John W. Owens.

Do you know that "Old John" Owens is the Democratic nominee for Commissioner in the 2nd District. Well, he is, and don't forget it on the 2nd day of November and vote for him. All the old timers, and many of the new comers, know him. He was one of the early sheriffs of the county and served the people well, and nearly all who were here then have a kindly for him. As the expression is sometimes applied, John Owens "is the friend of all men," and has proved his loyalty to his friends and acquaintance in the extension of many acts of kindness and substantial favors. His long experience in county matters well fits him for the office of county commissioner, and he would faithfully and ably serve the people in that capacity. He may not be able to see all the voters before the election, but all of you remember that he is the same genial, big hearted "Old John" Owens that he always has been, and he wants your vote.

A False Report.

A report has been ingeniously circulated in different parts of the county that Ed Harris, if elected, has already promised to appoint certain men deputy sheriffs in different precincts. We have it from Mr. Harris that he has made no promises to appoint any one deputy sheriff and will make no promises as to who will appoint as his deputies. He says he will leave that matter entirely with the people of the precincts where deputies are to be appointed and will be guided by the preferences of a majority of the people in such precincts.

There is, also, another matter we wish to call to the attention of voters. It has been said by some that Mr. Harris served a big cattle company so long that that he would be partial to the large stockmen. This is evidently a mistaken idea. It is true he served a cattle company 22 years and drew fair wages. He had a family to support and daughters to educate which he did to the best of his ability from his wages as a cow hand. This was the proper thing to do; any other industrious man, having a high regard for his family, and placed in a similar situation would accept employment from a reputable company and hold as long as it might be to his interest to do so. Mr. Harris is now in no way connected with that company or any other large interest and is under no obligations to any livestock company or to the wealthier class of people, and if elected sheriff will be an officer, not for a part of the people, but for all the people.

J. W. Swan.

Joseph W. Swan was born at Fort Gibson, Miss., March 14th, 1840, and was the son of James and Debora Mays, and later in life took the name of Jos. W. Mays. When the Civil War came he volunteered in Co. 138th Regiment Infantry, New York Troop, U. S. Army. He was in many of the great battles in which the army of the east was engaged, and was honorably discharged at Richmond, Va., June 20th, 1865, as Second Lieutenant.

He re-enlisted in Capt. Chamber's Company, 15th Infantry, April 29th, 1870, and served five years against Indian tribes in the west, and was discharged April 20th, 1875.

Judge Swan settled in Lincoln county, New Mexico, after his army service, and was married to Mrs. Manuelita Miller, to which union there was born one son, Robert Swan, who lives in Tucson Mountain country.

Judge Swan held several important position during his long residence in this county and was always true to the trust confided to him. He was a carpenter by trade, and did a great deal of work at Fort Stanton when it was a Military Post. He was a good jeweler and did considerable work in that line.

Judge Swan was a good citizen and neighbor. He was a very intelligent man, and his varied experience made him an interesting companion. This genial, kindly old man is among us no more; we'll miss him greatly, and can only extend our deep sympaty to his bereaved family in feeble words.

TO THE VOTERS OF LINCOLN COUNTY

Dear Friends:-

I wish to inform you, that I have again been nominated on the Republican ticket for the office of County Sheriff and as such, would respectfully solicit your support at the coming election. I have served the people of this county for the past 21 months in the capacity of Sheriff and in a short account I wish to give you a summary of my expenses during my term of office which is about to expire: All expenses for Sheriff and deputies $2,245.02 expenses during two terms of Court $693.90. If in your good judgement you conclude that these figures are a saving to the county and if your deliberations lead you to believe that I have conducted the office in a manner becoming an official in my station, I again request that you endorse the same by casting your votes for me at the election November 2, 1920.

Yours very truly,
E. A. Duran.

An Open Letter to the Voters of Lincoln County From the Republican Candidate for Assessor.

Ladies and Gentlemen:—As voters and tax-papers, it it due you to know what the people who are are seeking your preference at the polls on the second day of next November, have to offer for that preference, what qualifications they may possess to warrant you in placing them in the office they seek, what assurance they can give that as public servants they will efficiently administer your affairs, if elected.

The time for blind partisanship in the selection of county officials has ceased; ability to perform the duties efficiently and impartially is of the first importance and a realization of this fact impels me to address you this message.

As candidate of the republican party for assessor of Lincoln County I ask your support in the coming election and in return for such support, I submit the following for your consideration.

The duties of the assessors office are not new to me: in Socorro county I served two years as a member of the board of county commissioners; over four years as deputy assessor. In this county during the past eighteen years my business has been such as to keep in close touch with all the county offices. My occupation as surveyor has made me acquainted with the character and condition of lands in every part of the county, I am familiar with conditions and with the various lines of industry, all of which will enable me, elected, to give you efficient service. I have no friends to favor or enemies to punish and if elected I assure you that I will serve you faithfully and impartially.

I earnestly ask your support.
Clement Hightower.
Hondo, N. M.

Republican Ladies to Meet.

A meeting of ladies will be held in Capitan next Saturday at 2 o'clock in the afternoon. All ladies who wish to affiliate with the Republican party in the coming election are invited to attend. Mrs. J. E. Farley, county chairman for the ladies, will be present.

Sam J. Bigger,
Precinct Chairman.
Mrs. Grace E. deNissen,
Vice-Chairman.

Antonio Lucero.

There are few more distinguished representatives of the Spanish speaking element of New Mexico's population than Antonio Lucero of Las Vegas, Democratic candidate for congress; and few men who would reflect greater credit upon the state and its people at Washington. Polished and attractive in personality, fine speaker, a man of high ideals of public service and of politics, Lucero is preeminently a clean, representiv citizen of unusual intelligenc and ability. He has to a rare degree the tact, diplomacy and courtesy of the Latin joined to the humor and alertness of an all round American citizen and his intellectual attainments would make him conspicuous in any environment. Mr. Lucero is a man who has exerted for many years the best kind of an influence in office and out, on New Mexico public life and politics; a man of brains, ability and character, and withal modest and unassuming. In the national house of representatives he would be able to give a new prestige to New Mexico despite her handicap of having only one congressman; and surely no man in the state could be better qualified, so far a familiarity with conditions and needs go, to speak for his constituents.—From the Santa Fe New Mexican.

Mr. Lucero will be in Capitan next Tuesday with Judge Hanna and will address the people. He is a splendid man in every respect and ought to be elected and we believe will be The native people should turn out and hear and form his acquaintace. The speaking will take place at 10 o'clock in the forenoon.

Judge Geo. Kimbrell.

Judge Geo. Kimbrell is again the nominee of the Democratic party for Probate Judge of Lincoln county, an office he has filled for the past two years. Judge Kimbrell is so well known that he needs little newspaper endorsement or comment as to his private or official record. However, we will repeat that he is one of our very best citizens and has been a resident of this part of the country, perhaps, longer than any other American living in it. Not only this, but has always worked for its best interests—for the enforcement law and order. He is a man of good ability, and has filled various public positions during his long residence in the county. His record as Probate Judge is first class. He has looked closely after the interests of the widows and the orphans and of all others who have had business in his court, and deserves re-election.

Lincoln County High School and Capitan Public School Notes.

Under the new academic syllabus for Capitan which is being prepared by the faculty, all academic pupils is below the senior year, are required to deliver two recitations in the Assembly before the entire student body during each semester. The selections must be taken from standard authors or recognized public addresses and approved by the English department. After careful preparation they are expected to appear and assign dates to deliver them. Credit in English will be given to those who have made approved appearances.

Thursday we enjoyed the first list of speakers from the senior class on the following subjects: Katie Hurt, "Influencing the Crowd," Francis Fritz, "The Eulogy on Garfield," Susie Bennett, "New Americanism."

This rhetorical program was followed by an address by Supt. McCollister on "Common Law." He clearly defined common jurisprudence and the history of trial by jury.

This scheme of addresses on practical subjects will be continued every Tuesday afternoon at 1 o'clock; after the rhetorical program, and it is desired that the parents and friends avail themselves of this opportunity to hear the program and attend regular recitations which follow.

Mr. M[illegible]n, Mrs. Yates and Mrs. Spillers visited the High School Thursday afternoon. Mr. Mr. Merchant made an impromtu speech, of which the Keynote was, "Get the Grade" He has a very pleasing delivery and all his hearers felt the force of his philosophical remarks. Mrs. Spillers also buttributed a few well chosen and forceful comments which aptly illustrated the necessity of outside work in preparing lessons, not only for school, but for future life.

Miss Ruby Wallace entered the Sophomore class Tuesday. She has just recently returned from California where she spent the summer.

Miss Daisy Woodward of Cuervo, New Mexico, entered school Monday. She is in the first year of High School.

There are two new pupils in Miss Bryans room, and four in Miss Fritz this week.

For Commissioner.

Mr. A. L. Hulbert of Lincoln, Republican nominee for Commissioner in the 1st District, authorizes this paper to announce his candidacy. The nomination for commissioner came to Mr. Hulbert unsought and was a surprise to him, but his party saw in him a man well fitted for the office which brought his selection. He is a farmer and fruit grower in the Rinoto valley and is highly respected by all who know him. He knows the needs of our county and with his business qualifications would serve the people faithfully and well as one of their county commissioners, which, when seriously considered, is one of the most important offices in the county, because the commissioners court to a great extent controls the finances of the county.

You will have to register before you vote. Don't forget it.

John E. West.

John E. West of San Patricio, is the Democratic nominee for Commissioner in the 1st District and we are authorized to place his name before the readers of the Mountaineer this week.

John E. West is one of the best known and most popular business men in the eastern end of the county. "Johnnie West," as he is known by all his acquaintances, came to Lincoln about thirty years ago and was employed by the Rosenthal Company of Lincoln, the then largest mercantile establishment in the country, where he remained as clerk and salesman for a number of years.

About 1902, Mr. West went into business at San Patricio where he is still engaged in the mercantile business, and also has large farming and stock raising interests.

Mr. West's reputation as a conservative business man is first class; his honesty and frankness in business matters and his pleasing personality make him one of the strongest men on the democratic ticket. It is predicted that he will carry the eastern end of the county by an overwhelming majority. His success the western portion, which is conceeded to be strongly democratic, is a foregone conclusion. Johnnie West will be elected by the greatest majority of any man on either ticket, and will make the people a first-class commissioner.

Lincoln Consolidated School Items

The Lincoln Consolidated School is progressing nicely. They have enrolled one hundred and twelve, including the 8th Grade, which has 21 enrolled.

The Freshmen class held a meeting September 14th for the purpose electing officers, and the following officers were elected.
President—Eva Rose.
Vice President—Isidoro Chavez.
Secretary—Bonita Clark.

The class colors are: The and White and Blue.

The motto is:
"We have reached sea,
The ocean lies before us."
The class song was written by
The Superior of Music—Mrs J. H. Mims.

The Lincoln School has a fine Basket Ball team and with a little more practice will be ready to challenge any schools in the county. Miss Emelia Salazar is the Capitan of the Basket Ball Team.

The teachers are doing excellent work this year.

Transportation is good. Mr. Fred Pingston brings the children from down the valley, and Mr. Loyd Hulbert from up to Torres Ranch.

MRS. WILBUR COE.

The subject of this sketch was formerly Miss Louise Holland but now Mrs. Wilbur Coe. As will be remembered Mrs. Coe was a teacher in the Lincoln County High School located at Capitan where she was exceptionally well liked as a teacher and as a young lady, endeared herself to the people of this community and since her marriage and new residence on the Ruidoso she has become popular with every one there, as well as throughout Lincoln County.

This lady was the unanimous choice of the Democracy of Lincoln County in convention assembled at Carrizozo recently as their nominee for County Superintendent of Schools, recognizing in her a young woman with a polished college education of great executive ability and an able school administrator.

Mrs Coe asks you very kindly to consider her qualifications to this important office regardless of your party affiliations and will try to see each and every one she can in the few remaining weeks before the election and if she should fail to see you requests of you not to think hard or feel slighted, but earnestly seeks your support.

Married.

Last Monday Mr. Homer Read of Capitan decided he would go to Nogal and take unto himself a wife in the person of Miss Hettie Rhodes of that place. After arriving in Nogal he and Miss Rhodes pulled out to Carrizozo where they were united by Justice Ira Wetmore in his genial and pleasing manner.

Mr. and Mrs. Read are now at home two miles south of Capitan. The Mountaineer joins with their friends in wishing them a long, prosperous life filled with much happiness.
