THE PROGRESS office, now has in the course of preparation the court docket for the April term of Lincoln county court. CORNER STONE OF THE SCHOOL BUILDING LAID.

It was a happy co-incidence that caused the laying of the corner stone of the new school house to fall on the first real spring day with which Capitan has been visited making it appear as though nature had awakened from her long sleep, aroused by her eagerness to join in the general rejoiceing over the birth of the new era of prosperity and advancement in our town which was marked today after appropriate ceremonies by the laying in its resting place the handsome corner stone of the new school house.

Early in the day the stars and stripes were seen floating proudly in the air high above the site of the new building and little groups of idlers decked out in holiday attire betokened the interest and pleasure taken by our usuacly busy little town in the event. About 11 a. m. the school children were formed into a procession and started from the present school building followed by a large crowd which congregated from all parts of the town. It was a pretty sight they made marching along with military precision waving their flags their bright and smiling faces seeming to reflect the joyous confidence in the future of our town felt by all present. Upon arrival at the building the school children were marshalled to their places by Prof. Bradford who then announced the program which was opened by the school and all present joining in the singing of Columbia which was heartily sung while our national emblem was enthusiastically waved in the air by many little hands. After this Miss May Skeehan who has been so closely identified with the success and high efficiency of our school from the earlist day of the town readа very appropriate address touching on the earnest efforts of the people in general and Mr. Gray especially for the advancement of our school, and the various steps forward it has taken until they culmiated in the laying of the corner stone of the noble structure that is soon to adorn our town.

The dedication address was then read by our townsman, Mr. F. C. Matteson, who mentioned briefly the carlist monuments of the world, starting with the pyramids of Egypt and passing down in rapid succession through the ages until he brought to the minds of his listeners how far superior in lasting influence to that of the ancient monuments are the modern monuments of progress and education such as the school building that has been started here. After the close of the eloquent address the stone was laid in its place by Mr. H. J. Little, one of the contractors of the building, while a few appropriate remarks were made by Judge Swan.

The ceremonies were then concluded with a song and the procession marched back to the present school house where it was disbanded. Much regret was felt as to the absence of Mr. S. T. Gray, who has done so much for the community and school, but for whom Capitan would to day be but a pasture ground, far from railroad and progress. It is also much regreted that Mr. Wilmarth, representative of the El Paso Herald, who it is reported came up here expressly for the occasion, arrived about 15 minutes too late to join in the celebration.

Dr. Snyder of Ruidoso Killed,

The Ruidoso settlement was the scene of a frightful accident last Saturday, in which Dr. Geo. W. Snyder of that place lost his life. The doctor accompanied by Miss Rice was returning from La Luz where he had been on a business trip and was almost at his joerney's end when the team became frightened from some unknown cause and became unmanagable. The runaway team had gone but a short distance when Dr. Snyder and the young lady were both thrown from the buggy, inflicting injuries to the doctor from which he died a few hours afterwards and severely bruising and otherwise injuring Miss Rice.

The deceased was a resident of Chicago, and was known throughout this section from his connection with several mining ventures backed by eastern capital. At the time of his death he was associated with the famous Rialto group of mines near Parsons City and was preparing to devote his time and personal attention to extensive mining operations in that section.

His remains were laid to rest in the quiet and picturesque Ruidoso cemetery.

TO HER LONG REST.

Mrs. W. P. Thompson, wife of the superintendent of the New Mexico Fuel company at Capitan, died at the Hotel Alamogordo early last Saturday morning, of consumption, in the 25th year of her age.

The deceased has been rapidly failing all winter, but hope of her ultimate recovery was not abandoned until a few weeks ago, when the unwilling conviction was forced upon those dearest to her that the end was inevitable. She passed away peacefully in the early hour of the morning, her husband and her mother, Mrs. O. E. Wilson, being with her to the last.

The body was embalmed and taken to the home of her parents in Norwalk, Conn., for interment, leaving here Sunday morning on a special train for El Paso.

The deceased embodied in her character all the Christian graces, and her loss will be keenly felt in the circle of her friends and acquaintances. The bereaved husband and parents have the sympathy of the entire community in their sad affliction.
