The county commissioners in Lincoln last Tuesday issued a most commendable order. No person is permitted to sell intoxicating liquors within four miles of any construction work of any railroad in Lincoln county outside of the town of Carrizozo. This is a preventive of much crime, as a lot of railroaders and bad whiskey is a bad mix-up.

Robt. Hurt has been appointed administrator of the estate left by the late A. Norbom. Those having accounts against said estate are requested to send them in for settlement.

The Chinaman mining claim has been bonded and leased by an eastern syndcaite who will put in a mill for the treatment of the ore and work it on a large scale. The Chinaman mine is located in the Bonito mining district and is one of the promising mines in that section.

E. J. Gumm returned on last Sunday from a 6 days trip to the Gallina Mountains country. He was accompanied by Frank Travasy of Alamogordo, who went to look over the country for J. Quinliven who has the contract for 200,000 ties for the E. P. & N. E. railroad.

Bob Corn of the Bonito has sold his mine on Turkey creek to an Iowa syndicate. This company is represented in that section by W. A. McIver who has secured several mining propositions in that vicinity. The price paid for this property was $1,500, and it is said they will begin working with quite a force of men at an early date.

The Bonito Gold Mining and Milling company with headquarters in Alamogordo, which has been working in the Bonito country it is reported has struck some very rich ore and is putting on a large force of men to get it out. Colonel N. J. Thatcher has the work in charge and says his company has struck it rich and that work from now on will be pushed in that mine.

It is reported that B. R. Robinson of Bonito has sold a claim which he recently located for $5,000 to an eastern company which is in that country looking for good mining propositions. According to the same report that company has also purchased his homestead and water right for $2,000. The latter was purchased for a mill site for the treatment of the ore from the several mines the company has secured in that section.

E. Rohde & Co. have opened a meat market in Capitan, and invite the public to call on them when in need of fresh meats of any kind. They keep constantly on hand fresh Kansas City beef, pork, mutton, sausage, etc., and supply these at the very lowest price possible. The market is located near the postoffice in the building recently erected by McReynolds & Peters and is one of the neatest places of business in town. The public are assured of fair and courteous treatment when dealing with this new firm.

The El Capitan Mining Investment Co. is soon to build an office at this place in which to transact its business. It is learned from the general agent, H. C. Barnes that they have already secured options on several valuable mining claims in the Capitan and Bonito country and will soon put a man on the road to look after the outside business. The members of the company intend soon to incorporate as the mining industry promises so much for this section and they desire to be in shape to take advantage of the stimulus that is being infused into the industry through the coming of capital into Lincoln county.
