Republican Meeting.

Capitan, N. M., July 8, 1922

All Republican Chairman and Vice Chairman:

A meeting of all members of the Lincoln County Republican Central Committee is hereby called for 1 o'clock p. m., Saturday August 5th, at Carrizozo, N. M. (Court House).

The purpose of this meeting is the discussion of plans for the State and County Campaigns this Fall; the selection of a place for holding the County Conventions and for the transaction of any other business that may properly be brought before the meeting.

All members of the Committee and all other Republicans of the County interested in the party organization, are earnestly requested to be present.

Robert Brady, Chairman.

J. B. French, Secretary.

In the selection of a place to hold the Republican County Conventions Capitán is titled to due consideration. It has been a long time since a Republican county nominating convention was held here. By right and usage it should have this one. It is centrally located and can be more conveniently reached by the majority of the delegates who will attend the convention than any other point in the county. The convention can well be entertained here. We have good eating and rooming houses, and a hall of ample capacity to hold the delegates and all others who may be in attendance with comfort. Let the meeting of the precinct chairman at Carrizozo on the 5th of August give Capitán the consideration it surrounding affords and the convention will be held here.

"Mages's Independent."

Mr. Magee's new weekly paper recently established in Albuquerque, called "Mages's Independent," is now on our exchange list. As a weekly newspaper, it is one of the most complete and best we can name. Its editorials show the impress and bold expressions of Magee in every paragraph. It is following the same course pursued by Mr. Magee when he owned and edited the Albuquerque Journal. It is a free lance in the field of journalism, and is unsparing and scathing in its criticisms of men and measures. Its announced purpose is to expose graft and dishonesty in the conduct of public office, and to advocate the strictest economy in the management of the state government. It is a newspaper that will appeal to independent voters, while it will be read with interest by partisans, while they will not disagree with what it advocates. Magee is an able man, a clear and forcible writer, and his paper will wield a strong influence among the people. Its motto is "Give light, and the people will find their own way."

Teachers State Examination.

The last State Teachers Examination for certification and for the Reading Circle work will be held in the office of the County Superintendent of Schools July 21-22, Carrizozo, N. M. Examinations will begin at 7:30 in the morning. Teachers taking only the Reading Circle examination will do so Saturday. If your certificate expires September 1st it will be necessary for a renewal to present credits in the Reading Circle work. For the last three years or a certificate from one of the Summer Normal Schools of eight weeks attendance each year.

Francisco Vaino, Yoldio Miranda, Carlos Renteria and Luis Medrano, the four Mexicans who murdered Anton County in his store at Vaughn last September, were tried for the murder and convicted and received the death sentence, and are to be hung in a prison Friday, the 24th day of this month. Seven of the other persons who convicted the four were native born Mexican citizens.

From the Gallup News: County Athletic Meet.

Despite the bad winds and dust storm, the County Athletic Meet held on Saturday at Lyon Park was a big success. The grade schools of the entire County took part and the Gibson school won The Loring Cup, a beautiful thing of art presented by the County Board of Education. The other medals were presented by the County Board and H. W. Rose, County Superintendent. A large attendance witnessed the many interesting feats of the day. Due credit must be given to Mr. Holt, the Athletic instructor for interest and kind indulgence, and for his patient training for the big event. Gibson is justly proud of her honors.

Mr. Ridgic Holt is a Capitán boy and his friends here will be pleased to learn of the credit given him as an instructor in athletics.

Capitan Needs a Doctor.

Dr. Price is leaving Capitán to take a place in a government hospital at Dayton, Ohio, which leaves Capitán without a doctor. There is not a better location for a good doctor in this part of New Mexico than Capitán.
