The Capitan Progress.

A Journal Devoted to the Interests of Lincoln County.

VOLUME 4. CAPITAN, LINCOLN COUNTY, NEW MEXICO, AUGUST 7, 1903. NUMBER 22.

NOTICE.

In turning over the office of sheriff to my opponent in the recent election and who, subsequently, was awarded the office by a judicial decree, I wish to express my thanks to all friends who assisted in my election and, also, those who have aided me during my incumbency of the office of sheriff of Lincoln County.

It may seem strange that a man retiring from an official capacity should deem it necessary to make a statement for publication; but it must be remembered that the conditions under which I leave the office of sheriff are unusual. As the people know I was awarded a certificate at the general election last November, having received a majority of the votes cast. That a contest was inaugurated by my opponent on the grounds of the illegality of the vote cast at Ft. Stanton, and that the decision was against me, and I bow to the authority vested in the judiciary.

In the meantime, however, I have served the people of Lincoln county as sheriff for seven months, placing the reins in the hands of R. D. Armstrong August 2nd. While no district court has been held in Lincoln county since I have performed the duties of sheriff, there has been a great deal of work to do, and it has been my constant endeavor to do it faithfully and to the best of my ability. I have never been after a criminal that has escaped, and for this good fortune I owe thanks to those who have served so conscientiously as deputies, as well as to friends on the outside who have given me aid.

I feel justified in saying this in in my own behalf, notwithstanding it savors somewhat of egotism; for the voters of Lincoln county were advised to withhold their support in the last campaign, the assertion being made, and evidently believed by many, that I would not perform the duties of sheriff impartially and honestly. I feel that in quitting the office of sheriff, the county is more quiet and that less stealing is going on than has been for years past.

Hampered as I was and doubtful about the decision of the Court, my opportunity for a clear field being necessarily limited, my record is open for the inspection of all, and should I again come before the people of this county and ask their suffrage they will know how to act on their own responsibility and knowledge. To those friends who stood firmly by me through the heat of conflict, I extend my most heartfelt thanks; and to those who saw fit to oppose me, believing me to be what my enemies represented me to be, I have nothing to condemn, and only regret that I could not longer remain in office to prove to them thoroughly that I was entitled to their support.

Respectfully,

JNO. W. OWEN.

GOVERNMENT OBJECTS.

KANSAS CITY, MO., Aug. 5.—Postmaster Harris today held up the mail of Monarch Investment company, and Oklahoma Townsite company, on a fraud order issued by the postmaster general on the ground that it was doing a lottery business.

The company sold $90,000 worth of lots at Apalachia, Okla. and disposed of them at a drawing held July 22, and had advertised another drawing at Warwick, Oklahoma, for Aug. 19.

There was no fraud, but the government objects to the lottery feature.

LAP CLARK SHOT.

Tragedy at Picacho Last Sunday Afternoon Clark Still Alive.

BUD HOBBS UNDER A THOUSAND DOLLAR BOND.

Difficulty Over Business Matter.

Last Sunday night at about eight o'clock, above Picacho, and across the Hondo from W. H. Lumbley's farm, occurred a difficulty between Lap Clark and Bud Hobbs, resulting in the serious shooting of Clark. The difficulty grew out of an attempted settlement of some business relations existing between them. The weapon used was a 30-30 caliber Winchester loaded with soft nose bullets, and while only flesh wounds were inflicted they are gaping and ragged holes. One bullet tore across the front of the abdomen making a wound several inches long, another grazed the scrotum, and a third struck just above the arm making an ugly wound. Clark was carried to the Longwell farm-house and medical aid was summoned immediately, and the wounded man received attention possible from Dr. Watson, of Lincoln, Clark's attendant, believes he will recover.

Hobbs is a brother-in-law of John Coles and lives with him on the Coles ranch. He was placed under $1,000 bond. Dr. Watson, of Lincoln, Clark's attendant, believes he will recover.

HELEN RAE AT WORK.

L. M. Rice the general manager of the Eagle Mining & Improvement Co. and the American Gold Mining Co., at Nogal and the Old Abe Mining & Milling Co. at White Oaks, is repairing the mill at the Helen Rae mine and will put a full force of men to work on the property the first of next week. This property has been idle for some time but more machinery has been added, and improved methods for the treatment of the ores has been installed, and is it now expected to produce better than ever.

The Helen Rae is considered one of the richest gold properties in Lincoln county, and Mr. Rice intends to have it paying dividends right away.

It is intended also to resume work immediately at the big Parsons mine and it is not likely that these properties will again be idle for years to come.

Sick stock or poultry should not eat clean stock feed any more than sick persons should expect to be cured by food. When your stock and poultry are sick give them medicine. Don't stuff them with worthless stock foods. Unload the bowels and stir up the torpid liver and the animal will be cured, if it be possible to cure it. Black-Draught Stock and Poultry Medicine unloads the bowels and stirs up the torpid liver. It cures every malady of stock if taken in time. Secure a 25-cent can of Black-Draught Stock and Poultry Medicine and it will pay for itself ten times over. Horses work better. Cows give more milk. Hogs gain flesh. And hens lay more eggs. It solves the problem of making as much blood, flesh and energy as possible out of the least amount of food consumed. Buy a can from your dealer.

One of the miners in No. 4 mine on Monday had his back injured and one leg broken below the knee by a body of coal falling on him. He is reported to be in a critical condition.

J. T. Waddell and family, of Alamogordo, came in on Saturday's train and proceeded to Fort Stanton where he is engaged in contract work. They will remain during the summer.

J. F. Griffith, one of the teachers attending the normal, met with a painful accident Saturday evening while examining a gasoline motor at the depot. He gave the fly-wheel a turn, and the revolving shaft caught his foot, tearing the nail off the great toe and badly injuring the others.

Captain D. W. Roberts and wife of Estey were visiting several days in Capitan this week, while on an outing trip. The Captain is well known to the old timers in this section, being sheriff of the county some fourteen or sixteen years ago. He is now interested in mining in Estey, of which camp he has great hopes.

On Sunday, August 2, at North Capitan, Juan Duena shot Jose Antonio Garcia through the body inflicting a dangerous wound, the result of which is doubtful. Duena was brought before Justice of the Peace Eidson on the charge of assault with intent to kill, and committed to await the result of Garcia's injuries.

George Sena, of Richardson, spent several days in Capitan this week. Mr. Sena has an equally good knowledge of both English and Spanish, and is seeking the position of court interpreter of the Fifth judicial district. His petition has been endorsed by many members of the bar, including District Attorney Llewellyn.

Teachers' Institute.

The regular Teachers' Institute will be held at Capitan, on August 3, 1903, and will remain in session four weeks from that date.

The regular examination of teachers takes place on Friday, August 28.

As heretofore, teachers are required to attend the County Institute at least two weeks; but as little real beneficial work can be done in such a limited term, it has been decided that we have a two weeks longer session than usual, and it is to be hoped that all teachers will attend the full time.

A Sweet Breath

is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick of White Plains, Ky., writes: "I have been a dyspeptic for years tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once. Kodol digests what you eat and makes the stomach sweet. Robert Hurt, druggist.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucuous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
