THE CAPITAN MOUNTAINEER

FIFTH YEAR NUMBER 19. CAPITAN, NEW MEXICO, JULY 25, 1919. SUBSCRIPTION PRICE $1.50 A YEAR.

Hand Grenades.

Hand grenades, just like those hurled into the Hun lines by the American soldiers, can be secured as war souvenirs by the boys and girls, men and women of Carrizozo. These grenades have been made into saving banks and are being distributed locally by the First National Bank.

When the Germans gave up, the United States had a large quantity of these ready to send across. The War Department had no further need of these "weapons of war" so turned them over to the Saving Division of the Treasury Department and they have been transformed into "weapons of peace."

It is a simple matter to obtain one of these grenade banks. The boy or girl obtains one from the local bank so that he or she can save. When enough money has been earned and saved to buy a $5 War Saving Stamp it is purchased, the grenade becomes the property of the boy or girl. Adults may also obtain these grenade banks by saving and investing in at least three $5 War Savings Stamps of the 1919 issue.

Only a limited number of these grenades could be obtained for Carrizozo. This will be the only opportunity to earn a real weapon of war as a souvenir. When these grenades are gone, will be impossible to secure any more. Those interested should arrange today to get their grenades, which can be obtain in Carrizozo from the First National Bank.

A Fine Fruit Crop.

Wade Wallace, of Hondo, was in Capitan the first of the week and reported everything in a prosperous condition in that neighborhood. Wade has charge of the T. H. Kirkland orchard this season and he said that the fruit crop in that orchard is simply fine. He believes that he will be able to ship at least six or seven car loads of apples this fall, and has other fruit in abundance.

Felix Gonzales Badly Injured.

Felix Gonzales, an aged Mexican citizen, living in the Tucson community, had the misfortune to get a leg broken last Saturday in Capitan. He brought a load of wood to town, and while driving down 1st street, his team became frightened and runaway and he was thrown from the wagon and got one of his legs broken just below the hip. He will probably recover, but will no doubt be a cripple the rest of his life.

Reuben Boone at Home.

Reuben Boone, who has been absent from home more than two years, arrived last Sunday. He volunteered in the aviation service and went through a course of training at San Antonio, Texas, then went to Europe, where he remained until he came back to this country to be discharged. Reuben has had a great experience and gone thro gh many adventures and dangers, but returns home uninjured and in fine health. Of course his relatives are greatly rejoiced to have him with them again and his friends are glad to greet and welcome him home.

A Contest Case.

A contest case of Miguel Luna, of Lincoln, against the homestead of Ladislado Salas, was heard before U. S. Commissioner C. C. Merchant, of Capitan, Wednesday and Thursday of this week. There was a large number witnesses and the case attracted a good deal of interest in the Lincoln community.

Among Luna's witnesses were Deputy Sheriff Frank Salazar, Genevevo Grilgo, of Lincoln, and Mrs. Carry P. Dow, of Capitan.

The witnesses for Salas were Frank Nelson, Jose Mirondo, Antonio Garcia and Refugio Romero, of Lincoln.

Judge George B. Barber, of Carrizozo, conducted the case for Luna; Clement Hightower, of Hondo, appeared for Salas. The testimony makes a long record and was taken on the typewriter by Miss Jennie Boone. Mr. Eugene Dow interpreted the testimony of the witnesses.

Wedding.

The marriage of Tomas Burquez and Mrs. Manlita Montollo took place in the Mountaineer office last Saturday afternoon, Neil H. Bigger, Justice of the Peace, performing the ceremony and Mr. E V. Abeyta acting as interpreter. Of course it was a quiet affair, and was only witnessed by the employes of the office and a few acquaintances, and after they had become husband and wife took their departure, seeming to think that they had begun a life of matrimonial bliss.

In Justice's Court.

A case against Jesus Gonzales was before the Justice's Court in Capitan Monday and Tuesday. Gonzales was charged by Messrs. Etchevarry & Walker with obtaining money from them under false pretenses by promising to work and failing to do so. The case was heard by a jury which failed to agree and was continued until next Monday. C. C. Merchant represented the plaintiffs and Judge Lujon, of Lincoln, the defendant.

Stock for Sale or Trade.

The following described stock will be offered for sale in Capitan on Sales' Day, the first Tuesday in August;

One dun colored saddle and work horse.

Two good work horses, wagon and harness.

One good work and saddle mule.

Two good young work and saddle horses.

One good, well bred Jack, seven years old, well broke.

Mr. Pete Burleson was up from Lincoln Monday trading. Mr. Burleson is in charge of the work now being done on the Lincoln and Arabela road, and said that the work is progressing very well. He has been in charge of county road work for nearly two years and has put the roads which he worked in excellent condition; in fact, they are the best pieces of road in the county.

Jack Price and wife and Mrs. Frank McLure motored over to Pine Lodge Tuesday and spent a day or two. They highly recommend Pine Lodge as a summer resort.

Capitan Sales Day.

It has been arranged to have a Sales Day in Capitan on the first Tuesday in each month, the first to be held on the first Tuesday in August. Those having horses, mules, cattle or stock of any kind, or property to sell or trade will have a good opportunity to so on those days.

Mr. J. H. Hulse has offered the free use of his wagon yard to parties who bring in stock, where they will not only have lot room, but plenty of water.

Good crowds will no doubt attend these sales days, who will come with a view of buying or trading for stock or other property and if you have anything to sell or trade bring it in. The Mountaineer will give special advertising rates to parties wishing to advertise the stuff they wish to sell. By advertising property that will be offered for sale on these days, it would attract the attention of those who may want to buy and would bring them here and be the cause of sales being made that would otherwise not be made. So come in and give us a little advertissment and it will help you sell your stuff.

Camp Meeting.

The annual camp meeting of the Nazarene church on the Mesa convenes Friday night July 18th. Rev. Kegle and wife will do the preaching. A good band of singers and workers will assist. Don't forget the date and prepare now to come. Remember there is wood and water on the ground, pasture for stock and a cordial invitation is extended to every one. Come and be with us and we will do you good.
