, Raymond Bigmouth took the ball on a handoff and ran almost

CARRIZOZO — Carrizozo's Grizzlies played host to Tatum Friday, but the Coyotes weren't very good guests, shutting Zozo down 20-0.

Tatum scored the first touchdown of the game, causing the Grizzlies to wake from hibernation. Carrizozo then went on an offensive rampage, shooting for the end zone. But the long drive came to a screeching halt as the ball was fumbled and turned over to Tatum. The half ended with Tatum leading 6-0, leaving the Grizzlies disturbed. Even with the Grizzlies

fired up they couldn't top Tatum.

"We had a terrible week of practice, and we played this game like we practiced," said Grizzly head coach Pat Ventura.

The Grizzlies came back out in the second half fighting to score, but were unable to produce.

"We made a lot of mental mistakes," Ventura said. "We need to do fundamental work."

The Coyotes would score in the third quarter making the score 14-0, and again fighting to the end zone in the fourth.

Both Capitan and Mescalero continued to improve in cross country Saturday. But a Mescalero runner ran into some bad luck while on the course that cut into the team score.

Chief Warren Sago was leading the junior varsity race at the Carlsbad Invitational about a mile into the 3.3 mile course.

Capitan coach Zale Woodward watched the young runner head up C Hill.

"I've never seen anybody go up that hill as effortlessly as him," the Tiger coach said of the Mescalero runner. "I was real impressed."

But when Woodward got back to the finish line, his own runner, Tyler Haughness, was in the lead.

"Sago finished about sixth or seventh and I was shocked," Woodward said. "I thought, 'What happened?' He just looked so strong."

Woodward said he

assumed Sago had faded, but found out from Haughness that Sago had taken a wrong turn along the course.

"I feel so bad (for Sago)," Woodward said. "I was glad Tyler won, but that was a shame."

Haughness led Capitan to a second-place finish, the best so far for the Tigers, while even with Sago's miscue, Mescalero finished fourth.

Armand Nicolet finished fourth for Capitan, Kurtis Lee 17th, John McGrath 19th and Britt Ventura 32nd.

Ventura, whose father coaches football at Carrizozo and who is built more like a linebacker than a runner, has been key to the team's success, Woodward said.

"No one has improved as much as he has," the coach said. "We really appreciate his efforts. As he's gotten better, the team scores have gotten better. If it wasn't for Britt, we wouldn't be scoring as a team."

Capitan's girls also picked up the pace Saturday.

Randi Goss finished sixth and Jessica Castenada seventh. A Roswell runner separated the two coming into the finish, but Castenada put of a burst of speed to nip her at the wire.

"The girls did well," Woodward said. "I was really pleased they attached the hill and gutted it up to the top."

Overall, Woodward was pleased, and intends to move two of his runners up to varsity next week.

Haughness and Nicolet will run varsity, while Lee, McGrath, Ventura and new eighth grader, Kyle Booty, will continue to run junior varsity.

"It was a real enjoyable weekend. The kids did well," Woodward said.

Ruidoso frosh rally over Mescalero

BY KAREN BOEHLER
RUIDOSO NEWS SPORTS EDITOR

Ruidoso's freshman had a chance to show off against a varsity volleyball team Thursday when they faced off against Mescalero, taking a 15-2, 6-15, 15-4 win.

"They are a really good group of girls," said Ruidoso coach Jennifer Johnson. "They have a lot of good fundamental skills and they play tough and play to the very end."

The two teams met earlier in the season, with the Chiefs taking that win. But Thursday Mescalero was missing Alice Tahito to an injury, subbing

instead freshman Charlotte Tahito.

"They're kind of overcompensating for her, to make up for her," said Chief's coach Ardena Orosco. "Getting adjusted to someone new on your roster kind of throws you off a little bit. They're not quite sure where they should be or what they should do. You could tell they weren't quite sure where they should go."

Jeana Hendrickson served eight points for Ruidoso in game one, while Chief Sasha Aragon came close to that in game two, tallying six straight before missing on a service error. Erika Lugo and Kelly

Pellman combined for 10 straight for Ruidoso to end the final game.

Orosco was just pleased to get the experience, which she said will help the Chiefs come district.

"I told them, 'Don't dwell on the losses.' All it's doing is helping us get a little more experience for the district games," Orosco said. "I told them they came to play and they had fun and that's the whole point of volleyball."

The Chiefs traveled to Alamogordo Saturday, where they fell to Community Christian 15-1, 15-8, 15-11. No other details were available.

Tigers run hard at Roadrunner Tourney

BY MATT WARREN
FOR THE RUIDOSO NEWS

Thursday and Saturday, the Capitan Tiger volleyball team enrolled in the Roadrunner Tournament in both Dexter and Hagerman. Capitan faced Loving the first round of the tournament, defeating the Falcons in four games, 9-15, 15-6, 15-1, 16-14.

"I'm proud, the girls did really well," said Tigers head coach Sherry Gowen.

That sent the Tigers to the second round, where they faced the Fort Sumner Vixens, who defeated Tatum in first round action. The Vixens took the

first game 15-10. The Tigers then came back, winning the second game 15-4. But the Tigers lost their edge, giving the Vixens the third and fourth games, 15-7, 16-4.

"We had chances to beat Fort Sumner, we just couldn't use them," said Gowen.

From the loss, Capitan went on to play a consolation game against Jal for third place in the tournament. The Tigers played four games against Jal, winning the first two games 19-17, 15-11. Jal then came back and beat Capitan in the third game 15-6, with Capitan taking the final game 15-5.

By defeating Jal, Capitan took third place in the Roadrunner Tournament.

Jal, Fort Sumner, Dexter, and Cloudcroft all did great in the tournament. They were all real competitive. We did really good for a young team," said Gowen.

Capitan will host the Capitan Classic Volleyball Tournament Friday and Saturday. Guests of the tournament will be San Jon, Elida, Carrizozo, Cloudcroft, Animas, Magdalena, and Aztec. Pool play games will begin at 1 p.m. Friday with tournament games beginning at 6 p.m. Saturday games begin at 10 a.m.

'ZOZO: Grizzlies get no respect from Tatum

we need to keep the ball off of the ground," Tatum head coach John Wootton said.

Both teams were plagued with fumbles, making most of the game an all out battle for the ball. Carrizozo's Lane Dixon caused two of Tatum's fumbles. Freshman Clinton McNatt started at quarterback and did "a good job," amassing most of 'Zozo's yards. The Grizzlies were missing Bryan Bartz, who was out of town on family business.

Rusty Klein and Art Castro tallied all the Coyote points.

Carrizozo squares off in the district opener at 7 p.m. Friday in Mescalero.

Corona netters earn win vs. Panthers

BY KAREN BOEHLER
RUIDOSO NEWS SPORTS EDITOR

Corona's volleyball team had a tough weekend at the BVC tournament in Estancia, falling in all three matches, but the Cardinals did come close again vs. district foe Vaughn.

After falling to Temple Baptist 2-15, 8-15, 6-15 and Alamo Navajo 2-15, 4-15, 6-15, the Cardinals won the

first two games against Vaughn, 15-11 and 15-6. But the Eagles came back in games three and four, taking 15-4 and 15-11 wins over Corona, forcing a decisive game five.

In the rally scoring game, Corona came close, but Vaughn took the win, 15-9.

"The girls played good, but they were really over-matched," said Corona athletic director Karen Seely, who

was subbing for coach Rick Gage. "I was proud."

Monday, the Cardinals faced Lake Arthur at home, earning their third win of the season 15-9, 15-9, 15-1. No other details were available.

EDUCATION BRIEFS

Ruidoso High School
homecoming events set

Hawaiian is the theme for Spirit Week, Sept. 25-29, with Thursday set aside to wear Hawaiian clothes. Friday will once again be reserved as the traditional Blue and Gold Day. Monday is Crazy Hat and Crazy Socks Day, Tuesday is Class T-shirt Day, and Wednesday is Movie Day (each class will have an assigned movie).

From 9:50-11:30 a.m. on Friday, the Student Council will put on the Homecoming pep rally in the high school gym. The class will decorate the gym and seat students in their assigned sections.

The rally features the presentation of the 2000 Homecoming court, crazy games, skits and lots of cheering.

The big game against Saint Michael's High of Santa Fe kicks off at 7 p.m. Friday, Sept. 29. During the halftime show, featuring the 24-Karat Gold Band, the RHS Drill Team and RHS cheerleaders, there will be the presentation of the 2000 Homecoming Court.

Homecoming Court senior representatives are Thatcher Hampton, Kristi Ensor, Ben Lundquist, Keely Barnett, Nathan Stanaland, Eva Reyes; juniors Joshua Romero and Regina Scott; sophomores Nick Fajardo and Sarah Wirth; and freshmen Jeremy Landrum and Lexi Hall.

The Student Council hosts the Hawaiian-themed homecoming dance. Decorations will be set to echo the feeling of a Hawaiian atmosphere. This dance is for high school students only and will be from 9 p.m. to midnight at the Ruidoso High School Gym. Admission is \$3 per person or \$5 per couple.

Freshman enrollment
at ENMU increases

Officials at Eastern New

Mexico University report that first-time freshman enrollment for the fall 2000 semester is up by nearly 8 percent, from 509 to 548.

The preliminary enrollment figures, as of Sept. 1, for the 2000 fall semester for the Portales campus is 3,606. This compares to a head count of 3,634 the same day one year ago, but more students are expected to register for workshops and off-site instructional television courses.

Also, students fighting forest fires have been given until Sept. 22 to register.

"With enrollments down at so many institutions around the country, we are very pleased that our freshman enrollment is increasing," said Danny Earp, acting university president. "We believe this is an indication that students are recognizing the advantages of enrolling at Eastern New Mexico University."

New dean at ENMU-R

Judy Armstrong, Ph.D., associate dean of planning and instructional support and director of the Developmental Studies Department at Eastern New Mexico University-Roswell, was selected as the new dean of instruction on campus.

Armstrong is co-owner of ARMTTEL, a business telephone systems company in Roswell and writes a weekly library column for the Roswell Daily Record.

She is a consultant-evaluator for the North Central Association of Colleges and Schools accrediting organization and most recently was chosen as the first recipient of the ENMU Chester Haughwaut Exemplary Human Relations Award.

Other awards include the 1996 Amigo Award from the New Mexico Library Association and the Governor's Award for Outstanding New Mexico Women in 1993.

For a Capitan High senior, it was

A Capital
adventure

BY SANDY SUGGITT
RUIDOSO NEWS STAFF WRITER

Capitan senior Jerrod Stierwalt went to Washington, D.C. this summer to participate in the Presidential Classroom's Science, Technology and Public Policy Program, a civic education program established in 1968.

Along with more than 300 other high school juniors and seniors from all over the country, Puerto Rico and Guam, Stierwalt spent the week of June 18-24 meeting government leaders and learning about the democratic process first hand.

"The city was awesome," Stierwalt said. "The architecture was awesome and the people were real nice—didn't give you a hard time."

The students attended seminars led by U.S. Secretary of Health Donna Shalala on science and technology in the 21st century and by Sen. Barbara Boxer on science and technology issues facing Congress, among others.

The highlight of the trip, Stierwalt said, was "going to see the president and meeting the president from Morocco" at a White House welcome ceremony, "meeting congressmen and senators, touring Washington monuments and attending a Senate meeting and seeing what they do and how they act."

Stierwalt said he found it interesting to see how the senators get bills passed and "help people out by listening to what they need."

Stierwalt also had the opportunity to meet and chat with Sen. Pete Domenici of New Mexico.

Teams of 30 students each researched an issue and made presentations on the last day of the program.

Stierwalt's team researched genetic engineering and took a position against human cloning, he said. He and his team-mates talked to congressmen, read international newspapers and researched on the Internet.

"I don't think it's that good an idea," he said of human cloning. "Everybody will be the same; the world will be not a fun place if everybody's the same."

The students visited the Tomb of the Unknown Soldier and watched the changing of the guard, and Stierwalt was impressed by how the guards sat for an hour without moving a muscle. The students visited the Smithsonian Museum of Natural History and the Space Museum, the National Security Administration and the FBI Headquarters, and sat in on a session at the House of Representatives.

"I'm not sure what they were debating," he said, "but how they do it is interesting. ... They get up, get mad and guys try to calm them down. ... It's not what I'd like to sit and watch for several hours, but while I was there, it was pretty interesting."

Stierwalt roomed with students from Michigan, Louisiana and Hawaii, and was exposed to their viewpoints on government and other things, he said.

Each evening after dinner at their hotel in Georgetown, the students talked about what they'd done during the day and how they liked it. This was followed by a "crossfire" seminar on current government and technology

issues on Monday, Wednesday and Friday, and then students would debate the issues.

Days were packed with sight-seeing, meetings and research activities from 7 a.m. until 10:30 p.m., and Stierwalt said he and his roommates often stayed up late talking.

Stierwalt said he was chosen for the program because he was listed in Who's Who Among High School Students. He said his grandmother helped out with the plane ticket.

"Other classmates (at Capitan High School) got invited," he said, "and they didn't follow through. I told them it's worth the money and while to meet new people from all around the world."

The rest of the summer, Stierwalt worked in communications in Gypsum, Colo., with the New Mexico Incident Management Team fighting fires.

Stierwalt wants to be a fighter pilot for the Navy and is applying for an ROTC scholarship. He learned from the Presidential Classroom that contacts will help him get in the Navy, and how important it is to develop good relationships. The congressmen know who I am, he said, and when applying for scholarships, he plans to try to use one of them for a recommendation.

Let the Games Begin!

Sydney's Super Olympics

OLYMPIC DATES:
SEPT. 15-
OCT. 1

Get ready, get set, go!
Sydney, Australia, is ready for the record-setting XXVII Summer Olympic Games.

AUSTRALIAN SHAPES ARE IN THE LOGO!

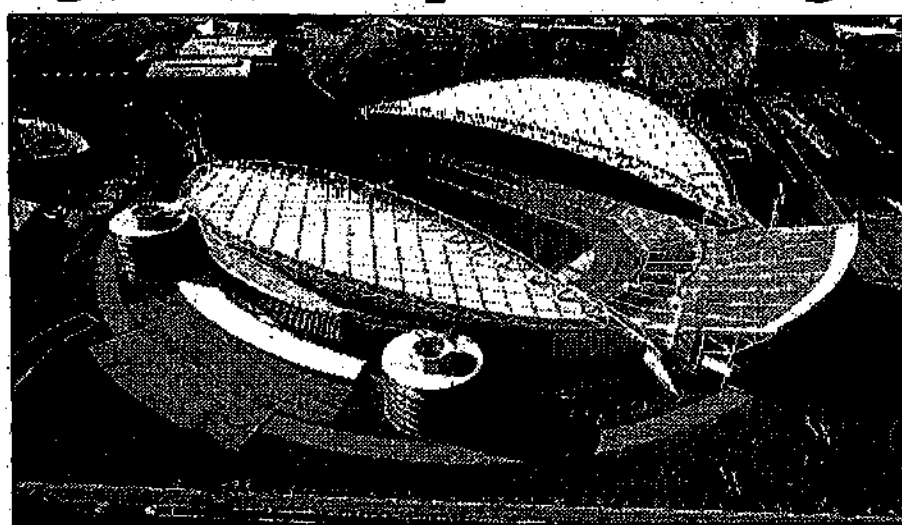

The wavy flame stands for the Opera House.

A boomerang makes the running athlete's arms and legs. Boomerangs remind us of the Aborigines, Australia's first inhabitants. The sun's rays and rock remind us of the continent's landscape.

Boomerangs

Aborigines threw wooden boomerangs in games and as hunting and fighting weapons. Some lighter boomerangs return to the sender. The heavier ones usually do not.

Largest Olympic stadium

Stadium Australia in Olympic Park is the largest Olympic stadium ever built. The opening and closing ceremonies, athletic events and men's soccer finals will take place here. It seats 110,000 fans.

Largest Olympic Games in history

- 10,200 athletes
- 5,100 officials
- 28 sports
- 640 sessions
- 300 gold medal events

Two new sports

- **Taekwondo:** Athletes use their hands and feet against opponents.
- **Triathlon:** an event that includes swimming, cycling and running.

Four new events have been added to official sports: trampoline and synchronized diving for men and women; pole vault and hammer throw for women.

ONE LOCATION FITS ALL!

For the first time in the history of the Games, the athletes and officials will be able to live in one location, the Olympic Village. Many will be able to walk to the site of their competition.

One restaurant in Olympic Village can seat 5,000 people.

The 2000 Paralympic Games

Meet Lizzy, mascot for the Paralympic Games. The model for Lizzy is the frill-necked lizard.

© 2000 2000

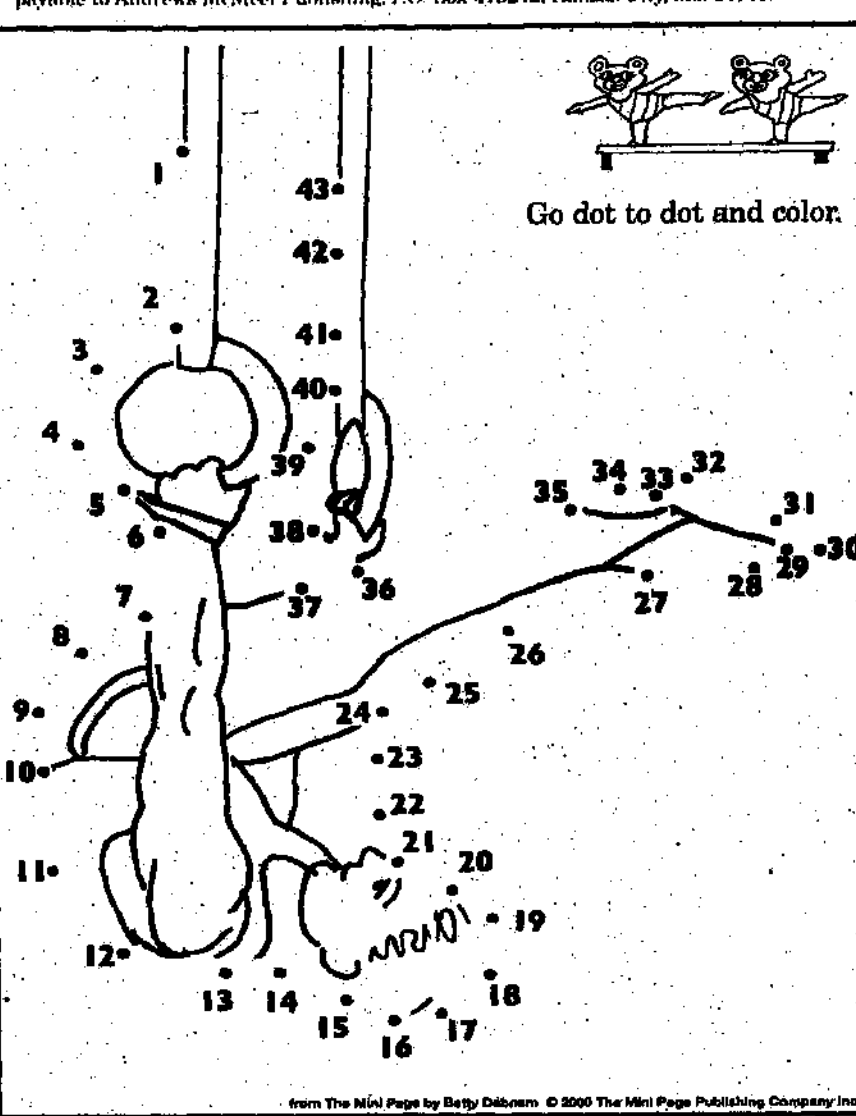

The Paralympic Games for athletes with disabilities will be held Oct. 18-29. Athletes will compete in 18 different sports.

The Olympic torch

The Olympic Torch was lighted in Olympia, Greece, on May 10. The torch has three sections representing earth, fire and water.

The Mini Page thanks the Embassy of Australia for help with this story.

The Mini Page Book of Presidents features a black-and-white picture of each president, along with such information as dates of birth and death, dates served as president, political party, signature and important achievements. It also features stories about the president's Cabinet, political terms, and a visit to the White House. To order, send \$4.95 plus \$1.50 each for postage and handling. Send only check or money order payable to Andrews McMeel Publishing, P.O. Box 419242, Kansas City, Mo. 64141.

MIGHTY FUNNY PHONICS

It's fun to learn phonics, or the way letters sound. This week's target sound is the one made by the SL blend, as in sled.

John: Last night, I counted to 26,589.
Angie: Then did you go to sleep?
John: No, then it was time to get up!

Q: What do you call someone who snores?
A: A sound sleeper!

Q: How do you make a slow runner fast?
A: Don't let him eat for several days!

Go on an SL word hunt. What other words can you find using the SL blend? What sound do you hear?

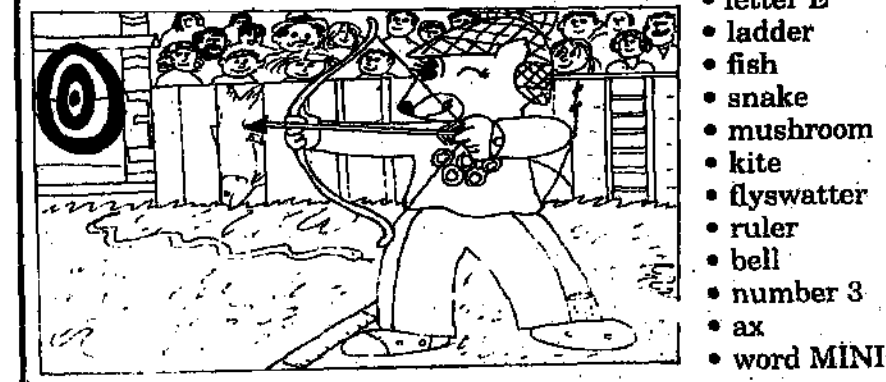

OLYMPIC SPORTS TRY 'N FIND

Words that remind us of Olympic sports are hidden in the block below. Some words are hidden backward or diagonally. See if you can find: OLYMPICS, GAMES, SWIMMING, DIVING, GYMNASTICS, HORSE, WRESTLING, RUN, JUMP, THROW, WIN, RACE, TRACK, BOW, ARCHERY, ARROW, BALL, WIN, BOAT.

Can you find the pictograms, or sports symbols?

Write the number next to the sport on the list.

- ☐ 1. Archery: Arrows can travel more than 150 mph.
- ☐ 2. Athletics: made up of 44 track and field events.
- ☐ 3. Badminton: the world's fastest racket sport. The shuttlecock travels as fast as 200 mph.
- ☐ 4. Baseball: Players can use aluminum bats if they wish.
- ☐ 5. Basketball: U.S. men's and women's teams are made up of pro players.
- ☐ 6. Boxing: the only Olympic sport with a maximum age limit (32 years).
- ☐ 7. Canoeing/Kayaking: In kayaking, seated paddlers use a double blade. In canoeing, kneeling paddlers use a single blade.
- ☐ 8. Cycling: three events: mountain biking, track racing and road racing.
- ☐ 9. Diving: two types: one from a 33-foot-high platform that does not bend; another from a 10-foot-high board that springs.
- ☐ 10. Equestrian: three events: show jumping; dressage, where each horse and rider perform the same movements; and a three-day event combining cross country, dressage and jumping.
- ☐ 11. Fencing: The first fencer to score five hits (touches) is the winner.
- ☐ 12. Football: Also called soccer, it's the world's most popular team sport.
- ☐ 13. Gymnastics: Gymnasts perform on apparatus and do floor exercises.
- ☐ 14. Rhythmic Gymnastics: Women athletes use ribbons and hoops.
- ☐ 15. Handball: Each team has six players and a goalie.

- ☐ 16. Judo: Each contestant tries to throw the opponent on a mat.
- ☐ 17. Field Hockey: No players except the goalkeeper are allowed to touch the ball with their bodies.
- ☐ 18. Modern Pentathlon: five events: shooting, fencing, swimming, riding and cross-country racing.
- ☐ 19. Rowing: two types: sweep (with both hands on one oar) and scull (two oars, with one in each hand).
- ☐ 20. Sailing: eight different races with different boats.
- ☐ 21. Shooting: Shooters aim at still and moving targets.
- ☐ 22. Softball: The ball is larger than a baseball. For women only.
- ☐ 23. Swimming: 32 different events, including four strokes: freestyle, butterfly, backstroke and breaststroke.
- ☐ 24. Synchronized Swimming: also called water ballet. For women only.
- ☐ 25. Table Tennis: second most popular sport in the world.
- ☐ 26. Tennis: both singles and doubles are played.
- ☐ 27. Volleyball: played indoors with six people per team.
- ☐ 28. Beach Volleyball: played on sand with two people per team.
- ☐ 29. Water Polo: teams tread water and can use only one hand.
- ☐ 30. Weightlifting: two types: snatch (weightlifter lifts in one continuous lift), and clean and jerk (he or she lifts to the shoulders and then overhead).
- ☐ 31. Wrestling: divided into 10 events based on weight.

LEGAL NOTICE

LEGAL NOTICE OF PUBLIC AUCTION SALE OF PERSONAL PROPERTY FOR DELINQUENT PROPERTY TAX

Notice is hereby given that, pursuant to the provisions of 7-38-53 thru 59, NMSA 1978, the Lincoln County Treasurer will offer for sale at public auction beginning on September 26, 2000, at 10:00 a.m. at the County Courthouse in Carrizozo, New Mexico, the following described personal property, the sale to continue until all the described property has been offered for sale.

THE TERMS OF THE SALE ARE AS FOLLOWS:

1. A sale property made under the provisions of 7-38-35 thru 59, NMSA 1978 constitutes full payment of all delinquent taxes, penalties and interest that are a lien against the property at the time of sale, and sale extinguishes the lien. The property is sold subject to

600 LEGALS

the lien for property taxes for the year of the sale, provided those taxes are not yet delinquent. The buyer at the public auction, or his successor in interest will be liable for those property taxes when they become due.

2. The description of the following personal property is designed to permit the identification and location of personal property, by potential purchasers, or taxpayers. The Lincoln County Treasurer warrants no title to properties purchased at public auction sale.

3. Section 7-38-74 NMSA 1978, prohibits officers or employees of the State or ANY of its political subdivisions engaged in the administration of the property tax from directly or indirectly acquiring an interest in, buying or profiting from any property sold by the County Treasurer for delinquent taxes, except that an officer or employee may purchase property sold for delinquent taxes if he is the owner of the property and was the owner of the property at the time the taxes became delinquent. Any officer or employee violating Section 7-38-74 is guilty of a fourth degree felony and shall be fined not more than five thousand dollars (\$5,000.00) or imprisoned for not less than one year nor more than five years, or both, and he shall also be automatically removed from office or have his employment terminated upon conviction. A personal property sale in violation of Section 7-38-74 is void.

4. Successful bidders are required to make payment in full of the amount bid before leaving the premises on the day of the sale. Payment is required to be by money order, certified check, cashier's check or personal check which is accompanied by bank letter of credit for the amount of or in excess of the amount of the personal check drawn to the order of the Lincoln County Treasurer.

5. Upon receiving payment of the personal property sold, the Lincoln County Treasurer shall execute and deliver a certificate of sale to the purchaser. The certificate of sale transfers all the former property owner's interest in the personal property as of the date of the sale. The purchaser takes the personal property free of any unrecorded or untitled interests unknown to him at the time of sale.

6. The sale price of the personal property at this public auction sale is not to be taken or considered as being the value of the property for property taxation purposes.

7. All persons intending to bid upon property are required to register and obtain bidders numbers from the auctioneer and to provide the auctioneer with their full name and address. Certificate of sale will be issued to registered names only. Conveyances to other parties will be the responsibility of the buyer at

600 LEGALS

auction. Persons acting as agents for other persons will register accordingly and must provide documented proof as being a bona fide agent at the time of payment for property.

8. The auctioneer reserves the right to withdraw from sale any of the properties listed below; or to sell only a portion of any of the properties listed below. If any dispute arises between or among the bidders, the auctioneer's decision with respect to the dispute is final, and the auctioneer may auction the property again, in his discretion. The auctioneer reserves the right to reject any and all bids. The personal property listed below may not be sold for less than the listed minimum price.

POOP SCOOP

BY DIANNE STALLINGS
RUIDOSO NEWS STAFF WRITER

As I was photographing a Dalmatian this week at the Lincoln County Humane Society shelter, I thought of a new movie set for release at Thanksgiving.

Disney's "102 Dalmatians," a sequel to its 1996 feature film, will be in theaters for the holiday.

Officials with the Humane Society of the United States are worried that the breed will suffer the same buying mania that followed the first film.

"The movie will undoubtedly score high marks with children for its cute cuddly portrayal of dalmatian puppies," said Geoff Handy, HSUS director of communications and campaigns. "However, in reality there is a downside to this silver-screen success. The movie may ultimately lead to thousands of dalmatians ending up homeless."

The HSUS cautions against impulse purchases of dalmatian puppies this fall and winter. Months after the release of "102 Dalmatians" in 1996, animal shelters saw an average of 25 percent increase in intake of dalmatians - the fall-out from moviegoers wanting a puppy like the ones they saw in the film, he said. They would relinquish the dog later, when they realized the commitment needed to care for the animal.

The HSUS recommends buying a stuffed animal after seeing the movie as a better alternative.

"Yes, dalmatian puppies are adorable, fun and lovable on screen, but the movie doesn't show the real life responsibilities that go along with dog ownership," Handy said. "Dalmatians can make wonderful pets, but they are among the most active and challenging breeds."

The HSUS created a Web site called "What's Wrong With Disney's 102 Dalmatians," to give information about the dalmatian dilemma. Click on www.hsus.org/dalmatians.

The newly launched site contains information about whether a dalmatian is the right pet for a family or single owner.

The site includes an educational flyer that can be downloaded or ordered from the HSUS, along with information for activists on how to distribute the flyers at local theaters.

A packet of 100 flyers can be ordered for \$1 online or by sending a check or money order to the HSUS, Dept. DAL, 2100 L St. NW, Washington D.C. 20037.

On the Web site, viewers can watch "Real" streaming media PSAs for television and radio, featuring Bob Barker, available from Media Partners for Pets.

Other educational information includes what you should know about dalmatian breed and facts about the inhumane practices by puppy mills, the likely source of many of the dalmatians that will show up in pet stores after the movie's release, Handy said.

Pet Corner

These pets are currently up for adoption at Lincoln County Humane Society

Leo is one of the longest residents of the shelter. A two-year-old neutered male with a gorgeous red coat, he's friendly, well-mannered and an excellent family dog.

Maestro, an adorable male poodle/Chihuahua mix, is about two years old. The five-pound dog, most of it his big heart, came in suffering from puncture wounds.

PSYCHIC PREDICTIONS FOR THE NEW MILLENNIUM

Judith L. Christopher

Week of Sept. 15-21, 2000

Virgo: (Aug 23 - Sept 22)
Things will start leveling out now. Don't let yourself get in a rut. Take what you have learned and use it for the good.

Someone else needs your love and attention - NOT your opinion - your love and attention.

Gemini: (May 21 - June 20)
 "Giddy-Up-Go". You don't have time to stop and wonder what's going on. You have to make it work for you now.

Libra: (Sept 23 - Oct 22)
New beginnings with old friends. You're on the right road. A good time to think about your future and your hearts desires.

Aquarius: (Jan 20 - Feb 18)
Things around you are changing. This is a good time for you to make your move. Just be sure what you really want.

Cancer: (June 21 - July 22)
Other people may have a plan for you. It doesn't mean it's the right thing to do. If in doubt - DON'T!

Scorpio: (Oct 23 - Nov 21)
Now, Now — remember to think first and speak last. Let others have their say. Then you will know what to say and do.

Pisces: (Feb 19 - March 20)
Watch what you say about
other people. What you say
and do will come back 10-
fold!! A time to reflect.

Leo: (July 23 - Aug 22) Your sensitive nature could be tested. Be prepared to stand back, look and listen, and THEN take action.

Sagittarius: (Nov 22- Dec 21)
You're the only one that can decide what's best for you. Don't expect anything out of anyone so you won't be disappointed.

Aries: (Mar 21 - Apr 19)
